DEACON PORTER

**An Exegetical and Theological
Exposition of Holy Scripture** Moody

Publishers

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

THE ACTS OF THE APOSTLES

CreateSpace

Alan Thompson's aim is to offer a biblical-theological framework for interpreting the book of Acts, so that Luke's major themes may be identified and related to the book as a whole. He especially highlights Acts as an account of the 'continuing story' of God's saving purposes: Luke intends his work to read in the light of Old Testament promises and the continuing reign of Christ in the inaugurated kingdom of God.

The Acts of the Apostles Anchor Recordings Ltd.

With a scholar's mind and a pastor's heart, N. T. Wright guides us through the New Testament book of Acts, moving us from the world in which it was lived into the world in which we must live it again. Twenty-four sessions for group or personal study.

Acts Image

This St. Andrew's Expository Commentary from theologian-preacher R. C. Sproul offers application and pastoral wisdom to the story of the gospel spreading to the nations.

Acts InterVarsity Press

Experience Pentecost. Look on as 130 converts shake a city. Meet Paul. Go with him as he plants the first Gentile church. Extend the kingdom's power and see the enemy upset. Walk with Paul as he travels to Corinth, Antioch, Ephesus and

beyond. For those desiring to be a part of God's action in their churches, their communities and throughout the world, there is nothing that will help more than thoroughly understanding the book of Acts and applying what we can learn from it. Acts was designed to be God's training manual for Christians. It worked in the early church, and it works in the postmodern world. The reader's study of Acts in The Book of Acts will bring new intimacy with the Spirit and new joy in doing His will.

A COMMENTARY ON THE ACTS OF THE APOSTLES

Crossway Books

Dr. Luke's second volume is a book of 'firsts': the first outpouring of the Holy Spirit, the first converts, the first healing, the first arrest and trial, the first deacons, the first martyr, the first persecution, the first Gentile mission and many more. Nothing can stop the spread of the gospel when the church is on fire! The founding fathers were beset by troubles which, under God's direction, were all turned into triumphs. Study of their exploits will leave you with some disturbing questions. Should our church be like this? Could it be? Above all, do I want it to be?

A COMMENTARY ON ACTS OF THE APOSTLES

Liturgical Press

Written in the 19th century by an American Baptist minister, this book contains a commentary on the New Testament Book of Acts.

A Commentary on Acts of Apostles

Wm. B. Eerdmans Publishing

A paperback edition of the best-selling commentary on Acts by acclaimed preacher and scholar William H. Willimon.

ACTS

InterVarsity Press
The India Commentary on the New Testament (ICNT) series aims to give a well-informed exposition of the meaning of the text and relevant reflections in everyday language from a contemporary Indian context. The intended audience is the theological seminary or bible college, both students and faculty. The commentaries are also ideal for pastors and lay people with an interest in theology or responsibilities for preaching in the local congregation. The commentaries are culturally rooted, and the various applications relating to culture, society, and religious life will help those involved in cross-cultural evangelism and mission work. There is no direct equivalent to the ICNT, and hence this is the first Indian commentary serving India, the entire subcontinent--India, Nepal, Bangladesh, and Sri Lanka--and the world. The ICNT is an affordable evangelical commentary series written by respected academics in everyday language, providing a well-informed meaning of the New Testament and practical reflections for modern India.

ACTS

Baker Books
Clearly covers the Book of Acts verse by verse. Unrivalled scholarship, precision language, extensive footnotes, and provocative chapter-end study questions all make this commentary a welcome study resource.
With a Revised Version of the Text, 7th Edition Wm. B. Eerdmans Publishing

Designed for laypeople, these commentaries deal seriously with the biblical text without being overly technical. Introductory information, doctrinal themes, problem passages, and practical applications are examined. The Book of Acts Westminster John Knox Press

This latest addition to the Fortress Social-Science Commentaries on New Testament writings illuminates the values, perceptions, and social codes of the Mediterranean culture that shaped Paul and his interactions - both harmonious and conflicted - with others, Malina and Pilch add new dimensions to our understanding of the apostle as a social change agent, his coworkers as innovators, and his gospel as an assertion of the honor of the God of Israel.

A Commentary InterVarsity Press
This item is part of: Lenski New Testament: In Twenty Volumes. Pastors and students of the Bible who seek deep and detailed engagement with the text of the New Testament have long relied on R.C.H. Lenski's classic text now available again. Even though its historical-critical work has been surpassed, the strong narrative quality, accessibility, and "holy reverence for the Word of God" (Moody Monthly) of Lenski's work have allowed his commentary to continue as an excellent resource for serious study of the New Testament and sermon preparation.

