American Encounters: Art, History and Cultural 08 edition ... historical concerns of the field in the 21st century. American Encounters offers a new narrative of American art organized around the theme of cross-cultural exchanges. It locates America at the cross-roads of cultural encounters between Asia, Africa, Europe, and the New World, for over five centuries. The authors do not treat traditions separately, rather they explore how peoples and cultures encounter and influence each other and then evolve based on an exchange of ideas, materials etc. American Encounters Art, History, and Cultural Identity ...
