Internationally renowned psychic medium Char Margolis reveals her intuitive method to finding love and sustaining fulfilling relationships. Love seekers will find that Char busts the "one soul mate" myth and that loving relationships extend beyond one lifetime. Char explains that we have many soul mates who take different forms in different lives--lover, parent, best friend, even enemy--each teaching different lessons. She shows us how using our intuition, communication skills, and common sense can help us find and deepen intimate our relationships, so we can continue to learn the lessons of love we came to Earth to master. Exercises, quizzes, and helpful tools for evaluating partners, will guide the reader to better relationships with thought-provoking questions, and easy-to-remember "dos and donts." Contributions from outside experts like noted astrologer Sandy Anastasi and bestselling numerologist Glynis McCants bring additional insight to our quest for the best partner for this lifetime.

Over the years the topic of the soul and soulmates has become more popular. "Made for One Another" is the first comprehensive survey on the mysterious soulmate concept, the idea of eternal love of two people. Ulrich presents rare material from mythological sources all over the world, spiritual ideas, and modern thinking.

For the late psychic Edgar Cayce, the aura provided a pictorial representation of an individual's health, thoughts, talents, and

life potentials as well as karmic lessons and even past lives. In a very real sense, the aura functions as a barometer of the whole self—body, mind, and spirit. Psychic Carol Ann Liaros and Cayce expert Kevin J. Todeschi have joined together to present a unique volume that teaches you to access your intuitive self in order to see these auras and colors and then goes on to explain their meaning as based on the well-documented readings of Edgar Cayce. Their work explores colors and the human aura in a way that provides practical tools for understanding that can be applied in your own life right now.

The Akashic Records, also known as "The Book of Life," are the storehouse of all information for every individual who has ever lived upon the earth. Every word, deed, feeling, thought, and intent that ever occurred are contained within. Todeschi takes you on a journey to understanding how you are in charge of shaping your own destiny with additional instruction on how you can tap into your own records—your past lives, your present experiences, and your future—to create the life you desire now.

There are dozens of self-help books on the market, but this is the only one based on the use of "ideals" as described in the Edgar Cayce readings. According to Cayce, ideals are forceful motivating factors in our lives. They are at work whether we realize it or not. This workbook contains informative text, delightful exercises, and revealing self-quizzes. The exercises are fun to do, and the results can last a lifetime. With this book, you can create a new life destination filled with joy and fulfillment.

What happens after we die? What is the purpose of reincarnation? How does it work? What is the role in this mysterious process of the soul, free will, karma, soul mates, and God? Paranormal investigator J. Allan Danelek presents a compelling exploration of reincarnation that sheds light on both the mechanics of rebirth and its spiritual purpose. Addressing all aspects of reincarnation—including how the next physical life is chosen, the influence of past lives, the difference between the soul and personality, the necessity of evil, and what happens between lives—Danelek illuminates this transcendent yet practical mode for perfecting the soul. *The Case for Reincarnation* presents a fascinating, thought-provoking examination of reincarnation and the elements involved: The Divine • The eternal soul • Spiritual lessons The link between the spiritual and physical worlds • Linear time Past-life memories • Karma • Choosing our next incarnation What happens to souls drawn to evil • Ghosts

SOULMATES

These and many other fascinating questions about human relationships, universal justice and multiple rebirth are discussed in this much awaited book on Soul Mates, Karma and Reincarnation. This is the only book on this subject written by JAIME T. LICAUCO, the country's foremost authority on mind development, paranormal phenomena and Philippine mysticism. Drawing on his vast knowledge of esoteric sciences, Mr. Licauco provides the reader with an in-depth explanation of soul mates, karma and reincarnation. Is it true we have lived before this lifetime? Why was the concept of reincarnation removed from the teachings of the Christian Church? What is karma? What are the rules governing it? Why did Edgar Cayce define karma as simply "meeting yourself"? Does each of us have a soul mate? How do we recognize our soul mate when we meet him or her? Why do we seldom meet our soul mate? Can we invoke or pray for a soul mate to appear in our life? Find all the answers to all these questions on this book.

