The devotion to the Passion of Our Lord Jesus Christ and particularly to His Holy Face is one of the oldest in the Christian tradition. This venerable devotion was practiced by such great saints, such as St. Augustine of Hippo, St. Bernard of Clairvaux, St. Gertrude the Great, St. Mechtilde, St. Edmund, St. Bonaventure and St. Therese of Lisieux. Beginning in

1844, Our Lord appeared to Sr. Mary of St. Peter and expressed His desire that world should know and practice this devotion in reparation for man's blasphemy. Through the efforts of Sr. Mary St. Peter, Ven. Leo DuPont and countless others, this devotion has become one of the most loved, and remains one of the most needed in our time.

Rev Hagin shares inspiring anecdotes about great prayer warriors from the past: Charles Finney, George Whitfield, Smith Wigglesworth, P.C. Nelson, and John G. Lake. Instead of arguing with the Bible, why don't you just side in with it? "Tsar and God" and Other Essays in Russian Cultural Semiotics The Anointing of the Holy Spirit God's Meditation Food Deeper Revelations of the Anointing Owing to a lack of revelation, it is a typical scenario in the Body of Christ that many

people use the phrase “signs and wonders” as an umbrella term for all kinds of supernatural displays of power and consider miracles, a large subset of such events, usually objectively observable. There are vast differences between signs, wonders, miracles and mighty deeds although they are all manifestations of God’s power. An understanding of the distinction between these divine concepts as elaborated in this book will help you to delve in the supernatural realm to manifest the veracity of God’s power without any misunderstanding or confusion. The reading of this book will therefore cause you to understand the principles and precepts of how to function in the realm of the miraculous and practically demonstrate the power of God through miracles, signs and wonders as well as mighty deeds. In this publication, Apostle Frequency Revelator clarifies the distinction between this critical concepts as follows: He defines a sign as a wondrous occurrence that takes place in an unusual way and transcends the common course of the natural world. He affirms a miracle as an incredible happening, occurrence or unusual

manifestation that takes place in the natural realm as a result of a sudden divine intervention of God in the affairs of humanity to the extent that it cannot be fathomed or comprehended by human reasoning and intellectual ability. He connotes a wonder to a feeling of surprise mingled with admiration, caused by something beautiful, unexcited, unfamiliar or inexplicable in the natural realm. He further presents a mighty deed is a manifestation of the supernatural power of God in extreme cases and radical situations where human comprehension and reasoning cannot suffice. Presiding over a Global Network of Apostolic and Prophetic Visions, in the capacity of the C.E.O of Global Destiny Publishing House (Pty) Ltd, Director of the Global Apostolic & Prophetic Network (GAP), Founder of Resurrection Embassy (The Global Church), the Pioneer of Resurrection TV (The Dead-Raising Channel ) and the Principal of the renowned Global School of Signs and Wonders (GSSW), in this publication, Apostle Frequency Revelator has endeavored to unveil, unpack and uncover the divine revelation of these new realms of glory so as to awaken an

insatiable appetite, perennial hunger and unquenchable thirst for the global demonstration of the power of God to the furthest extremes of the world.

The most overworked Christian vocabulary

across a broad spectrum of Christian charismatic cycles is the word "anointing". Dozens of books have been written and countless messages preached on the subject of the 'anointing' yet for all the attention the subject is given, it is one of the least understood gifts God has freely bequeathed upon every believer in Christ. Although the anointing is the current church's diet and a delicate recipe for living a naturally supernatural life, the masses are starving for the anointing of the Holy Spirit. Since it is divinely ordained by God that nothing should be accomplished in the Kingdom without the ingredient of the anointing, the empty husks of humanism, intellectualism and religion have failed to launch the world into greater depths of the miraculous. In this book, Apostle Frequency Revelator presents a fresh and provocative revelation of the anointing of the Holy Spirit that will usher you into an arena of divine exploits. With considerable depth, insight, revelation and wisdom, the author has provided an incredible tool for the Body of Christ to tap into greater depths of the anointing to impact the world for Christ.. Presiding over a global network of

