THE ALCHEMIST

Wm. B. Eerdmans Publishing

George Orwell's famous satire of the Soviet Union, in which "all animals are equal but some animals are more equal than others."

[Animal Farm and Nineteen Eighty-Four](#) Rutgers University Press

THINGS FALL APART tells two overlapping, intertwining stories, both of which center around Okonkwo, a "strong man" of an Ibo village in Nigeria. The first of these stories traces Okonkwo's fall from grace with the tribal world in which he lives, and in its classical purity of line and economical beauty it provides us with a powerful fable about the immemorial conflict between the individual and society. The second story, which is as modern as the first is ancient, and which elevates the book to a tragic plane, concerns the clash of cultures and the destruction of Okonkwo's world through the arrival of aggressive, proselytizing European missionaries. These twin dramas are perfectly harmonized, and they are modulated by an awareness capable of encompassing at once the life of nature, human history, and the mysterious compulsions of the soul. THINGS FALL APART is the most illuminating and permanent monument we have to the modern African experience as seen from within.

Their Eyes Were Watching God St. Martin's Press

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are

amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Why I Write*, the first in the Orwell's Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' - 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' - and considers the importance of keeping these in balance. *Why I Write* is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can - and must - be rediscovered with every age.' — Irish Times

The Four Winds Castle Point Books

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Politics and the English Language*, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's *Politics and the English Language* is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can - and must - be rediscovered with every age.' — Irish Times

THE SMELL OF APPLES

Anchor

Mrs Dalloway, Virginia Woolf's fourth novel, offers the reader an impression of a single June day in London in 1923. Clarissa Dalloway, the wife of a Conservative member of parliament, is preparing to give an evening party, while the shell-shocked Septimus Warren Smith hears the birds in Regent's Park chattering in Greek. There seems to be nothing, except perhaps London, to link Clarissa and Septimus. She is middle-aged and prosperous, with a sheltered happy life behind her; Smith is young, poor, and driven to hatred of himself and the whole human race. Yet both share a terror of existence, and sense the pull of death. The world of Mrs Dalloway is evoked in Woolf's famous stream of consciousness style, in a lyrical and haunting language which has made this, from its publication in 1925, one of her most popular novels.

[Nineteen Eighty-Four](#) HarperCollins UK

This remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has

provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.

ANIMAL FARM BY GEORGE ORWELL

Random House

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Quotes from Goats Bloomsbury Publishing

Now in paperback—the intimate, powerful, and inspiring memoir by the former First Lady of the United States, featuring a new introduction by Michelle Obama, a letter from the author to her younger self, and a book club guide with 20 discussion questions and a 5-question Q&A #1 NEW YORK TIMES BESTSELLER • WATCH THE EMMY-NOMINATED NETFLIX ORIGINAL DOCUMENTARY • OPRAH'S BOOK CLUB PICK • NAACP IMAGE AWARD WINNER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In a life filled with meaning and accomplishment, Michelle Obama has emerged as one of the most iconic and compelling women of our era. As First Lady of the United States of America—the first African American to serve in that role—she helped create the most welcoming and inclusive White House in history, while also establishing herself as a powerful advocate for women and girls in the U.S. and around the world, dramatically changing the ways that families pursue healthier and more active lives, and standing with her husband as he led America through some of its most harrowing moments. Along the way, she showed us a few dance moves, crushed Carpool Karaoke, and raised two down-to-earth daughters under an unforgiving media glare. In her memoir, a work of deep reflection and mesmerizing storytelling, Michelle Obama invites readers into her world, chronicling the experiences that have shaped her—from her childhood on the South Side of Chicago to her years as an executive balancing the demands of motherhood and work, to her time spent at the world's most famous address. With unerring honesty and lively wit, she describes her triumphs and her disappointments, both public and private, telling her full story as she has lived it—in her own words and on her own terms. Warm, wise, and revelatory, *Becoming* is the deeply personal reckoning of a woman of soul and substance who has steadily defied expectations—and whose story inspires us to do the same.

