Los Angeles in the 1960s gave the world some of the greatest music in rock 'n' roll history: "California Dreamin'" by the Mamas and the Papas, "Mr. Tambourine Man" by the Byrds, and "Good Vibrations" by the Beach Boys, a song that magnificently summarized the joy and beauty of the era in three-and-a-half minutes. But there was a dark flip side to the fun fun fun of the music, a nexus between naïve young musicians and the fringe elements that exploited the decade's peace-love-and-flowers ethos, all fueled by sex, drugs, and overnight success. One surf music superstar unwittingly subsidized the kidnapping of Frank Sinatra Jr. The transplanted Texas singer Bobby Fuller might have been murdered by the Mob in what is still an unsolved case. And after hearing Charlie Manson sing, Neil Young recommended him to the president of Warner Bros. Records. Manson's ultimate rejection by the music industry likely led to the infamous murders that shocked a nation. Everybody Had an Ocean chronicles the migration of the rock 'n' roll business to Southern California and

how the artists flourished there. The cast of characters is astonishing—Brian and Dennis Wilson of the Beach Boys, Jan and Dean, eccentric producer Phil Spector, Cass Elliot, Sam Cooke, Ike and Tina Turner, Joni Mitchell, and scores of others—and their stories form a modern epic of the battles between innocence and cynicism and joy and terror. You'll never hear that beautiful music in quite the same way.

Meet young men with grand goals in these profiles of forty-six movers and shakers who made their mark before they turned twenty. This engaging and thought-provoking collection of influential stories provides forty-six illustrated examples of strong, independent male role models, all of whom first impacted the world as teenagers or younger. This updated and expanded edition of *Boys Who Rocked the World* encompasses a variety of achievements, interests, and backgrounds, from Wolfgang Amadeus Mozart and Steve Jobs to Crazy Horse and Stephen King—each with his own incredible story of how he created life-changing opportunities for himself and the world. Personal aspirations from today's young men are interspersed throughout the book, which also includes profiles of teenagers who are rocking the world right now—boys like John Collinson, the youngest person to climb the Seven Summits, and Alec Looz, who founded the nonprofit organization Kids vs. Global Warming. It's never too soon to start making a difference, and this empowering collection of accomplished young men makes for ideal motivation.

Now a Netflix film starring and directed by Chiwetel Ejiofor, this is a gripping memoir of survival and perseverance about the heroic young inventor who brought electricity to his Malawian village. When a terrible drought struck William Kamkwamba's tiny village in Malawi, his family lost all of the season's crops, leaving them with nothing to eat and nothing to sell. William began to explore science books in his village library, looking for a solution. There, he came up with the idea that would change his family's life forever: he could build a windmill. Made out of scrap metal and old bicycle parts, William's windmill brought electricity to his home and helped his family pump the water they needed to farm the land. Retold for a younger audience, this exciting memoir shows how, even in a desperate situation, one boy's brilliant idea can light up the world. Complete with photographs, illustrations, and an epilogue that will bring readers up to date on William's story, this is the perfect edition to read and share with the whole family.

Boys can be anything they want to be! This timely book joins and expands the gender-role conversation and gives middle-grade

boys a welcome alternative message: that masculinity can mean many things. You won't find any stories of slaying dragons or saving princesses here. In *Stories for Boys Who Dare to Be Different*, author Ben Brooks—with the help of Quinton Winton's striking full-color illustrations—offers a welcome alternative narrative: one that celebrates introverts and innovators, sensitivity and resilience, individuality and expression. It's an accessible compilation of 75 famous and not-so-famous men from the past to the present day, every single one of them a rule-breaker and stereotype-smasher in his own way. Entries include Frank Ocean, Salvador Dali, Beethoven, Barack Obama, Ai Weiwei, Jesse Owens, and so many more—heroes from all walks of life and from all over the world.

