Our inheritance in Christ Jesus is often un-tapped and under utilized. We frequently go through our days without drawing from the wealth available to us in Christ. This prayer journal provides a practical, systematic way to intentionally partake of your inheritance. By daily affirming the promises of God related to the Person, work, and provision of Christ Jesus, you will feast on the manna of Christ Himself. With plenty of white space, this prayer journal incorporates Arabah Joy's four step process to praying a promise: Read it, Write it, Ponder it, and Pray it. Daily mini-devotionals are also included. Begin your own life changing, 40-day journey today!!

The faith journey can be hard, but it doesn't have to be. Abraham, Joseph, David, Paul, and even Jesus himself—all heroes of the faith who experienced both the soaring grace of answered prayers and crushing sorrow when God seemed unwilling to respond or too far away to hear. And yet, even in the darkest times, God was working, writing an unseen story of redemption that would save the world. When we pray, how do we see beyond the immediate and into the eternal? How do we know when to keep praying and when to give up; when to consider something a promise from God and when to recognize that it was from our own imagination? Why does silence from God rarely mean no and almost always mean come closer? The One Year Praying in Faith Devotional answers these questions and many more, taking you through a 365-day journey that will help you experience a prayerful relationship with God like never before.
