MIYA SHEPPARD

My Story: Pompeii John Wiley & Sons

A time of horror has come to London. In one terrible summer, more than 15% of its population will perish. As the bubonic plague ravages London's streets, mercilessly plucking up victims and filling the plague pits with corpses, 13-year-old Alice Paynton records the outbreak in her diary. "It seems that in the past week 700 people have died of the plague. So the plague has well and truly come to London... One of the houses in the next street had a red cross painted on the door. Above the cross someone had chalked Lord Have Mercy Upon Us." Alice's chilling diary brings alive one of the darkest moments in British history: the Great Plague of 1665-1666.

My Story: To Kill A Queen eBook Partnership

Thirteen-year-old Madeline's diaries for 1941 and 1942 reveal her experiences living on Long Island during World War II while her father is away in the Navy.

NOMASWAZI

CreateSpace

In this compact, powerful new study Thembisa Waetjen explores how gender structured the mobilization of Zulu nationalism in South Africa as antiapartheid efforts gained force during the 1980s. Undercutting assumptions of male power and nationalism as monolithic, *Workers and Warriors* demonstrates the ways that masculinities may be plural, conflict-ridden, and crucial not only to the formation of loyalty but also to why some nationalisms fail.

The Bloomsbury Handbook of Postcolonial Print Cultures

Routledge

Morocco, 1984. High in the Atlas Mountains, Hanane's love for Irishman Gus is forbidden. Forced to flee her home with the man she loves, Hanane is certain she's running towards her destiny. But she has made a decision that will haunt her family for years to come. London, 2009. When Addy discovers a mysterious letter in her late father's belongings, she journeys to Morocco in search of answers. But instead, she finds secrets - and is quickly pulled into a world that she doesn't understand. And when history starts to repeat itself, it seems her journey might just change the person she is forever...

My Secret War Diary of a Zulu Girl
Diary of a Zulu Girl
Describes

the popular 'Diary of a Zulu Girl' blog that has made giant leaps across the media spectrum. Transforming from just a blog, to a book and a TV drama. Captivating the masses through all forms of media, this creative tale speaks of a rural Zulu girl, Thandeka Mkhize, who comes to the big bad city of Johannesburg chasing her dreams - publisher's description.
The Love Diary of a Zulu Boy
The diary of Sarah Nita, a thirteen-year old Navajo girl, which describes the Navajos' forced 400-mile walk from their ancestral homeland to Fort Sumner in 1864.

A Picture of Freedom Indiana University Press

A diary account of 14-year-old Susanna Fairchild's life in 1849, when her father succumbs to gold fever on the way to establish his medical practice in Oregon after losing his wife and money on their steamship journey from New York. Includes an historical note. Originally published with Scholastic's Dear America series, "Seeds of Hope" shares characters from "Across the Wide and Lonesome Prairie: The Oregon Trail Diary of Hattie Campbell, 1847."

GIRL BEHIND DARK GLASSES

Bloomsbury Publishing

Winner of the Compton Crook Award From a new voice in the tradition of Lauren Beukes, Ian McDonald, and Nnedi Okorafor comes *The Prey of Gods*, a fantastic, boundary-challenging tale, set in a South African locale both familiar and yet utterly new, which braids elements of science fiction, fantasy, horror, and dark humor. In South Africa, the future looks promising. Personal robots are making life easier for the working class. The government is harnessing renewable energy to provide infrastructure for the poor. And in the bustling coastal town of Port Elizabeth, the economy is booming thanks to the genetic engineering industry which has found a welcome home there. Yes—the days to come are looking very good for South Africans. That is, if they can survive the present challenges: A new hallucinogenic drug sweeping the country . . . An emerging AI uprising . . . And an ancient demigoddess hellbent on regaining her former status by preying on the blood and sweat (but mostly blood) of every human she encounters. It's up to a young Zulu girl powerful enough to destroy her entire township, a queer teen plagued with the ability to control minds, a pop diva with serious daddy issues, and a politician with even more serious mommy

issues to band together to ensure there's a future left to worry about. Fun and fantastic, Nicky Drayden takes her brilliance as a short story writer and weaves together an elaborate tale that will capture your heart . . . even as one particular demigoddess threatens to rip it out.

