Dark Angel

HarperCollins
Eden is full of temptation . . .
"50 is the new 30," so says Ben Wilde's record producer on the eve of his comeback. If only Ben could win back ex-girlfriend, Kate, he'd be a happy man. But married Kate has moved on, and moved

out—to Eden Hill, a quiet housing estate in the suburbs. Lonely and homesick for London, can Kate resist ego-maniac Ben's advances and save her own flagging marriage? Streets away, Kate's new friend Lisa, a Chihuahua toting ex-WAG, is primed for a fresh start—until her footballer

ex-husband is found dead and she is vilified in the press. But Kate, Lisa, and Ben aren't the only ones having a midlife crisis; local shop owner Martin dreams of escaping his dutiful marriage, and develops an unhealthy obsession with Lisa and her friends in Eden Hill. Alongside a colourful cast of friends and

family, Kate, Lisa, Ben, and Martin are living proof that older does not always mean wiser because in Eden Hill, there's temptation around every corner.

THE IMMORTAL RULES

Nicole Williams Don't miss the Blood of Eden trilogy by the New York Times bestselling author of The Iron Fey and The Talon Saga! This darkly thrilling series, set in a destroyed,

near-future world, will captivate fans of the Divergent, Hunger Games and Maze Runner series.

VENGEANCE WILL BE HERS Allison

Sekemoto once struggled with the question: human or monster? With the death of her love, Zeke, she has her answer.

MONSTER Allie will embrace her cold vampire side to hunt down and end Sarren, the psychopathic vampire who murdered

Zeke. But the trail is bloody and long, and Sarren has left many surprises for Allie and her companions—her creator, Kanin, and her blood brother, Jackal. The trail is leading straight to the one place they must protect at any cost—the last vampire-free zone on Earth, Eden. And Sarren has one final, brutal shock in store for Allie. In a ruined world where no life is sacred and former allies can turn on you in one

heartbeat, Allie will face her darkest days. And if she succeeds, triumph is short-lived in the face of surviving forever alone. Originally published in April 2014.

The Complete Series Eden Book #1

"You want me to tell of how I broke the world." It's the year 641 since the beginning of the world, and when Eve passes away, she leaves Adam the only man on earth who remembers everything from the beginning of the world. When Enoch, God's newly appointed prophet,

decides to collect the stories of the faithful from previous generations, he finds Adam in desperate need to confess the dark secrets he's held onto for too long. Beside a slowly burning bonfire in the dead of night, Adam tells his story in searing detail. From the beginning of everything, to how he broke the world, shattered Eve's heart, and watched his family crumble. Will Enoch uncover what led so

many of
Adam's
children away
from God?
And will Adam
find the
redemption
and
forgiveness he
longs for?

BLOOD AND MOONLIGHT

Jerico Press
The electrifying conclusion to the Dividing Eden series by the New York Times bestselling author of the Testing trilogy, Joelle Charbonneau. The Trials of Virtuous Succession have ended. Prince Andreus is king—and Princess Carys is dead. But even as he's haunted by what he did to win the

throne, Andreus discovers that his dream of ruling only brings new problems. The people love his twin even more in death than they did when she was alive. The Elders treat him as a figurehead. And worst of all, the winds of Eden are faltering. But despite what everyone believes, Carys is alive. Exiled to the wilderness, Carys struggles to control the powers that have broken free inside

her. And as she grows stronger, so does her conviction that she must return to the Palace of Winds, face her twin and root out the treachery that began long before the first Trials started. The Kingdom of Eden is growing darker with each passing day. Brother and sister, former foes, must decide whether some betrayals cut too deep to be forgiven—and whether one will wear the crown or both

will lose everything. *The Watchers of Eden (The Watchers of Eden Trilogy, Book 1)* Center Point Sixty-five million years ago, a disastrous cataclysm eliminated three quarters of all life on Earth. Overnight, the age of dinosaurs ended. The age of mammals had begun. But what if history had happened differently? What if the reptiles had survived to evolve intelligent life?

In *West of Eden*, bestselling author Harry Harrison has created a rich, dramatic saga of a world where the descendants of the dinosaurs struggled with a clan of humans in a battle for survival. Here is the story of Kerrick, a young hunter who grows to manhood among the dinosaurs, escaping at last to rejoin his own kind. His knowledge of their strange customs makes him

the humans' leader...and the dinosaurs' greatest enemy. Rivalling Frank Herbert's *Dune* in the majesty of its scope and conception, *West of Eden* is a monumental epic of love and savagery, bravery and hope. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **Dividing Eden** Penguin “[Jack London was] a great gobbler-up of the world,

physically and intellectually, the kind of writer who went to a place and wrote his dreams into it, the kind of writer who found an Idea and spun his psyche around it.”—E.L. Doctorow
Martin Eden (1909) is a novel by American writer Jack London. The book follows the tradition of the *Künstlerroman*, a narrative that traces the life and development of an artist, to tell the story of a young

man not unlike London himself. Part fiction, part autobiography, Martin Eden examines the consequences of dreams and achievements, successes and failures, for a young artist struggling with fame. The novel is heavily influenced by London’s socialist values, and dissects the interwoven nature of class and the arts while critiquing the individualist mentality promoted by such figures as Nietzsche.

