MONTY PYTHON

AND THE HOLY
GRAIL

Newmarket Press
(Vocal Selections). Six
has received rave
reviews around the
world for its modern
take on the stories of

the six wives of Henry VIII and it's finally opening on Broadway! From Tudor queens to pop princesses, the six wives take the mic to remix five hundred years of historical heartbreak into an exuberant celebration of 21st century girl power! Songs include: All You Wanna Do * Don't Lose Ur Head * Ex-Wives * Get Down * Haus of Holbein * Heart of Stone * I Don't Need Your Love * No Way * Six.

We welcome you to the First International Conference on Arts and Technology (ArtsIT

2009), hosted by CSIE of the National Ilan University and co-organized by the National Science Council, ICST, College of EECS at National Ilan University, Software Simulation Society in Taiwan, ISAC, TCA, NCHC, CREATE-NET, and Institute for Information Industry. ArtsIT2009 was held in Yilan, Taiwan, during September 24–25, 2009. The conference comprised the following themes: • New Media Technologies (Evolutionary systems that create arts or display art works, such as tracking sensors, wearable computers, mixed reality, etc.) • Software Art (Image processing or computer graphics techniques that create arts, including

algorithmic art, mathematic art, advanced modeling and rendering, etc.) • Animation Techniques (2D or 3D computer animations, AI-based animations, etc.) • Multimedia (Integration of different media, such as virtual reality systems, audio, performing arts, etc.) • Interactive Methods (Vision-based tracking and recognition, interactive art, etc.)

The conference program started with an opening ceremony, followed by three keynote speeches and four technical sessions distributed over a period of two days. Two poster sessions, one hour each, were scheduled before the afternoon oral sessions. An Interactive Arts Exhibition was held in conjunction

with ArtsIT 2009. Twelve well-known digital arts teams from Taiwan exhibited 15 artworks in this event, including 10 interactive installation arts, 4 video arts, and 1 digital print. The conference received around 50 submissions from 15 different countries.

THE DIRECTOR'S VISION

eBookIt.com

The pursuit of excellence in theatre is well served by the latest edition of this eminently readable text by two directors with wide-ranging experience. In an engaging, conversational manner, the authors deftly combine a focus on artistic vision with a practical, organized methodology that allows beginning and

established directors to bring a creative script interpretation to life for an audience.

The Complete Book of 2010s Broadway Musicals Focus

"Powerful and disturbing. No one who cares about the future of our public life can afford to ignore this book." —Jackson Lears
A powerful sequel to Benjamin R. Barber's best-selling *Jihad vs. McWorld*, *Consumed* offers a vivid portrait of an overproducing global economy that targets children as consumers in a market where there are never enough shoppers and where the primary goal is no longer to manufacture goods but needs. To explain how and why this has come about, Barber brings together extensive empirical research with

an original theoretical framework for understanding our contemporary predicament. He asserts that in place of the Protestant ethic once associated with capitalism—encouraging self-restraint, preparing for the future, protecting and self-sacrificing for children and community, and other characteristics of adulthood—we are constantly being seduced into an "infantilist" ethic of consumption.

Stage Money Running Press/Book Pub

A timely and gutsy YA novel based on the Tony and Grammy Award winning musical from Alanis Morissette, Diablo Cody, and Glen Ballard! Swallow it down—what a jagged little pill . . . *Jagged*

Little Pill: The Novel follows the intertwining lives of five teens whose world is changed forever after the events at a party. Adopted Frankie struggles to see eye-to-eye with her mother—who would rather ignore a problem and preserve their “perfect” life than stand up for what’s right. Jo just wants her mom to accept her queer identity—and is totally crushed when Frankie, the only person who really gets her, finds herself infatuated with someone new. Phoenix tries to find his place at the new school and balance wanting to spend time with Frankie but knowing he also has to help out with his sick sister at home. Bella wants to enjoy the end of high

school and just head off to college without a hitch. Everyone expects Frankie's brother Nick to be the golden boy, but even though he just got into his dream school, he's not even sure he's a good person. Each of their stories intersects when Bella is sexually assaulted at a party, and it looks like the perpetrator might get away with it. Moving, heartfelt, and raw, Jagged Little Pill: The Novel draws on the musical's story and gives readers deeper glimpses of the characters. It's a story about the power of voicing your pain, standing up for what's right, and finding healing and connection.

