An introduction to linear

time playing. The first section contains basic exercises for linear playing skills: voice coordination, dynamic balance, accenting, and more. The second section deals with the development of time feels in the linear style, including 4/4, half-time,

shuffle, and odd meter feels.

ISRAEL AND NEW BREED

Harvard University Press
In *The Spirit of Praise*,
Monique Ingalls and Amos
Yong bring together a
multidisciplinary,
scholarly exploration of

music and worship in global pentecostal-charismatic Christianity at the beginning of the twenty-first century. The Spirit of Praise contends that gaining a full understanding of this influential religious movement requires close listening to its songs and careful attention to its patterns of worship. The essays in this volume place ethnomusicological, theological, historical, and sociological perspectives into dialogue. By engaging with these disciplines and exploring

themes of interconnection, interface, and identity within musical and ritual practices, the essays illuminate larger social processes such as globalization, sacralization, and secularization, as well as the role of religion in social and cultural change. Aside from the editors, the contributors are Peter Althouse, Will Boone, Mark Evans, Ryan R. Gladwin, Birgitta J. Johnson, Jean Ngoya Kidula, Miranda Klaver, Andrew Mall, Kimberly

Jenkins Marshall, Andrew M. McCoy, Martijn Oosterbaan, Dave Perkins, Wen Reagan, Tanya Riches, Michael Webb, and Michael Wilkinson.

THE SPIRIT OF PRAISE

Atria Books

A biochemist by profession, a polymath by inclination and erudition, Yeshayahu Leibowitz has been, since the early 1940s, one of the most incisive and controversial critics of Israeli culture and politics. His direct involvement, compelling polemics, and trenchant

criticism have established his steadfast significance for contemporary Israeli- and Jewish- intellectual life. These hard-hitting essays, his first to be published in English, cover the ground Leibowitz has marked out over time with moral rigor and political insight. He considers the essence and character of historical Judaism, the problems of contemporary Judaism and Jewishness, the relationship of Judaism to Christianity, the questions of statehood, religion, and politics in Israel, and the

role of women. Together these essays constitute a comprehensive critique of Israeli society and politics and a probing diagnosis of the malaise that afflicts contemporary Jewish culture. Leibowitz's understanding of Jewish philosophy is acute, and he brings it to bear on current issues. He argues that the Law, Halakhah, is essential to Judaism, and shows how, at present, separation of religion from state would serve the interest of halakhic observance and foster esteem for religion.

Leibowitz calls the religious justification of national issues "idolatry" and finds this phenomenon at the root of many of the annexationist moves made by the state of Israel. Long one of the most outspoken critics of Israeli occupation in the conquered territories, he gives eloquent voice to his ongoing concern over the debilitating moral effects of its policies and practices on Israel itself. This translation will bring to an English-speaking audience a much-needed,

lucid perspective on the present and future state of Jewish culture.

Ebony CompanionHouse Books

SIX DAYS IN JUNE How Israel Won the 1967 Arab-Israeli War Eric Hammel Distinguished military historian Eric Hammel becomes the first chronicler of the 1967 Six Day War to unite the story of development of Israel's bold brand of military training and planning with a detailed narrative account of her breathtaking victories in Sinai, Jerusalem, The West

Bank, and the Golan Heights. Unlike all earlier accounts of the 1967 war, Hammel's sweeping narrative describes how, from the early 1950s, the Israel Defense Force—Zahal—undertook a relentless and often visionary campaign to prepare for the inevitable war of national survival that, when it came, radically altered the Middle East and has profoundly influenced international politics ever since. Israel's brilliant, innovative military thinkers developed

extremely flexible strategies, operational plans, and battlefield tactics aimed at overcoming several large Arab forces with Zahal's much smaller army and air force. Zahal's innovations proved to be so effective and fundamentally sound that they established the norms of modern military planning and performance that saw the United States and her coalition allies through the lightning Desert Storm campaign of 1991. Hammel decisively disproves the enduring

myth that Israel's stunning 1967 victory was a "miracle" or a "fluke." He explains how, by necessity and in secret, a tiny Third-World nation developed a First-World military force that has become the envy of all the nations of the world. Hammel is at his proven best when describing the actions of men at war. Six Days in June seamlessly meshes classic military history with the human drama of Israel's finest hour. Eric Hammel is the author of more than thirty-five highly

acclaimed books on military affairs, including Chosin: Heroic Ordeal of the Korean War; Ace: A Marine Night Fighter Pilot in World War II; The Root: The Marines in Beirut; and Duel for the Golan: The 100-Hour Battle that Saved Israel.

