THE TRUE STORY OF THREE LOST BOYS FROM SUDAN

Farrar, Straus and Giroux

When children start to go missing in the local woods, a teen girl must face her fears and a past she can't remember to rescue

them in this atmospheric YA novel, *Lost in the Never Woods* from the author of *Cemetery Boys*. It's been five years since Wendy and her two brothers went missing in the woods, but when the town's children start to disappear, the questions surrounding her brothers' mysterious circumstances are brought back into the light. Attempting to flee her past, Wendy almost runs over an unconscious boy lying in the middle of the road... Peter, a boy she thought lived only in her stories, asks for Wendy's help to rescue the missing kids. But, in order to find them, Wendy must confront

what's waiting for her in the woods. Praise for Aiden Thomas and *Cemetery Boys*: "This stunning debut novel from Thomas is detailed, heart-rending, and immensely romantic." —Mark Oshiro, author of *Anger is a Gift* "Aiden Thomas masterfully weaves a tale of family, friendships, and love in a heartwarming adventure full of affirmation and being your best self." — C.B. Lee, author of *Not Your Sidekick*

Lord of the Flies Simon and Schuster

"The kind of writing that makes us want to read the whole book

as soon as possible; a shot of adrenaline that immediately takes us to a new world."—David Varno, *Words Without Borders*

Journalist Daniel Mandelkern leaves Hamburg on assignment to interview Dirk Svensson, a reclusive children's book author who lives alone on the Italian side of Lake Lugano with his three-legged dog. Mandelkern has been quarreling with his wife (who is also his editor); he suspects she has other reasons for sending him away. After stumbling on a manuscript of Svensson's about a complicated ménage à trois, Mandelkern is plunged into mysteries past and present. Rich with anthropological and literary allusion, this prize-winning debut set in Europe, Brazil, and New York, tells the parallel stories of two writers struggling with the burden of the past and the uncertainties of the future. *Funeral for a Dog* won the prestigious Uwe-Johnson Prize, and critics raved: "Pletzinger's debut is a real smash hit. It's been a long time since a young German writer has thrown himself into the hurly-burly of life and literature with so much intelligence and bravado" (Wolfgang Hobel, *Der Spiegel*).

The Book of Lost and Found Simon and Schuster

Eva Traube Abrams, a semiretired librarian in Florida, is at the returns desk one morning when her eyes lock on to a photograph in a newspaper nearby. She freezes; it's an image of a book she hasn't seen in sixty-five years—a book she recognizes as the *Book of Lost Names*. The accompanying article describes the looting of libraries across Europe by the Nazis during World War II—an experience Eva remembers all too well. As a graduate student in 1942, Eva was forced to flee Paris after the arrest of her father, a Polish Jew. Finding refuge in a small mountain town in the Free Zone, she begins forging identity documents for Jewish children fleeing to neutral Switzerland. But erasing people comes with a price, and along with a mysterious, handsome forger named

Rémy, Eva decides she must find a way to preserve the real names of the children who are too young to remember who they really are. The records they keep in the *Book of Last Names* will become even more vital when the Resistance cell they work with is betrayed and Rémy disappears. As the Germans close in, Eva records a last, vital message in the book. Decades later, does she have the strength to seek out its answer—and help reunite those lost during the war?

NEW YORK TIMES BESTSELLER - REESE'S BOOK CLUB PICK - "This book is every suspense lover's dream and it kept me up way too late turning pages. . . . A novel with crazy twists and turns that will have you ditching your Friday night plans for more chapters." - Reese Witherspoon A backpacking trip has deadly consequences in this "eerie psychological thriller . . . with alluring locales, Hitchcockian tension, and possibly the best pair of female leads since Thelma and Louise" (BookPage), from the bestselling author of *The Lost Night* and *The Herd*. A Marie Claire Book Club Pick - Named One of the Best Books of the Year by NPR and Marie Claire Emily is having the time of her life—she's in the mountains of Chile with her best friend, Kristen, on their annual reunion trip, and the women are feeling closer than ever. But on the last night of the trip, Emily enters their hotel suite to find blood and broken glass on the floor. Kristen says the cute backpacker she brought back to their room attacked her, and she had no choice but to kill him in self-defense. Even more shocking: The scene is horrifyingly similar to last year's trip, when another backpacker wound up dead. Emily can't believe it's happened again—can lightning really strike twice? Back home in Wisconsin, Emily struggles to bury her trauma, diving headfirst into a new relationship and throwing herself into work. But when Kristen shows up for a surprise visit, Emily is forced to confront their violent past. The more Kristen tries to keep Emily close, the more Emily questions her motives.

As Emily feels the walls closing in on their cover-ups, she must reckon with the truth about her closest friend. Can Emily outrun the secrets she shares with Kristen, or will they destroy her relationship, her freedom—even her life?

