LEVY CHANCE

MATH, GRADE 1

Carson-Dellosa Publishing
Instant New York Times bestseller! Inspired by the real-life heroine who saved thousands of Jewish children during WWII, *The Warsaw Orphan* is Kelly Rimmer's most anticipated novel since her bestselling sensation, *The Things We Cannot Say*. "Gripping... This one easily stands on its own." —Publishers Weekly "Heart-stopping." – Lisa Wingate, #1 New York Times Bestselling Author "A surefire hit." – Kristin Harmel, #1 New York Times Bestselling Author In the spring of 1942, young Elzbieta Rabinek is aware of the swiftly growing discord just beyond the courtyard of her comfortable Warsaw home. She has no fondness for the Germans who patrol her streets and impose their curfews, but has never

given much thought to what goes on behind the walls that contain her Jewish neighbors. She knows all too well about German brutality--and that it's the reason she must conceal her true identity. But in befriending Sara, a nurse who shares her apartment floor, Elzbieta makes a discovery that propels her into a dangerous world of deception and heroism. Using Sara's credentials to smuggle children out of the ghetto brings Elzbieta face-to-face with the reality of the war behind its walls, and to the plight of the Gorka family, who must make the impossible decision to give up their newborn daughter or watch her starve. For Roman Gorka, this final injustice stirs him to rebellion with a zeal not even his newfound love for Elzbieta can suppress. But his recklessness brings unwanted attention to Sara's cause, unwittingly putting Elzbieta and her family in harm's way until one violent act threatens to destroy their chance at freedom forever. From Nazi occupation to the threat of a communist regime, *The Warsaw Orphan* is the unforgettable story of Elzbieta and Roman's perilous attempt to reclaim the love and life they

once knew. Don't miss Kelly Rimmer's latest gripping novel, *The German Wife*. For more by Kelly Rimmer, look for: *Before I Let You Go* *The Things We Cannot Say* *Truths I Never Told You*

A Novel Sourcebooks, Inc.

Based on key research into assessment, treatment and recidivism, this book offers practical guidance on improving intervention techniques with sex offenders. The contributors explore the monitoring and surveillance strategies and cognitive-behavioural techniques currently used both in prison and in the community, and give clear directions for future practice. Providing a detailed overview of the typologies and characteristics of offenders, they suggest strategies for managing different kinds of offender, including children and young people who are sexually aggressive. The Sex Offenders Act and the Crime and Disorder Act emphasise the need for effective community management of the predatory paedophile. Reviewing the recent growth in multi-agency approaches to this challenge, the book discusses how police, prisons and social work departments can share information and collaborate effectively, and will be essential reading for probation officers, prison staff, social workers and anyone involved in the assessment and management of sex offenders.

THE USA TODAY BESTSELLER! "Remarkable debut.... [a] nearly flawless tale of loss, perseverance and redemption."—Publishers Weekly, STARRED review Set in 1920s Mississippi, this debut Southern novel weaves a beautiful and harrowing story of two teenage girls cast in an unlikely partnership through murder—perfect for readers of *Where the Crawdads Sing* and *If*

the Creek Don't Rise. Ada promised herself she would never go back to the Trace, to her hard life on the swamp and her harsh father. But now, after running away to Baton Rouge and briefly knowing a different kind of life, she finds herself with nowhere to go but back home. And she knows there will be a price to pay with her father. Matilda, daughter of a sharecropper, is from the other side of the Trace. Doing what she can to protect her family from the whims and demands of some particularly callous locals is an ongoing struggle. She forms a plan to go north, to pack up the secrets she's holding about her life in the South and hang them on the line for all to see in Ohio. As the two girls are drawn deeper into a dangerous world of bootleggers and moral corruption, they must come to terms with the complexities of their tenuous bond and a hidden past that links them in ways that could cost them their lives.

