concepts * Clear structure and presentation of language * Plenty of room to write in * Full answer key included * Ideal for self-study or for use in the classroom

Collins

A new edition of a successful undergraduate textbook on contemporary international Standard English grammar, based on Huddleston and Pullum's earlier award-winning work, *The Cambridge Grammar of the English Language* (2002). The analyses defended there are outlined here more briefly, in an engagingly accessible and informal style. Errors of the older tradition of English grammar are noted and corrected, and the excesses of prescriptive usage manuals are firmly rebutted in specially highlighted notes that explain what older authorities have called 'incorrect' and show why those authorities are mistaken. Intended for students in colleges or universities who have little or no background in grammar or linguistics, this teaching resource contains numerous exercises and online resources suitable for any course on the structure of English in either linguistics or English departments. A thoroughly modern undergraduate textbook, rewritten in an easy-to-read conversational style with a minimum of technical and theoretical terminology.

ENGLISH USAGE (COLLINS COBUILD)

Collins COBUILD Elementary English Grammar & Practice

This major new edition of the Collins COBUILD English Usage is a modern, easy-to-use and in-depth guide to English usage, aimed at upper-intermediate and advanced learners and teachers of English. Collins COBUILD English Usage has been designed to help learners to use individual words correctly, and choose the right words and structures for the meaning they want to convey. The title not only explains what English words mean, but also provides information on how the words actually work. The title covers a range of different areas of the English language, to help learners use the language naturally and effectively. It provides clear information on easily confused words, words with similar meanings, and help with words that are often tricky for learners to understand. Entries are organized alphabetically so that they are easy to find, and each has a clear explanation of when and how to use the word. Each entry also includes examples from the Collins Corpus, which show how the words are really used in

everyday English. In addition to information on usage, the title includes helpful grammar boxes, which explain elements of English grammar which students need to be able to write and speak in English. A supplement of various topics, including punctuation and academic writing, will help to ensure that learners have all the information they need to be able to communicate effectively and accurately. Collins COBUILD English Usage has been thoroughly revised and updated, based on extensive corpus research and is now easier to use than ever. With additional information on American English, and warning notes highlighting particular problems, Collins COBUILD English Usage is an indispensable tool for learning English today.