"Poignant . . . Powerful . . . Beautifully captures the threshold experience of the new immigrant, where the past is not yet a memory." —The New York Times Book Review Acclaimed writer Julia Alvarez's beloved first novel gives voice to four sisters as they grow up in two cultures. The García sisters—Carla, Sandra, Yolanda, and Sofía—and their family must flee their home in the Dominican Republic after their father's role in an attempt to overthrow brutal dictator Rafael Trujillo is discovered. They arrive in New York City in 1960 to a life far removed from their existence in the Caribbean. In the wondrous but not always welcoming U.S.A., their parents try to hold on to their old ways as the girls try find new lives: by straightening their hair and wearing American fashions, and by forgetting their Spanish. For them, it is at once liberating and excruciating to be caught between the old world and the new. Here they tell their stories about being at home—and not at home—in America. Julia Alvarez's new novel, *Afterlife*, is available now.

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes

Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

A 2019 Caldecott Honor Book What's in a name? For one little girl, her very long name tells the vibrant story of where she came from — and who she may one day be. If you ask her, Alma Sofia Esperanza José Pura Candela has way too many names: six! How did such a small person wind up with such a large name? Alma turns to Daddy for an answer and learns of Sofia, the grandmother who loved books and flowers; Esperanza, the great-grandmother who longed to travel; José, the grandfather who was an artist; and other namesakes, too. As she hears the story of her name, Alma starts to think it might be a perfect fit after all — and realizes that she will one day have her own story to tell. In her author-illustrator debut, Juana Martinez-Neal opens a treasure box of discovery for children who may be curious about their own origin stories or names.

THE BOOK OF LOST NAMES

St. Martin's Griffin

From legendary playwright August Wilson comes the powerful,

stunning dramatic bestseller that won him critical acclaim, including the Tony Award for Best Play and the Pulitzer Prize. Troy Maxson is a strong man, a hard man. He has had to be to survive. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he understands less and less. This is a modern classic, a book that deals with the impossibly difficult themes of race in America, set during the Civil Rights Movement of the 1950s and 60s. Now an Academy Award-winning film directed by and starring Denzel Washington, along with Academy Award and Golden Globe winner Viola Davis.

Palestinian Amal Rifa'i and Israeli Odelia Ainbinder are two teenage girls who live in the same city, yet worlds apart. They met on a student exchange program to Switzerland. Weeks after they returned, the latest, violent Intifada broke out in the fall of 2000. But two years later, Middle East correspondent Sylke Tempel encouraged Amal and Odelia to develop their friendship by facilitating an exchange of their deepest feelings through letters. In their letters, Amal and Odelia discuss the Intifada, their families, traditions, suicide bombers, and military service. They write frankly of their anger, frustrations, and fear, but also of their hopes and dreams for a brighter future. Together, Amal and Odelia give us a renewed sense of hope for peace in the Middle East, in *We Just Want To Live Here*.

A Novel BEYOND BOOKS HUB

Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who

discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. *Publisher's Weekly* acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

Steeped in history and filled with heart-wrenching twists, *The Stolen Marriage* is an emotionally captivating novel of secrets, betrayals, prejudice, and forgiveness. It showcases Diane Chamberlain at the top of her talent. One mistake, one fateful night, and Tess DeMello's life is changed forever. It is 1944. Pregnant, alone, and riddled with guilt, twenty-three-year-old Tess DeMello abruptly gives up her budding career as a nurse and ends her engagement to the love of her life, unable to live a lie. Instead, she turns to the baby's father for help and agrees to marry him, moving to the small, rural town of Hickory, North Carolina. Tess's new husband, Henry Kraft, is a secretive man who often stays out all night, hides money from his new wife, and shows her no affection. Tess quickly realizes she's trapped in a strange and loveless marriage with no way out. The people of Hickory love and respect Henry but see Tess as an outsider, treating her with suspicion and disdain. When one of the town's golden girls dies in a terrible accident, everyone holds Tess responsible. But Henry keeps his secrets even closer now, though it seems that everyone knows something about him that Tess

does not. When a sudden polio epidemic strikes Hickory, the townspeople band together to build a polio hospital. Tess knows she is needed and defies Henry's wishes to begin working at there. Through this work, she begins to find purpose and meaning. Yet at home, Henry's actions grow more alarming by the day. As Tess works to save the lives of her patients, can she untangle the truth behind her husband's mysterious behavior and find the love—and the life—she was meant to have? A Library Reads Top Ten Book of October 2017 Praise for *The Stolen Marriage*: "[A] well-crafted crime-tinged tale." —*Publishers Weekly* "The *Stolen Marriage* is the kind of story that will grab you and refuse to let you go until you turn the last page." —*All About Romance* "Readers will be sucked in immediately...you just can't go wrong with a book with [Chamberlain's] name on the cover." —*Southern Pines Pilot*

BEING THE STORY OF A MOUSE, A PRINCESS, SOME SOUP, AND A SPOOL OF THREAD

Little, Brown

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.
