The second book in the breathtaking New York Times bestselling Hush, Hush saga, soon to be a major motion picture! Nora should have known her life wouldn't stay perfect for long. Despite starting a relationship with her bad boy guardian angel, Patch, and surviving an attempt on her life, things are not looking up. Patch is starting to pull away and Nora can't figure out if it's for her best interest or if his interest has shifted to her arch-enemy Marcie Millar. Not to mention that Nora is haunted by images of her father and starting to become obsessed with finding out what really happened to him that night he left for Portland and never came home. The farther Nora delves into the mystery of her father's death, the more she comes to question if her Nephilim blood line has something to do with it as well as why she seems to be in danger more than the average girl when she has a guardian angel. Since Patch isn't answering her questions, she has to start finding the answers on her own. But when she finds them, will she be able to count on Patch or are the things he's hiding from her darker than she can imagine?

Sweet Blood of Mine Poppy

Nora está más segura que nunca de que está enamorada de Patch. Sea un ángel o no, él es el indicado para ella. Su herencia y su destino pueden significar que están destinados a ser enemigos, pero ella no puede darle la espalda. Ahora Nora y Patch deben un

BRAVE NEW GIRL

Simon and Schuster

From Mega Nerd to Super Stud. Justin Case and women do not

mix. Man boobs, a love of Kings and Castles, and being tight with the "nerd" crowd certainly don't win him any points either. After rescuing Katie, his crush, it turns out she might not be the girl he thought she was, while Elyssa, the school's Goth Girl, turns out to be more. Can high school get any more confusing? Determined to improve himself, he joins a gym and meets a sexy girl that just oozes a "come hither, Justin" vibe. Until she attacks him in the parking lot, and Justin realizes she's no ordinary girl but a being with supernatural speed and strength. After a narrow escape and an excruciating migraine headache, he wakes up with supernatural abilities all his own: speed, strength, and the ability to seduce every woman he sees. While that might sound like the perfect combo for any hormonal teen, Justin is a hopeless romantic who wants his first time to be special. Is that too much to ask for? But he doesn't know what he is or how to stop his carnal urges. One thing is clear: If he doesn't find answers there are other more sinister supernaturals who would like nothing better than to make him their eternal plaything and do far worse than kill him.

Lucas ignores the rules, stands up to the snobs, and warns Bianca to be careful—even when it comes to caring about him. "I couldn't stand it if they took it out on you," he tells Bianca, "and eventually they would." But the connection between Bianca and Lucas can't be denied. Bianca will risk anything to be with Lucas, but dark secrets are fated to tear them apart . . . and to make Bianca question everything she's ever believed.