The young Martin Eden lives in Oakland where he struggles to rise above the circumstances of his birth. Despite his impoverished background, he has hopes of becoming a successful writer, and has spent years educating himself toward that goal. A dreamer, Eden is also driven to marry Ruth Morse, a woman he loves despite their vastly different lives—he is a sailor, she

comes from a bourgeois family. It soon becomes clear that his intentions to write and to marry are entirely intertwined. When he finds success, however, breaking through with publishers and with the elite literati of Oakland, he finds that Ruth's love is far from guaranteed, and that dreams rarely come to fruition. Martin Eden is a story of the American ideal, of class and identity,

and of one man determined to make it, whatever the cost. With a beautifully designed cover and professionally typeset manuscript, this edition of Jack London's *Martin Eden* is a classic of American literature reimagined for modern readers. *Eden Rising* Bethany House A military Sci-Fi political thriller set a short decade from now. In 2031, holding to the concept of Individual

Liberty can get you killed. Western Civilization is in collapse, a process led and driven by the world's leading supposed democracies, our own included. What was once the western world's guiding light of Liberty is quickly being replaced by state sponsored serfdom under the guise of a global economic reset done in the name 'the workers.' The people of The Program have

seen the unfettered growth of government power coming for decades and they've worked in secret since the 1950's on engineering their way around and through the multiverse established by Quantum theory. They aren't perfect and they've lost the political fight to the left's government power and to the right's corporate statism. The world's people have been force fed a political

chasm between left and right for so long they don't recognize that the governments themselves drive this supposed battle while ensnaring everyone. Those that see the truth, people from nearly every country on the planet, have banded together in secret knowing they can't win. Not on this world. They're leaving... .. but new destinations rarely mirror the guide

book. The thing about a new empty world is that they may not be the only ones willing to fight for it. Children of Eden Simon and Schuster

Life's been many things for twenty year old Bryn Dawson, but one thing it's never been is easy. And it's only about to get harder. As the gossip of Bryn being Betrothed to her true love's little brother, Patrick, becomes more reality than rumor, Bryn does her best to think positive thoughts, ignore Patrick's odd

behavior, avoid Paul's relentless advances, and attempts to conjure William back from his latest overseas mission. She fails on all fronts. The night an army of Inheritors set out with an agenda to deliver vengeance on any Guardian surrounding Bryn, the Betrothal Ball becomes the least of her worries. Instead of worrying about who she'll be marching down the aisle towards, she

has to accept she might not be making the journey down the aisle ever.

Book 1 The Triple Trouble Series Nicole Williams

These vampires don't sparkle...they bite. Book 1 of the Blood of Eden trilogy by Julie Kagawa, New York Times bestselling author of The Iron Fey, begins a thrilling dark fantasy series where vampires rule, humans are prey...and one girl will become what

she hates most to save all she loves. Allison Sekemoto survives in the Fringe, where the vampires who killed her mother rule and she and her crew of outcasts must hide from the monsters at night. All that drives Allie is her hatred of vampires, who keep humans as prey. Until the night Allie herself dies...a becomes one of the monsters. When she hears of a mythical place called Eden that might have a cure

for the blood disease that killed off most of civilization, Allie decides to seek it out. Hiding among a band of humans, she begins a journey that will have unforeseen consequences ...to herself, to the boy she's falling for who believes she's human, and to the future of the world. Now Allie must decide what—and who—is worth dying for...again. "A fresh and imaginative thrill ride." —Publishers Weekly,

In Children of Eden, meet Rowan—a second child

in a future world where population control makes her an outlaw. She can never go to school, make friends, or get the eye implants that will mark her as a true member of Eden. Hidden by her family for sixteen years, she recklessly escapes for what she swears will be only one night of adventure. Though she finds an exotic world, and even a friend, the night leads to tragedy and forces Rowan to become a

renegade on the run. In Elites of Eden, she discovers there is more to her destiny than merely running and hiding. Her fate is mysteriously tied to Yarrow—an elite: rich, regal, and intended for greatness. Rowan's life is one wild party after another in Eden...until she meets a fascinating, lilac-haired girl named Lark. When these two girls discover the thread that binds them together, the collision of

memories means that their lives may change drastically—and that Eden may never be the same. In the unforgettable finale Rebels of Eden, Rowan is finally in Harmonia—a sustainable commune in the wilderness she always thought was dead. She may be safe, but she's determined to rescue the loved ones she left behind. Though her friends are in terrible danger, her

pleas for help are ignored until a shocking reminder of her past pushes her to infiltrate Eden. What she discovers is even worse than the situation she left behind. In the chaos of civil war, Rowan and her friends join forces with the second children and other rebels trapped inside. They fight for their lives, and for the fate of humanity in this broken Earth.