LINEAR TIME PLAYING

Harvard University Press From the internationally bestselling author of the "terrifically affecting" (The Philadelphia Inquirer) Mornings in Jenin, a sweeping and lyrical novel that follows a young

Palestinian refugee as she slowly becomes radicalized while searching for a better life for her family throughout the Middle East, for readers of international literary bestsellers including Washington Black, My Sister, The Serial Killer, and Her Body and Other Parties. As Nahr sits, locked away in solitary confinement, she spends her days reflecting on the dramatic events that landed her in prison in a country she barely knows. Born in Kuwait in the 70s to Palestinian

refugees, she dreamed of falling in love with the perfect man, raising children, and possibly opening her own beauty salon. Instead, the man she thinks she loves jilts her after a brief marriage, her family teeters on the brink of poverty, she's forced to prostitute herself, and the US invasion of Iraq makes her a refugee, as her parents had been. After trekking through another temporary home in Jordan, she lands in Palestine, where she finally makes a home,

falls in love, and her destiny unfolds under Israeli occupation. Nahr's subversive humor and moral ambiguity will resonate with fans of *My Sister, The Serial Killer*, and her dark, contemporary struggle places her as the perfect sister to Carmen Maria Machado's *Her Body and Other Parties*. Written with Susan Abulhawa's distinctive "richly detailed, beautiful, and resonant" (*Publishers Weekly*) prose, this powerful novel presents a searing, darkly funny, and

wholly unique portrait of a Palestinian woman who refuses to be a victim.

BoD - Books on Demand

The story of the thoroughly Victorian origins of dog breeds. For centuries, different types of dogs were bred around the world for work, sport, or companionship. But it was not until Victorian times that breeders started to produce discrete, differentiated, standardized breeds. In *The Invention of the Modern Dog*, Michael Worboys, Julie-Marie

Strange, and Neil Pemberton explore when, where, why, and how Victorians invented the modern way of ordering and breeding dogs. Though talk of "breed" was common before this period in the context of livestock, the modern idea of a dog breed defined in terms of shape, size, coat, and color arose during the Victorian period in response to a burgeoning competitive dog show culture. The authors explain how breeders, exhibitors, and showmen borrowed ideas of

inheritance and pure blood, as well as breeding practices of livestock, horse, poultry and other fancy breeders, and applied them to a species that was long thought about solely in terms of work and companionship. The new dog breeds embodied and reflected key aspects of Victorian culture, and they quickly spread across the world, as some of Britain's top dogs were taken on stud tours or exported in a growing international trade. Connecting the emergence and

development of certain dog breeds to both scientific understandings of race and blood as well as Britain's posture in a global empire, *The Invention of the Modern Dog* demonstrates that studying dog breeding cultures allows historians to better understand the complex social relationships of late-nineteenth-century Britain.

The Hope of Israel Daniel Hammel

This volume highlights the sustained focus in Acts on the resurrection of Christ,

bringing clarity to the theology of Acts and its purpose. Brandon Crowe explores the historical, theological, and canonical implications of Jesus's resurrection in early Christianity and helps readers more clearly understand the purpose of Acts in the context of the New Testament canon. He also shows how the resurrection is the fulfillment of the Old Testament Scriptures. This is the first major book-length study on the theological significance of Jesus's resurrection in

Acts.

 The constant noise of contemporary life makes it easy to miss the most profound message the world has ever known: Jesus loves you.
 Innovative teachers Craig Gross and Jason Harper

will separate the religious from the real as they show how this simple truth is worth our undivided attention. The authors weave Jesus' narrative with their own stories of serving among the "least of these" in this inspiring summons to world-changing faith. Join them as they encounter shut-ins, drunks, inmates, porn stars, and others while striving to follow Christ in their daily lives. Christian and non-Christian readers alike will experience God's love and be challenged to take

seriously the call of Jesus. Individuals, small groups, congregations, and church classes will find the companion DVD an indispensable resource for learning about the world-changing love of Jesus through captivating stories and interviews. In these four films, viewers will meet face-to-face with some of the folks they encounter in the book *Jesus Loves You . . . This I Know*. Each film is three to five minutes long and is followed by questions for groups that wish to use the films as discussion

starters. Also ideal for use in sermons.

