AMAYA RODGERS

Hustle Phoenix Books

Only a generation or two ago, childhood in the United States was understood to be a unique and vulnerable stage of development; a time for play and protection from adult preoccupations and responsibilities. In recent decades however, we appear to have jettisoned these norms, and the lines that separate the lifestyles of even very young children from adults are blurring. As widely known experts on the team that created this book explain, children begin formal education now in preschool, dress like adults, listen to the same music, play the same video games, explore the same Internet sites, and watch explicit depictions of sex and violence on TV and in movies. What is the impact of immersing children in a sexualized world? The Sexualization of Childhood first explains the nature of healthy sexual development. It then describes the ways in which children are being sexualized, and the physical and psychological consequences. It then looks at the lower and lower age at which girls are experiencing puberty, that reduction being fueled by the pseudoestrogens in so many of our foods and products, as well as obesity. Finally, it examines what we can do legally, politically, and as caregivers to protect children from developmentally inappropriate sexual experiences.

UNCLE JOHN'S BATHROOM READER THE WORLD'S GONE CRAZY

U of Nebraska Press

Professor Gail Dines has written about and researched the porn industry for over two decades. She attends industry conferences, interviews producers and performers, and speaks to hundreds of men and women each year about their experience with porn. Students and educators describe her work as “life changing.” In Pornland—the culmination of her life’s work—Dines takes an unflinching look at porn and its affect on our lives. Astonishingly, the average age of first viewing porn is now 11.5 years for boys, and with the advent of the Internet, it’s no surprise that young people are consuming more porn than ever. But, as Dines shows, today’s porn is strikingly different from yesterday’s Playboy. As porn culture has become absorbed into pop culture, a new wave of entrepreneurs are creating porn that is even more hard-core, violent, sexist, and racist. To differentiate their products in a glutted market, producers have created profitable niche products—like teen sex, torture porn, and gonzo—in order to entice a generation of desensitized users. Going from the backstreets to Wall Street, Dines traces the extensive money trail behind this multibillion-dollar industry—one that reaps more profits than the film and music industries combined. Like Big Tobacco—with its powerful lobbying groups and sophisticated business practices—porn companies don’t simply sell products. Rather they influence legislators, partner with mainstream media, and develop new technologies like streaming video for cell phones. Proving that this assembly line of content is actually limiting our sexual freedom, Dines argues that porn’s omnipresence has become a public health concern we can no longer ignore.

REJECTED

Alpha Book Publisher

This century’s most ardent advocate of the First Amendment, controversial and outspoken, hated and adored, the infamous Larry Flynt’s life needs no exaggeration to make it one of the most interesting stories of our time. The real events of Flynt’s life are captured here for the very first time, from his roots in Appalachia to his troubles in Beverly Hills. Updated to include Flynt’s role in the recent “Washington Madam” brouhaha.

Life on Earth Vickie Stringer Publications

This book is a necessary read both for persons who see a living through scamming and for persons who want to avoid scammers. Failure to read this book is failure to get rich quick or avoid scammers. This is a book for educational purpose. Get rich by reading it now or don’t read it and get scammed. The choice is yours.

Tatiana Crown

Based on the lives of John J. Cozad and Robert Henri.

How to Scam Columbia University Press

Coming from a well-to-do family, Yarni knows life with her new love--Richmond, Virginia's notorious drug kingpin Des--will be quite a change, but the innocent girl can't imagine what is in store for her when Des is sentenced to life in prison.

A HUSTLER'S WIFE

Feral House

Ben Franklin saved the American Revolution by seducing French Women. A gay love affair between President James Buchanan and Senator William King aided the secession movement. Woodrow Wilson's girlfriend dictated his letters to the German Kaiser. And lesbian relationships inspired Eleanor Roosevelt to become a revolutionary crusader for equal rights. The colorful sex lives of America's most powerful leaders have influenced social movements, government policies, elections and even wars, yet they are so whitewashed by historians that people think Thomas Jefferson and Abe Lincoln were made of marble, not flesh and blood. But the truth is about to come out. In *One Nation Under Sex*, free speech activist and notorious Hustler magazine publisher Larry Flynt teams up with Columbia University history professor David Eisenbach to peek behind the White House bedroom curtains and document how hidden passions have shaped public life. They unpack salacious rumors and outright scandals, showing how private affairs have driven pivotal decisions—often with horrific consequences. Along the way, they explore the origins of America's fascination with sex scandals and explain how we can put aside out political moralism and begin focusing on the real problems that threaten our nation.

Figures of Speech Villard

The incredible story of one of rock's most controversial stars, featuring excerpts from her letters and journals, interviews with friends speaking openly for the first time, and dozens of revealing, candid photos.

