## **DESHAWN COLLINS**

---

Sticky Dilly Buns BRILL

This text explores urban public life through the microcosm of the Chengdu teahouse. Like most public spaces, the teahouse was and still is an enduring symbol of Chinese popular culture, stemming back centuries and prevailing through political transformations, modernization, and globalization. The time

period covered begins basically with the establishment of the People's Republic in 1949-50, goes through the end of the Cultural Revolution and into the post-Mao reform era.

**The Teahouse of the August Moon** Columbia University Press

When a series of fires in Japan's capital points to foul-play, the famous samurai Judge Ooka puts 14-year-old Seikei on the case to discover who's behind them. Determined

to prove his worth, Seikei poses as a teahouse attendant to gather information, and winds up entering the mysterious worlds of geishas and revenge.

ñOn October 1, 2017, Las Vegas, Nevada suffered the worst mass shooting in modern American history, resulting in 58 deaths and over 500 injured. It broke my heart. Las Vegas is my home. I felt like something

needed to be done to help in a unique way. JH WILLIAMS III, Artist and Curating Editor This "unique way" was the genesis of the WHERE WE LIVE anthology—a riveting collection of both fictional stories and actual eye-witness accounts told by an all-star line-up of the top talent working in comics today. All the creators have graciously volunteered their time and talent to help bring some sense to this senseless act and, in the process, raise money for the survivors and their

families. The book will include a variety of perspectives with key themes exploring gun violence, common sense gun control, value of a compassionate society, mental health stigmatization, aftermath of tragedy and how individuals and communities persevere and an appreciation of Las Vegas as a vibrant community. 100% of the proceeds for the WHERE WE LIVE anthology will be donated to Route 91 Strong, a non-profit organization.

### **Supergirl: Woman of Tomorrow (2021-) #8**

McFarland

Lifestyle in China presents the largest country in the world not as a political and economic superpower but simply as a country, with a long, storied history and complex culture. More important than the China of today's international news is its people: what does the everyday life of a Chinese family look like? This book explores the leisure activities and rich food culture of the Chinese that has continued

throughout the ages since ancient China.

Understanding China's people and their lifestyle will ultimately help us understand China's dynamic place in today's world."

The Reckless Life and Remarkable Career of Marlon Brando Oni Press

The second year of the Sandman Universe begins with the long-awaited arrival of one of DC's most iconic characters...John Constantine, Hellblazer! He's cheated death and damnation more times

than he can count, but never like this. Long ago, in the crucible of a magical war waged across countless futures, Constantine was murdered by an all-powerful adversary: a twisted version of Timothy Hunter, bloated with evil. But over the past year strange forces have conspired to restart Tim Hunter's tale, and somehow-amid sorcery, insanity and secret agendas-this older, wiser, willier shade of Constantine has been dragged back with it.

Unlike young Tim, John remembers every second of a life that went very, very wrong. Now he must ask himself why he, the last person in the world to deserve a second chance, has been given one. Is John Constantine here to put Tim Hunter on the right track and avert a terrible outcome? Or is it because he's the only person in existence with the guts to do what REALLY must be done? After all, he's a nasty piece of work, chief...ask anybody. This oversized one-shot sets the stage,

and is the perfect jumping-on point, for a new era of Sandman Universe tales beginning in November...and is the official start of the strangest chapter yet in John Constantine's long life! SomebodyThe Reckless Life and Remarkable Career of Marlon Brando Krem's fate revealed! As Supergirl continues her battle against the Brigands, Ruthye squares off against this most vile villain in hopes of avenging her father and completing their mission. Will justice be served on

both accounts? Or will our heroes fail? You won't want to miss thrilling conclusion of the acclaimed miniseries that has changed Kara Zor-El for good!

### **A GUIDED ANTHOLOGY**

CUA Press  
Maiko Masquerade explores Japanese representations of the maiko, or apprentice geisha, in films, manga, and other popular media as an icon of exemplary girlhood. Jan Bardsley traces how the maiko, long stigmatized as a

victim of sexual exploitation, emerges in the 2000s as the chaste keeper of Kyoto's classical artistic traditions. Insider accounts by maiko and geisha, their leaders and fans, show pride in the training, challenges, and rewards maiko face. No longer viewed as a toy for men's amusement, she serves as catalyst for women's consumer fun. This change inspires stories of ordinary girls—and even one boy—striving to embody the maiko ideal, engaging in masquerades that

highlight questions of personal choice, gender performance, and national identity.

Channel View Publications  
This work probes the restaging, representation, and reimagining of historical violence and atrocity in contemporary Chinese fiction, film, and popular culture. It examines five historical moments including the Musha Incident (1930) and the February 28 Incident (1947).