Film International
Methuen Publishing
An up close and

personal portrait of a legendary filmmaker, theater director, and comedian, drawing on candid conversations with his closest friends in show business and the arts—from Dustin Hoffman and Meryl Streep to Natalie Portman and Lorne Michaels. The work of Mike Nichols pervades American cultural consciousness—from *The Graduate* and *Who's Afraid of Virginia Woolf?* to *Angels in America*, *The Birdcage*, *Working Girl*, and *Primary Colors*, not to mention his string of hit plays, including *Barefoot in the Park* and *The Odd Couple*. If that weren't enough, he was also one half of the timelessly funny duo Nichols & May, as well as a founding member of the original improv troupe. Over a

career that spanned half a century, Mike Nichols changed Hollywood, Broadway, and comedy forever. Most fans, however, know very little of the person behind it all. Since he never wrote his memoirs, and seldom appeared on television, they have very little sense of his searching intellect or his devastating wit. They don't know that Nichols, the great American director, was born Mikail Igor Peschkowsky, in Berlin, and came to this country, speaking no English, to escape the Nazis. They don't know that Nichols was at one time a solitary psychology student, or that a childhood illness caused permanent, life-altering side effects. They don't know that he withdrew

into a debilitating depression before he "finally got it right," in his words, by marrying Diane Sawyer. Here, for the first time, Ash Carter and Sam Kashner offer an intimate look behind the scenes of Nichols' life, as told by the stars, moguls, playwrights, producers, comics and crewmembers who stayed loyal to Nichols for years. Life Isn't Everything is a mosaic portrait of a brilliant and original director known for his uncommon charm, wit, vitality, and genius for friendship, this volume is also a snapshot of what it meant to be living, loving, and making art in the 20th century.

Jagged Little Pill: The Novel Dramatists Play Service, Inc.

(Limelight). From their perfectly insane television show to their consistently irreverent and riotous movies, Monty Python has owned the zany and absurd side of comedy since their debut. Their influence can be felt in every comedy show that followed them, from Saturday Night Live and Second City television, to The Kids in the Hall, not to mention all the laughs writ large on the silver screen, where their brand of absurdity opened the doors for such people as Jim Carrey who made a name for themselves by pushing the funny even further. This is the first book to look at everything influenced by the Pythons, but also at those who came before them from the classic British

comedies to the Marx Brothers, and everything in the Python universe, from Fawlty Towers and A Fish Called Wanda to Spamalot and Brazil . If You Like...Monty Python is a book for any fan who has graduated from the Ministry of Silly Walks and wants more.

A Book about the Film Monty Python's The Meaning of Life

Henry Holt and Company Stage Money is a groundbreaking guide to understanding professional theater finances today through the use of the tools and metaphors of the business world at large. This approach results in a comprehensive picture of the economic realities of theater production that is

radically different from the assessments typically espoused elsewhere. Tim Donahue and Jim Patterson combine their experiences in the financial and creative aspects of theater production to present in straightforward prose their keen insights into the micro- and macro-economic aspects of the commercial stage. Tangible data, charts, and graphs are counterbalanced with illuminating "intermissions" between chapters and interspersed sidebars throughout to provide specific examples of key concepts, collectively presenting an expansive overview of the contemporary theater business. Stage Money is an unparalleled tool for

theater professionals and enthusiasts interested in garnering a better understanding of the business's inner workings at present and its challenges for the future. Among the topics addressed in *Stage Money* are the risks and returns on Broadway in the early twenty-first century, the financial organization of theater performances today, and comparisons between the business models of commercial theater and not-for-profit theater. In concise language and clear examples, the authors explain where the money comes from and where it goes. [The Dramatists Guild Resource Directory](#) Oxford University Press Known for its outrageous humor, occasionally