 How did a Jewish state come to resonate profoundly with Americans in the twentieth century? Since WWII, Israel's identity has been entangled with America's belief in its own exceptionalism. Turning a critical eye on the two nations' turbulent history together, Amy Kaplan unearths the roots of controversies that may well divide them in the future.
Ebony JHU Press
 In Israel/Palestine,

Reinhart traces the development of the Security Barrier and Israel's new doctrine of "disengagement," launched in response to a looming Palestinian-majority population. Examining the official record of recent diplomacy, including United States-brokered accords and talks at Camp David, Oslo, and Taba, Reinhart explores the fundamental power imbalances between the negotiating parties and identifies Israel's strategy of creating facts on the

ground to define and complicate the terms of any future settlement. In this indispensable primer, Reinhart's searing insight illuminates the current conflict and suggests a path toward change. *The Givers* Baker Books EBONY is the flagship magazine of Johnson Publishing. BESTSELLER • The first definitive history of the Mossad, Shin Bet, and the IDF's targeted killing programs, hailed by The New York Times as "an exceptional work, a humane book about an incendiary subject." WINNER OF THE NATIONAL JEWISH BOOK AWARD IN HISTORY NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY JENNIFER SZALAI, THE NEW YORK TIMES NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Economist • The New York Times Book Review • BBC

History Magazine •
Mother Jones • Kirkus
Reviews The Talmud says:
“If someone comes to kill
you, rise up and kill him
first.” This instinct to take
every measure, even the
most aggressive, to
defend the Jewish people
is hardwired into Israel’s
DNA. From the very
beginning of its statehood
in 1948, protecting the
nation from harm has
been the responsibility of
its intelligence community
and armed services, and
there is one weapon in
their vast arsenal that
they have relied upon to

thwart the most serious
threats: Targeted
assassinations have been
used countless times, on
enemies large and small,
sometimes in response to
attacks against the Israeli
people and sometimes
preemptively. In this
page-turning, eye-opening
book, journalist and
military analyst Ronen
Bergman—praised by
David Remnick as
“arguably [Israel’s] best
investigative
reporter”—offers a
riveting inside account of
the targeted killing
programs: their

successes, their failures,
and the moral and
political price exacted on
the men and women who
approved and carried out
the missions. Bergman
has gained the
exceedingly rare
cooperation of many
current and former
members of the Israeli
government, including
Prime Ministers Shimon
Peres, Ehud Barak, Ariel
Sharon, and Benjamin
Netanyahu, as well as
high-level figures in the
country’s military and
intelligence services: the
IDF (Israel Defense

Forces), the Mossad (the world's most feared intelligence agency), Caesarea (a "Mossad within the Mossad" that carries out attacks on the highest-value targets), and the Shin Bet (an internal security service that implemented the largest targeted assassination campaign ever, in order to stop what had once appeared to be unstoppable: suicide terrorism). Including never-before-reported, behind-the-curtain accounts of key operations, and based on

hundreds of on-the-record interviews and thousands of files to which Bergman has gotten exclusive access over his decades of reporting, *Rise and Kill First* brings us deep into the heart of Israel's most secret activities. Bergman traces, from statehood to the present, the gripping events and thorny ethical questions underlying Israel's targeted killing campaign, which has shaped the Israeli nation, the Middle East, and the entire world. "A remarkable feat of fearless and responsible

reporting . . . important, timely, and informative."—John le Carré
Renewal Worship
 Grove/Atlantic, Inc.
 At its best, all Christian worship is led by the Holy Spirit. But is there a distinctive theology of Pentecostal worship? The Pentecostal church or the renewal movement is among the fastest-growing parts of the body of Christ around the world, which makes understanding its theology and practice critical for the future of

the church. In this volume in IVP Academic's Dynamics of Christian Worship (DCW) series, theologian Steven Félix-Jäger offers a theology of renewal worship, including its biblical foundations, how its global nature is expressed in particular localities, and how charismatic worship distinctively shapes the community of faith. With his guidance, the whole church might understand better what it means to pray, "Come, Holy Spirit!" The Dynamics of Christian Worship series draws from

a wide range of worshiping contexts and denominational backgrounds to unpack the many dynamics of Christian worship—including prayer, reading the Bible, preaching, baptism, the Lord's Supper, music, visual art, architecture, and more—to deepen both the theology and practice of Christian worship for the life of the church.