University Press  
This collection of essays presents develops the historical dimension to tourism studies through thematic case studies. The editor's introduction argues for the importance of a closer relationship between history and tourism studies, and an international team of contributors explores the relationships between tourism, representations, environments and identities in settings ranging from the global to the local, from the Roman Empire to the twentieth

century, and from Frinton to the 'Far East'.

**The Mikado to Matilda**

Dark Horse Books

A play that depicts the experiences of American soldiers stationed in Okinawa, Japan after World War II.

**STUDIES IN THE COMIC SPIRIT IN MODERN JAPANESE FICTION**

Bloomsbury Publishing

This immensely likeable satire of the American civilizing mission in Okinawa was a phenomenon when it was published in 1951. The

many-layered novel retains its charm and power today; beneath the comical mayhem that engulfs the village Tobiki we see the pitfalls and possibilities of cultural exchange and nation-building.

### **BRITISH MUSICALS ON THE NEW YORK STAGE**

Vintage

The old tea house on Mulberry Street in Belfast hasn't changed much over the years. But it's about to bear witness to some significant transformations ... Daniel

Stanley might make the most glorious deserts in the whole of Ireland, but he won't support his wife Penny's desire to have at least one bun in the oven. And the owners of Muldoon's Tea Rooms are just two of the people inside hoping for change. Struggling artist Brenda sits penning letters to Nicholas Cage and dreaming of a better life. Sadie finds refuge from her diet and her husband's infidelity in Daniel's famous cherry cheesecake. Clare returns home from twenty years

in New York, still cherishing the memory of the one night she truly loved - and lost. And Penny herself discovers a secret from the past - and a sexy estate agent very much in her present. They all want their lives to change - but are they willing to face the consequences? And the possibility that you might not always be able to have your cake - and eat it.

A study of the lively street

culture in Chengdu from 1870 to 1930, this book explores the relationship between urban commoners and public space, the role of community and neighborhood in public life, and how the reform movement and Republican revolution transformed everyday life in this inland city.

*The Geisha in Western Culture* Penguin UK  
Interweaves Marlon Brando's tumultuous personal life with his remarkable acting career to document the actor's

troubled childhood, stage and film work, often contradictory attitude toward his craft, and the tragedies that marked his final years.

**The Demon in the Teahouse** Yale University Press

Izzy Tyburn has promised the world that if it won't have her in it, it'll have nothing of her at all. Chased by an unstoppable killer, she's retreading her life, leaving nothing behind but burned rubber, ash, and the sun-scorched bones of those who get in her way. Ride shotgun on

an existential road trip through the tangle of a blood-splattered life. Mad Max: Fury Road meets Neil Gaiman's Sandman in this full-throttle, grindhouse fantasy epic! Collects COFFIN BOUND #1-4 "If you like DAN WATTERS' work on Lucifer, this is even weirder..." —Neil Gaiman "Wholly original. Fresh concepts and characters pop up on almost every page, courtesy of [DAN] WATTERS' mind and DANI's art. This is a series to keep your eye on." —Entertainment Weekly

“It’s a gleeful of literary grindhouse comic that brings to mind Milligan’s Arthouse Pulp and notes of PRETTY DEADLY.”

—Kieron Gillen

“Something that feels a little bit like the early days of Vertigo Comics laced with the sensibilities of Hunter S. Thompson.

WATTERS’ script has a confident, poetic swagger while DANI unleashes page after page gorgeous art.” —Nerdist “A damned joy.” —Warren Ellis

Histories and Episode Guides to 57 Programs  
New York : Citadel Press

For the few hundred television viewers in 1946, a special treat on the broadcast schedule was the variety show called Hour Glass. It was the first TV program to go beyond talking heads, cooking demonstrations, and sporting events, featuring instead dancers, comics, singers, and long commercials for its sponsor, Chase and Sanborn coffee. Within two years, another variety show, Texaco Star Theatre, became the first true television hit and would be credited with

the sales of thousands of television sets. The variety show formula was a staple of television in its first 30 years, in part because it lent itself to a medium where everything had to be live and preferably inside a studio. Most of the early television stars—including Jackie Gleason, Milton Berle, Sid Caesar, Ed Sullivan, Red Skelton, Dinah Shore, and Arthur Godfrey—rose to prominence through weekly variety shows. In the 1960s, major stars such as Jerry Lewis, Dean

Martin, Judy Garland and Danny Kaye were hosting variety shows. By the 1970s, the format was giving way to sitcoms and dramas, but pop music stars Sonny and Cher, Tony Orlando and Dawn, and Donny and Marie Osmond hosted some of the last of the species. This book details 57 variety shows from the 1940s through the 1990s. A history of each show is first provided, followed by a brief look at each episode. Air date, guest stars, sketches performed, and a listing of

songs featured are included.