The Simple Path to Wealth Faber & Faber

"Outstanding . . . a wide-ranging invitation to think through the moral ramifications of our eating habits." —The New Yorker One of the New York Times Book Review's Ten Best Books of the Year and Winner of the James Beard Award Author of *This is Your Mind on Plants*, *How to Change Your Mind* and the #1 New York Times Bestseller *In Defense of Food* and *Food Rules* What should we have for dinner? Ten years ago, Michael Pollan confronted us with this seemingly simple question and, with *The Omnivore's Dilemma*, his brilliant and eye-opening exploration of our food choices, demonstrated that how we answer it today may determine not only our health but our survival as a species. In the years since, Pollan's revolutionary examination has changed the way Americans think about food. Bringing wide attention to the little-known but vitally important dimensions of food and agriculture in America, Pollan launched a national conversation about what we eat and the profound consequences that even the simplest everyday food choices have on both ourselves and the natural world. Ten years later, *The Omnivore's Dilemma* continues to transform the way

Americans think about the politics, perils, and pleasures of eating.

Making Animals Happy Melville House

"In the dark, bewildering, trap-infested jungle of misinformation and opaque riddles that is the world of investment, JL Collins is the fatherly wizard on the side of the path, offering a simple map, warm words of encouragement and the tools to forge your way through with confidence. You'll never find a wiser advisor with a bigger heart." -- Malachi Rempen: Filmmaker, cartoonist, author and self-described ruffian This book grew out of a series of letters to my daughter concerning various things—mostly about money and investing—she was not yet quite ready to hear. Since money is the single most powerful tool we have for navigating this complex world we've created, understanding it is critical. "But Dad," she once said, "I know money is important. I just don't want to spend my life thinking about it." This was eye-opening. I love this stuff. But most people have better things to do with their precious time. Bridges to build, diseases to cure, treaties to negotiate, mountains to climb, technologies to create, children to teach, businesses to run. Unfortunately, benign neglect of things financial leaves you open to the charlatans of the financial world. The people who make investing endlessly complex, because if it can be made complex it becomes more profitable for them, more expensive for us, and we are forced into their waiting arms. Here's an important truth: Complex investments exist only to profit those who create and sell them. Not only are they more costly to the investor, they are less effective. The simple approach I created for her and present now to you, is not only easy to understand and implement, it is more powerful than any other. Together we'll explore: Debt: Why you must avoid it and what to do if you have it. The importance of having F-you Money. How to think about money, and the unique way understanding this is key to building your wealth. Where traditional investing advice goes wrong and what actually works. What the stock market really is and how it really works. Why the stock market always goes up and why most people still lose money investing in it. How to invest in a raging bull, or bear, market. Specific investments to implement these strategies. The Wealth Building and Wealth Preservation phases of your investing life and why they are not always tied to your age. How your asset allocation is tied to those phases and how to choose it. How to simplify the sometimes confusing world of 401(k), 403(b), TSP, IRA and Roth accounts. TRFs (Target Retirement Funds), HSAs (Health Savings Accounts) and RMDs (Required Minimum Distributions). What investment firm to use and why the one I recommend is so far superior to the competition. Why you should be very cautious when engaging an investment advisor and whether you need to at all. Why and how you can be conned, and how to avoid becoming prey. Why I don't recommend dollar cost averaging. What financial independence looks like and how to have your money support you. What the 4% rule is and how to use it to safely spend your wealth. The truth behind Social Security. A Case Study on how this all can be implemented in real life. Enjoy the read, and the journey!

BELOVED

OUP Oxford

Set in a village in southern India shortly after India gained Independence, *Nectar in a Sieve* portrays, through the lives of its characters—Rukmani, Nathan and their children—the hopes and aspirations of a young nation recently embarked on the path of development, surmounting many obstacles along the way. Few novels ever published have celebrated the human spirit, its sheer resilience, with greater success. Originally published in 1954 to instant acclaim, *Nectar in a Sieve* became an international best-seller and was translated into seventeen languages. This edition introduces a whole new generation to this classic of modern literature.

THE SEVEN BASIC PLOTS

"O'Reilly Media, Inc."

A loving father explores with honesty and intensity all facets of his grief at the death of his 25-year-old son.

