MCKAYLA JORDYN

Billboard Rock Bottom

Sarah must miss her ballet solo to go to her cousin's wedding. Her disappointment leads to delight when Sarah gets caught up in the hypnotic music and dance of her family's Jewish tradition.

Good Neighbors Anchor

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

ENCYCLOPEDIA OF MURDER AND VIOLENT CRIME

Harvest House Publishers

A dark fantasy Tor.com Original short story from award-winning author Sarah Pinsker, "Two Truths and a Lie" Stella thought she'd made up a lie on the spot, asking her childhood friend if he remembered the strange public broadcast TV show with the unsettling host she and all the neighborhood kids appeared on years ago. But he does remember. And so does her mom. So why doesn't Stella? The more she investigates the show and the grip it has on her hometown, the eerier the mystery grows. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Billboard Borderline Productions

The darkly funny memoir of Sarah Ramey's years-long battle with a mysterious illness that doctors thought was all in her head—but wasn't. In her harrowing, darkly funny, and unforgettable memoir, Sarah Ramey recounts the decade-long saga of how a seemingly minor illness in her senior year of college turned into a prolonged and elusive condition that destroyed her health but that doctors couldn't diagnose or treat. Worse, as they failed to cure her, they hinted that her devastating symptoms were psychological. *The Lady's Handbook for Her Mysterious Illness* is a memoir with a mission: to help the millions of (mostly) women who suffer from unnamed or misunderstood conditions—autoimmune illnesses, fibromyalgia and chronic fatigue syndrome, chronic Lyme disease, chronic pain, and many more. Ramey's pursuit of a diagnosis and cure for her own mysterious illness becomes a page-turning medical mystery that reveals a new understanding of today's chronic illnesses as ecological in nature, driven by modern changes to the basic foundations of health, from the quality of our sleep, diet, and social connections to the state of our microbiomes. Her book will open eyes, change lives, and, ultimately, change medicine. *The Lady's Handbook for Her Mysterious Illness* is a revelation and an inspiration for millions of women whose legitimate health complaints are ignored.

Two Truths and a Lie Macmillan

Against her better judgment, professional geologist Emily Hansen--broke and unemployed--accepts a less-

than-ideal job when a U.S. senator sends her to Santa Rosa, California, to investigate his daughter Janet's death. What at first seems like a straightforward case gets more confusing and more dangerous as Em deals with employees at Janet's old job, her close-mouthed friends, and the increasingly hard-to-get-hold-of senator. Martin's Press.

Life Is Beautiful Penguin

Discover UK Shoegaze and Dream Pop is an excellent comprehensive guide to the development of both genres in the UK. It includes detailed discographies, personnel details, biographies, analysis of their music and, where applicable, rarity ratings for all the 80s and 90s acts featured. You'll recognise some names but several less well known acts are included too. There's also a detailed postscript section on the re-emergence of Shoegaze and Dream Pop in the UK in the 21st century and the bands involved in it. This book is the latest in a quartet of books Vernon has written about UK music commencing with the Two Volume Tapestry of Delights (2014), A Sharp Shock To The System (2019) and The Britpop Bible (2022). These three previous titles appeared in print but in view of the cost of living crisis Discover UK Shoegaze and Dream Pop has been published digitally to reduce the retail price and make it affordable for more of you. You will discover a lot about UK Shoegaze and Dream Pop from this book, which is profusely illustrated throughout. There is nothing similar out there!

We Are Satellites Hexatorial

"A modern-day Crucible....Beneath the surface of a suburban utopia, madness lurks." —Liv Constantine, bestselling author of *The Last Mrs. Parrish* "Sarah Langan is a phenomenal talent with a