The Besieged City New Directions Publishing

The first book in the heart-warming White Giraffe series by Lauren St John, featuring the African adventures of Martine and her magical white giraffe. When tragedy strikes on a winter's night in England, Martine is sent to live with her grandmother on a game reserve in South Africa. Her wild, beautiful new home is riddled with secrets, but lonely Martine finds comfort in the legend of a white giraffe and in mysterious Grace, who believes Martine has a powerful gift. Defying her grandmother by entering the reserve alone, Martine is plunged into a world of danger, mystery and adventure. Who can she trust? And how far will she go to save the only friend she has ever known?

Diary of a Cheating Wife Routledge

Jim Slater's classic text made available once more Jim Slater makes available to the investor - whether the owner of only a few shares or an experienced investment manager with a large portfolio - the secrets of his success. Central to his strategy is *The Zulu Principle*, the benefits of homing in on a relatively narrow area. Deftly blending anecdote and analysis, Jim Slater gives valuable selective criteria for buying dynamic growth shares, turnarounds, cyclicals, shells and leading shares. He also covers many other vitally relevant aspects of investment such as creative accounting, portfolio management, overseas markets and the investor's relationship with his or her broker. From *The Zulu Principle* you will learn exactly when to buy shares and, even more important, when to sell - in essence, how to make 'extraordinary profits from ordinary shares'.

MY STORY: THE GREAT PLAGUE

National Geographic Books

In 1859 twelve-year-old Clotee, a house slave who must conceal the fact that she can read and write, records in her diary her experiences and her struggle to decide whether to escape to freedom.

The Blessed Girl Scholastic

The texts that make up postcolonial print cultures are often found

outside the archival catalogue, and in lesser-examined repositories such as personal collections, the streets, or appendages to established collections. This volume examines the published and unpublished writing, magazines, pamphlets, paratexts, advertisements, cartoons, radio, and street art that serve as the intellectual forces behind opposition to colonial orders, as meditations on the futures of embryonic nation states, and as visions of new forms of equality. The print cultures examined here are necessarily anti-institutional; they serve as a counterpoint to the colonial archive and, relatedly, to more traditional genres and text formats coming out of large-scale publishers. This means that much of the primary material analyzed in this book has not been scrutinized before. Many of these print productions articulate collective liberation projects with origins in the grassroots. They include debates around the shape of the postcolonial nation and the new state formation that necessarily draw on a diverse and contentious public sphere of opinion. Their rhetoric ranges from the reformist to the revolutionary. Reflecting the diversity, indeed the disorderliness, of postcolonial print cultures this book covers local, national, and transnational cultures from Asia, Africa, Europe and the Americas. Its wide-ranging essays offer a nuanced and, taken together, a definitive (though that is not to say comprehensive or systematic) study of a global phenomenon: postcolonial print cultures as a distinct literary field. The chapters recover the efforts of writers, readers and publishers to produce a postcolonialism 'from below', and thereby offer a range of fresh perspectives on the meaning and history of postcolonialism.

Slave Girl Penguin Random House South Africa

It's August AD 78 in the great city of Pompeii - a day of strange encounters and even odder portents. What does it all mean? And why is Claudia so disturbed by Vesuvius, the great volcano that looms over the city?

The Girls Who Chased Away Sorrow Ad Donker Publishers

A forthright, honest and rousing triumphant memoir from a woman who has to live with a highly visible different appearance due to a rare skin condition. Say hello to Carly. 'In fairytales, the characters who look different are often cast as the villain or monsters. It's only when they shed their unconventional skin that they are seen as "good" or less frightening. There are very few stories where the character that looks different is the

hero of the story ... I've been the hero of mystery - telling it on my own terms, proud about my facial difference and disability, not wanting a cure for my rare, severe and sometimes confronting skin condition, and knowing that I am beautiful even though I don't have beauty privilege.' This honest, outspoken and thought-provoking memoir by award-winning writer and appearance activist Carly Findlay will challenge all your assumptions and beliefs about what it is like to have a visibly different appearance. Carly lives with a rare skin condition, Ichthyosis, and what she faces every day, and what she has to live with, will have you cheering for her and her courage and irrepressible spirit. This is both a moving memoir and a proud manifesto on disability and appearance diversity issues. 'Believe the hype - by turns frank, funny, and fearsome, Findlay's extraordinary memoir is an early contender for 2019's best Australian non-fiction ... a powerful and moving invitation to examine the structures of privilege and dehumanisation that we so desperately need address in this country.' Better Read Than Dead 'A proud celebration of appearance difference ... a valuable read.' Herald Sun 'Defiant, unsettling and thought-provoking' The Age