Lament for a Son Bloomsbury Paperbacks

Inspirational quotes and photos of adorable goats Goats are the animal du jour – “goat yoga” (yoga with baby goats) has exploded in popularity, and social media is flooded with photos of cute kids. Quotes from *Goats* pairs irresistible photographs of everyone's favorite barnyard animal with inspiring quotations that resonate with both goats and humans, like: “The best view comes after the hardest climb.” “Never skip family dinner time!” “Take a walk on the wild side.”

NECTAR IN A SIEVE

Harper Collins

The story of an affluent white South African family during apartheid. Its narrator is the son of an Afrikaner general and he describes his growing disillusion with the cruelty and arrogance of the whites. Set in the 1970s, the novel follows him from boyhood to soldiering in Angola, fighting the blacks.

Writing Without Rules Animal Farm

"The Early Emergent Kit works to focus on helping students develop early reading behaviors. Over the course of a week of lessons, students read a new book each day and a new nonfiction book each week. Each week, they compose a story about something they have learned from reading a nonfiction book and learn about how letters and words work using magnetic letters. Students build a core of words they can read and write. Lessons include guided reading using leveled books, phonics/word work, fluency, comprehension and vocabulary development. Each lesson also includes suggestions for working with second language students."--Website

The Omnivore's Dilemma Everyman's Library

Do you want to build web pages but have no prior experience? This friendly guide is the perfect place to start. You'll begin at square one, learning how the web and web pages work, and then steadily build from there. By the end of the book, you'll have the skills to create a simple site with multicolumn pages that adapt for mobile devices. Each chapter provides exercises to help you learn various techniques and short quizzes to make sure you understand key concepts. This thoroughly revised edition is ideal for students and professionals of all backgrounds and skill levels. It is simple and clear enough for beginners, yet thorough enough to be a useful reference for experienced developers keeping their skills up to date. Build HTML pages with text, links, images, tables, and forms Use style sheets (CSS) for colors, backgrounds, formatting text, page layout, and even simple animation effects Learn how JavaScript works and why the language is so important in web design Create and optimize web images so they'll download as quickly as possible NEW! Use CSS Flexbox and Grid for sophisticated and flexible page layout NEW! Learn the ins and outs of Responsive Web Design to make web pages look great on all devices NEW! Become familiar with the command line, Git, and other tools in the modern web developer's toolkit NEW! Get to know the super-powers of SVG graphics

Six of Crows Independently Published

Romantic folly and false identities abound as an unusual love triangle takes the stage in this play about Orsino, the infatuated Duke of Illyria; Olivia, the countess he pursues; and Viola, the woman disguised as a man who comes between them. This revised Signet Classics edition includes unique features such as: - An overview of Shakespeare's life, world, and theater- A special introduction to the play by the editor, Herschel Baker- Selections from Barnabe Riche, Of Apolonius and Silla, the source from which Shakespeare derived Twelfth Night- Dramatic criticism from Samuel Johnson, William Hazlitt, Charles Lamb, and others- A comprehensive stage and screen history of notable actors, directors, and productions- Text, notes, and commentaries printed in the clearest, most readable text- And more...

Animal Farm BEYOND BOOKS HUB

"The Bestselling Hardcover Novel of the Year."--Publishers Weekly From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. "My land tells its story if you listen. The story of our family." Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman's only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa's tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search

of a better life for her family. The Four Winds is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, The Four Winds is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

Renard Press Ltd

Collects the diaries of George Orwell, chronicling the major events of his life, including the rise of

totalitarianism and the death of his first wife, that influenced his writing.

WHY EVOLUTION IS TRUE

Houghton Mifflin Harcourt

"My heart is afraid that it will have to suffer," the boy told the alchemist one night as they looked up at the moonless sky." Tell your heart that the fear of suffering is worse than the suffering itself. And that no heart has ever suffered when it goes in search of its dreams." Every few decades a book is published that changes the lives of its readers forever. The Alchemist is such a book. With over a million and a half copies sold around the world, The Alchemist has already established itself

as a modern classic, universally admired. Paulo Coelho's charming fable, now available in English for the first time, will enchant and inspire an even wider audience of readers for generations to come. The Alchemist is the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found. From his home in Spain he journeys to the markets of Tangiers and across the Egyptian desert to a fateful encounter with the alchemist. The story of the treasures Santiago finds along the way teaches us, as only a few stories have done, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.
