WILSON PERKINS

Wonderful World 6 National Geographic Society

World English is an exciting new four-skills general English series which uses National Geographic content, images and video to teach the language that learners need to succeed in their daily lives. The series is built upon clear and practical learning goals which are presented and practiced through appropriate themes and topics. A competency-based series, World English uses real people, real places and real language to connect learners of English to the world.

World English 1 Heinle ELT

The first non-fiction reading series for English language learners to present captivating real-world stories in print, audio, and video.

Got It!, Level 2 Oxford University

Featuring content from National Geographic and TED, the new edition of the four-level, integrated skills World English series brings amazing stories about our planet and compelling ideas from around the world to the classroom. Riveting images, fascinating topics, and inspiring video will motivate learners to engage with ideas and each other. The second edition of World English introduces students to some of the world's most fascinating people and places and builds upon an effective competency-based approach to provide 21st century learners with the English skills needed for success.

Technical English 1 National Geographic

World English 3: Workbook National Geographic

National Geographic

Our World is a six-level primary series in American English that uses fun and fascinating National Geographic content, with stunning images and video, to give young learners the essential English language, skills, and knowledge they need to understand their world.

LIFE ELEMENTARY

Cengage Learning

With its teen appeal and carefully paced syllabus, Teen2Teen makes learning English irresistible and teaching English effortless. Teen2Teen reflects the social nature of teenagers. Realistic language models and dialogues correspond to their patterns of communication, and controlled speaking practice exploits their enjoyment of social interaction, thus building their confidence. The grammar syllabus is carefully paced and clearly presented, and new vocabulary is taught explicitly using visual cues and definitions.

Side by Side Extra Book & Etext 2 (International) National Geographic Learning