If happily ever after were a place, twenty-year-old Bryn Dawson would be on the farthest planet from it. Reduced to stolen glances and secret meetings as they await a Betrothal the Council is bent on stalling, William and Bryn have to settle for happily right now, but with a man like William

Hayward at her side, Bryn's hardly settling. The day John Townsend sends an army of Immortal mercenaries intent on destroying everyone Bryn loves, she must make the decision generations of star-crossed lovers before her have—live alone or die together. William's made his decision, Bryn's the one fate's waiting on. But fate will only wait so long until it makes the decision for her.

The Eden Trilogy Simon and Schuster Mother doesn't always know best in this atmospheric and twisty novel from the #1 New York Times bestselling author of the *Flowers in the Attic* series and *Landry* series—now popular Lifetime movies. When former teacher Paula Eden adopts Faith and Trevor, she is astounded by their natural intelligence and decides to homeschool them to

nurture their brilliance. But as the years go on, Faith and Trevor itch for more independence. When Faith sets her sights on a handsome young man visiting from out of town, Paula grows increasingly desperate to preserve her small family and her plans for the children to carry on her legacy. Luckily, she has a cohort in loyal Trevor, who will do anything to please his mother, even

at the risk of hurting his sister and potentially changing their lives forever.

 When New
 Orleans
 Detective Jane
 Hart
 investigates
 her first
 official
 homicide
 case, she
 never expects
 to have her
 world ripped

apart. But the murder she's investigating is part of a deadly war between vampires and werewolves... and now Jane is caught in that eternal battle. A battle that can't end well. Werewolf Aidan Locke has been running New Orleans for years. It's his job to keep the vamps out of the city. But when a Master Vampire comes to town, determined to unleash hell, Aidan knows it's time to fight with all

the fury of his pack. Beast versus vamp, until the last breath. Then he meets Jane... One look, one taste, and Aidan knows that Jane is far more than she seems. Far more than she even knows herself to be. She's important in the paranormal war, not a pawn to be used, but a queen to be won. And if he can't keep her at his side, if he can't stop the darkness from descending on the

town...then Jane Hart will become not just a fierce cop, not some guardian, but something deadlier. Darker. Aidan will fight heaven and hell to change her fate. To change their fate because he is more than just a predator. And Jane is more than prey. Far more. BETTER OFF UNDEAD - Book 2 Detective Jane Hart is just getting used to paranormal life in New Orleans. Monsters are real, and she's the lucky cop

who has to deal with them on a daily basis. Werewolves, vampires, witches, and demons—she has to face them all and keep their paranormal madness in check. When a killer targets human men—and leaves their bodies scattered in local cemeteries—Jane suspects she may be looking at the crimes of a werewolf gone rogue. In order to hunt down the beast, Jane once again

teams up with her werewolf lover, alpha Aidan Locke. But Aidan has been keeping secrets from Jane, dark secrets that will destroy her world. Because Jane isn't the hunter on her latest investigation. She's the prey. And when a vampire attack leaves her helpless, the woman that Jane was before will vanish. She'll become the one thing she fears most and Aidan... Her fierce lover may

have to become her executioner. BITTER BLOOD – Book 3 New Orleans detective Jane Hart is a vampire. She craves blood, has supernatural strength, and when the mood hits her just right, she can grow one killer pair of fangs. She never counted on being a vamp, but she also never counted on falling hard for werewolf alpha Aidan Locke. Now she's mated to the wolf, and even though she's

living the undead life, Aidan refuses to leave her side. But Jane is being watched, hunted...tested. And each deadly test that she faces puts Jane—and the people she loves—in the path of a determined killer. She has to find out who is setting her up, before it's too late. Too late for Jane. Too late for Aidan. Jane's blood has infected Aidan and the wolf that lives within him is fighting for survival. Each

battle...each dark test that their enemy puts in their path...each move slides Aidan closer to the edge. A darkness is growing inside of him. A darkness that is slowly consuming the man he's been... And leaving only the monster behind. West of Eden Georgia Le Carre Three lifelong friends find themselves tangled in a web of love, pain and dangerous secrets in this erotic Garden of Eden tale.

Tall, dark and handsome Danny Carlow has always gotten whatever he wants except for the two he desires more than anything—his best friends, lovers Paul and Eve. Determined to claim what was never supposed to be his, Danny waits like a snake in the grass, poised for the right moment to offer them a temptation too delicious to resist. Artist Eve Everton made the painful decision to leave her true

love Paul for the siren call of New York City. Now ten years later, with her life in shambles, she returns. When Paul's waiting arms aren't available, Eve falls for Danny's charm and finds herself a willing accomplice in the dangerous games Danny

plays. Paul Mattling is a successful attorney with a bright future ahead of him, but behind those brilliant blue eyes are secret desires for a taste of the forbidden. Will he play it safe or give in to Danny and Eve and bite the apple? Reader Advisory: Not

for the faint of heart, the pain in this story is vivid and real, the emotions even more so. Haunting and poignant, Beyond Eden presents a darker side of BDSM. You might gasp. You might cry. You might find yourself reading it again and again.
