TANYA PIERRE

THE ENJOYMENT OF MUSIC

Tyndale House Publishers, Inc.
~2014 RITA Finalist for Best Historical Romance~ Clara Becker is a supremely gifted compose - a talent of little to use to a woman in 1830s Europe. Her compositions only have worth when they are published under her brother's name, yet this deception barely enables them to scrape out a living in the poorest quarter of London. Darien Reynard, the most celebrated musician in Europe, pursues success with a single-minded intensity. When he hears Becker's compositions, he knows that this music will secure his place in history. Darien tracks the composer down and, with some difficulty, convinces the man to tour with him. Mr. Becker

agrees, but with the most unusual condition that he bring along his sister... Darien's unexpected desire for Clara jeopardizes the entire tour, but Clara must protect more than her heart. If he discovers her secret, her family's new found fortune - and their very reputation - will be destroyed. Set against the glittering backdrop of 19th century celebrity, *Sonata for a Scoundrel* is the newest full-length historical romance novel from USA Today bestselling author Anthea Lawson.
Keywords: Victorian Romance, Regency Romance, Classical Music, Spicy Historical Romance, Historical Fiction, Female Composers, Paganini
The Enjoyment of Music W W Norton & Company Incorporated
Mozart's Ghosts traces the many lives of this great composer that emerged following his early death in 1791. Crossing national boundaries and traversing two hundred years-worth of interpretation and reception, author Mark Everist investigates

how Mozart's past status can be understood as part of today's veneration. Everist forges new paths to reach the composer, examining a number of ways in which Western culture has absorbed the idea of Mozart, how various cultural agents have appropriated, deployed, and exploited Mozart toward both authoritarian and subversive ends, and how the figure of Mozart and his impact illuminate the cultural history of the last two centuries in Europe, England, and America. Modern reverence for the composer is conditioned by earlier responses to his music, and Everist argues that such earlier responses are more complex than allowed by a simple "reception studies" model. Closely linking nine case studies in an innovative cultural and theoretical framework, the book approaches the developing reputation of the composer from death to the present day along three paths: "*Phantoms of the Opera*" deals with stage music, "*Holy Spirits*" addresses the trope

of the sacred, and "Specters at the Feast" considers the impact of Mozart's music in literature and film. *Mozart's Ghosts* adeptly moves the study of Mozart reception away from hagiography and closer to cultural and historical criticism, and will be avidly read by Mozart scholars and students of eighteenth-century music history, as well as literary critics, historians of philosophy and aesthetics, and cultural historians in general.

Take Note Hachette UK

K-pop, described by Time Magazine in 2012 as "South Korea's greatest export", has rapidly achieved a large worldwide audience of devoted fans largely through distribution over the Internet. This book examines the phenomenon, and discusses the reasons for its success. It considers the national and transnational conditions that have played a role in K-pop's ascendancy, and explores how they relate to post-colonial modernisation, post-Cold War politics in East Asia, connections with the Korean diaspora, and the state-initiated campaign to accumulate soft power. As it is particularly concerned with fandom and cultural agency, it analyses fan practices, discourses, and underlying

psychologies within their local habitus as well as in expanding topographies of online networks. Overall, the book addresses the question of how far "Asian culture" can be global in a truly meaningful way, and how popular culture from a "marginal" nation has become a global phenomenon.

Norwegian Wood W. W. Norton & Company

FOR HIS EIGHTH birthday, Mark Alan Stamaty's parents gave him his very own radio. Little did his mother realize that that innocent-looking plastic box would one day be the gateway for a new kind of sound that would "rock" her nearly out of her mind. . . . Mark first heard the howling thunder of Elvis Presley singing "Hound Dog" on the radio one lazy day and his life was forever changed. Soon he was styling his hair like the King and practicing his dance moves with a tennis racket as his pretend guitar in front of the mirror. But his mother lived in constant fear that her son's new love of rock 'n' roll would turn him into a juvenile delinquent. Could Mark's performance at his Cub Scout talent show change her mind?

THE ENJOYMENT OF MUSIC

SAGE Publications

John Dewey's *Democracy and Education* addresses the challenge of providing quality public education in a democratic society. In this classic work Dewey calls for the complete renewal of public education, arguing for the fusion of vocational and contemplative studies in education and for the necessity of universal education for the advancement of self and society. First published in 1916, *Democracy and Education* is regarded as the seminal work on public education by one of the most important scholars of the century.