controversial content, and often silly spirit, Monty Python's *Flying Circus* poked fun at nearly everything. Indeed, many of the allusions and references in the program were routinely obscure, and therefore, not always understood or even noticed. This exhaustive reference identifies and explains the plethora of cultural, historical, and topical allusions of this landmark series. In this resource, virtually every allusion and reference that appeared in an episode is identified and explained. Organized chronologically by episode, each entry is listed alphabetically, indicates what sketch it appeared in, and is cross-referenced between episodes. Scholars and fans who

already appreciate the silliness of the Pythons can also enjoy the acculturated know-it-all-ness of their heroes. *From Camelot to Spamalot* From Camelot to Spamalot You're six years old. Mum's in hospital. Dad says she's "done something stupid." She finds it hard to be happy. So you start to make a list of everything that's brilliant about the world. Everything that's worth living for.

1. Ice cream.
2. Kung Fu movies.
3. Burning things.
4. Laughing so hard you shoot milk out your nose.
5. Construction cranes.
6. Me. You leave it on her pillow. You know she's read it because she's corrected your spelling.

Soon, the list will take on a life of its own. A play about depression

and the lengths we will go to for those we love.

The Complete Book of

1970s Broadway

Musicals Oxford

University Press

Jim Clark shares his

experiences as a highly successful film editor at a time when films were a true collaboration of talented individuals. The legendary "Doctor" Clark was the man who could make sick films healthy again. The role of editor in the collective, collaborative process that is the making of any film is massively important but not one that is generally recognized outside the small pond that is the filmmaking community. In this wonderfully enjoyable memoir, this point becomes steadily obvious, but it is made with subtlety, discretion, and modesty. The book is also a history of the post-war film industry in England and America as well as an

autobiography. As William Boyd wrote in his Introduction, "The trouble with writing an autobiography is that you can't really say what a great guy you are, what fun you are to work with and hang out with, what insight and instinct you have about the art form of cinema, and how much and how many film directors are indebted to you."

The Monty Python team's first feature film is a mock-heroic tale set in Medieval Britain.

Always Look on the Bright Side of Life

Abrams

An enchanting new comedy by Pulitzer Prize finalist Sarah Ruhl.

Dream Repairman Univ of South Carolina Press

A chronological listing of the creative output and other antics of the members of the British comedy group Monty Python, both as a group and individually. Coverage spans

between 1969 (the year Monty Python's Flying Circus debuted) and 2012. Entries include television programs, films, stage shows, books, records and interviews. Back matter features an appendix of John Cleese's hilarious business-training films; an index of Monty Python's sketches and songs; an index of Eric Idle's sketches and songs; as well as a general index and selected bibliography.

EVER AFTER

Waveland Press

"Offers a vivid portrait of a global economy that overproduces goods and targets children as consumers ... where the primary goal is no longer to manufacture goods but needs." - cover.

Monty Python Hal

Leonard Corporation
 Written by Barry
 Singer—one of
 contemporary musical
 theater's most
 authoritative
 chroniclers—Ever After
 was originally
 published in 2003 as a
 history of the previous
 twenty-five years in
 musical theater, on
 and off Broadway. This
 new edition extends
 the narrative, taking
 readers from 2004 to
 the present. The book
 revisits every new
 musical that has
 opened since the last
 edition, with Barry
 Singer once again as
 guide. Before Ever
 After appeared in
 2003, no book had
 addressed the recent
 past in musical theater
 history—an era Singer
 describes as "ever
 after musical theater's
 many golden ages."
 Derived significantly

from Singer's writings
 about musical theater
 for the New York
 Times, New York
 Magazine, and The
 New Yorker, Ever After
 captured that era in its
 entirety, from the
 opening of The Act on
 Broadway in October
 1977 to the opening of
 Avenue Q Off-
 Broadway in March
 2003. This new edition
 brings Ever After up to
 date, from Wicked,
 through The Book of
 Mormon, to Hamilton
 and beyond. Once
 again, this the first
 book to cover this new,
 pre-pandemic age of
 the Broadway musical.
 And, once again,
 utilizing his recent
 writing about musical
 theater for HuffPost
 and Playbill, Barry
 Singer's viewpoint is
 comprehensive and
 absolutely unique.

THE DRAMATISTS
GUILD RESOURCE
