A Boston Globe-Horn Book Honor Book Very short, creative stories pair with bold illustrations in this picture book that will inspire young readers to stretch their imaginations and write stories of their own. "One day. . . I went to school. I came home. The end," says our storyteller—a girl with a busy imagination and a thirst for adventure. The art tells a fuller tale of calamity on the

way to school and an unpredictably happy ending. Each illustration in this inventive picture book captures multiple, unexpected, and funny storylines as the narrator shares her shorter-than-ever stories, ending with "One day. . . I wanted to write a book." This book demonstrates a unique approach to writing and telling stories and is a delightful gift for children as well as for teachers seeking a mentor text for their classrooms.

Stories from Ethiopia where the reality is more astonishing than fiction "The Case of the Criminal Walk and Other Stories" presents a collection of short stories by Ethiopian writer Hama Tuma. As one reviewer put it, the stories of Hama Tuma ' give a voice to the plight of the ordinary people, tackling the themes of the tragedy of the Ethiopian people as a whole, including corruption and poverty, contrasted with the strength of the human spirit'. These are tales of a City on the one hand and that of a nation and a people on the other. As the famous Kenyan writer, Ngugi Wa Thiongo, put it in a review of Hama Tuma's earlier book, "The Case of the Socialist Witchdoctor and other Stories," Hama Tuma continues to "brilliantly capture the contradictions that make up the real Ethiopia of the twentieth

century." In Ethiopia, the tragedy continues despite change of government and Hama Tuma delves into the tormented souls of his compatriots to highlight not only the suffering but also the hope and optimism that makes the living, however hard the struggle, tolerable and worthy.

FAIRYTALES FOR LOST CHILDREN is narrated by people constantly on the verge of self-revelation. These characters - young, gay and lesbian Somalis - must navigate the complexities of family, identity and the immigrant experience as they tumble towards freedom. Set in Kenya, Somalia and South London, these stories are imbued with pathos, passion and linguistic playfulness, marking the arrival of a singular new voice in contemporary fiction. Praise for FAIRYTALES FOR LOST CHILDREN: 'Fantastic writing. I am most highly impressed. I've read some of the stories more than once and saw in each of them plenty of talent everywhere - in every sinew and vein.' - NURUDDIN FARAH 'There is nothing more humbling than good writing except when the author is fiercely beautiful and ferociously generous of heart. That Diriye Osman should possess so much talent is only fair in light of his goodness. Read this book.' - MESHELL NDEGEOCELLO - The characters in these fairy tales are displaced in multiple, complicated ways. But Osman's storytelling creates a shelter for them; a warm place which is both real and imaginary, in which they find political, sexual, and ultimately psychic liberation.' - ALISON BECHDEL 'East Africa. South London. Queer. Displaced. Mentally Ill. My excitement over Osman and his writing comes, in

part, out of delight at the impossibility of categorisation.' - ELLAH ALLFREY The Telegraph

Joseph Bruchac, and Sharon Flake reveal how it all goes down in a searing collection of short stories, in which each one picks up where the previous one ends. Characters weave in and out of narratives, perspectives change, and emotions play out for a fluid and fast-paced ode to the game of street basketball. Crackling with humor, grit, and streetball philosophy, and featuring poems and photographs by Charles R. Smith Jr., this anthology is a slam dunk.