THE LOVE DIARY OF A ZULU BOY

Scholastic Non-Fiction

A book for comic lovers and Japanophiles of all ages, *Diary of a Tokyo Teen* presents a unique look at modern-day Japan through a young woman's eyes. Born in Tokyo to a Japanese mother and an American father in 1997, Christine Mari Inzer spent her early years in Japan and relocated to the United States in 2003. The summer before she turned sixteen, she returned to Tokyo, making a solo journey to get reacquainted with her birthplace. Through illustrations, photos, and musings, Inzer documented her journey. In *Diary of a Tokyo Teen*, Inzer explores the cutting-edge fashions of Tokyo's trendy Harajuku district, eats the best sushi of her life at the renowned Tsukiji fish market, and hunts down geisha in the ancient city of Kyoto. As she shares the trials and pleasures of travel from one end of a trip to the other, Inzer introduces the host of interesting characters she meets and offers a unique—and often hilarious—look at a fascinating country and an engaging tale of one girl rediscovering her roots. **Listed as a 2016 Great Graphic Novel for Teens by the Young Adult Library

Services Association**

THE PREY OF GODS

Bloomsbury Publishing

"A quick read that history lovers will easily devour."—Teen Vogue "Get ready to be transported to Paris in Taylor's incredible debut novel."—Seventeen, Editor's Choice Code Name Verity meets Jennifer Donnelly's *Revolution* in this gripping debut novel. NOW: Sixteen-year-old Alice is spending the summer in Paris, but she isn't there for pastries and walks along the Seine. When her grandmother passed away two months ago, she left Alice an apartment in France that no one knew existed. An apartment that has been locked for more than seventy years. Alice is determined to find out why the apartment was abandoned and why her grandmother never once mentioned the family she left behind when she moved to America after World War II. With the help of Paul, a charming Parisian student, she sets out to uncover the truth. However, the more time she spends digging through the mysteries of the past, the more she realizes there are secrets in the present that her family is still refusing to talk about. THEN: Sixteen-year-old Adalyn doesn't recognize Paris anymore. Everywhere she looks, there are Nazis, and every day brings a new horror of life under the Occupation. When she meets Luc, the dashing and enigmatic leader of a resistance group, Adalyn feels she finally has a chance to fight back. But keeping up the appearance of being a much-admired socialite while working to undermine the Nazis is more complicated than she could have imagined. As the war goes on, Adalyn finds herself having to make more and more compromises—to her safety, to her reputation, and to her relationships with the people she loves the most.

THE PAPER GIRL OF PARIS

Roaring Brook Press

"Unusual and illuminating . . . will appeal to all who are moved by and curious about Frank's story and legacy, and everyone interested in humanitarian activism" (Booklist). Although many books and literary analyses have been written about Anne Frank's life and diary, none have explored the surprising influence she has had on young people in countries all over the world, helping to shape their moral framework and giving them critical life skills.

This is due in part to the merits of a traveling exhibition created by the Anne Frank House in Amsterdam in 1985, which has so far been seen by over nine million people. The Anne Frank exhibition, along with its innovative educational and cultural activities, has circumnavigated the globe many times. In this fascinating study, Gillian Walnes Perry explores the various legacies of Anne Frank's influence. She looks at the complex life of Anne Frank's father and the motivations that powered his educational philosophy. She shares new insights into the real Anne Frank, personally gifted by those who actually knew her. Global icons such as Nelson Mandela and Audrey Hepburn relate the influence that Anne Frank had on shaping their own lives. This book presents—all in one place and for the very first time—the inspirational stories of a diverse variety of people from all over the world, brought together by the words of one particularly articulate and inspiring teenage victim of the Holocaust.

