Out of This World Abrams

Pinnacle City is many things to many people. To some it is a glittering metropolis, a symbol of prosperity watched over by the all-star superhero team, the Pinnacle City Guardians. Beyond the glitz and glamour, there is another city, one still feeling the physical and economic damage of the superhero-villain battles of generations past. The lower class, immigrants, criminals, aliens, sorcerers, and non-humans alike call this city home, looking to make a living, which is becoming increasingly difficult as the two sides of the city seem prepared to boil over into a violent conflict. Private investigator Eddie Enriquez, born with the ability to read the histories of objects by touch, still bears the scars of his time as a youthful minion for a low-level supervillain, followed by stints in prison and the military. Though now trying to live a straight-and-narrow life, he supports a drinking problem and painkiller addiction by using his powers to track down insurance cheats. When a mysterious woman enters his office asking him to investigate the death of prominent non-human rights activist Quentin Julian, a crime the police and heroes are ignoring, he takes the case in the hopes of doing something good. Superhero Kimberly Kline has just hit it big, graduating from her team of young heroes to the Pinnacle City Guardians with the new codename of Solar Flare. With good looks, powers that include flight, energy manipulation, superhuman strength, durability, and speed, as well as a good family name, the sky is the limit for her. Upbeat, optimistic, and perhaps a little naïve from the upper-crust life she was raised in, she hopes to make her family, and the world, proud by being the greatest superhero she can be . . . but things aren't always as they seem. From the minds of Matt Carter and Fiona J. R. Titchenell, Pinnacle City is a pulpy, throwback noir of yesteryear, where two unlikely people from opposite sides of the track must team up to do good in a world full of so much bad.

Teen Melanin HarperCollins

Cosplayers rejoice! The Hero's Closet is the ultimate DIY guide to creating unique and fantastical homemade costumes This essential handbook offers detailed, step-by-step instructions that cover the basics of sewing costumes (which often require skills not found in standard sewing guides) to help even the most novice sewists create the costumes of their dreams. A skilled crafter and avid cosplayer, Gillian Conahan walks readers through finding inspiration online and through their fandom; shares insight into translating character art into real-world garments; and offers advice on pattern selection, alterations, fabrics, and embellishment techniques. The Hero's Closet is the first how-to handbook on the art of sewing for cosplay. A must-have guide for Comic Con and Halloween, it's essential for all ambitious fans with a DIY spirit who love the idea of cosplay, but need the inspiration and technical tips to make an awesome costume.

David Smith is giving his life for his art—literally. Thanks to a deal with Death, the young sculptor gets his childhood wish: to sculpt anything he can imagine with his bare hands. But now that he only has 200 days to live, deciding what to create is harder than he thought, and discovering the love of his life at the 11th hour isn't making it any easier! This is a story of desire taken to the edge of reason and beyond; of the frantic, clumsy dance steps of young love; and a gorgeous, street-level portrait of the world's greatest city. It's about the small, warm, human moments of everyday life...and the great surging forces that lie just under the surface. Scott McCloud wrote the book on how comics work; now he vaults into great fiction with a breathtaking, funny, and unforgettable new work.

The Sculptor North Atlantic Books

JANUARY 1 CURRENT STATUS: No job, no boyfriend, no permanent place to live, no car, and most of my clothes are held together with staples and duct tape. Bank account almost wiped out. Many of my former associates have expressed a desire that I never darken their doorways again for legal and financial reasons. She-Hulk got us got us kicked out of the Avengers Mansion. People keep posting videos online of her New Year's Eve shenanigans: twirling flaming telephone poles in Times Square, climbing the Empire State Building while dangling Anderson Cooper, dancing wildly at parties, and commandeering a motorcycle cop's ride to do wheelies across the Brooklyn Bridge. Saying there are two sides to Jennifer Walters's personality is an understatement. When she hasn't morphed into a 650-pound, crime-fighting, hard-partying superhero, she's a single lawyer trying to get her act together. Hilarious and action-packed, *The She-Hulk Diaries* tells her story, as she juggles looking for

Mr. Right and climbing the corporate ladder by day with battling villains and saving the world by night. Maybe she'll finally take on a case that will define her career. Maybe she won't meet one Mr. Right, but two, and she'll have to choose. Maybe bad guys will stop trying to destroy the planet so she can read her Perez Hilton in peace.

