A great modern classic and the prelude to *The Lord of the Rings*. Bilbo Baggins is a hobbit who enjoys a comfortable, unambitious life, rarely traveling any farther than his pantry or cellar. But his contentment is disturbed when the wizard Gandalf and a company of dwarves arrive on his doorstep one day to whisk him away on an adventure. They have launched a plot to raid the treasure hoard guarded by Smaug the Magnificent, a large and very dangerous dragon. Bilbo reluctantly joins their quest, unaware that on his journey to the Lonely Mountain he will encounter both a magic ring and a frightening creature known as Gollum. "A glorious account of a magnificent adventure, filled with suspense and seasoned with a quiet humor that is irresistible . . . All those, young or old, who love a fine adventurous tale, beautifully told, will take *The Hobbit* to their hearts." - New York Times Book Review
