A common thread runs through the life of those women who leave a lasting impact on others. Resolve. It doesn't make them perfect women, just purposeful women—women who are intentional about charting the pathway of their lives in the direction of God's promises. Living with this kind of intentionality is what this book is all about. Quickly a New York Times bestseller when it was first published, *The Resolution for Women* returns in this newly revised edition, updated with ten years' worth of fresh insights and reflections on what it means to chart a steady course through disruptive, conflicting times. Be part of another generation inspired to anchor each day and each part of their

lives in the bedrock of biblical truth. Together, these resolutions become not only the commitments we make but the legacy we create, the treasures we strategically place in the path for others to follow.

Whisper B&H Publishing Group
Inspired by the Kendrick Brothers' new movie, *War Room*, this exciting new resource from the #1 best-selling author team behind *The Love Dare* and *The Resolution for Men* is designed to help anyone learn how to become a powerful person of prayer. The *Battle Plan for Prayer* begins with prayer's core purpose, its biblical design, and its impact throughout history. Readers will be guided scripturally through the fundamentals of how effective prayer works, inspired towards a closer, more intimate relationship with God, and shown how to develop specific prayer strategies for each

area of life. Prayer can accomplish what a willing God can accomplish. It should be your first plan of attack in all of life's battles, not your last resort. If you want to experience the joy of mightily answered prayer, then it's time to engage with God at another level.

THE ARMOR OF GOD

Lifeway Church Resources

Based on Ephesians 6:10-18, *The Prince Warriors* is the first book in an epic middle reader series that brings to life the invisible struggle occurring in the spiritual realm.

Tasting Grace: A Mentoring-In-The-Kitchen Bible Study B&H Publishing Group

The Egyptians in Exodus 1 were intent on enslaving the Israelites, wearing them down so that God's chosen people would become disillusioned and not live up to their destiny. Of the original two million Israelites who received God's invitation to enter the Promised Land, only two actually entered it! Similarly, modern day Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life. In *One in a Million*, Bible teacher Priscilla Shirer invites us to change that pattern for good, living beyond our circumstances and expecting to see God move in miraculous ways day after day. Without a doubt, we can find and follow God's purpose for our journey. We can make it to the Promised Land!

5 Habits of a Woman Who Doesn't Quit Moody Publishers

In the third book in *The Prince Warriors* trilogy, the Prince Warriors must align to face their greatest threat and learn the power of the swords of Rhema.

I wrote the first edition of this book a decade ago. I was young and confident. Then ten years happened. To me. To you. To us. I'm not quite as young as I once was, but I am still as confident as ever in this undeniable fact: our God is able. While so much in all our lives has changed, He has remained the same. His capacity, character, and compassion have not shifted an inch because His power is supernatural, is never diminished, and is ever available to His children. God is able. Whether you and I have crossed paths in these pages before or it's your first time to savor the beautiful truths found in Ephesians 3:20-21, I invite you to join me in this ten-years-wiser, updated edition, where I hope you'll be reminded that your Father is able to take you above whatever

you've been living beneath. He's done it before. He'll do it again. Priscilla *Unseen: The Armor of God for Kids Younger Kids Activity Book* B&H Publishing Group

What does the Bible say about the value of women? Does the Bible teach that women are as valuable as men or does it portray them as somehow more flawed, more suspect, or weak and easily deceived? Beginning from Genesis and working all the way through the storyline of the Bible, *Worthy* demonstrates the significant and yes, even surprising, ways that God has used women to accomplish His kingdom goals. Because, like men, they are created in His image, their lives reflect and declare His worth. *Worthy* will enable and encourage both men and women to embrace this true and lofty vision of God's creation, plan, and their value in His eyes. Bestselling author Elyse Fitzpatrick and pastor Eric Schumacher together invite women to embrace a transformative and empowering view of their Maker, themselves, and the church. But this isn't only a book for women. It is also a book for men, especially leaders, who want to grow in their understanding of God's perspective on women, people who normally make up the majority of their congregations; men who might be wondering if they've missed something amid the abuse scandals that are rocking the church. Might the headlines they're reading today about abuse have their roots in a denigration of the value and worth of women? *Worthy: Celebrating the Value of Women* will help every reader see the value, place, and calling of women through study questions and a "Digging Deeper" section that will help men and women discover how to cherish, value, and honor one another for God's glory. The *Breathe Study Journal* includes 5 sessions of teaching by Priscilla Shirer with 4 weeks of homework in a reflective, journaling format. One of the greatest challenges among women in our culture is taking time to stop and cease from all the activities and busyness and just breathe. We are in bondage to busyness. We constantly strive to complete the limitless to-do lists that hinder us from experiencing all that God has for us. We miss the moments because we rush ahead to the next thing. By neglecting time for tranquility, serenity, and repose, we limit our Christlikeness and miss out on some of God's greatest gifts. It is time for us to breathe and build margin into our lives for God. In the Old Testament, God instituted principles and laws that would transform the Israelites' mindset. He didn't just want