Super Adjacent Abrams

Ever wonder what it would be like to be a Teen Titan?In the first book of this hilarious Teen Titan adventure series, we get to read the diary of an actual, Teen Titan - Beast Boy. Kids ages 7+ can't wait to jump into to these many Teen Titan adventures!More books to follow* Beast Boy* Robin* Cyborg* Starfire* Raven

Erin's Diary: An Official Derry Girls Book CreateSpace

Diary of a Super Girl - Book 13...Super Teen, our favorite superhero, is back with more laughs, more adventure, and more action. This time, due to turmoil in another world, she takes an unexpected journey. As the situation requires backup, a couple of unlikely helpers are sent her way, and Lia once again learns the value of teamwork. As well, a totally unexpected romance develops, and this catches not only Lia by surprise but everyone else as well. This is another of our funny books for girls and boys aged 9-12 or for anyone who enjoys a good superhero story.

THE STEAMPUNK DETECTIVE

DC Comics

In this breakthrough graphic novel from the award-winning author of Mercury, there's a new superhero in town—and she's got kick-butt cyberpowers. Meet Lin, a formerly average teenage girl whose cell phone zaps her with magical powers. But just as superpowers can travel through the ether, so can evil. As Lin starts to get a handle on her new abilities (while still observing her curfew!), she realizes she has to go head-to-head with a nefarious villain who spreads his influence through binary code. And as if that weren't enough, a teen blogger has dubbed her an "anonymous coward!" Can Lin detect the cyber-criminal's vulnerability, save the day, and restore her reputation? With ingenious scripting from graphic novel phenom Hope Larson and striking art from manga illustrator Tintin Pantoja, this action-packed story brims with magical realism and girl-power goodness.

Diary of a Teen Titan CreateSpace

Filled with moments of deep emotion and unexpected humor, this understated and wise novel explores the complexities of living with OCD and offers the prospect of hope, happiness and healing. Perfect for readers who love Eleanor & Park and All the Bright Places. ADAM'S GOALS: Grow immediately. Find courage. Keep courage. Get normal. Marry Robyn Plummer. The instant Adam Spencer Ross meets Robyn Plummer in his Young Adult OCD Support Group, he is hopelessly, desperately drawn to her. Robyn has an hypnotic voice, blue eyes the shade of an angry sky, and ravishing beauty that makes Adam's insides ache. She's also just been released from a residential psychiatric program—the kind for the worst, most difficult-to-cure cases; the kind that Adam and his fellow support group members will do anything to avoid joining. Adam immediately knows that he has to save Robyn, must save Robyn, or die trying. But is it really Robyn who needs rescuing? And is it possible to have a normal relationship when your life is anything but? Select praise for *The Unlikely Hero of Room 13B*: “. . . achingly authentic. Like Augustus Waters before him, Adam Spencer Ross will renew your faith in real-life superheroes and shatter your heart in equal measures.” —Kirkus Reviews, Starred “This book made me laugh, cry, think, and kept me coming back for more.” —The Guardian “Adam is a protagonist that readers will root for.” —VOYA “Honest, fresh, and funny . . . Toten employs information about OCD like grace notes in this deft and compelling narrative.” —Booklist “Adam is a fresh and complex character, and far more than the sum of his symptoms.” —Publishers Weekly

