MAXIMILLIAN LEVY

American Government Rowman & Littlefield
 The 2016 elections took place under intense political polarization and uncertain economic conditions, to widely unexpected results. How did Trump pull off his victory? Political Behavior of the American Electorate, Fourteenth Edition, attempts to answer this question by interpreting data from the most recent American National Election Study to provide a thorough analysis of the 2016 elections and the current American political behavior. Authors Elizabeth Theiss-Morse and Michael Wagner continue the tradition of Flanigan and Zingale to illustrate and document trends in American political behavior with the best longitudinal data available. The authors also put these trends in context by focusing on the major concepts and characteristics that shape Americans' responses to politics. In the completely revised Fourteenth Edition, you will explore get-out-the-vote efforts and the reasons people voted the way they did, as well as the nature and impact of partisanship, news media coverage, and other issues in 2016—all with an eye toward understanding the trends that led up to the historic decision.

An Introduction to American Government American Government Roots and Reform 2011

We The People captures our vivid world and changing nature of American politics. Its concise approach, exciting interactives and happening narrative, promotes the presentation of applicable and relatable examples challenging readers to think critically and construct meaning based on their experiences all the while develops their mindset. Students come to class prepared to lead inspiring conversations, opening a unique teaching experience to motivate.

WE THE PEOPLE

The New Press

The electrifying new Cotton Malone thriller by international bestseller Steve Berry. People say the Cold War is coming back. For some, it never went away. Shot down over Siberia in what was to be a simple meet-and-greet mission, ex-Justice Department agent Cotton Malone is forced into a fight for survival against Aleksandr Zorin, whose loyalty to the former Soviet Union has festered for decades into an intense hatred of the United States. Before escaping, Malone learns that Zorin is headed for North America to join another long-term sleeper embedded in the West. Armed with a Soviet weapon long thought to be just a myth, Zorin is aided by a shocking secret hidden in the archives of America's oldest fraternal organization, the Society of Cincinnati. Past presidents used this group's military offensive - including advice on the invasion of what was to be America's 14th Colony - Canada. Inauguration Day for a new President of the U.S.A. is only

hours away. Zorin's deadly plan is timed to bring about political chaos. In a race against the clock from Russia to the White House itself, Malone must not only battle Zorin, he must also confront his deepest fear, a crippling weakness that he's long denied but one that now jeopardizes everything. Steve Berry's trademark mix of fact, fiction, history and speculation is all here in this fast-paced and utterly compelling new thriller.

UNDERSTANDING PUBLIC POLICY

Woodhead Publishing

This authoritative edition of the complete texts of the Federalist Papers, the Articles of Confederation, the U.S. Constitution, and the Amendments to the U.S. Constitution features supporting essays in which leading scholars provide historical context and analysis. An introduction by Ian Shapiro offers an overview of the publication of the Federalist Papers and their importance. In three additional essays, John Dunn explores the composition of the Federalist Papers and the conflicting agendas of its authors; Eileen Hunt Botting explains how early advocates of women's rights, most prominently Mercy Otis Warren, Judith Sargent Murray, and Charles Brockden Brown, responded to the Federalist-Antifederalist debates; and Donald Horowitz discusses the Federalist Papers from the perspective of recent experiments with democracy and constitution-making around the world. These essays both illuminate the original texts and encourage active engagement with them.

Rich States, Poor States Pearson College Division

Tom Patterson's *We the People* is a concise approach to American

Government emphasizing critical thinking through relevant examples that appeal to today's students. This extremely readable program provides opportunities to engage with the political process through tools that help students learn how to think about politics, utilizing digital resources that connect students with the material in a highly personalized way.

Democracy Reborn Taylor & Francis

Covering the entire spectrum of women's healthcare, Berek & Novak's *Gynecology*, 16th Edition, provides definitive information and guidance for trainees and practicing physicians.
