**A Study Guide for
Allen Ginsberg's
"Howl"** Harper Collins

Written as a cultural
weapon and a call to
arms, Howl touched a
raw nerve in Cold War
America and has been
controversial from the
day it was first read

aloud nearly fifty years ago. This first full critical and historical study of Howl brilliantly elucidates the nexus of politics and literature in which it was written and gives striking new portraits of Allen Ginsberg, Jack Kerouac, and William Burroughs. Drawing from newly released psychiatric reports on Ginsberg, from interviews with his psychiatrist, Dr. Philip Hicks, and from the poet's journals, *American Scream* shows how Howl brought Ginsberg and the world out of the closet of a repressive society. It also gives the first full accounting of the literary figures—Eliot, Rimbaud, and Whitman—who influenced Howl, definitively placing it in

the tradition of twentieth-century American poetry for the first time. As he follows the genesis and the evolution of Howl, Jonah Raskin constructs a vivid picture of a poet and an era. He illuminates the development of Beat poetry in New York and San Francisco in the 1950s—focusing on historic occasions such as the first reading of Howl at Six Gallery in San Francisco in 1955 and the obscenity trial over the poem's publication. He looks closely at Ginsberg's life, including his relationships with his parents, friends, and mentors, while he was writing the poem and uses this material to illuminate the themes of madness, nakedness, and

secrecy that pervade Howl. A captivating look at the cultural climate of the Cold War and at a great American poet, *American Scream* finally tells the full story of Howl—a rousing manifesto for a generation and a classic of twentieth-century literature.

Howl on Trial City

Lights Books

Beat movement icon and visionary poet, Allen Ginsberg was one of the most influential poets of the twentieth century, and broke boundaries with his fearless, pyrotechnic verse. The apocalyptic 'Howl', originally written as a performance piece, became the subject of an obscenity trial when it was first published in 1956. It is considered to be one of the

defining works of the Beat Generation, standing alongside that of Burroughs, Kerouac, and Corso. In it, Ginsberg attacks what he saw as the destructive forces of materialism and conformity in the United States at the time, and takes on issues of sex, drugs and race,

simultaneously creating what would become the poetic anthem for US counterculture.

American Scream GRIN Verlag

A collection of Ginsberg's poems include meditations, songs, soliloquies, fantasies, elegies, and regional portraits of America

Mind Breaths: Poems 1972-1977 SIU Press

Visionary poet Allen Ginsberg was one of the most influential cultural and literary figures of the 20th century, his face and political causes familiar to millions who had never even read his poetry. And yet he is a figure that remains little understood, especially how a troubled young man became one of the intellectual and artistic giants of the postwar era. He never

published an autobiography or memoirs, believing that his body of work should suffice. The *Essential Ginsberg* attempts a more intimate and rounded portrait of this iconic poet by bringing together for the first time his most memorable poetry but also journals, music, photographs and letters, much of it never before published.

Howl Harper Collins
 “Dave Moore's work on this collection is simply awesome.... It should become and remain the definitive reference book for Beat scholars forever.” —Carolyn Cassady
 Neal Cassady is best remembered today as Jack Kerouac's muse and the basis for the character “Dean

Moriarty” in Kerouac’s classic *On The Road*, and as one of Ken Kesey’s merriest of Merry Pranksters, the driver of the psychedelic bus “Further,” immortalized in Tom Wolfe’s *The Electric Kool-Aid Acid Test*. This collection brings together more than two hundred letters to Kerouac, Allen Ginsberg, John Clellon Holmes, and other Beat generation luminaries, as well as correspondence between Neal and his wife, Carolyn. These amazing letters cover Cassady’s life between the ages of 18 and 41 and finish just months before his death in February 1968. Brilliantly edited by Dave Moore, this unique collection presents the “Soul of

the Beat Generation” in his own words—sometimes touching and tender, sometimes bawdy and hilarious. Here is the real Neal Cassady—raw and uncut.