Independently Published

Diary of a Wimpy Kid meets Big Hero Six when a group of young but defective superheroes attempt to save the day! Laser vision isn't so hot when you're cross-eyed, and supersonic flight's a real downer when motion sickness keeps you grounded. Twelve-year-old Marshall Preston is a Defective--a person with superhuman abilities that are restricted by some very human setbacks. While other kids are recruited to superhero teams, Marshall's stuck in seventh grade with a kid who can run at super speed but can't turn a corner, another with a radioactive peanut allergy that turns him into a swollen Hulk, and a telepath who reads everyone's thoughts out loud. Defectives like Marshall aren't

exactly superhero material, but when he uncovers a plot to destroy one of the greatest superhero teams of all time, Marshall and his less-than-super friends set out to prove that just because you're defective doesn't mean you can't save the day. With full illustrations throughout and a funny, heartwarming story, *Superfail* is the perfect book for reluctant young readers and the superhero fan. *The Unlikely Hero of Room 13B* Createspace Independent Publishing Platform

"Everyone gets mad at hustlers, especially if you're on the victim side of the hustle. And Miles knew hustling was in his veins." Miles Morales is just your average teenager. Dinner every Sunday with his parents, chilling out playing old-school video games with his best friend, Ganke, crushing on brainy, beautiful poet Alicia. He's even got a scholarship spot at the prestigious Brooklyn Visions Academy. Oh yeah, and he's Spider Man. But lately, Miles's spidey-sense has been on the fritz. When a misunderstanding leads to his suspension from school, Miles begins to question his abilities. After all, his dad and uncle were Brooklyn jack-boys with criminal records. Maybe kids like Miles aren't meant to be superheroes. Maybe Miles should take his dad's advice and focus on saving himself. As Miles tries to get his school life back on track, he can't shake the vivid nightmares that continue to haunt him. Nor can he avoid the relentless buzz of his spidey-sense every day in history class, amidst his teacher's lectures on the historical "benefits" of slavery and the importance of the modern-day prison system. But after his scholarship is threatened, Miles uncovers a chilling plot, one that puts his friends, his neighborhood, and himself at risk. It's time for Miles to suit up.

Heat Wave Disney Electronic Content

A diverse cast of characters -- Kamala Khan (Ms. Marvel), Miles Morales (Spider-Man), and Doreen Green (Squirrel Girl) -- team up in their first-ever middle-grade series told through comics, in-world artifacts, and more!

The Doomsday Device Penguin

Josh Walker is an ordinary teenage nerd. But when he puts his costume on, he is transformed into an ordinary teenage nerd with a costume on. After years of watching superhero movies, reading comics and fantasizing about being a crime-fighter, he decides to become one. First of all he needs a superhero name, a superhero costume and some superpowers. Then he needs to find some crime to fight. His diary chronicles his valiant attempts to make the world a better place and, armed with only plastic handcuffs and stink bombs, and stuck with his dependable but incompetent sidekick, Henry, Josh becomes embroiled in a dark world of crime, armed gangs and people illegally parking in disabled spaces. Accompanied by hilarious illustrations throughout, *The Adventures of a Wimpy Superhero* tells the story of the everyday dilemmas of superheroes in the real world through the hilarious diary of a fifteen-year-old boy. It asks the big questions, such as: Why would someone want to fight crime? Wouldn't they get in the way of police (and school) work? Why would a tight-fitting Lycra costume help? Will Josh rise to the challenge and become a genuine hero? Or will he go home and hide under his bed?