THE SEXUALIZATION OF CHILDHOOD

Xlibris Corporation

A fully revised and updated edition to a classic bestseller, *The Macho Paradox* is the first book to show how violence against women is a men's issue—and how all genders can come together to stop it. From the #MeToo movement to current discussions about gender norms in schools, sports, politics, and media culture, *The Macho Paradox* incorporates the voices and experiences of the women, men, and others who have confronted the problem of gender violence from all angles. Bestselling author Jackson Katz is a pioneering educator and activist on the topic of men's violence against women. In this revised edition of his heralded book, Katz outlines the ways in which cultural ideas about "manhood" contribute to men's sexually harassing and abusive behaviors and that men have a positive role to play in challenging and changing the sexist cultural norms that too often lead to gender violence. This important book for abused women covers topics ranging from mental and emotional abuse to sexual harassment to domestic violence and is a vital read for women with controlling partners or as a self-help book for men. Praise for *The Macho Paradox*: "A candid look at the cultural factors that lend themselves to tolerance of abuse and violence against women."—Booklist "If only men would read Katz's book, it could serve as a potent form of male consciousness-raising."—Publishers Weekly "These pages will empower both men and women to end the scourge of male violence and abuse. Katz knows how to cut to the core of the issues, demonstrating undeniably that stopping the degradation of women should be every man's priority."—Lundy Bancroft, author of *Why Does He Do That?: Inside the Minds of Angry and Controlling Men*

One Nation Under Sex FLEXquarters.com Limited

"Strips porn of its culture-war claptrap . . . Pornified may stand as a Kinsey Report for our time."—San Francisco Chronicle Porn in America is everywhere—not just in cybersex and Playboy but in popular video games, advice columns, and reality television shows, and on the bestseller lists. Even more striking, as porn has become affordable, accessible, and anonymous, it has become increasingly acceptable—and a big part of the personal lives of many men and women. In this controversial and critically acclaimed book, Pamela Paul argues that as porn becomes more pervasive, it is destroying our marriages and families as well as distorting our children's ideas of sex and sexuality. Based on more than one hundred interviews and a nationally representative poll, *Pornified* exposes how porn has infiltrated our lives, from the wife agonizing over the late-night hours her husband spends on porn Web sites to the parents stunned to learn their twelve-year-old son has seen a hardcore porn film. *Pornified* is an insightful, shocking, and important investigation into the costs and consequences of pornography for our families and our culture.

The Best American Magazine Writing 2008 Jon B Barry

Avi Steinberg is stumped. After defecting from yeshiva to attend Harvard, he has nothing but a senior thesis on Bugs Bunny to show for himself. While his friends and classmates advance in the world, Steinberg remains stuck at a crossroads, his "romantic" existence as a freelance obituary writer no longer cutting it. Seeking direction (and dental insurance) Steinberg takes a job running the library counter at a Boston prison. He is quickly drawn into the community of outcasts that forms among his bookshelves—an assortment of quirky regulars, including con men, pimps, minor prophets, even ghosts—all searching for the perfect book and a connection to the outside world. Steinberg recounts their daily dramas with heartbreak and humor in this one-of-a-kind memoir—a piercing exploration of prison culture and an entertaining tale of one young man's earnest attempt to find his place in the world.

Cincinnati Magazine Anchor

The investigation and Trial of Michael Jackson lasted from November 2003 to June 2005. Leading up to the trial was jury selection. A man named Jeffrey Welbaum was selected as a juror, more specifically an alternate juror. Jeffrey is a controversial juror due to the fact his mother-in-law worked at Michael Jackson's Neverland Ranch and he was still selected as a juror. Jeffrey was able to keep his notebooks after the trial since he was an alternate juror. There were only several alternate jurors that had notebooks that fully documented the trial. This book is one of them which is a summary or shortened version of the trial that documents what Jeffrey found meaningful from trial testimony documented witness by witness. In 2006, Vincent Amen purchased the notebooks from Jeffrey Welbaum and later the rights to publish them as a book. There is a great value to the notebooks with positive implications. What does a juror note from Trial testimony to ultimately render a verdict? This question may have never been explored before prior to publishing these notebooks. For prosecutors and defense attorneys alike, these notebooks can be helpful in determining how to try cases. Based on all evidence shown and witness testimony, what a juror finds meaningful to note can provide a means to being more effective in organizing and trying a case. Enjoy reading the notebooks and based on what is documented, try to come to your own conclusion or verdict.

Modern Polygamy in the United States Penguin

Join former Penthouse Variations "Cinema Blue" columnist and current AVN Online International Correspondent Gerrie Lim as he documents the perverse universe of the porn star and exposes the curious and complex world of sex and celebrity. Read interviews with Jenna Jameson, Jill Kelly, Silvia Saint, Asia Carrera and many more adult-film superstars and find out what really happens off-camera at porn shoots.

