**TWO ESSENTIAL TEXTS
OF HERMETIC**

PHILOSOPHY

Independently Published
The Emerald Tablet—an
ancient document that
contains the essence of

the alchemical teachings—has had an important influence on many Western spiritual and religious traditions. Ostensibly concerned with turning base metals into gold, alchemy was in fact dedicated to transforming the lead of self into the gold of spirit. This brilliant history of alchemy traces its sources back to ancient Egypt, and presents alchemy as a useful, practical system of self-transformation. Each of the seven steps of alchemical transformation is explained, with hands-

on techniques and exercises, treating alchemy as a living discipline for achieving a spiritual awakening. The Emerald Tablets of Thoth the Atlantean Simon and Schuster Divine transmissions of light codes to activate hidden keys to conscious evolution within your soul • Transmitted to Danielle Rama Hoffman by Thoth, keeper of the Akashic Records and member of the Council of Light • Contains teachings to awaken oracular vision, re-establish quantum

consciousness, activate your Divine Light Body, access spiritual energy technologies, and rediscover the undiluted version of yourself and your soul's purpose • Includes exercises with breathing, hologram-inspired visualization, and unity consciousness Within each of us resides a diamond light seed of Divine consciousness, waiting to be activated. Transmitted to Danielle Rama Hoffman by Thoth, keeper of the Akashic Records and member of the Council of Light, the

teachings of the Emerald Tablets of Light enable each of us to reactivate the Divine consciousness that inhabits our souls and transition from separation consciousness into unity consciousness. Engaging you in a multidimensional conversation directly with Thoth, each tablet transmission in this book includes embedded light codes of high vibrational energy and consciousness, which activate hidden keys to conscious evolution within your soul. Offering the

opportunity to leave behind and evolve outdated ways of being, such as acting from fear, being restrained by self-consciousness, and hiding your brilliance, the teachings of the Tablets of Light enable you to awaken oracular vision, re-establish quantum consciousness, become vibrationally autonomous, and activate your Divine Light Body. Including breathing exercises, hologram-inspired visualizations, and unity consciousness practices, the Tablets of Light allow

you to create tangible results in your daily life as you move higher on the evolutionary scale of divine awakening and develop a divine partnership with Source. Guided by Thoth and his Tablets of Light, you will rediscover the undiluted version of yourself and your soul's purpose, accept your Divine Light Mission as a Divine Incarnate, and set the stage to return in the next life as a fully resurrected Being of Light.

Have you heard of the secret Book of Dzyan? Generations of Truth-seekers have been searching for this mysterious manuscript of untold antiquity that conceals the entire

wisdom of the world, yet only a chosen few have ever gained access to it. But now, for the first time ever, Zinovya Dushkova, Ph.D., who is named as one of the 100 Most Spiritually Influential Living People by Watkins Mind Body Spirit, has been permitted to cast more light on the Book of Dzyan in the context of modern challenges than when she published a new excerpt from it, entitled Agapegenesis, in The Book of Secret Wisdom in 2015. This updated 2021 edition will: explain why

the Masters of Wisdom, possessing supernatural powers, do not interfere in the affairs of humanity and what attempts they make to enlighten and save the world help you understand the real cause of global warming and reveal what power within you is capable of protecting you from any epidemics, either visible or invisible reveal the secrets of the depositories of ancient manuscripts that are hidden all over the world and tell you how chosen people obtain access to them, as well as

what happens when the secret knowledge is given out prematurely disclose hitherto unknown information about the Book of Dzyan itself: who are its authors, where it is stored, what its structure and contents are, when it was written, and why it has such a sacred significance, even in your own life acquaint you with three excerpts from the secret Book of Dzyan, entitled Cosmogogenesis, Anthropogenesis, and Theogenesis, previously published by Helena Blavatsky and Francia La

Due Buy this book now to unveil the hidden truth about the oldest manuscript in the world and its divine authors! The Tablets of Light Independently Published The Emerald Tablet is purported to be a fourteen step instruction manual for the Alchemical process of turning ordinary metals like lead into something much more valuable, like gold. If you can decipher the meaning, that is. Over the centuries, many have tried.I believe the fourteen statements of

the Emerald Tablet to be a symbolic guide to a far greater treasure...Legend has it that this guide was written by Hermes Trismegistus, an ancient Egyptian philosopher whose discoveries were said to have transformed him, through knowledge of this world, into a god among men, so to speak. The Egyptians thought so highly of him that they equated him with their god Thoth (see front cover) and the Greeks, in similar fashion, equated him with ther god Mercury. What is the goal

of the Emerald Tablet, as transmitted to us by Hermes through the fourteen cryptic statements? To tranform those of us who can decipher its meaning into a higher level of human consciousness. To transform the reader, through knowledge, into what the Egyptians would have called a god among men."This world is a holographic unity that repeats itself in an endless, infinite continuum in every direction forever."

