LEON ALLEN

Sal Fink Shambhala Publications

A memoir in bite-size chunks from the author of the viral Modern Love column “You May Want to Marry My Husband.” “[Rosenthal] shines her generous light of humanity on the seemingly humdrum moments of life and shows how delightfully precious they actually are.” —The Chicago Sun-Times How do you conjure a life? Give the truest account of what you saw, felt, learned, loved, strived for? For Amy Krouse Rosenthal, the surprising answer came in the form of an encyclopedia. In Encyclopedia of an Ordinary Life she has ingeniously adapted this centuries-old format for conveying knowledge into a poignant, wise, often funny, fully realized memoir. Using mostly short entries organized from A to Z, many of which are cross-referenced, Rosenthal captures in wonderful and episodic detail the moments, observations, and emotions that comprise a contemporary life. Start anywhere—preferably at the beginning—and see how one young woman’s alphabetized existence can open up and define the world in new and unexpected ways. An ordinary life, perhaps, but an extraordinary book.

The Perilous Life of Jade Yeo Penguin

"This is Claude. He’s five years old, the youngest of five brothers. He also loves peanut butter sandwiches. He also loves wearing a dress, and dreams of being a princess.When he grows up, Claude says, he wants to be a girl. Rosie and Penn want Claude to be whoever Claude wants to be. They're just not sure they're ready to share that with the world. Soon the entire family is keeping Claude's secret. Until one day it explodes."--

Everything Is Workable Crown

The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a

product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Good and Cheap Scholastic Inc.

The gentle wisdom of "Zen and the Art of Happiness" shows how to invite magnificent experiences into your life and create a philosophy that will sustain you through anything. The Zen of doing anything is to behave with a particular state of mind that brings the experience of enlightenment to even everyday facts -- and through that experience, happiness.

ZEN SHORTS (A STILLWATER AND FRIENDS BOOK)

Crown

Everyone has a boss. And anyone who has aspired to move up the corporate ladder knows that their relationship with those they report to is crucial. In *Managing Up* Rosanne Badowski offers a straightforward, entertaining, no-holds-barred account of what it takes to make your relationship with your boss work to your advantage, no matter where you stand in the corporate hierarchy. Told through rich, colorful anecdotes about her years spent working with one of the smartest, most demanding and dynamic business leaders of the twentieth century, legendary GE CEO Jack Welch, Badowski reveals the secrets to career success she has gleaned over the years. At heart, it’s about working with the person above you to create a productive and effective partnership. Everyone is a manager, in one way or another, Badowski points out. She discusses first-hand what it’s like to have to be a mind reader, to anticipate the future, to plan for the unexpected, and to perform the impossible. With refreshing candor and a hint of attitude, Badowski’s advice is unlike any other. She advises us that “Impatience is a virtue,” to “Have no shame,” and to “Beware the too-quiet office.” Having worked in one of the most challenging, high-profile corporate environments anywhere, no one knows more about prioritizing, about making decisions on behalf of your boss, about sifting through a daily barrage of data and information, about multitasking at warp speed, and exhibiting grace under fire. Ultimately, Badowski says, excelling at what you do is about a shared passion for the job. *Managing Up* is an invaluable guide for managing your career and juggling responsibilities with finesse and confidence. It should become a management bible for anyone hoping to get ahead in their profession.

THIS IS HOW IT ALWAYS IS

Macmillan

Read Along or Enhanced eBook: Two hungry travelers arrive at a village expecting to find a household that will share a bit of food, as has been the custom along their journey. To their surprise, villager after villager refuses to share, each one closing the door with a bang. As they sit to rest beside a well, one of the travelers observes that if the townspeople have no food to share, they must be "in greater need than we are." With that, the travelers demonstrate their special recipe for a magical soup, using a stone as a starter. All they need is a carrot, which a young girl volunteers. Not to be outdone, another villager contributes a potato, and the soup grows as others bring corn, celery, and other vegetables and seasonings. In this cumulative retelling of an ancient and widely circulated legend, author Heather Forest shows us that when each person makes a small contribution, "the collective impact can be huge." Susan Gaber's paintings portray the optimism and timelessness of a story that celebrates teamwork and generosity