A COMMENTARY ON ACTS OF THE APOSTLES

B&H Publishing Group
Brimming with lavish, full-color photos and graphics, the Zondervan Illustrated Bible Backgrounds Commentary walks you verse by verse through all the books of the New Testament. It's like slipping

on a set of glasses that lets you read the Bible through the eyes of a first-century reader! Discoveries await you that will snap the world of the New Testament into gripping immediacy. Things that seem mystifying, puzzling, or obscure will take on tremendous meaning when you view them in their ancient context. You'll deepen your understanding of the teachings of Jesus. You'll discover the close, sometimes startling interplay between God's kingdom and the practical affairs of the church. Best of all, you'll gain a deepened awareness of the Bible's relevance for your life. Written in a clear, engaging style, this beautiful set provides a new and accessible approach that more technical expository and exegetical commentaries don't offer.

A Commentary on the Acts of the Apostles Liturgical Press

Concise and accessible, this one-volume edition of the New Collegeville Bible Commentary: Old Testament draws together the individual contributions to the Old Testament series and offers them to readers in a convenient and attractive format. Written by an array of respected scholars, the individual commentaries collected here bring expert insight into the Old Testament to Bible study participants, teachers, students, preachers, and all readers of Scripture. A first-rate, reliable resource for Bible study and reflection, the New Collegeville Bible Commentary: Old Testament answers the Second Vatican Council's call to make access to Scripture "open wide to the Christian faithful."

Luke's Account of God's Unfolding Plan Baker Academic

This substantive yet highly accessible commentary leads readers through all aspects of the book of Acts--sociological, historical, and theological.

Volume 2: 15-28 Canongate Books

In this new commentary for the Belief series, award-winning author and theologian Willie James Jennings explores the relevance of the book of Acts for the struggles of today. While some see Acts as the story of the founding of the Christian church, Jennings argues that it is so much more, depicting revolutionlife in the disrupting presence of the Spirit of God. According to Jennings, Acts is like Genesis, revealing a God who is moving over the land, "putting into place a holy repetition that speaks of the willingness of God to invade our every day and our every moment." He reminds us that Acts took place in a time of Empire, when the people were caught between diaspora Israel and the Empire of Rome. The spirit of God intervened, offering new life to both. Jennings shows that Acts teaches how people of faith can yield to the Spirit to overcome the divisions of our present world.

WITH A COMMENTARY

Lulu.com

THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures. Notable features include:* commentary based on THE NEW INTERNATIONAL VERSION;* the NIV text printed in the body of the commentary;* sound scholarly methodology that reflects capable research in the original languages;* interpretation that emphasizes the theological unity of each book and of Scripture as a whole;* readable and applicable exposition.

Westminster John Knox Press

"... undertaken to provide earnest students of the New Testament with an exposition that is thorough and abreast

of modern scholarship and at the same time loyal to the Scriptures as the infallible Word of God.””This statement reflects the underlying purpose of The New International Commentary on the New Testament. Begun in the late 1940s by an international team of New Testament scholars, the NICNT series has become recognized by pastors, students, and scholars alike as a critical yet orthodox commentary marked by solid biblical scholarship within the evangelical Protestant tradition. While based on a thorough study of the Greek text, the commentary introductions and expositions contain a minimum of Greek references. The NICNT authors evaluate significant textual problems and take into account the most important exegetical literature. More technical aspects — such as grammatical, textual, and historical problems — are dealt with in footnotes, special notes, and

appendixes. Under the general editorship of three outstanding New Testament scholars — first Ned Stonehouse (Westminster Theological Seminary, Philadelphia), then F. F. Bruce (University of Manchester, England), and now Gordon D. Fee (Regent College, Vancouver, British Columbia) — the NICNT series has continued to develop over the years. In order to keep the commentary “new” and conversant with contemporary scholarship, the NICNT volumes have been — and will be — revised or replaced as necessary. The newer NICNT volumes in particular take into account the role of recent rhetorical and sociological inquiry in elucidating the meaning of the text, and they also exhibit concern for the theology and application of the text. As the NICNT series is ever brought up to date, it will continue to find ongoing usefulness as an established guide to the New Testament text.