TWO CLASSIC BOOKS ON HERMETIC PHILOSOPHY

Independently Published
Heroin first reached Gejiu,
a Chinese city in southern
Yunnan known as Tin
Capital, in the 1980s.
Widespread use of the
drug, which for a short
period became “easier to
buy than vegetables,”
coincided with radical
changes in the local
economy caused by the
marketization of the
mining industry. More
than two decades later,
both the heroin epidemic

and the mining boom are
often discussed as recent
history. Middle-aged long-
term heroin users,
however, complain that
they feel stuck in an
earlier moment of the
country’s rapid reforms,
navigating a world that no
longer resembles either
the tightly knit Maoist
work units of their
childhood or the
disorienting but
opportunity-filled chaos of
their early careers.
Overcoming addiction in
Gejiu has become
inseparable from broader
attempts to reimagine

laboring lives in a rapidly
shifting social world.
Drawing on more than
eighteen months of
fieldwork, Nicholas
Bartlett explores how
individuals’ varying
experiences of recovery
highlight shared
challenges of inhabiting
China’s contested
present.

Revealed...How Atlantis was destroyed- Tablet 1, v.17-18How Thoth escaped sinking Atlantis in a flying craft- Tablet 1, v.6-8A technique to be free from darkness or dark influence-Tablet 6, v.20-23How to take all your present life experiences/memories with you into the next life- Tablet 13, v.24-30Balance your Magnetic Poles to live your longest and

healthiest life-Tablet 13, v.13-14 How Thoth Built the Great Pyramid (Erroneously attributed to Cheops/Khufu) (Tablet 1, v.25-28 Never before presented "Flower of Fire" Inner Earth meditation to cleanse away obstacles to growth Also revealed are "Power Words," translated from Ancient Atlantean, that will catapult you towards unparalleled advancement! Immersing yourself in The Emerald Tablets opens a secret doorway, through which you will find eternal joy and transformation. You

will be forever changed. The Emerald Tablet of Hermes & The Kybalion Createspace Independent Publishing Platform The Kybalion & The Emerald Tablet of Hermes compose two pillars of Hermetic thought. Combined here in one volume, these two works share true wisdom with those ready to receive it. "When the ears of the student are ready to hear, then cometh the lips to fill them with wisdom." The Kybalion was first published anonymously in 1908 by "The Three

Initiates." The true authorship of the work is unknown, although theories suggest it was written entirely or in part by William Walker Atkinson. Atkinson was a prolific writer and supported the New Thought movement of the 19th and early 20th centuries. New Thought included the belief that our realities can be manifested by mental effort, which is also suggested in Hermetic principles. Scholars point to similarities in style and content between The

Kybalion and Atkinson's own The Arcane Teachings as evidence that he was one (or all) of "The Three Initiates." The Kybalion provides an introduction to the teachings of Hermes Trismegistus--Hermes "the Thrice-Greatest." This "Master of Masters" is said in The Kybalion to have lived 300 years on Earth, and believed by some to be the founder of both astrology and alchemy (precursors to astronomy and chemistry, respectively). Hermes Trismegistus was deified

after his death as Thoth by the ancient Egyptians, and Hermes by the Greeks. In both pantheons, this man-turned-god was considered a symbol of great wisdom. The Kybalion's explanation of Hermetic teachings are claimed to have been passed down orally for centuries, eventually reaching "The Three Initiates." The fundamental Hermetic traditions presented in The Kybalion consist of seven "working principles" Mentalism,

Correspondence, Vibration, Polarity, Rhythm, Cause and Effect, and Gender. Within these seven principles is true wisdom, tied to no particular place and no particular religion. It is the "sacred flame" kept lit by a chosen few used to "re-light the lesser lamps of the outside world when the light of truth grew dim..." In short, these are the truths of the universe, regardless of era or creed. The Emerald Tablet of Hermes is a short, ancient text attributed to Hermes Trismegistus himself.