THE UNITED STATES CATALOG

R. R. Bowker

Seattle, Washington Larkin Bennett has always known her place, whether it's surrounded by her loving family in the lush greenery of the Pacific Northwest or conducting a dusty patrol in Afghanistan. But all of that changed the day tragedy struck her unit and took away everything she held dear. Soon after, Larkin discovers an unexpected treasure—the diary of Emily Wilson, a young woman who disguised herself as a man to fight for the Union in the Civil War. As Larkin struggles to heal, she finds herself drawn deeply into Emily's life and the secrets she kept. Indiana, 1861 The only thing more dangerous to Emily Wilson than a rebel soldier is the risk of her own comrades in the Union Army discovering her secret. But in the minds of her fellow soldiers, if it dresses like a man, swears like a man, and shoots like a man, it must be a man. As the war marches on and takes its terrible toll, Emily begins to question everything she thought she was fighting for.

Reading Comprehension Grade 4 Carson-Dellosa Publishing
NEW YORK TIMES BESTSELLER • The million-copy bestseller *Lilac Girls* introduced the real-life heroine Caroline Ferriday. Now *Lost Roses*, set a generation earlier and also inspired by true events, features Caroline's mother, Eliza, and follows three equally indomitable women from St. Petersburg to Paris under the shadow of World War I. "Not only a brilliant historical tale, but a love song to all the ways our friendships carry us through the worst of times."—Lisa Wingate, #1 New York Times bestselling author of *Before We Were Yours* It is 1914, and the world has been on the brink of war so often, many New Yorkers treat the subject with only passing interest. Eliza Ferriday is thrilled to be traveling to St. Petersburg with Sofya Streshnayva, a cousin of

the Romanovs. The two met years ago one summer in Paris and became close confidantes. Now Eliza embarks on the trip of a lifetime, home with Sofya to see the splendors of Russia: the church with the interior covered in jeweled mosaics, the Rembrandts at the tsar's Winter Palace, the famous ballet. But when Austria declares war on Serbia and Russia's imperial dynasty begins to fall, Eliza escapes back to America, while Sofya and her family flee to their country estate. In need of domestic help, they hire the local fortune-teller's daughter, Varinka, unknowingly bringing intense danger into their household. On the other side of the Atlantic, Eliza is doing her part to help the White Russian families find safety as they escape the revolution. But when Sofya's letters suddenly stop coming, she fears the worst for her best friend. From the turbulent streets of St. Petersburg and aristocratic countryside estates to the avenues of Paris where a society of fallen Russian émigrés live to the mansions of Long Island, the lives of Eliza, Sofya, and Varinka will intersect in profound ways. In her newest powerful tale told through female-driven perspectives, Martha Hall Kelly celebrates the unbreakable bonds of women's friendship, especially during the darkest days of history.

Harlequin

Amazon July Best of the Month Pick "Like Jill McCorkle and Sue Monk Kidd, Spera probes the comfort and strength women find in their own company."— O Magazine For readers of Delia Owens' *Where the Crawdads Sing* and Sue Monk Kidd's *The Secret Life of Bees*, this extraordinary historical debut novel follows three fierce Southern women in an unforgettable story of motherhood and

womanhood. It's 1924 in Branchville, South Carolina and three women have come to a crossroads. Gertrude, a mother of four, must make an unconscionable decision to save her daughters. Retta, a first-generation freed slave, comes to Gertrude's aid by watching her children, despite the gossip it causes in her community. Annie, the matriarch of the influential Coles family, offers Gertrude employment at her sewing circle, while facing problems of her own at home. These three women seemingly have nothing in common, yet as they unite to stand up to injustices that have long plagued the small town, they find strength in the bond that ties women together. Told in the pitch-perfect voices of Gertrude, Retta, and Annie, *Call Your Daughter Home* is an emotional, timeless story about the power of family, community, and ferocity of motherhood. "A mesmerizing Southern tale...Authentic, gripping, a page-turner, yet also a novel filled with language that begs to be savored."— Lisa Wingate, New York Times Bestselling Author of *Before We Were Yours* "Deb Spera is a master of voice, a master of deep-diving access to the roiling depths of human identity...An exhilarating and important book." — Robert Olen Butler, Pulitzer Prize winning author of *A Good Scent from a Strange Mountain* *Managing Sex Offender Risk* Carson-Dellosa Publishing #1 bestselling author Lisa Scottoline offers a sweeping and shattering epic of historical fiction fueled by shocking true events, the tale of a love triangle that unfolds in the heart of Rome...in the creeping shadow of fascism. What war destroys, only love can heal. Elisabetta, Marco, and Sandro grow up as the best of friends despite their differences. Elisabetta is a feisty beauty who dreams of becoming a novelist; Marco the brash and