The Songs of Israel & New Breed Random House
Christian Congregational

Music explores the role of congregational music in Christian religious experience, examining how musicians and worshippers perform, identify with and experience belief through musical praxis. Contributors from a broad range of fields, including music studies, theology, literature, and cultural anthropology, present interdisciplinary perspectives on a variety of congregational musical styles - from African American gospel music, to evangelical praise and

worship music, to Mennonite hymnody - within contemporary Europe and North America. In addressing the themes of performance, identity and experience, the volume explores several topics of interest to a broader humanities and social sciences readership, including the influence of globalization and mass mediation on congregational music style and performance; the use of congregational music to shape multifaceted identities;

the role of mass mediated congregational music in shaping transnational communities; and the function of music in embodying and imparting religious belief and knowledge. In demonstrating the complex relationship between 'traditional' and 'contemporary' sounds and local and global identifications within the practice of congregational music, the plurality of approaches represented in this book, as well as the range of musical repertoires explored, aims

to serve as a model for future congregational music scholarship.

ONE OF THE BEST BOOKS
OF THE YEAR BY THE NEW
YORK TIMES BOOK
REVIEW AND THE
ECONOMIST Winner of the
Natan Book Award, the
National Jewish Book
Award, and the Anisfield-
Wolf Book Award An
authoritative and deeply
personal narrative history

of the State of Israel, by one of the most influential journalists writing about the Middle East today Not since Thomas L. Friedman's groundbreaking *From Beirut to Jerusalem* has a book captured the essence and the beating heart of the Middle East as keenly and dynamically as *My Promised Land*. Facing unprecedented internal and external pressures, Israel today is at a moment of existential crisis. Ari Shavit draws on interviews, historical documents, private

diaries, and letters, as well as his own family's story, illuminating the pivotal moments of the Zionist century to tell a riveting narrative that is larger than the sum of its parts: both personal and national, both deeply human and of profound historical dimension. We meet Shavit's great-grandfather, a British Zionist who in 1897 visited the Holy Land on a Thomas Cook tour and understood that it was the way of the future for his people; the idealist young farmer who bought land

from his Arab neighbor in the 1920s to grow the Jaffa oranges that would create Palestine's booming economy; the visionary youth group leader who, in the 1940s, transformed Masada from the neglected ruins of an extremist sect into a powerful symbol for Zionism; the Palestinian who as a young man in 1948 was driven with his family from his home during the expulsion from Lydda; the immigrant orphans of Europe's Holocaust, who took on menial work and focused

on raising their children to become the leaders of the new state; the pragmatic engineer who was instrumental in developing Israel's nuclear program in the 1960s, in the only interview he ever gave; the zealous religious Zionists who started the settler movement in the 1970s; the dot-com entrepreneurs and young men and women behind Tel-Aviv's booming club scene; and today's architects of Israel's foreign policy with Iran, whose nuclear threat

looms ominously over the tiny country. As it examines the complexities and contradictions of the Israeli condition, *My Promised Land* asks difficult but important questions: Why did Israel come to be? How did it come to be? Can Israel survive? Culminating with an analysis of the issues and threats that Israel is currently facing, *My Promised Land* uses the defining events of the past to shed new light on the present. The result is a landmark portrait of a

small, vibrant country living on the edge, whose identity and presence play a crucial role in today's global political landscape. *Praise for My Promised Land* "This book will sweep you up in its narrative force and not let go of you until it is done. [Shavit's] accomplishment is so unlikely, so total . . . that it makes you believe anything is possible, even, God help us, peace in the Middle East."—Simon Schama, *Financial Times* "[A] must-read book."—Thomas L. Friedman, *The New York*

Times “Important and powerful . . . the least tendentious book about Israel I have ever read.”—Leon Wieseltier, The New York Times Book Review “Spellbinding . . . Shavit’s prophetic voice carries lessons that all sides need to hear.”—The Economist “One of the most nuanced and challenging books written on Israel in years.”—The Wall Street Journal