HASTINGS COMMUNICATIONS AND ENTERTAINMENT LAW JOURNAL (COMM/ENT)

ReadHowYouWant.com

Few people realize that polygamy continues to exist in the United States. Thus, world-wide attention focused on the State of Texas in 2008 as agents

surrounded the compound of The Fundamentalist Church of Jesus Christ of Latter-day Saints (FLDS) and took custody of more than 400 children. Several members of this schismatic religious group, whose women adorned themselves in "prairie dresses," admitted to practicing polygamy. The state justified the raid on charges that underage marriage was being forced on young women. A year later, however, all but one of the children had been returned to their parents and only ten men were charged with crimes, some barely related to the original charges. This book reveals the history, culture, and sometimes an insider's look at the polygamous groups located primarily in the western parts of the United States. The contributors to this volume are historians, anthropologists, and sociologists familiar with the various groups. A legal scholar also addresses the legality of the Texas raid and a geneticist examines the paternity issues. Together, these authors provide a much needed understanding of the surprisingly large number of groups and individuals who live a quiet polygamous life style in the United States.

Money Changes Everything Macmillan

First Published in 2001. Routledge is an imprint of Taylor & Francis, an informa company.

RUNNING THE BOOKS

In Los Angeles, a black man and a white supremacist battle their dead ancestors. Years ago a black slave taught his white master to live forever by absorbing the life essence of his descendants. The men have discovered they are on the menu.

SIX WEEKS WITH SHELBY-PHOTO VERSION

Simon and Schuster

Don't miss the latest book in the Arkady Renko series, *THE SIBERIAN DILEMMA* by Martin Cruz Smith, 'the master of the international thriller' (New York Times) - available to order now! AN ARKADY RENKO NOVEL: #8 'One of those writers that anyone who is serious about their craft views with respect bordering on awe' Val McDermid 'Makes tension rise through the page like a shark's fin' Independent *** When the brilliant and fearless young reporter Tatiana Petrovna falls to her death from a sixth-floor window in Moscow in the same week that notorious mob billionaire Grisha Grigorenko is shot in the back of the head, Renko finds himself on the trail of a mystery as complex and dangerous as modern Russia itself. The body of an elite government translator shows up on the sand dunes of Kaliningrad: killed for nothing but a cryptic notebook filled with symbols. A frantic hunt begins to locate and decipher this notebook. In a fast-changing and lethal race to uncover what this translator knew, and how he planned to reveal it to the world, Renko makes a startling discovery that propels him deeper into Tatiana's past - and, at the same time, paradoxically, into Russia's future. Praise for Martin Cruz Smith 'The story drips with atmosphere and authenticity - a literary triumph' David Young, bestselling author of *Stasi Child* 'One of those writers that anyone who is serious about their craft views with respect bordering on awe' Val McDermid 'Cleverly and intelligently told, *The Girl from Venice* is a truly riveting tale of love, mystery and rampant danger. I loved it' Kate Furnivall, author of *The Liberation* 'Smith not only constructs grittily realistic plots, he also has a gift for characterisation of which most thriller writers can only dream' Mail on Sunday 'Smith was among the first of a new generation of writers who made thrillers literary' Guardian 'Brilliantly worked, marvellously written . . . an imaginative triumph' Sunday Times 'Martin Cruz Smith's Renko novels are superb' William Ryan, author of *The Constant Soldier*

OBSCENE PROFITS

Oxford University Press

Showcases articles written by a variety of journalists judged as finalists or winners in a contest sponsored by the American Society of Magazine Editors, and addresses topics ranging from reporting to feature writing.

PRISONER OF X

Houghton Mifflin Harcourt

The editors of *The Friend Who Got Away* are back with a new anthology that will do for money what they did for women's friendships. Ours is a culture of confession, yet money remains a distinctly taboo subject for most Americans. In this riveting anthology, a host of celebrated writers explore the complicated role money has played in their lives, whether they're hiding from creditors or hiding a trust fund. This collection will touch a nerve with anyone who's ever been afraid to reveal their bank balance. In these wide-ranging personal essays, Daniel Handler, Walter Kirn, Jill McCorkle, Meera Nair, Henry Alford, Susan Choi, and other acclaimed authors write with startling candor about how money has strengthened or undermined their closest relationships. Isabel Rose talks about the trials and tribulations of dating as an heiress. Tony Serra explains what led him to take a forty-year vow of poverty. September 11 widow Marian Fontana illuminates the heartbreak and moral complexities of victim compensation. Jonathan Dee reveals the debt that nearly did him in. And in paired essays, Fred Leebron and his wife Katherine Rhett discuss the way fights over money have shaken their marriage to the core again and again. We talk openly about our romantic disasters and family dramas, our problems at work and our battles with addiction. But when it comes to what is or is not in our wallets, we remain determinedly mum. Until now, that is. *Money Changes Everything* is the first anthology of its kind—an unflinching and on-the-record collection of essays filled with entertaining and enlightening insights into why we spend, save, and steal. The pieces in *Money Changes Everything* range from the comic to the harrowing, yet they all reveal the complex, emotionally charged role money plays in our lives by shattering the wall of silence that has long surrounded this topic.