Whether you are seeking someone new or transforming an existing relationship, *Beyond Soul Mates* will show you how to love with the truest, most enlightened part of yourself. Because of the cycle of karma, soul-mate relationships are often fraught with predictable problems. But true-mate relationships engage our higher selves, inviting us to manifest and express our sacredness. Only when you connect your true self with the true self of another will your longing for intimacy and union be fully satisfied. Join renowned author and energy healer Cyndi Dale as she guides you from the often-turbulent waters of soul-mate relationships into the calm, peaceful, and refreshing waters of true-self relationships—and true love. Attract your true mate or re-ignite the flame of true love in your current relationship. Find a renewed sense of peace and harmony even in your nonromantic relationships. With practical guidance and inspiring real-life stories from her clients, *Beyond Soul Mates* is a down-to-earth guide filled with deep wisdom and profound inspiration.

If you've looked up this book, chances are you're looking for something more than a casual date or another dead-end relationship. You're looking for someone to share your hopes and dreams with, someone with whom you share an eternal

bond—your soul mate. Or maybe you're one of the lucky ones who have already found their other half—and you want to make sure the relationship lasts. Popular metaphysical author and hypnotherapist Richard Webster has regressed hundreds of clients back into their past lives. He has discovered that, somewhere out there, everyone has a soul mate. And finding your soul mate isn't an impossible dream—you just have to be ready. Soul mates enter our lives at the right moment—the time when we are physically, mentally, emotionally, and spiritually prepared to meet them. As you progress through *Soul Mates*, you will: Explore the theory of reincarnation, karma, and the soul Perform meditations and exercises designed to help you open yourself to love and attract your soul mate Read actual case histories of soul mates from the author's private hypnotherapy practice The two of you have been together countless times before. You may have enjoyed a passionate romance in ancient Egypt, medieval England, or Renaissance Rome. You may have spent pleasant lifetimes in the Holy Land, Thailand, or Russia. You found your soul mate then. You can do it again in this lifetime. The purpose of this book is to help you find—and then keep—this special person. Discover for yourself that the soul mate bond goes beyond "Til death do us part"—for true love never dies. *Reincarnation & Karma* Llewellyn Worldwide

For years Edgar Cayce, the most documented psychic of all time, provided a small group of individuals with lessons in soul growth and personal transformation. This volume presents a new look at those major principles. From the first lesson on cooperation through others on ideals, patience, oneness and love, this book provides specific tools for personal and spiritual development. The Cayce information suggests that each individual has a definite purpose for living. There is also the promise that with a spiritual intent we can come to understand that purpose. We are all here for a reason, a reason that joins us in search of a common heritage. Presented here are insights for awakening to our spiritual nature and to an awareness of the purpose of the soul. Edgar Cayce's *Twelve Lessons in Personal Spirituality* is designed as a tool for personal reflection, as a handbook for small group discussion, and even as a source of encouragement during those moments when the challenges of life seem more overwhelming than the beauty of it. For though we may be separated by language, or religion, or customs, or race, or even vast distances, we all share the earth as our temporal home, we are all Children of the same God, and we are all seekers along the way.

Science caught up with the psychic readings of Edgar Cayce when it proved that all of materiality - consisting of atoms and therefore protons, neutrons, and electrons - is energy in motion. Everything is a vibration. Even the body's five senses operate through the use of vibrations. The Cayce readings suggested that vibrations were also associated with healing, consciousness, and even locations. In fact, the Cayce information presents the premise that all of life in every dimension is actually just different manifestations of the One Force - the Force that moved all of Creation into being. Therefore, all vibration is ultimately that One Force manifesting in the material world in a variety of ways. Todeschi's latest title explores how everything from consciousness to the material is connected to vibration, and how we continue to create and shape our world through the vibrations all around us. Vibrations are essentially spirit in motion and our thoughts and actions affect our life and the way we are living. *Edgar Cayce on Soul Mates and Soul Companions* Summit University Press