Unlike The Kybalion, which aims to provide some explanation and instruction, the brief Emerald Tablet has been puzzling and fascinating scholars for over 1,000 years. Consisting of a mere 14 stanzas, the Emerald Tablet is said to contain the secrets of prima materia--the foundational material of the universe. The Emerald Tablet and its teaching influenced freemasonry and philosophy throughout history. The text of the tablet has been translated and

commented on by a variety of scholars, including Sir Isaac Newton who was inspired by its teachings throughout his life and work. The earliest known version of the text comes from an Arabic work written between the 6th and 8th centuries by Balinas. He claimed to have found the tablet hidden in a vault beneath a statue of Hermes. Another story claims the tablet was written by Seth, the third son of Adam and Eve. And yet another says the tablet was uncovered and then

reburied by Alexander the Great. The source and material of the physical tablet is unknown. It was reported to be a rectangular green stone, with text in raised bas-relief rather than engraved. Some even claim there never was a physical tablet at all, although several accounts claim it was on display in Egypt in 330 BCE. Whatever its origins and history, the work was first introduced to the West in the 12th century through Latin translations. Since then, this cryptic text has

been translated and re-translated, pored-over and analyzed by philosophers, historians, and theologians alike.

The Teachings of Thoth on Unity Consciousness

Quick Time Press

Most ancient spiritual texts are of unknown or uncertain origin, but few are as deeply shrouded in myth, legend and mystery as The Emerald Tablets of Thoth the Atlantean, and the closely associated, and more well-known Emerald Tablet, attributed to Hermes Trismegistus. In this book, Bart

Marshall, a renowned translator of many eastern and Christian texts, presents these valuable teachings in a poetic, intensely readable form. Scholars speak of the Emerald Tablet as one of the most mysterious documents ever put before the eyes of man, and describe it as everything from a succinct summary of Neoplatonic philosophy, to an extraterrestrial artifact, to a gift from Atlantis. The Tablet is attributed to the legendary figure of Hermes Trismegistus, said

to be an ancient philosopher, healer and sage. References to Trismegistus can be found in Renaissance, Christian, Islamic, Roman and Greek literature, and the Tablet appears and disappears across the ancient world before and after the birth of Christ. Spiritually, the Emerald Tablet and the Emerald Tablets of Thoth are closely related to alchemy, and are said to reveal the secrets of creating the Philosophers Stone. Alchemical traditions, whether European, Middle Eastern,

or Asian, pursue the same prize—the creation of the Philosopher's Stone. Also known as the Pearl of Great Price, the Wish-Fulfilling Jewel, and the Heart of the Sun, it is the tool that turns base lead into gold. The ultimate insight to be discovered by the wise, is that the alchemical process is an allegory of spiritual development, outlining inescapable psychological steps one must pass through to reach Self-Realization. It is the ultimate transmutation, turning the base lead of

ego into the gold of enlightenment through a process of destruction and refinement. To the master alchemist, producing physical gold is not the objective. Transmuting and refining the soul is the true prize.

From the New York Times best-selling author of Brooklyn, Colm Tóibín's first collection of poetry explores sexuality, religion, and belonging through a modern lens. Fans of Colm Tóibín's novels, including *The Magician*, *The Master*, and *Nora Webster*, will relish the opportunity to re-encounter Tóibín in verse. *Vinegar Hill* explores the liminal space between private experiences and public events as Tóibín examines a wide range of

subjects—politics, queer love, reflections on literary and artistic greats, living through COVID, and facing mortality. The poems reflect a life well-traveled and well-lived; from growing up in the town of Enniscorthy, wandering the streets of Dublin, and crossing the bridges of Venice to visiting the White House, readers will travel through familiar locations and new destinations through Tóibín's unique lens. Within this rich collection of poems written over the course of several

decades, shot through with keen observation, emotion, and humor, Tóibín offers us lines and verses to provoke, ponder, and cherish.

THE EMERALD TABLETS OF THOTH

Createspace Independent Publishing Platform
The history of the tablets translated in the following pages is strange and beyond the belief of modern scientists. Their antiquity is stupendous, dating back some 36,000 years B.C. The writer is Thoth, an Atlantean

