When Qui-Gon Jinn discovered Anakin Skywalker on the remote desert planet of Tatooine, he was certain the boy was the Chosen One who would bring balance to the Force. Knowing the war with the Sith couldn't be won without him, he brought Anakin back to Coruscant to train as a Jedi, never suspecting that Anakin would one day bring about the end of everything he and the Jedi fought to protect.Fifteen years later, Anakin fell to the Dark Side, destroyed the Jedi Order and the Republic, and brought the galaxy under the control of the Dark Lord of the Sith. Anakin lost everything he once held dear in the process, including his wife Padme, and was almost killed after a duel with his former master, Obi-Wan Kenobi. Though he survived, the man who now called himself Darth Vader led an empty existence, forever confined to the life-support suit that sustained what was left of the man he once was.The remainder of Vader's life became a living hell of pain from his injuries, servitude to the master he was powerless to resist, and hatred for the former friends whom, in his mind, had betrayed him. This book looks at how that little slave boy wound up nearly burning to death on the banks of a lava river on Mustafar, the drastic (and in many cases, demeaning) changes he had to make to adjust to his new reality, and how he used his hate and anger to fuel his power, making him perhaps the strongest Sith who ever lived.

NEW DAWN

Disney Lucasfilm Press

In his quest for total domination, Darth Sidious compiled six legendary dark side texts detailing Sith history and philosophy by Sorzus Syn, Darth Malgus, Darth Bane, Mother Talzin, Darth Plagueis, and himself. Together these documents form the Book of Sith. Over the centuries, the texts were passed among Force users who left handwritten notes and annotations in the margins, including Darth Vader, Yoda, Mace Windu, and Luke Skywalker, among others. Collected by acclaimed Star Wars writer Daniel Wallace and embellished by numerous esteemed Star Wars illustrators, this volume introduces new characters and history, and delves deeper into understanding the philosophies and methods behind the dark side of the Force.

Luke Skywalker and Lando Calrissian return in this essential novel set between Return of the Jedi and The Force Awakens. The Empire is dead. Nearly two decades on from the Battle of Endor, the tattered remnants of Palpatine's forces have fled to the farthest reaches of the galaxy. But for the heroes of the New Republic, danger and loss are ever-present companions, even in this newly forged era of peace. Jedi Master Luke Skywalker is haunted by visions of the dark side, foretelling an ominous secret growing somewhere in the depths of space, on a dead world called Exegol. The disturbance in the Force is undeniable...and Luke's worst fears are confirmed when his old friend, Lando Calrissian, comes to him with reports of a new Sith menace. After his daughter was stolen from his arms, Lando searched the stars for any trace of his lost child. But every new rumor only led to dead ends and fading hopes-until he crossed paths with Ochi of Bestoon, a Sith assassin tasked with kidnapping a young girl. Ochi's true motives remain shrouded to Luke and Lando. For on a junkyard moon, a mysterious envoy of the Sith Eternal has bequeathed a sacred blade to the assassin, promising that it will give him answers to the questions that have haunted him since the Empire fell. In exchange, he must complete a final mission: return to Exegol with the key to the Sith's glorious rebirth-the granddaughter of Darth Sidious himself, Rey. As Ochi hunts Rey and her parents to the edge of the galaxy, Luke and Lando race into the mystery of the Sith's lingering shadow and aid a young family running for their lives.

Millennium Falcon: Star Wars Legends Insight Kids

THE SUNDAY TIMES BESTSELLER Grand Admiral Thrawn and Darth Vader team up against a threat to the Empire in this thrilling novel from bestselling author Timothy Zahn. “I have sensed a disturbance in the Force.” Ominous words under any circumstances, but all the more so when uttered by Emperor Palpatine. On Batuu, at the edges of the Unknown Regions, a threat to the Empire is taking root—its existence little more than a glimmer, its consequences as yet unknowable. But it is troubling enough to the Imperial leader to warrant investigation by his most powerful agents: ruthless enforcer Lord Darth Vader and brilliant strategist Grand Admiral Thrawn. Fierce rivals for the emperor’s favor, and outspoken adversaries on Imperial affairs—including the Death Star project—the formidable pair seem unlikely partners for such a crucial mission. But the Emperor knows it’s not the first time Vader and Thrawn have joined forces. And there’s more behind his royal command than either man suspects. In what seems like a lifetime ago, General Anakin Skywalker of the Galactic Republic, and Commander Mitth’raw’nuruodo, officer of the Chiss Ascendancy, crossed paths for the first time. One on a desperate personal quest, the other with motives unknown . . . and undisclosed. But facing a gauntlet of dangers on a far-flung world, they forged an uneasy alliance—neither remotely aware of what their futures held in store. Now, thrust together once more, they find themselves bound again for the planet where they once fought side by side. There they will be doubly challenged—by a test of their allegiance to the Empire . . . and an enemy that threatens even their combined might.

Darth Plagueis Del Rey

Two years have passed since Jacen Solo, seduced by the dark side and reanointed as the brutal Sith Lord Darth Caedus, died at the hands of his twin sister, Jaina, Sword of the Jedi. For a grieving Han and Leia, the shadow of their son’s tragic downfall still looms large. But Jacen’s own bright and loving daughter, Allana, offers a ray of hope for the future as she thrives in her grandparents’ care. And when the eager, inquisitive girl, in whom the Force grows ever stronger, makes a curious discovery aboard her grandfather’s beloved spacecraft—the much-overhauled but ever-dependable Millennium Falcon—the Solo family finds itself at a new turning point, about to set out on an odyssey into uncertain territory, untold adventure, and unexpected rewards. To Han, who knows every bolt, weld, and sensor of the Falcon as if they were parts of himself, the strange device Allana shows him is utterly alien. But its confounding presence—and Allana’s infectious desire to unravel its mystery—are impossible to dismiss. The only answer lies in backtracking into the past on a fact-finding expedition to retrace the people, places, and events in the checkered history of the vessel that’s done everything from making the Kessel Run “in less than twelve parsecs” to helping topple an evil empire. From the moment the Falcon broke loose from a Corellian assembly line like an untamed creature with a will of its own, it seemed destined to seek out trouble. It wasn’t long before the feisty YT-1300 freighter went from shuttling cargo to smuggling contraband. But it’s a fateful rendezvous on Coruscant, at the explosive height of the Republic/Separatist uprising, that launches a galaxywide cat-and-mouse game whose newest players are Han, Leia, Allana, and C-3PO. And they’ re not alone: Crime lords, galactic pirates, rogue politicians, and fortune hunters alike loom at every turn of the quest—each with his or her own desperate stake in the Millennium Falcon’s most momentous mission. Through the years and across the stars, from the Rim worlds to unknown points beyond, the race will lead them all to a final standoff for a prize some will risk everything to find-and pay any cost to possess. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!
