### A Call for Abundant Living Baker Books

The Torah, the Bible, the Tree of Life--God's Word is a set of instructions for everyone who wants to live a victorious, joyful, and abundant life. The Seven Laws of Abundant Living explains a parable relating to the Tree of Life that the Lord spoke to Eric Walker--a Messianic Rabbi. The parable opens wide the unique components of the Word and the physical Tree of Life that is introduced in Genesis and again in Revelation. The LORD God made all kinds of trees grow out of the ground--trees that were pleasing to the eye and good for food. In the middle of the garden was the tree of life... (Genesis 2:9). The parable reveals seven aspects of the Tree of Life: The ground, the seed, the roots, the trunk, the branches, the leaves, and the fruit. Each of these components brings seven life-changing conclusions to light that stimulate spiritual growth and maturity. The simple yet profound image is powerful and compels you into self-examination to assure your spiritual health and growth in each of the areas God wanted Eric Walker to share with you. Whoever has ears, let them hear what the Spirit says to the churches. To the one who is victorious, I will give the right to eat from the tree of life, which is in the paradise of God (Revelation 2:7).

We will dig into our money personalities, our budgets (or lack thereof), our savings plans, and how we can leave a legacy for the next generation. A Life Endured.Is Not a Life!!! As Christ-Followers we are called to do more than endure life. Created in God's image we are overcomers and more than conquerors with specific tasking from the King of kings. Yet cynicism, negativity, and the frantic pace of life send us the message that we should disengage in order to make it through. Power, riches, and pleasures call out to others and lure them down paths they were never meant to travel. Boredom and broken dreams distract others but from time to time we all see with amazing clarity: The way we are living just isn't the way things were supposed to turn out. There was supposed to be more victory, more joy, more significance; this cannot be all there is to our journey. Our vision is more than simple insight; it is a seed planted in John 10:10 when Jesus said He came to provide more than the wonderful gift of salvation: "I have come that they may have life, and that they may have it more abundantly."

Are you still waiting for 'the change'. There are too many people living life totally unaware of the reasons they cannot achieve life goals they have set for themselves. Despite the best efforts, success has been unattainable. Some are continually striving to attain a level of success, doing all the 'right things' we're told are required; Others are going after various business opportunities, one right after another, only to find that's not the one for me. For many, they know there is an obstacle right there in their face yet they aren't been able to succinctly identify it and therefore simply cannot overcome it. In Volume 1 of STRATEGIES FOR ABUNDANT LIVING, the most powerful tool given to mankind is identified along with the concepts, skill and precision required to become a marksman.