The Enjoyment of Music W. W. Norton
Setting the Standard. Raising the Bar. *The Enjoyment of Music* has been the most trusted introduction to music for more than five decades.

Teaches the essential skills that students need to listen to, understand, and enjoy music.

MUSIC—PSYCHOANALYSIS—MUSICOLOGY

John Wiley & Sons

Former child music prodigy Lily Croft spends most days in her home office crunching numbers and analyzing data as an actuary. Once she filled concert halls across the world, until the pressure got to be too much and forced her retreat. When her boss hands her a temporary assignment, Lily has to leave the safety of working from home to work with people at an office. She keeps her head down and stays focused, but one night on her way to the train station, she hears music wafting from *The Leading Note* and the life and feelings she suppressed for over a decade bubble up to the surface. Lily is inexplicably drawn to Hope D'Marco, *Leading Note's* gorgeous and brilliant founder. But falling for Hope and re-exploring her passion for music force Lily to face her past. Will she go back into hiding, or have the courage to confront the consequences of her past and present colliding?

K-pop - The International Rise of the Korean Music Industry Oxford University Press

Ten years of infertility issues culminate in the destruction of music therapist Zoe Baxter's marriage, after which she falls in

love with another woman, Vanessa, and wants to start a family; but her ex-husband, Max, in the grips of an anti-gay pastor, stands in the way. Includes a CD of songs created for the novel. (This title is being re-listed in Forecast). 1.5 million first printing.

Detroit 67 Routledge

The Norton Introduction to Literature presents an engaging, balanced selection of literature to suit any course. Offering a thorough treatment of historical and critical context, the most comprehensive media package available, and a rich suite of tools to encourage close reading and thoughtful writing, the Shorter Twelfth Edition is unparalleled in its guidance of understanding, analyzing, and writing about literature.

Understanding Basic Music Theory W. Norton

The second volume in Ian Bell's magisterial two-part biography of the ever-evolving and enigmatic Bob Dylan. By the middle of the 1970s, Bob Dylan's position as the pre-eminent artist of his generation was assured. The 1975 album *Blood on the Tracks* seemed to prove, finally, that an uncertain age had found its poet. Then

Dylan faltered. His instincts, formerly unerring, deserted him. In the 1980s, what had once appeared unthinkable came to pass: the "voice of a generation" began to sound irrelevant, a tale told to grandchildren. Yet in the autumn of 1997, something remarkable happened. Having failed to release a single new song in seven long years, Dylan put out the equivalent of two albums in a single package. In the concluding volume of his groundbreaking study, Ian Bell explores the unparalleled second act in a quintessentially American career. It is a tale of redemption, of an act of creative will against the odds, and of a writer who refused to fade away. *Time Out of Mind* is the story of the latest, perhaps the last, of the many Bob Dylans.

Understanding Music Billboard Books

The Norton Critical Edition of *Pride and Prejudice* has been revised to reflect the most current scholarly approaches to Austen's most widely read novel. The text is that of the 1813 first edition, accompanied by revised and expanded explanatory annotations. This Norton Critical Edition also includes: · Biographical portraits of Austen by members of her

family and, new to the Fourth Edition, those by Jon Spence (Becoming Jane Austen) and Paula Byrne (The Real Jane Austen: A Life in Small Things). · Fourteen critical essays, eleven of them new to the Fourth Edition, reflecting the finest current scholarship. Contributors include Janet Todd, Andrew Elfenbein, Felicia Bonaparte, and Tiffany Potter, among others. · “Writers on Austen”—a new section of brief comments by Mark Twain, Virginia Woolf, Henry James, and others. · A Chronology and revised and expanded Selected Bibliography.

MUSIC AND VICTORIAN LIBERALISM

Oxford University Press

This insider guide discloses the hidden dynamics and often unfortunate consequences of what really happens when a deal is prepared, contracts are signed, and promises are made--and alerts musicians, attorneys, songwriters, and anyone else interested in the music business to the potent dangers lurking beneath the surface of this incredibly competitive industry.

MUSIC

Casemate Publishers

Used by more than 3.5 million students, The Enjoyment of Music has been the most trusted introduction to music for over five decades. The Tenth Edition reaffirms this status in a thoughtful revision offering a more diverse repertory and a stronger emphasis on the cultural significance of musical styles and periods. Responding directly to the needs of today’s students, Professor Forney has completely rewritten the chapters on musical elements for accessibility and integrated the textbook material with powerful new multimedia learning tools. These resources—the Student Resource DVD, StudySpace, and the Online Listening Lab—reinforce important concepts from the text through interactive, hands-on learning.