wicked sense of wry humor. Good Neighbors knocked me out. Like Shirley Jackson, Langan's work blends a bleak streak with an underlying sense of the humane that wrung my heart." —Victor LaValle, author of *The Changeling* Celeste Ng's enthralling dissection of suburbia meets Shirley Jackson's creeping dread in this propulsive literary noir, when a sudden tragedy exposes the depths of deception and damage in a Long Island suburb—pitting neighbor against neighbor and putting one family in terrible danger. Welcome to Maple Street, a picture-perfect slice of suburban Long Island, its residents bound by their children, their work, and their illusion of safety in a rapidly changing world. Arlo Wilde, a gruff has-been rock star who's got nothing to show for his fame but track marks, is always two steps behind the other dads. His wife, beautiful ex-pageant queen Gertie, feels socially ostracized and adrift. Spunky preteen Julie curses like a sailor and her kid brother Larry is called "Robot Boy" by the kids on the block. Their next-door neighbor and Maple Street's Queen Bee, Rhea Schroeder—a lonely community college professor repressing her own dark past—welcomes Gertie and family into the fold. Then, during one spritzer-fueled summer evening, the new best friends share too much, too soon. As tensions mount, a sinkhole opens in a nearby park, and Rhea's daughter Shelly falls inside. The search for Shelly brings a shocking accusation against the Wildes that spins out of control. Suddenly, it is one mom's word against the other's in a court of public opinion that can end only in blood. A riveting and ruthless portrayal of American suburbia, *Good Neighbors* excavates the perils and betrayals of motherhood and friendships and the

dangerous clash between social hierarchy, childhood trauma, and fear.

Tracks St. Martin's Griffin

"Taut and elegant, carefully introspected and thoughtfully explored."—The New York Times From Hugo award-winning author Sarah Pinsker comes a novel about one family and the technology that divides them. Everybody's getting one. Val and Julie just want what's best for their kids, David and Sophie. So when teenage son David comes home one day asking for a Pilot, a new brain implant to help with school, they reluctantly agree. This is the future, after all. Soon, Julie feels mounting pressure at work to get a Pilot to keep pace with her colleagues, leaving Val and Sophie part of the shrinking minority of people without the device. Before long, the implications are clear, for the family and society: get a Pilot or get left behind. With government subsidies and no downside, why would anyone refuse? And how do you stop a technology once it's everywhere? Those are the questions Sophie and her anti-Pilot movement rise up to answer, even if it puts them up against the Pilot's powerful manufacturer and pits Sophie against the people she loves most.

MY LAST ROCK BOTTOM

Routledge

Includes a statistical issue (title varies slightly) 1947-

Mother Nature Hal Leonard Publishing Corporation

National Bestseller A reissue of the national bestselling novel by JT LeRoy/Laura Albert—published to coincide with the new Jeff Feuerzeig documentary: Author: The JT LeRoy Story, which will have a theatrical release in July 2016. "A deft and imaginative...novel."—New York Times Book Review Sarah never admits that

she's his mother, but the beautiful boy has watched her survive as a "lot lizard": a prostitute working the West Virginia truck stops. Desperate to win her love, he decides to surpass her as the best and most famous lot lizard ever. With his own leather mini-skirt and a makeup bag that closes with Velcro, the young "Cherry Vanilla" embarks on a journey through the Appalachian wilds, dining on transcendental cuisine, supplicating to the mystical Jackalope, encountering the most terrifying of pimps, walking on water, being venerated as an innocent girl saint—and then being denounced as the devil. By turns exhilarating and shocking, magical and realistic, Sarah brings urgency, wit, and imagination to an unknown and unforgettable world.

All Our Pretty Songs Minotaur Books

When Harvard Law student, Dylan Ackhart, moves to Boston with her best friend- the last thing she expects to find is Jeremy Mason. Jeremy is sexy, smart, and passionate- and currently the most famous rock star in the world. From the first moment Dylan meets Jeremy, she's attracted to him. But she soon finds the fame and press can wear on you. Plus, Jeremy seems to be hiding things from her- including his relationship with the mysterious blue-haired girl. Tracks takes you on a ride through the not so glamorous side of dating a rock star- sex, drugs, rock and roll.

THE LADY'S HANDBOOK FOR HER MYSTERIOUS ILLNESS

Simon and Schuster

Rock BottomMinotaur Books

The Off Limits Rule Penguin

Life is Beautiful: How a Lost Girl Became a True, Confident Child of God takes you on a full journey of trauma, loss, and finally resilience. While on a mission's trip in Guatemala, a small Cessna

Caravan's engine blows while carrying fourteen passengers. Unfortunately, the Cessna crashes in a remote village, leaving eleven of the fourteen passengers dead. One passenger, Sarah, shares her story in *Life is Beautiful*, about the deaths of her father and brother; her mother's extreme physical and emotional injuries, and Sarah's self-discovery to accept this new life. *Life is Beautiful*, however, is more than a story about an airplane crash. *Life is Beautiful* shares the personal struggles of Sarah's father's drug use, his recovery, and redemption to be a better person. He gives back by doing missions work in Africa, takes in Sarah's aunt dying of uterine cancer, and eventually leads their family to the mountains of Guatemala. Sarah also discusses her struggles with alcohol use and depression; where she eventually hits rock bottom. It is not until she starts seeking God through prayer, books, and therapy, where she starts to turn her life around. *Life is Beautiful* is not only a unique story, but it shows the strength of God's Will. When all hope is lost, she never gives up on God. This story is a true testimony of God's love for His people, and when one seeks a spiritual journey and connection with God; He gives back in love, forgiveness, and happiness.