apostolic and prophetic visions, in the capacity of the Director of the World renowned Global School of Signs and Wonders (GSSW), the President of Christ Resurrection Movement (CRM), the Director of Global School of Resurrection (GSR), Senior Pastor of Resurrection Embassy (RE) and the founder of Resurrection TV (The Dead-Raising Channel, Apostle Frequency Revelator hands us the lost keys to the Throne Room of Heaven and shows us the way back to the Heavenly realm as he calls the church back to her original mandate of demonstrating the supernatural power of God. Therefore, if you are a fire-starter and God-chaser who is willing to pioneer a revolution of signs and wonders in this world, continue to plunge into the depths of revelations encapsulated in this publication.

### **SURVIVING THE ANOINTING**

Crossway

It has been observed that some people have faltered in their Christian walk because of failure to understand how the anointing of the Holy Spirit operates. Many men of God have tried to move in the anointing with little results because they ever in the first place sought to understand the anatomy and physiology of the anointing. In order to be effective in ministry especially in the demonstration of the power of God, it is important that you understand the character of manifestation, nature of operation and genetic make-up of the anointing. Having a deeper understanding of the anointing to that level will usher you into streams of practical demonstrations that will change your ministry fever. This publication focuses on the anatomy and physiology of the anointing. This implies dissecting the

subject of the anointing in order to gasp a deeper revelation of the character, composition, ingredients and genetic make-up of the anointing. When we speak of the anatomy and physiology of the anointing, we connote to the chemical, physical and mechanical composition of the anointing. In other words, we are closely examining the ingredients, components and forensic details of the substance of the anointing. A forensic understanding of its character will enable you as a believer to flow easily in the demonstration of the anointing. It is important that since Christianity is a journey into the dimension of the spirit, we ought to understand holistically how the anointing operates so that we can effectively move, function and operate in that realm. Presiding over a Global Network of Apostolic and Prophetic Visions, in the capacity of the C.E.O of Global Destiny Publishing House (Pty) Ltd, Director of the Global Apostolic & Prophetic Network (GAP), Founder of Resurrection Embassy (The Global Church), the Pioneer of Resurrection TV (The Dead-Raising Channel ) and the Principal of the renowned Global School of

Signs and Wonders (GSSW), in this publication, Apostle Frequency Revelator has endeavored to unveil and unpack divine revelation that so many believers are acclimatised with practical demonstrations of the anointing yet they hardly get to understand the chemistry and physics behind these manifestations of the anointing.

Michael Peppard provides a historical and theological reassessment of the oldest Christian building ever discovered, the third-century house-church at Dura-Europos. Contrary to commonly held assumptions about Christian initiation, Peppard contends that rituals here did not primarily embody notions of death and resurrection. Rather, he portrays the motifs of the church's wall paintings as

those of empowerment, healing, marriage, and incarnation, while boldly reidentifying the figure of a woman formerly believed to be a repentant sinner as the Virgin Mary. This richly illustrated volume is a breakthrough work that enhances our understanding of early Christianity at the nexus of Bible, art, and ritual.

The Bible gives us the history of the human experience with God: The triumphs, the failures, the redemptions, and ultimately, the enduring love of the Father for His Creation. Nowhere is this love seen more clearly than through the life of Jesus Christ. In this foundational message by the best-selling author of *When Heaven Invades Earth*, Bill Johnson shares the importance of Jesus in understanding God's love for humankind. Modern interpretations and theology point

to God as being angry, vengeful, and genocidal, attributing to Him some of the very worst aspects of the human condition. The Old Testament is an incomplete picture, as God portrayed

through Jesus is a very different God indeed. In *Jesus Christ is Perfect Theology*, Bill Johnson reveals how Jesus completes the picture of God presented in the Bible, and provides to us the measure by which we should judge all things.