A Companion to African Literatures Harriman House Limited
Frieda Ekotto, Kenneth W. Harrow, and an international group of scholars set forth new understandings of the conditions of contemporary African cultural production in this forward-looking volume. Arguing that it is impossible to understand African cultural productions without knowledge of the structures of production, distribution, and reception that surround them, the essays grapple with the shifting notion of what "African" means when many African authors and filmmakers no longer live or work in Africa. While the arts continue to flourish in Africa, addressing questions about marginalization, what is center and what periphery, what traditional or conservative, and what progressive or modern requires an expansive view of creative production.

Lou Out of Luck Bloomsbury Publishing USA
Roaming the Mediterranean Sea on sailboats and hunting down monsters is the only life seventeen-year-old Indi and his siblings

have ever known. He never loved it, but now that his parents are gone—vanished during a hunt three months ago—it's harder and harder to fight his desire to escape. He's constantly battling his ferocious love for his siblings and the temptation of his parents' journal, which contains directions to a treasure that their parents hinted at. Maybe it's something valuable enough to distract Beleza from her mission to hunt down the monster that killed their parents. Something that would take the little kids away from the sea that's turning Oscar into a pirate and wasting Zulu's brilliant six-year-old mind. Something that could give Indi a normal life. Acclaimed author Hannah Moskowitz has reinvented yet another genre in this ridiculously propulsive epic that is part seafaring epic, part coming-of-age tale, and a totally warm-hearted story of a boy who loves his family and just wants to figure his own self out—if only the fate of the world weren't on his shoulders.

The White Giraffe HarperCollins
In *Big Apple Diaries*, a heartfelt diary-style graphic memoir by Alyssa Bermudez, a young New Yorker doodles her way through middle school—until the September 11, 2001, terrorist attack leaves her wondering if she can ever be a kid again. It's the year 2000 in New York City. For 12-year old Alyssa, a biracial Puerto Rican girl, this means all kinds of new challenges: splitting time between her dad's apartment in Manhattan and her mom's new place in Queens, navigating the ups and downs of middle school, harboring an epic crush on a new classmate, and figuring out how to be a "real" Puerto Rican. The only way to make sense of it all is to write and draw her thoughts and worries into her diary. Then life abruptly changes on September 11, 2001. After the Twin Towers fall and so many lives are lost, her concerns about gossip, crushes, and fashion feel distant and insignificant. Alyssa must find a new sense of self and purpose amidst all of the chaos, and find strength to move forward with hope. This moving graphic

memoir is based on Alyssa Bermudez's own middle school diaries.

WORKERS AND WARRIORS

HarperCollins

Rediscover the diversity of modern African literatures with this authoritative resource edited by a leader in the field How have African literatures unfolded in their rich diversity in our modern era of decolonization, nationalisms, and extensive transnational movement of peoples? How have African writers engaged urgent questions regarding race, nation, ethnicity, gender, and sexuality? And how do African literary genres interrelate with traditional oral forms or audio-visual and digital media? *A Companion to African Literatures* addresses these issues and many more. Consisting of essays by distinguished scholars and emerging leaders in the field, this book offers rigorous, deeply engaging discussions of African literatures on the continent and in diaspora. It covers the four main geographical regions (East and Central Africa, North Africa, Southern Africa, and West Africa), presenting ample material to learn from and think with. *A Companion To African Literatures* is divided into five parts. The first four cover different regions of the continent, while the fifth part considers conceptual issues and newer directions of inquiry. Chapters focus on literatures in European languages officially used in Africa -- English, French, and Portuguese -- as well as homegrown African languages: Afrikaans, Amharic, Arabic, Swahili, and Yoruba. With its lineup of lucid and authoritative analyses, readers will find in *A Companion to African Literatures* a distinctive, rewarding academic resource. Perfect for undergraduate and graduate students in literary studies programs with an African focus, *A Companion to African Literatures* will also earn a place in the libraries of teachers, researchers, and professors who wish to strengthen their background in the study of African literatures.