athletic son in a family of professional cyclists; and Sandro a Jewish mathematics prodigy, kind-hearted and thoughtful, the son of a lawyer and a doctor. Their friendship blossoms to love, with both Sandro and Marco hoping to win Elisabetta's heart. But in the autumn of 1937, all of that begins to change as Mussolini asserts his power, aligning Italy's Fascists with Hitler's Nazis and altering the very laws that govern Rome. In time, everything that the three hold dear--their families, their homes, and their connection to one another--is tested in ways they never could have imagined. As anti-Semitism takes legal root and World War II erupts, the threesome realizes that Mussolini was only the beginning. The Nazis invade Rome, and with their occupation come new atrocities against the city's Jews, culminating in a final, horrific betrayal. Against this backdrop, the intertwined fates of Elisabetta, Marco, Sandro, and their families will be decided, in a heartbreaking story of both the best and the worst that the world has to offer. Unfolding over decades, *Eternal* is a tale of loyalty and loss, family and food, love and war--all set in one of the world's most beautiful cities at its darkest moment. This moving novel will be forever etched in the hearts and minds of readers.

The Publisher Carolina Heirlooms Novel

A NEW YORK TIMES BESTSELLER A USA TODAY BESTSELLER A WALL STREET JOURNAL BESTSELLER A NATIONAL INDIEBOUND BESTSELLER An unforgettable bestselling historical fiction novel

by Kristina McMorris, inspired by a stunning piece of history from Depression-Era America. *2 CHILDREN FOR SALE* The sign is a last resort. It sits on a farmhouse porch in 1931, but could be found anywhere in an era of breadlines, bank runs and broken dreams. It could have been written by any mother facing impossible choices. For struggling reporter Ellis Reed, the gut-wrenching scene evokes memories of his family's dark past. He snaps a photograph of the children, not meant for publication. But when it leads to his big break, the consequences are more devastating than he ever imagined. Inspired by an actual newspaper photograph that stunned the nation, *Sold on a Monday* is a powerful novel of love, redemption, and the unexpected paths that bring us home. Kristina McMorris's poignant historical novel will capture fans of *The Four Winds* by Kristin Hannah and *The Lilac Girls* by Martha Hall Kelly and inspire any book club. "A masterpiece that poignantly echoes universal themes of loss and redemption, *Sold on a Monday* is both heartfelt and heartbreaking."—Pam Jenoff, New York Times bestselling author of *The Orphan's Tale* "Despite the sensitivity of the subject of missing children, McMorris' latest is touching and never maudlin. This book may appeal to fans of Lisa Wingate's *Before We Were Yours*."—Booklist

A Novel Kelley Wingate Publications

The main objective in the rehabilitation of people following amputation is to restore or improve their functioning, which includes their return to work. Full-time employment leads to beneficial health effects and being healthy leads to increased chances of full-time employment (Ross and Mirowskay 1995). Employment of disabled people enhances their self-esteem and reduces social isolation (Dougherty 1999). The importance of returning to work for people following amputation therefore has to be considered. Perhaps the first article about reemployment and problems people may have at work after amputation was published in 1955 (Boynton 1955). In later years, there have been sporadic studies on this topic. Greater interest and more studies about returning to work and problems people have at work following amputation arose in the 1990s and has continued in recent years (Burger and Marinc ?ek 2007). These studies were conducted in different countries on all the five continents, the greatest number being carried out in Europe, mainly in the Netherlands and the UK (Burger and Marinc ?ek 2007). Owing to the different functions of our lower and upper limbs, people with lower limb amputations have different activity limitations and participation restrictions compared to people with upper limb amputations. Both have problems with driving and carrying objects. People with lower limb amputations also have problems standing, walking, running, kicking, turning and stamping, whereas people with upper limb amputations have problems grasping, lifting, pushing, pulling, writing, typing, and pounding (Giridhar et al. 2001).