FINDING ZEN IN THE ORDINARY

Scales and Sensibility

In his definitive introduction to Zen Buddhism, Alan Watts ("the perfect guide for a course correction in life" —Deepak Chopra), explains the principles and practices of this ancient religion. With a rare combination of freshness and lucidity, he delves into the origins and history of Zen to explain what it means for the world today with incredible clarity. Watts saw Zen as "one of the most precious gifts of Asia to the world," and in *The Way of Zen* he gives this gift to readers everywhere. "Perhaps the foremost interpreter of Eastern disciplines for the contemporary West, Watts had the rare gift of 'writing beautifully the unwritable.'" —Los Angeles Times

CYBERPUNK: MALAYSIA Prometheus Books

Cyberpunk as you've never seen it before... Science fiction is all about outrageous ideas. Nice Malay girls breaking the rules. Censorship. Brain drain. Moral policing. Migrant exploitation. All the stuff of fiction, obviously. But these 14 short stories take it one step further. The nice Malay girls are cyborgs. The spambots are people. The brains have drained into cyberspace, and the censorship is inside your head. Welcome to Cyberpunk: Malaysia. THE SHOWER HABIT

Zen Cho

An internationally bestselling comic novel in which a man—with the help of a bunny—suddenly realizes what's important in life "Escapism at its best . . . Just pure fun." —NPR.org "Which of us has not had that wonderfully seditious idea: to play hooky for a while from life as we know it?" With these words from his foreword, Pico Iyer puts his finger on the exhilaratingly anarchic appeal of *The Year of the Hare*, a novel in the bestselling tradition of *Watership Down*, *Jonathan Livingston Seagull*, and *Life of Pi*. While out on assignment, a journalist hits a hare with his car. This small incident becomes life-changing: he decides to quit his job, leave his wife, sell his possessions, and spend a year wandering the wilds of Finland—with the bunny as his boon companion. What ensues is a series of comic misadventures, as everywhere they go—whether chased up a tree by dogs, or to a formal state dinner, or in pursuit of a bear across the Finnish border with Russia—they leave mayhem (and laughter!) in their wake.

An International Bestseller! Winner of the 2022 Romantic Novel Award in Fantasy! Locus Award Finalist! An Indie Next pick and LibraryReads pick—with four starred reviews! A Best of 2021 Pick for NPR | Amazon | Kobo | Barnes & Noble Red, White & Royal Blue meets Jonathan Strange & Mr Norrell in debut author Freya Marske's *A Marvellous Light*, featuring an Edwardian England full of magic, contracts, and conspiracies. Robin Blyth has more than enough bother in his life. He's struggling to be a good older brother, a responsible employer, and the harried baronet of a seat gutted by his late parents' excesses. When an administrative mistake sees him named the civil service liaison to a hidden magical society, he discovers what's been operating beneath the unextraordinary reality he's always known. Now Robin must contend with the beauty and danger of magic, an excruciating deadly curse, and the alarming visions of the future that come with it—not to mention Edwin Courcsey, his cold and prickly counterpart in the magical bureaucracy, who clearly wishes Robin were anyone and anywhere else. Robin's predecessor has disappeared, and the mystery of what happened to him reveals unsettling truths about the very oldest stories they've been told about the land they live on and what binds it. Thrown together and facing unexpected dangers, Robin and Edwin discover a plot that threatens every magician in the British Isles—and a secret that more than one person has already died to keep. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

DIVIDIVAn idealistic young prince convinces an aging warrior and a struggling witch to help him kill the dragon that is terrorizing his kingdom/divDIV /divDIVAs a vicious dragon stalks the Southlands, Crown Prince Gareth ventures to the forbidding North in search of the only man who can kill it. He is Lord Aversin, the Dragonsbane, whose dragon-slaying days have won him renown across the land. But when Gareth finds Lord Aversin, he discovers

the mighty hero is squat and bespectacled, the ruler of a mud-village who admits that he killed the dragon not with a lance, but with ignoble poison. Still, he'll have to do./divDIV /divDIVGareth and Aversin set off in company with Jenny Waynest, a witch with great ambitions but disappointingly puny powers—a ragtag crew destined to become legendary, or die in the attempt./divDIV /divDIVThis ebook features an illustrated biography of Barbara Hambly, including rare photos and never-before-seen documents from the author's personal collection./div /div

100 Ways to Motivate Yourself (EasyRead Super Large 20pt Edition) SCB Distributors

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside

THE BOOK

Shambhala Publications

A rollicking and poignant romantic comedy about a young widow who decides to get in shape...and winds up getting her groove back—and a whole lot more! Holly Brennan used food to comfort herself through her husband's illness and death. Now she's alone at age thirty-two. And she weighs more than she ever has. When fate throws her in the path of Logan Montgomery, personal trainer to pro athletes, and he offers to train her, Holly concludes it must be a sign. Much as she dreads the thought of working out, Holly knows she needs to put on her big girl panties and see if she can sweat out some of her grief. Soon, the easy intimacy and playful banter of their training sessions lead Logan and Holly to most intense and steamy workouts. But can Holly and Logan go the distance as a couple now that she's met her goals—and other men are noticing?