them legally free; He wanted them to be able to walk in the freedom and enjoy it. So God gave them many gifts, including boundaries in which to enjoy those gifts. Sabbath was intended as a gift, and it is still a gift to us today. If you are weary, worn out, and exhausted the concept of Sabbath will change your life. Week 1 - The Freedom of Sabbath Week 2 - Stops Along the Sabbath Journey Week 3 - Double-Portion Friday Week 4 - Coming Into Focus Week 5 - Sabbath Margin Features: Biblically-rooted and gospel-centered teaching Leader material (guides to questions and discussion with small group) 5-session Study Journal with group components, personal components, and leader helps Personal study segments include 4 weeks of homework in a study journal for reflection and to help the learner spend time alone with God and Scripture Benefits: Biblical truth that's reliable Can be used in a variety of ways and has a lot of flexibility. It can be used by a group of any size in a church or another setting, small group in a home, or a weekend away as an individual or with a small group of women. An opportunity to explore the concept of Sabbath in both the Old and New Testaments Great study for personal growth and reflection on an individual basis For the weary, worn out, and exhausted this study could be life-changing as they acknowledge their bondage to busyness and learn that Sabbath was created by God before the fall Sets boundaries for those who believe they must always be "doing" something for God

How (Not) to Read the Bible NavPress
New York Times best-selling author of Wild at Heart John Eldredge offers readers a step-by-step guide to effective Christian prayer. How would it feel to enter into prayer with confidence and assurance—certain that God heard you and that your prayers would make a difference? It would likely feel amazing and unfamiliar. That's because often our prayers seem to be met with silence or don't appear to change anything. Either response can lead to disappointment or even despair in the face of our ongoing battles and unmet longings—especially when we don't know if we're doing something wrong or if some prayers just don't work. New York Times bestselling author John Eldredge confronts these issues directly in *Moving Mountains* by offering a hopeful approach to prayer that is effective, relational, and rarely experienced by most Christians. In a world filled with danger, adventure, and wonder, we have at our disposal prayers that can transform the events and issues that matter most to us and to God. *Moving Mountains* shows you how to experience the power of daily prayer, learn the major types of prayers—including those of intervention, consecration, warfare, and healing—and to discover the intimacy of the cry of the heart prayer, listening prayer, and praying Scripture. Things can be different, and you personally have a role to play with God in bringing about that change through prayer. It may sound too good to be true, but this is your invitation to engage in the kind of prayers that can move God's heart as well as the mountains before you. *Moving Mountains* is also available in Spanish, *Mueve montañas*. To dive deeper into the *Moving*

Mountains message, the *Moving Mountains* study guide and video study are available now.

Is Reading the Bible the Fastest Way to Lose Your Faith? For centuries, the Bible was called "the Good Book," a moral and religious text that guides us into a relationship with God and shows us the right way to live. Today, however, some people argue the Bible is outdated and harmful, with many Christians unaware of some of the odd and disturbing things the Bible says. Whether you are a Christian, a doubter, or someone exploring the Bible for the first time, bestselling author Dan Kimball guides you step-by-step in how to make sense of these difficult and disturbing Bible passages. Filled with stories, visual illustrations, and memes reflecting popular cultural objections, *How (Not) to Read the Bible* is a lifeline for individuals who are confused or discouraged with questions about the Bible.
