MADALYNN CLARKE

Afternoon on a Hill Everyman's Library

Thirty years after the smashing success of *Zelda*, Nancy Milford returns with a stunning second act. *Savage Beauty* is the portrait of a passionate, fearless woman who obsessed American ever as she tormented herself. If F. Scott Fitzgerald was the hero of the Jazz Age, Edna St. Vincent Millay, as flamboyant in her love affairs as she was in her art, was its heroine. The first woman ever to win the Pulitzer Prize, Millay was dazzling in the performance of

herself. Her voice was likened to an instrument of seduction and her impact on crowds, and on men, was legendary. Yet beneath her studied act, all was not well. Milford calls her book "a family romance"—for the love between the three Millay sisters and their mother was so deep as to be dangerous. As a family, they were like real-life *Little Women*, with a touch of *Mommie Dearest*. Nancy Milford was given exclusive access to Millay's papers, and what she found was an extraordinary treasure. Boxes and boxes of letter flew back and forth among the three sisters and their mother—and Millay kept the most intimate diary, one whose ruthless honesty brings to mind Sylvia Plath. Written with passion and flair, *Savage Beauty* is an iconic portrait of a woman's life.

First Fig and Other Poems Harper Collins

More than sixty years after her death, the Pulitzer Prizewinning poet Edna St. Vincent Millay continues to captivate new generations of readers. The twentieth-century American author was catapulted to fame after the publication of *Renaissance*, her first major work and a poem written while she was still a teenager. Millay's frank attitude toward sexuality along with immortal lines such as "My candle burns at both ends" solidified her reputation as the quintessential liberated woman of the Jazz Age. In this authoritative volume, Timothy F. Jackson has compiled and annotated a new selection that represents the full range of her published work alongside previously unpublished

manuscript excerpts, poems, prose, and correspondence. The poems, appearing as they were printed in their first editions, are complemented by Jackson's extensive, illuminating notes, which draw on archival sources and help situate her work in its historical and literary context. Two introductory essays by Jackson and the other by Millay's literary executor, Holly Peppel also help critically frame the poet's work.

Renascence Yale University Press

Praised by poets and critics ranging from A. E. Housman and Thomas Hardy to Edmund Wilson, Edna St. Vincent Millay's bold, exquisite poems take their place among the enduring verse of the twentieth century. Claiming a lyric tradition stretching back to Sappho and Catullus and making it very much her own, Millay won over her contemporaries—and readers ever since—with her passion, erotic candor, formal elegance, and often mischievous wit. J. D. McClatchy's introduction and selections offer new and surprising insights into Millay's achievement. Included are her most beloved and justly admired poems, such as the wry bohemian anthem "Recuerdo" and the sonnet sequence *Fatal Interview*, the poetic record of a love affair that is presented in its entirety. McClatchy has also chosen works that extend our sense of Millay's range: translations, her play *Aria da Capo*, and excerpts from her libretto *The King's Henchman*. "I have for the most part been guided by my taste for Millay at her truest and truest," writes McClatchy. "There are precise and resonant images everywhere." About the American Poets Project Elegantly designed in compact editions, printed on acid-free paper, and textually authoritative, the American Poets Project makes available the full range of the American poetic accomplishment, selected and introduced by today's most discerning poets and critics.

The Loves and Love Poems of Edna St. Vincent Millay Filiquarian Publishing, LLC.

An indispensable collection of the groundbreaking poet's most

masterful and innovative work, celebrating a bold early voice of female liberation, independence, and queer sexuality—featuring a new introduction by poet Olivia Gatwood, author of *Life of the Party* Edna St. Vincent Millay defined a generation as one of the most critically acclaimed poets of the Modernist era. Her work pushed boundaries within the literary canon for its lyrical expression of female embodiment and progressive feminist politics, and she was honored as only the third woman to be awarded the Pulitzer Prize for Poetry. The *Selected Poetry of Edna St. Vincent Millay* demonstrates Millay's legacy and influence on contemporary poetry. Sometimes satirical, often sharp, and always striking, the poems in this collection span Millay's remarkable career, from the success of *Renascence and Other Poems* to the sting of *A Few Figs from Thistles*, and *Second April*, as well as "The Ballad of the Harp-Weaver" and eight sonnets from the early twenties. Millay's incandescent poetry continues to inspire today as broadly and deeply as during her lifetime. The *Modern Library Torchbearers* series features women who wrote on their own terms, with boldness, creativity, and a spirit of resistance. Poems Library of Alexandria

Edna St. Vincent Millay (1892-1950), winner in 1923 of the second annual Pulitzer Prize for Poetry, was a daring, versatile writer whose work includes plays, essays, short stories, songs, and the libretto to an opera that premiered at New York's Metropolitan Opera House to rave reviews. Millay infused new life into traditional poetic forms, bringing new hope to a generation of youth disillusioned by the political and social upheaval of the First World War. She ventured fearlessly beyond familiar poetic subjects to tackle political injustice, social discrimination, and women's sexuality in her poems and prose. In the 1920s and '30s, Millay was considered a spokesperson for personal freedom in America, particularly for women, and we turn to her lines to illuminate the social history of the period and the Bohemian lifestyle she and her friends enjoyed. Yet Millay's poetry is still decisively modern in its message, and it continues to resonate with readers facing personal and moral issues that defy the test of time: romantic love, loss, betrayal, compassion for one another, social equality, patriotism, and the stewardship of the natural world. *Collected Poems* features Millay's incisive and impassioned lyric poetry and sonnets, many of which are considered among the finest in the language, as well as the poet's last volume, *Mine the Harvest*, compiled and published in 1956 by her sister Norma Millay.

The Collected Poems of Edna St. Vincent Millay Read Books Ltd

Edna St. Vincent Millay (February 22, 1892 - October 19, 1950) was an American lyrical poet and playwright. Encouraged to read the classics at home, she was too rebellious to make a success of formal education, but she won poetry prizes from an early age, including the Pulitzer Prize in 1923, and went on to use verse as a medium for her feminist activism. She also wrote verse-dramas and a highly-praised opera *The King's Henchman*. Her novels appeared under the name Nancy Boyd, and she refused lucrative offers to publish them under her own name. Millay was a prominent social figure of New York City's Greenwich Village, just as it was becoming known as a bohemian writer's colony.