[Let's Pretend This Never Happened](#) Teacher Created Materials

A USA TODAY and New York Times bestseller Perfect for fans of Kasie West and Jenn Bennett, this "sweet and funny" (Kerry Winfrey, author of *Waiting for Tom Hanks*) teen rom-com follows a hopelessly romantic teen girl and her cute yet obnoxious neighbor as they scheme to get her noticed by her untouchable crush. Perpetual daydreamer Liz Buxbaum gave her heart to Michael a long time ago. But her cool, aloof forever crush never really saw her before he moved away. Now that he's back in town, Liz will do whatever it takes to get on his radar—and maybe snag him as a prom date—even befriend Wes Bennet. The annoyingly attractive next-door neighbor might seem like a prime candidate for romantic comedy fantasies, but Wes has only been a pain in Liz's butt since they were kids. Pranks involving frogs and decapitated lawn gnomes do not a potential boyfriend make. Yet, somehow, Wes and Michael are hitting it off, which means Wes is Liz's in. But as Liz and Wes scheme to get Liz noticed by Michael so she can have her magical prom moment, she's shocked to discover that she likes being around Wes. And as they continue to grow closer, she must reexamine everything she thought she knew about love—and rethink her own ideas of what Happily Ever After should look like.

The Tempting of Thomas Carrick John Hunt Publishing

From a pioneering thinker in the field of religion and ecology, a collection of evocative meditations on the beauty, fragility, and resilience of trees. Included are twenty-seven original lithographs of the trees profiled in each chapter. First published in 1993, Stephanie Kaza's heartfelt book helped thousands of readers kindle a sense of spiritual connection through communing with our ancient relatives - trees. Shambhala Publications is proud to reissue this book, with a beautiful new cover and a new Introduction by the author. More pertinent now than ever, Kaza's intimate exploration of the lives and relationships of individual trees exemplifies the conjunction of inquiry and emotion, of science and spirituality. In an era of species extinction and worsening climate change, this book is a warm and earnest invitation to personal and ecological sanity.

Zen and Tonic: Savory and Fresh Cocktails for the Enlightened Drinker AmazonCrossing

Barry Allen explores the concept of knowledge in Chinese thought over two millennia and compares the different philosophical imperatives that have driven Chinese and Western thought. Challenging the hyperspecialized epistemology of modern Western philosophy, he urges his readers toward an ethical appreciation of why knowledge is worth pursuing.

[The 15 Invaluable Laws of Growth](#) Buku Fixi

Sensible, practical Elinor Tregarth really did plan to be the model poor relation when she moved into her aunt and uncle's house. She certainly never meant to kidnap her awful cousin Penelope's pet dragon. She never expected to fall in love with the shameless - but surprisingly sweet - fortune hunter who came to court Penelope, either. And she never dreamed that she would have to enter into an outrageous magical charade to save her younger sisters' futures. However, even the most brilliant scholars of 1817 England still haven't ferreted out all the lurking secrets of rediscovered dragonkind...and even the most sensible of heroines can still make a reckless wish or two when she's pushed. Now Elinor will have to find out just how rash and resourceful she can be when she sets aside all common sense. Maybe, just maybe, she'll even be impractical enough to win her own true love and a happily ever after...with the unpredictable and dangerous "help" of the magical creature who has adopted her. A frothy Regency rom-com full of pet dragons and magical misadventures, *Scales and Sensibility* is a full-length novel and the first in a new series of standalone romantic comedies.

Managing Up Tordotcom

"Effervescent and sparkling like Champagne ... " - DearAuthor.com For writer Jade Yeo, the Roaring Twenties are coming in with more of a purr -- until she pillories London's best-known author in a scathing review. Sebastian Hardie is tall, dark and handsome -- and more intrigued than annoyed. Jade is irresistibly drawn to the prospect of adventure he offers. But if she succumbs to temptation, she risks losing her hard-won freedom -- and her best chance for love. *The Perilous Life of Jade Yeo* is a 23,000-word historical romance novella.