One of the most remarkable stories of the twentieth century about one of the most incredible men who ever lived: Edgar Cayce, a Kentucky farm boy whose psychic powers healed thousands, touched countless lives, and inspired the dawn of the New Age. For more than forty years, Edgar Cayce (1877-1945), the 'sleeping prophet,' regularly exhibited an astonishing psychic ability. From an altered state, he was able to read minds and souls, diagnose thousands of illnesses, successfully prescribe remedies, see into the past and the future, and tap into a source of universal knowledge where such information resides--a source Cayce said is available to us all. For anyone who has heard of Edgar Cayce--and his name is familiar to millions--here is a concise, reliable, immensely readable introduction to his life, work, and message. In *Edgar Cayce's ESP*, his story is told by writer Kevin Todeschi, an authority on Cayce's work and the director of the popular educational organization Cayce founded, the Association for Research and Enlightenment. Drawing upon more than 14,000 case histories and readings, Todeschi presents a wealth of proof of Cayce's psychic abilities and the effects they had on the lives of his contemporaries. Todeschi focuses especially on the character of the modest, generous Cayce himself, a man who started out in life as a sensitive, Bible-reading Kentucky farm boy and who grew up to become an unlikely prophet of the New Age and the most famous psychic in American history.

This is a fast-reading, far-reaching look into the strange concept of our soul's life, describing how our soul goes through a recurring cycle of incarnations bringing karma that affects us in a way often unseen, like a shadow over our personality's life and relationships today. Van Auken explains how and why reincarnation occurs, where our past-life memories are stored, and how we may become aware of our soul and its karmic patterns. He explains soul mates, twin souls, soul groups, and reveals what our souls are doing when they are not incarnating! He revisits passages in the Bible about our origin and true nature, a nature that is not affected by the death of the physical body. Using sources from the Hindu Akashic Records and the Book of Life or Book of Remembrance, as well as Kabbalistic and Gnostic teachings, he gives us examples of how our soul sees life rather than our earthly self's view. He uses Edgar Cayce's discourses to add to our overall understanding of soul life versus personality life. Destiny, fate, and karma are explored as well. Then he has a series of chapters of meditation, dreams, living by ideals rather than allowing circumstances to direct our lives. There's a fascinating chapter telling the lifetimes of one soul's whole series of incarnations, and how each of them contributed who she is today and why specific people are in her life today. All in all, it is an interesting and compelling revelation about a life few of us are aware of but are apparently living at some level of our consciousness.

Twin souls, soul mates, perfect partners - are these images of an ideal relationship just fantasy, or do they have some basis in truth? Do these kinds of relationships really exist and, if so, what can be done about them? What about karmic relationships and ongoing challenges with family members and others through different lifetimes? Questions like these and many others were posed to Edgar Cayce, who gave some surprising answers. For decades, Cayce provided thousands of individuals with insights into relationships over time through various incarnations. In addition to discussing the dynamics of soul attraction, soul mate relationships, karmic connections with others, and the nature of loneliness, *Edgar Cayce on Soul Mates and Soul Companions* examines some of the most amazing case histories from the Cayce archives while providing contemporary examples of the very same principles Cayce discussed. Whether your interest is family relationships, attracting a partner, healing a relationship problem, or understanding relationships through time, this fascinating exploration provides an examination of the universal laws at work that continually draw individuals together.

Edgar Cayce's rare mind tuned to the Universal Mind gives us extraordinary insights into the power of our own minds. In this fascinating book, Cayce illustrates how thoughts are things, that may become crimes or miracles in our lives. He explains how by changing our thinking patterns, we can change our life for the better. He also gives a unique view into our mind at sleep--describing the influences motivating our dreams and visions, and showing us how to better interpret them. He clarifies why the dreaming mind is so much more important to us than we realize. He also addresses the need to move away from a too self-centered consciousness, opening up to a larger consciousness with powerful intuition and precognition.
