### **Green Hills of Magic**

Penguin

"Cassel Sharpe comes from a family of curse workers, people who have the power to change emotions, memories, and luck with the slightest touch of their hands. And since curse work is

illegal, they're also all criminals. Many become mobsters and con artists, but not Cassel. He doesn't have magic, so he's an outsider, the straight kid in a crooked family, except for the small detail that he killed his best friend, Lila, three years ago. Cassel has carefully built up a facade of normalcy, blending into the crowd. But his facade

starts to crumble when he finds himself sleepwalking, propelled into the night by terrifying dreams about a white cat that wants to tell him something. He's noticing other disturbing things, too, including the strange behavior of his two older brothers, who are keeping secrets from him. As Cassel begins to suspect he's an unwitting pawn in a huge con game, he must unravel his past, and his memories. To find the truth, Cassel will have to out-con the conmen."--

The Darkest Part of the Forest Simon and Schuster

A girl makes a secret sacrifice to the faerie king in this lush New York Times bestselling fantasy by author Holly Black. Set in the same world as *The Cruel*

Prince! In the woods is a glass coffin. It rests on the ground, and in it sleeps a boy with horns on his head and ears as pointed as knives.... Hazel and her brother, Ben, live in Fairfold, where humans and the Folk exist side by side. Since they were children, Hazel and Ben have been telling each other stories about the boy in the glass coffin, that he is a prince and they are valiant knights, pretending their prince would be different from the other faeries, the ones who made cruel bargains, lurked in the shadows of trees, and doomed tourists. But as Hazel grows up, she puts aside those stories. Hazel knows the horned boy will never wake. Until one day, he does.... As the world turns upside

down, Hazel has to become the knight she once pretended to be. The Darkest Part of the Forest is bestselling author Holly Black's triumphant return to the opulent, enchanting faerie tales that launched her YA career.

Scholastic Inc. The New York Times–bestselling debut story of four superfan friends whose devotion to their favorite band has darkly comical and deadly results. Just know from the start that it wasn't supposed to go like this. All we wanted was to get near them. That's why we got a room in the hotel where they were staying. We were not planning to kidnap one

of them. Especially not the most useless one. But we had him—his room key, his cell phone, and his secrets. We were not planning on what happened next. We swear. Praise for Kill the Boy Band “Moldavsky’s sharp, shocking debut is like no other.”

—Entertainment Weekly “Fiercely entertaining . . . One of the smartest YA releases of the year.”

—New York Daily News “Misery for the Belieber generation.”

—Observer.com “Boy bands gets the Heathers treatment in this madcap macabre . . . A sendup of the artificiality of the fame-making machine from both sides, the novel’s humor is mercilessly black, and no one comes up smelling like roses.” —Kirkus

In this contemporary retelling of The Canterbury Tales, a group of teens on a bus ride to Washington, DC, each tell a story—some fantastical, some realistic, some downright scandalous—in pursuit of the ultimate prize: a perfect score. Jeff boards the bus for the Civics class trip to Washington, DC, with a

few things on his mind: -Six hours trapped with his classmates sounds like a disaster waiting to happen. -He somehow ended up sitting next to his ex-best friend, who he hasn't spoken to in years. -He still feels guilty for the major part he played in pranking his teacher, and the trip's chaperone, Mr. Bailey. -And his best friend Cannon, never one to be trusted and banned from the trip, has something "big" planned for DC. But Mr. Bailey has an idea to keep everyone in line: each person on the bus is going to have the chance to tell a story. It can be fact or fiction, realistic or fantastical, dark or funny or sad. It doesn't matter. Each person gets a story, and whoever tells the

best one will get an automatic A in the class. But in the middle of all the storytelling, with secrets and confessions coming out, Jeff only has one thing on his mind—can he live up to the super successful story published in the school newspaper weeks ago that convinced everyone that he was someone smart, someone special, and someone with something to say. In her debut novel, Kim Zarins breathes new life into Chaucer's *The Canterbury Tales* in a fresh and contemporary retelling that explores the dark realities of high school, and the subtle moments that bring us all together.

Soon Ellerie finds herself in a race against time to stop Amity Falls, her family, and the boy she loves from going up in flames.
