A History Thomas Nelson
Prayer Is Our Response to God's Invitation. So often we think of prayer as something we do to break through to God—to get His attention and to get Him to listen to us. But intimacy with God is His idea. He has taken the initiative, and prayer is His gift to us. It is an opportunity for us to respond to His invitation to intimacy by calling, crying, and singing to Him. Prayer is our response to the One who has called out to us and desires to be in a relationship with us. In *Becoming a Woman of Prayer*, Cynthia Heald will encourage you to respond to God's invitation to deeper intimacy with Him.

The Greatest Story Ever Sold Inter-Varsity Press

In his apostolic letter *Patris Corde* ("With a Father's Heart"), Pope Francis reflects on Saint Joseph and his multifaceted role as a father. The purpose of this letter, Pope Francis writes, "is to increase our love for this great saint, to encourage us to implore his intercession and to imitate his virtues and his zeal." Saint Joseph is a beloved father; a tender, loving father; an obedient father; an accepting father; a creatively courageous father; a working father; and a father in the shadows. As protector, advocate, and guardian of the Holy Family, Saint Joseph has always been venerated as a father to all Christians.

With this letter, promulgated on the 150th anniversary of the declaration of Saint Joseph as Patron of the Universal Church, Pope Francis proclaimed a Year of Saint Joseph from December 8, 2020, to December 8, 2021. Patris Corde ends with a new prayer to Saint Joseph, and the OSV edition includes additional prayers and a litany to this beloved saint.

St Pauls BYB
The book does not contain the opinions of the Author, nor quotations from other writers, but is based

solely on the Scriptures, chapter and verse being given for every statement. The book is "Timely" in these days of Apostasy and denial of THE FAITH. -from the Foreword The Reverend Clarence Larkin was one of the most widely influential Christian fundamentalists of the early twentieth century, and his writings remain key to appreciating the conservative religious thought that today enjoys widespread popularity. This 1920 work outlines the fundamental doctrines of Christianity as revealed by the Bible, from "The Mystery of Godliness" to "Election and Free-will." Numerous charts and illustrations explain "The Five Great World-

Wide Kingdoms," "The Threefold Nature of Man," "The Satanic Trinity," and more. Also available from Cosimo Classics: Larkin's The Spirit World, The Second Coming of Christ, and The Book of Revelation.

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the

hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called

fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you. Or, the Spiritual Exercises of St. Ignatius, for General Use Messenger International
 In a world filled with ambiguity, we want faith to act like an orderly set of truth-claims to solve the problems that life throws at us. While there are certainties in Christian faith, at the heart of the Christian story is also paradox, and Jen Pollock Michel helps readers imagine a Christian faith open to mystery. Jesus invites us to abandon

the polarities of either and or in order to embrace the difficult, wondrous dissonance of and.

PRAYING THE BIBLE

Baker Publishing Group (MI)

In this highly controversial and explosive book, archaeologist, historian, mythologist and linguist Acharya S. marshals an enormous amount of startling evidence to demonstrate that Christianity and the story of Jesus Christ were created by members of various secret societies, mystery schools and religions in order to unify the Roman Empire under one state religion. In developing such a fabrication, this multinational cabal drew upon a multitude

of myths and rituals that existed long before the Christian era, and reworked them for centuries into the religion passed down to us today. Contrary to popular belief, there was no single man who was at the genesis of Christianity; Jesus was many characters rolled into one. These characters personified the ubiquitous solar myth, and their exploits were well known, as reflected by such popular deities as Mithras, Heracles/Hercules, Dionysos and many others throughout the Roman Empire and beyond. The story of Jesus as portrayed in the Gospels is revealed to be nearly identical in detail to that of the earlier savior-gods Krishna and Horus,

who for millennia preceding Christianity held great favor with the people. The Christ Conspiracy shows the Jesus character as not unique or original, not “divine revelation.” Christianity reinterprets the same extremely ancient body of knowledge that revolved around the celestial bodies and natural forces. The result of this myth making has been “The Greatest Conspiracy Ever Sold.” .

CHRISTIAN

MEDITATION FOR BEGINNERS

Saint Mary's Press

The author of *Desiring God* reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Includes a study guide for individual and small-group use. Isn't it true—we really don't know someone until we understand what makes that person happy? And so it is with God! What does bring delight to the happiest Being in the universe? John Piper writes, that it's only when we know what makes God glad that we'll know the greatness of His glory. Therefore, we must comprehend "the pleasures of God." Unlike so much of what is written today, this is

not a book about us. It is about the One we were made for—God Himself. In this theological masterpiece—chosen by *World Magazine* as one of the 20th Century's top 100 books, John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Then we will be able to drink deeply—and satisfyingly—from the only well that offers living water. What followers of Jesus need now, more than anything else, is to know and love—behold and embrace—the great, glorious, sovereign, happy God of the Bible. "This is a unique and precious book that everybody should read more than once." —J.I. PACKER,

Columbia