MUSIC BUSINESS HANDBOOK AND CAREER GUIDE

Simon and Schuster

"What a thrill it is to read Sarah Priscus' 70s rock, California-dreaming Groupies. This shimmering debut is packed with tenderness and awe against a backdrop of

drugs, sex, rock stars, and high drama. Faun is a lovable, believable, and wonderfully drawn character who will remain in my heart and mind for a very, very long time." — Jessica Anya Blau, author of Mary Jane In a debut perfect for fans of Daisy Jones & The Six, Mary Jane, and The Final Revival of Opal & Nev, Sarah Priscus shines a bright light on the grungy yet glittery world of 1970s rock 'n' roll and the women - the groupies - who unapologetically love too much in a world that doesn't love them back. It's 1977, and Faun Novak is in love with rock 'n' roll. After her mother's death, Faun, a naïve college dropout, grabs her Polaroid and hops a Greyhound to Los Angeles. In the City of Angels, she reconnects with her charismatic childhood friend Josie, now an up-and-coming model and muse. To make their reunion even sweeter, Josie is now dating Cal Holiday, the frontman of the superstar rock band Holiday Sun, and Faun is positively mesmerized. Except it's not just the band she can't get enough of. It's also the proud groupies who support them in myriad ways. Among the groupies are: a doting high school girl at war with her mother; a drug-dealing wife and new mom

who longs to be a star herself; and a cynical mover-and-shaker with a soft spot for Holiday Sun's bassist. Faun obsessively photographs every aspect of this dazzling new world, struggling to balance her artistic ambitions with the band's expectations. As her confidence grows for the first time in her life, her priorities shift. She becomes reckless with friendship, romance, her ethics, and her bank account. But just as everything is going great and her boring, old life is falling away, Faun realizes just how blind she has been to the darkest corners of this glamorous musical dreamland as the summer heats up and everything spirals out of control . . . Equal parts an evocative coming-of-age and a cutting look at fame, desire, and the media, *Groupies* is a novel that will have you turning the pages until the music- and drug-fueled end.

Sonata for a Scoundrel Cambridge University Press

The arrival of shipwrecked twins in the land of Illyria creates havoc in this comical story of love in disguise.

PRIDE AND PREJUDICE (FOURTH

EDITION) (NORTON CRITICAL EDITIONS)

Oxford University Press, USA

"The Enjoyment of Music, Essential Listening Edition, weaves together a concise text and rich media resources in a compact and affordable package that gives students all they need for an enriched listening experience. The new Fourth Edition features enhanced pedagogy built around new listening objectives and Listening Challenge online activities, a revised repertory that includes popular teaching pieces, and streamlined Listening Guides that make it easier for students to identify the important things to listen for in each selection"--

Exploring Music The Enjoyment of Music Examines the interaction between music and liberal discourses in Victorian Britain, revealing the close interdependence of political and aesthetic practices.

Groupies CRC Press

The fully updated Eleventh Edition includes coverage of key topics such as copyright, licensing, songwriting, concert venues, and the entrepreneurial musician. Uniquely, it provides career-planning insights on dozens of job categories in the diverse music industry.

The Blue Book of Grammar and Punctuation Knopf Books for Young Readers

First in the award-winning soul music trilogy—featuring Motown artists Diana Ross & the Supremes, Smokey Robinson, Marvin Gaye, and others. Detroit 67 is "a dramatic account of twelve remarkable months in the Motor City" during the year

that changed everything (Sunday Mail). It takes you on a turbulent journey through the drama and chaos that ripped through the city in 1967 and tore it apart in personal, political, and interracial disputes. It is the story of Motown, the breakup of the Supremes, and the damaging clashes at the heart of the most successful African American music label ever. Set against a backdrop of urban riots, escalating war in

Vietnam, and police corruption, the book weaves its way through a year when soul music came of age and the underground counterculture flourished. LSD arrived in the city with hallucinogenic power, and local guitar band MC5—self-styled holy barbarians of rock—went to war with mainstream America. A summer of street-level rebellion turned Detroit into one of the most notorious cities on earth, known

for its unique creativity, its unpredictability, and self-lacerating crime rates. The year 1967 ended in social meltdown, rancor, and intense legal warfare as the complex threads that held Detroit together finally unraveled. “A whole-hearted evocation of people and places,” Detroit 67 is “a tale set at a fulcrum of American social and cultural history” (Independent).