DISCOVER UK SHOEGAZE AND DREAM POP

Simon and Schuster
I had found my rock bottom, and instead of pulling me out, the God of the universe met me there in the rubble. What is your response when your life turns upside down? When you lose your job? When you receive a difficult diagnosis? Do you blame God or beg Him for a way out of your suffering? In more

than a decade of misdiagnoses and debilitating treatments, Stephanie Tait admits she did plenty of both before hearing the two words that had drastically altered her life: Lyme disease. Yet she has discovered it's in her pain that Jesus is most present. Through personal stories and biblical examples, you will learn that suffering connects you to God as He meets you in your moment of pain strengthens your community when you allow others to comfort you in your sorrow gives you greater appreciation for life's goodness as you gain an eternal perspective Even if the healing never comes, there is something sacred in the suffering. It's from holy rubble that God makes all things new.

Some Call It Love SAGE

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Billboard Music Week Tor Books

This is a story about love, but not the kind of love you think. You'll see... In the lush and magical Pacific Northwest live two best friends who grew up like sisters: charismatic, mercurial, and beautiful Aurora, and the devoted, watchful narrator. Each of them is incomplete without the other. But their unbreakable bond is challenged when a mysterious and gifted musician named Jack comes between them. His music is like nothing I have ever heard. It is like the ocean surging, the wind that blows across the open water, the far call of gulls. Suddenly, each girl must decide what matters most: friendship, or love. What both girls don't know is that the

stakes are even higher than either of them could have imagined. They're not the only ones who have noticed Jack's gift; his music has awakened an ancient evil—and a world both above and below which may not be mythical at all. We have paved over the ancient world but that does not mean we have erased it. The real and the mystical; the romantic and the heartbreaking all begin to swirl together in *All Our Pretty Songs*, Sarah McCarry's brilliant debut, carrying the two on journey that is both enthralling and terrifying. And it's up to the narrator to protect the people she loves—if she can.

Merchant Vessels of the United States ... (including Yachts) Atria Books

First Published in 2005. Routledge is an imprint of Taylor & Francis, an informa company.

Road & Track Penguin

I have found rock bottom. It's here, moving in with my older brother because I'm too broke to afford to live on my own. It's okay though, because we've always been close and I think I'm going to have fun living with him again. That is until I meet Cooper... Turns out, my brother has very strong opinions on the idea of me dating his best friend and is dead set against it. According to him, Cooper is everything I should stay away from: flirtatious, adventurous, non-committal, and freaking hot. (I added that last part because I feel like you need the whole picture.) My brother is right- I should stay away from Cooper James and his pretty blue eyes. He's the opposite of what I need right now. Nah- who am I kidding? I'm going for it. *The Off Limits Rule* is a closed door romance, perfect for readers who love lots of sizzle

but no explicit content.

Sarah's Solo HarperCollins

Sara liked to drink. Sara was a writer, and drinking seemed to be an element of the identity. As a writer, she searched for the story that would define who she was, and her drinking was a part of her. She drank socially at first, with friends or family, at parties, or festivals. She drank at home sometimes, a glass of wine or two. It was when the two glasses of wine turned into two bottles of wine, when her blacked-out drunken behavior began destroying her marriage, when she began combining her drinking with pills - prescribed or otherwise - this is when Sara began to realize she had a problem. It wasn't until she hit her last rock bottom that she understood her story. If she were to continue drinking, her marriage would be over. She knew she had to quit. So she did. Sara quickly learned that sobriety wasn't easy. She had never realized before what a focal point alcohol had been in her life. This new world she was in felt strange and unnatural. Sometimes the daily battle felt impossible. But inside the struggle she found words. One day, she threw on her husband's oversized Nike sweatshirt, drove her daughter to school, and came home to write. The words just poured out of her. Now she had a story. Despite the struggles she faced and still faces, Sara has remained sober. This is her story.