Stygo GRIN Verlag
 To celebrate the 50th anniversary of *Howl and Other Poems*, with nearly one million copies in print, *City Lights* presents the story of editing, publishing and defending Allen Ginsberg’s landmark poem within a broader context of obscenity issues and censorship of literary works. This collection begins with an introduction by publisher Lawrence Ferlinghetti, who shares his memories of hearing *Howl* first read at the 6 Gallery, of his arrest and of the subsequent legal

defense of Howl's publication. Never-before-published correspondence of Ginsberg, Ferlinghetti, Kerouac, Gregory Corso, John Hollander, Richard Eberhart and others provides an in-depth commentary on the poem's ethical intent and its social significance to the author and his contemporaries. A section on the public reaction to the trial includes newspaper reportage, op-ed pieces by Ginsberg and Ferlinghetti and letters to the editor from the public, which provide fascinating background material on the cultural climate of the mid-1950s. A timeline of literary censorship in the United States places this battle for free expression in a historical context. Also

included are photographs, transcripts of relevant trial testimony, Judge Clayton Horn's decision and its ramifications and a long essay by Albert Bendich, the ACLU attorney who defended Howl on constitutional grounds. Editor Bill Morgan discusses more recent challenges to Howl in the late 1980s and how the fight against censorship continues today in new guises.

The People v.

Ferlinghetti GRIN Verlag

"Howl" is a poem written by Allen Ginsberg in 1955, published as part of his 1956 collection of poetry titled "Howl and Other Poems."

Ginsberg began work on "Howl" as early as 1954. "Howl" is considered to be one of

the great works of American literature. It came to be associated with the group of writers known as the Beat Generation, which included Jack Kerouac and William S. Burroughs. There is no foundation to the myth that "Howl" was written as a performance piece and later published by poet Lawrence Ferlinghetti of City Lights Books. This myth was perpetuated by Ferlinghetti as part of the defense's case during the poem's obscenity trial, as detailed below. Upon the poem's release, Ferlinghetti and the bookstore's manager, Shigeyoshi Murao, were charged with disseminating obscene literature, and both were arrested. On October 3, 1957, Judge Clayton W. Horn ruled

that the poem was not obscene. Poems include: Howl -- Footnote To Howl -- A Supermarket in California -- Transcription of Organ Music -- Sunflower Sutra -- America -- In the Baggage Room at Greyhound; Earlier Poems: An Asphodel -- Song -- Wild Orphan -- In Back of the Real. *White Shroud* Rowman & Littlefield 2014 Reprint of 1956 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. From "Song of Myself" to "Howl". Walt Whitman as pioneer to the Beat Generation MacAdam/Cage Publishing Featuring the legendary and groundbreaking poem "Howl," this remarkable volume showcases a selection of Allen Ginsberg's poems, songs, essays, letters, journals, and interviews and contains sixteen pages of his personal

photographs. One of the Beat Generation's most renowned poets and writers, Allen Ginsberg became internationally famous not only for his published works but for his actions as a human rights activist who championed the sexual revolution, human rights, gay liberation, Buddhism and eastern religion, and the confrontation of societal norms—all before it became fashionable to do so. He was also the dynamic leader of war protesters, artists, Flower Power hippies, musicians, punks, and political radicals. The *Essential Ginsberg* collects a mosaic of materials that displays the full range of Ginsberg's mental landscape. His most important poems,

songs, essays, letters, journals, and interviews are displayed in chronological order. His poetic masterpieces, "Howl" and "Kaddish," are presented here along with lesser-known and difficult to find songs and prose. Personal correspondence with William Burroughs and Jack Kerouac is included as well as photographs—shot and captioned by Ginsberg himself—of his friends and fellow rogues William Burroughs, Neal Cassady, and more. Through his essays, journals, interviews, and letters, this definitive volume will inspire readers to delve deeper into a body of work that remains one of the most impressive literary canons in

American history.

The People v.

Ferlinghetti is the story of a rebellious poet, a revolutionary poem, an intrepid book publisher, and a bookseller

unintimidated by federal or local officials. There is much color in that story: the bizarre twists of the trial, the swagger of the lead lawyer, the savvy of the young ACLU lawyer, and the surprise verdict of the Sunday school teachers who presided as judge. With a novelist's flair, noted free speech authorities, Ronald K. L. Collins and David Skover tell the true

story of an American maverick who refused to play it safe and who in the process gave staying power to freedom of the press in America. The People v. Ferlinghetti will be of interest to anyone interested in the history of free speech in America and the history of the Beat poets.