Priest-King, who founded a colony in ancient Egypt after the sinking of the mother country. He was the builder of the Great Pyramid of Giza, erroneously attributed to Cheops. In it he incorporated his knowledge of the ancient wisdom and also securely secreted records and instruments of ancient Atlantis. For some 16,000 years, he ruled the ancient race of Egypt, from approximately 52,000 B.C. to 36,000 B.C. At that time, the ancient barbarous race among

which he and his followers had settled had been raised to a high degree of civilization. Thoth was an immortal, that is, he had conquered death, passing only when he willed and even then not through death. His vast wisdom made him ruler over the various Atlantean colonies, including the ones in South and Central America. When the time came for him to leave Egypt, he erected the Great Pyramid over the entrance to the Great Halls of Amenti, placed in it his records, and

appointed guards for his secrets from among the highest of his people. In later times, the descendants of these guards became the pyramid priests, by which Thoth was deified as the God of Wisdom, The Recorder, by those in the age of darkness which followed his passing. In legend, the Halls of Amenti became the underworld, the Halls of the gods, where the soul passed after death for judgment. During later ages, the ego of Thoth passed into the bodies of

men in the manner described in the tablets. As such, he incarnated three times, in his last being known as Hermes, the thrice-born. The translator {Doreal} has a connection with the Great White Lodge which also works through the pyramid priesthood) was instructed to recover and return to the Great Pyramid the ancient tablets. This, after adventures which need not be detailed here, was accomplished. Before returning them, he was given permission to

translate and retain a copy of the wisdom engraved on the tablets. This was done in 1925 and only now has permission been given for part to be published. It is expected that many will scoff. Yet the true student will read between the lines and gain wisdom. If the light is in you, the light which is engraved in these tablets will respond. Now, a word as to the material aspect of the tablets. They consist of twelve tablets of emerald green, formed from a substance created

through alchemical transmutation. They are imperishable, resistant to all elements and substances. In effect, the atomic and cellular structure is fixed, no change ever taking place. In this respect, they violate the material law of ionization. Upon them are engraved characters in the ancient Atlantean language: characters which respond to attuned thought waves, releasing the associated mental vibration in the mind of the reader. The tablets are fastened together

with hoops of golden colored alloy suspended from a rod of the same material. So much for the material appearance. The wisdom contained therein is the foundation of the ancient mysteries. And for the one who reads with open eyes and mind, his wisdom shall be increased a hundred-fold. Read. Believe or not, but read. And the vibration found therein will awaken a response in your soul. Concealed in the words of Thoth are many meanings that do not appear on the surface. Light of

knowledge brought to bear upon the Tablets will open many new fields for thought. "Read and be wise" but only if the light of your own consciousness awakens the deep-seated understanding which is an inherent quality of the soul.

Alchemy of Personal Transformation

Independently Published
The Emerald Tablet of Hermes Also known as The Smaragdine Table, or Tabula Smaragdina by Hermes Trismegistus The Emerald Tablet, also

known as the Smaragdine Table, or Tabula Smaragdina, is a compact and cryptic piece of the Hermetica reputed to contain the secret of the prima materia and its transmutation. It was highly regarded by European alchemists as the foundation of their art and its Hermetic tradition. The original source of the Emerald Tablet is unknown. Although Hermes Trismegistus is the author named in the text, its first known appearance is in a book written in Arabic between

the sixth and eighth centuries. The text was first translated into Latin in the twelfth century. Numerous translations, interpretations and commentaries followed. The Tablet probably first appeared in the West in editions of the pseudo-Aristotlean Secretum Secretorum which was actually a translation of the Kitab Sirr al-Asar, a book of advice to kings which was translated into latin by Johannes Hispalensis c. 1140 and by Philip of Tripoli c.1243. Other translations of the

Tablet may have been made during the same period by Plato of Tivoli and Hugh of Santalla, perhaps from different sources. The date of the Kitab SIRR al-Asar is uncertain, though c.800 has been suggested and it is not clear when the tablet became part of this work. Holmyard was the first to find another early arabic version (Ruska found a 12th century recension claiming to have been dictated by Sergius of Nablus) in the Kitab Ustugus al-Uss al-Thani (Second Book of the

Elements of Foundation) attributed to Jabir. Shortly after Ruska found another version appended to the Kitab SIRR al-Khaliqa wa San`at al-Tabi`a (Book of the Secret of Creation and the Art of Nature), which is also known as the Kitab Balaniyus al-Hakim fi'l-`Ilal (book of Balinas the wise on the Causes). It has been proposed that this book was written may have been written as early as 650, and was definitely finished by the Caliphate of al-Ma'mun (813-33).

Celebration Healing LLC
If you like truths about spaceships, Atlantis, secret vaults in a mysterious ancient pyramid, and the entire knowledge base from before Noah's flood, we can find answers from the man who lived in a magical time. Egypt started out as a monotheistic society and the country was run by King Thoth. His writings and beliefs give us great insight into a completely different society than the one you read about in other history books. The

country was committed to the one creator and was filled with science and technology. This book investigates the truths hidden in the ancient work known as the Emerald Tablets and other corresponding works to answer very old questions.