THE DIARY OF A TEENAGE GIRL, REVISED EDITION

Diary of a Teenage Superhero

First released in 2002, this provocative, critically acclaimed novel is now a major motion picture starring Bel Powley, Kristen Wiig, and Alexander Skarsgård. "I don't remember being born. I was a very ugly child. My appearance has not improved so I guess it was a lucky break when he was attracted by my youthfulness." So begins the wrenching diary of Minnie Goetze, a fifteen-year-old girl longing for love and acceptance and struggling with her own precocious sexuality. After losing her virginity to her mother's boyfriend, Minnie pursues a string of sexual encounters (with both boys and girls) while experimenting with drugs and developing her talents as an artist. Unsupervised and unguided by her aloof and narcissistic mother, Minnie plunges into a defenseless, yet fearless adolescence. While set in the libertine atmosphere of 1970s San Francisco, Minnie's journey to understand herself and her world is universal: this is the story of a young woman troubled by the discontinuity between what she thinks and feels and what she observes in those around her. Acclaimed cartoonist and author Phoebe Gloeckner serves up a deft blend of visual and verbal narrative in her complex presentation of a pivotal year in a girl's life, recounted in diary pages and illustrations, with full narrative sequences in comics form. *The Diary of a Teenage Girl* offers a searing comment on adult society as seen through the eyes of a young woman on the verge of joining it. This edition has been updated by the author with an introduction reflecting on the book's critical reception and value as diary or novel, historical document or work of art. Also included in this revised edition are supplementary photographs and illustrations from the author's childhood,

"Phoebe Gloeckner... is creating some of the edgiest work about young women's lives in any medium."—The New York Times "One of the most brutally honest, shocking, tender and beautiful portrayals of growing up female in America."—Salon "It's the most honest depiction of sexuality in a long, long time; as a meditation on adolescence, it picks up a literary ball that's been only fitfully carried after Salinger."—Nerve.com

Diary of a Super Girl - Book 13 Drawn and Quarterly

Marcus Atkinson is a sporting superhero (not!). But his dad is convinced that Marcus has what it takes. Five books in this wildly popular series together in one great package!

DIARY OF AN (UN) TEENAGER

Penguin

Diary of a Super Girl - Book 6: Saving the World... In this new addition to the *Diary of a Super Girl* series, Super Teen is faced with even more challenges than ever before. But as well as fighting bad guys and saving the planet, she is also faced with mean girls at school and a serious dilemma about her BFF. She discovers it is everyday challenges such as these that concern her the most. But in true Super Teen style, Lia battles on, continuing to tackle everything in her path. She even learns several lessons along the way. The laughs continue on in this fabulous and funny book. Just like the others in the series, it will keep you entertained until the very end. It is another great book for girls of all ages and for anyone who enjoys a good superhero story.

My Brother Is a Superhero EDGE-Lite

Many generations ago, a mysterious cataclysm struck the world. Governments collapsed and people scattered, to rebuild where they could. A mutation, "the Change," arose, granting some people unique powers. Though the area once called Los Angeles retains its cultural diversity, its technological marvels have faded into legend. "Las Anclas" now resembles a Wild West frontier town... where the Sheriff possesses superhuman strength, the doctor can warp time to heal his patients, and the distant ruins of an ancient city bristle with deadly crystalline trees that take their jewel-like colors from the clothes of the people they killed. Teenage prospector Ross Juarez's best find ever – an ancient book he doesn't know how to read – nearly costs him his life when a bounty hunter is set on him to kill him and steal the book. Ross barely makes it to Las Anclas, bringing with him a precious artifact, a power no one has ever had before, and a whole lot of trouble.

Diary of a Super Girl - Book 6 Roaring Brook Press

In book 5 of the *Diary of a Super Girl* series, Super Teen, Lia Strong makes a very unusual new friend and her life becomes even more eventful than ever. However, sometimes first impressions can be deceiving and Lia is forced to learn the hard way when it comes to making the right decision. This latest addition is filled with even more humor and will keep you laughing from start to finish. It is another fabulous and very funny book for girls of all ages.

Axel, Chad, Brodie, Dan, Ebony and Ferdy are working to build a brand new life. But danger is close behind. When Ferdy is kidnapped, our teenage superheroes work together to save him, but it quickly becomes obvious that more is at stake. A rogue cult intends to wipe out the human race with a deadly virus. To stop them, and find Ferdy, Axel and Chad must allow themselves to be taken prisoner within the infamous Yodak prison, deep within North Korea. Here, they must struggle to survive against other modified humans, even more powerful than themselves. Success seems to be within their grasp, but then they encounter an old foe. If they don't defeat him, and retrieve the virus, there will be devastating consequences for every man, woman and child on Earth...