A Study Guide for Allen Ginsberg's "Howl"

Penguin Classics

A tribute to Ginsberg's signature work, which stirred a generation of angel-headed hipsters to cultural rebellion. In 1956, City Lights, a small San Francisco bookstore, published Allen Ginsberg's *Howl and Other Poems* with its trademark black-and-white cover. The original edition cost seventy-five cents, but there was something

priceless about its eponymous piece. Although it gave a voice to the new generation that came of age in the conservative years following World War II, the poem also conferred a strange, subversive power that continues to exert its influence to this day. Ginsberg went on to become one of the most eminent and celebrated writers of the second half of the twentieth century, and "Howl" became the critical axis of the worldwide literary, cultural, and political movement that would be known as the Beat generation. The year 2006 marks the fiftieth anniversary of the publication of "Howl," and *The Poem That Changed America* will celebrate and shed

new light on this profound cultural work. With new essays by many of today's most distinguished writers, including Frank Bidart, Andrei Codrescu, Vivian Gornick, Phillip Lopate, Daphne Merkin, Rick Moody, Robert Pinsky, and Luc Sante, *The Poem That Changed America* reveals the pioneering influence of "Howl" down through the decades and its powerful resonance today.

The Poem That Changed America

Penguin Modern Classics

In 1977, twenty years after the publication of his landmark poem 'Howl' and Jack Kerouac's *On the Road*, Allen Ginsberg decided it was time to teach a course on the literary history of the Beat

Generation. In *The Best Minds of My Generation* - a compilation of lectures from the course, expertly edited by renowned Beats scholar, Bill Morgan - Ginsberg gives us the convoluted origin story of the 'Beat' idea. Amongst anecdotes of meeting Kerouac, Burroughs and other figures for the first time, Ginsberg elucidates the importance of music, and particularly jazz rhythms, to Beat writing, discusses their many influences - literary, pharmaceutical and spiritual - and paints a portrait of a group who were leading a literary revolution. A unique document that works both as historical record and unconventional memoir, *The Best*

Minds of My Generation is a vivid, personal and eye-opening look at one of the most important literary movements of the twentieth century.

Allen Ginsberg's "Howl" - Poetry Or Prophecy? City Lights Books

Poems by a modern master. "[Ginsberg's] powerful mixture of Blake, Whitman, Pound, and Williams, to which he added his own volatile, grotesque, and tender humor, has assured him a memorable place in modern poetry."--

Helen Vendler

[Wait Till I'm Dead](#)

Penguin UK

The epigraph for *Howl* is from Walt Whitman: "Unscrew the locks from the doors!/Unscrew the doors themselves from their jambs!"

Announcing his intentions with this ringing motto, Allen Ginsberg published a volume of poetry which broke so many social... *Howl, and Other Poems* City Lights Books Rainy night on Union Square, full moon. Want more poems? Wait till I'm dead.—Allen Ginsberg, August 8, 1990, 3:30 A.M. The first new Ginsberg collection in over fifteen years, *Wait Till I'm Dead* is a landmark publication, edited by renowned Ginsberg scholar Bill Morgan and introduced by award-winning poet and Ginsberg enthusiast Rachel Zucker. Ginsberg wrote incessantly for more than fifty years, often composing poetry on demand, and many of the poems collected in this volume were

scribbled in letters or sent off to obscure publications and unjustly forgotten. *Wait Till I'm Dead*, which spans the whole of Ginsberg's long writing career, from the 1940s to the 1990s, is a testament to Ginsberg's astonishing writing and singular aesthetics. Following the chronology of his life, *Wait Till I'm Dead* reproduces the poems together with extensive notes. Containing 104 previously uncollected poems and accompanied by original photographs, *Wait Till I'm Dead* is the final major contribution to Ginsberg's sprawling oeuvre, a must-read for Ginsberg neophytes and longtime fans alike.

Analysis of the poem

"Howl" by Allen Ginsberg Penguin UK
 In *The God of San Francisco*, James J. Siegel examines queer grief during the onset of the AIDS crisis through a lavender-and-leather pantheon: St. Christopher, Allah, and the God of San Francisco transubstantiate a sarcoma's cicatrix into sequins, a viral dowry into a benevolent plume of dazzling feathers. From Laramie, Wyoming, to Toledo, Ohio, Siegel performs a magisterial frilling of historical attention, always emerging as "an extraordinary conflagration. A beautiful immolation." At once an elegiac columbarium and search-and-rescue map for future bliss, *The God of San Francisco*

trills from the Castro Funeral Home to North Beach and back, surmising death as something honeyed and lissome, "eulogies eulogized." Desire masquerades as "a raven gliding / on the backdrop of midnight" and "Jesus in fishnets, / crossdressing his way through Nazareth," and desire cedes each poem's boy, spectral or otherwise, a warm hand, green grass, "the sun's rays on our skin."
To Eberhart from Ginsberg Farrar, Straus and Giroux
 Based on letters and journals, plus interviews with Snyder and Whalen and several others, this book creates a group portrait of writers in the wilderness that transcends the tired urban clichés of the Beat life.