From a legendary music journalist with four decades of unprecedented access, an insider's behind-the-scenes look at the major personalities of rock and roll. Lisa Robinson has interviewed the biggest names in music—including Led Zeppelin, the Rolling Stones, John Lennon, Patti Smith, U2, Eminem, Lady Gaga, Jay Z, and Kanye West. She visited the teenage Michael Jackson many times at his Encino home. She spent hours talking to John Lennon at his Dakota apartment—and in recording studios just weeks before his murder. She introduced David Bowie to Lou Reed at a private dinner in a Manhattan restaurant, helped the Clash and Elvis Costello get their record deals, was with the Rolling Stones on their jet during a frightening storm, and was mid-flight with Led Zeppelin when their tour manager pulled out a gun. A pioneering female journalist in an exclusive boys' club, Lisa Robinson is a preeminent authority on the personalities and influences that have shaped the music world; she has been recognized as rock journalism's ultimate insider. A keenly observed and lovingly recounted look back on years spent with countless musicians backstage, after-hours, and on the road, *There Goes Gravity* documents a lifetime of riveting stories, told together here for the first time.

THE #1 NEW YORK TIMES, GRAMMY-NOMINATED BESTSELLER A SUNDAY TIMES, GUARDIAN, OBSERVER, ROLLING STONE, AND ROUGH TRADE BOOK OF THE YEAR A panoramic experience that tells the story of Beastie Boys, a book as unique as the band itself-by band members AD-ROCK and Mike D, with contributions from Amy Poehler, Colson Whitehead, Spike Jonze, Wes Anderson, Luc Sante, and more. THE INSPIRATION FOR THE 5-TIME EMMY NOMINATED, SPIKE JONZE-DIRECTED BEASTIE BOYS STORY 'One of the greatest music books ever published.' MAX PORTER Formed as a New York City hardcore band in 1981, Beastie Boys struck an unlikely path to global hip hop superstardom. Here is their story, told for the first time in the words of the band. Adam "AD-ROCK" Horovitz and Michael "Mike D" Diamond offer revealing and very funny accounts of their transition from teenage punks to budding rappers; their early collaboration with Russell Simmons and Rick Rubin; the almost impossible-to-fathom overnight success of their debut studio album Licensed to Ill; that album's messy fallout; their break with Def Jam, move to Los Angeles, and rebirth as musicians and social activists, with the genre-defying masterpiece Paul's Boutique. For more than twenty years, this band has had a wide-ranging and lasting influence on popular culture. With a style as distinctive and eclectic as a Beastie Boys album, Beastie Boys Book upends the typical music memoir. Alongside the band narrative you will find rare photos, original illustrations, a

cookbook by chef Roy Choi, a graphic novel, a map of Beastie Boys' New York, mixtape playlists, pieces by guest contributors, and many more surprises. 'Memoir, graphic novel, cookbook, photo-journal, love letter, elegy: this vast, unwieldy, marvellous book, narrated, like the band's songs, scatter-gun style by the two surviving Beastie Boys, is as original, uncategorisable and attention-grabbing as their music.' SUNDAY TIMES (BOOK OF THE YEAR) 'Wide-ranging and unorthodox . . . [a] treat . . . insightful about the group's shifting music and are expert yarn-spinners, homing in on telling vignettes rather than doling out a straightforward history . . . shot through with yearning and melancholy.' GUARDIAN (BOOK OF THE YEAR) 'Here is their story, told for the first time in the words of the band With a style as distinctive and eclectic as a Beastie Boys album, Beastie Boys Book upends the typical music memoir . . . Our clear winner for Book of the Year.' ROUGH TRADE (BOOK OF THE YEAR) 'The Beasties didn't play by the rules during their career, and this memoir by surviving members Michael Diamond and Adam Horovitz doesn't either . . . hilarious, at times heartwarming.' ROLLING STONE (BOOK OF THE YEAR)

Boys Who Rocked the World Harper Collins

This is the story of how Les Paul created the world's first solid-body electric guitar, countless other inventions that changed modern music, and one truly epic career in rock and roll. How to make a microphone? A broomstick, a cinderblock, a telephone, a radio. How to make an electric guitar? A record player's arm, a speaker, some tape. How to make a legendary inventor? A few tools, a lot of curiosity, and an endless faith in what is possible.
