Tantric Secrets for Men Simon and

Schuster

A tantric massage practice for
awakening and honoring male creative
energy and allowing a man conscious,
loving contact with his own masculinity •

Empowers men to expand and deepen their experience of arousal and sensuality • Demonstrates how deep relaxation is important to a strong and lasting erection • Shows how the lingam connects a man to his dynamic strength while the prostate is linked to his more receptive side Lingam is the Sanskrit word for the male generative organ, the penis. In India, the lingam is revered as an expression of Shiva's clarity, symbolizing the fine sword that differentiates between truth and falsehood. The goal of a lingam massage is to provide a man conscious, loving contact with his own masculinity. Western cultural expectations around sexual "performance" have created sexual difficulties for many men, including erectile dysfunction and

premature ejaculation. Through loving touch, lingam massage provides the deep relaxation that supports sustained erection, putting a man in touch with less familiar aspects of his sexuality, including the energetic responses of his perineum, prostate gland, and anus. Lingam massage is not simply a hands-on technique but involves the conscious direction of energy throughout the body. It allows men to savor longer, deeper orgasms and teaches taoist and tantric practices for conserving sexual energy. Over time, as his consciousness deepens, these practices give a man complete control over his ejaculation.

THE SEXUAL PRACTICES OF QUODOUSHKA

Simon and Schuster

Exploring the Hidden Power of Female Sexuality inspires women to go to the depths of womanhood to explore the hidden secrets of yin. In a playful way, she encourages women to surrender to the abyss and stillness of their being, where yin is centered. While sexuality is considered to be a fundamental base of health, creativity, and spirituality, and has been used as a main energy source, it has been dominated by the male principle (yang). This comprehensive theoretical and practical introduction to holistic female sexology enables women to understand their own true nature. Piontek includes meditations and exercises geared toward connecting with the well of unlimited strength to liberate from personal and collective conditioning. Bibliography. Index.

The New Sensual Massage Oxford

Explores how Nature underlies sexuality

and intimacy • Examines how to regain intimacy in our relationships in a way that embraces our hidden wild nature and restores the sacred to our lives • Provides sacred sex and intimacy-building practices for partners and exercises to reconnect with the intuitive intelligence of the heart, remove our emotional armor, and cultivate a deeper relationship with the Earth • Shows how by healing our relationship with Nature and our sexuality, we move toward healing the whole planet Nature is having sex all the time--that's one of the reasons we feel so alive when we are immersed in it. Sexuality is essential to the sensation of Nature in your own body, of connecting to the piece of Earth closest to you--your own flesh and bones. Many a couple has been

overcome by passion while walking in the woods or on the beach; many a soul has found solace or epiphany in Nature. Living in accordance with Nature depends on you being your true, whole self--a sexual, sensual, erotic, fully alive human being. Exploring the territory of intimacy, sacred sex, and emotional healing as a journey to wholeness, Julie McIntyre examines the sacred relationship between sexuality and the Earth and reveals how to create deep, lasting intimacy with your lover by recapturing the wild, spontaneous, natural sexuality that is your birthright. Detailing the process of moving from your head to the secret garden of your heart, she provides exercises to heal your psyche of old emotional trauma, reconnect with the intuitive intelligence

of the heart, and cultivate a deeper relationship with the Earth in order to trust yourself and become vulnerable and open with your lover and thus truly intimate. She shows how there is a direct relationship between our beliefs and values about sex and intimacy and our beliefs and values about the environment and the Earth. She reveals how, by healing our separation from Nature and our sexuality, we can bring the sacred back into our lives, shape our own ecstatic sexual experiences, and move toward healing the whole planet.

Don Juan and the Art of Sexual Energy New Harbinger Publications

The autobiography of an American Gen-X woman who immerses herself in the sexual mysteries of tantric yoga. • An engaging insider's story that intimately

portrays the details of the tantric sexual path from a young woman's point of view. • Author is one of the few Americans to be initiated into the sacred cobra breath. • Reveals not only the benefits but also the pitfalls, problems, and temptations of this path toward enlightenment. • Includes meditations and exercises for beginning a tantric practice. In search of authentic knowledge, Brooks was admitted into secret societies where she learned firsthand the ways of the

tradition from tantric adepts. A personal and intimate portrait, Tantric Awakening is tastefully written to reveal not only the ecstatic power and spiritual benefits of tantra, but also the pitfalls, problems, and temptations of this path toward enlightenment. With the inclusion of specific tantric sexual techniques the author shows how to use tantra to balance the spirit with the physical self in order to achieve personal empowerment, transforming fear and self-doubt into joy and self-confidence. Meditations, exercises, and important

insights for beginning a tantric practice assist the reader who is inspired to bring a sense of the divine into daily life.

The Fourth Trimester Sofia Sundari

A new edition of the bestseller • The first book to reveal in the West the Taoist techniques that enable women to cultivate and enhance their sexual energy • Reveals Taoist secrets for shortening menstruation, reducing cramps, and compressing more chi into

the ovaries for greater sexual power • Teaches the practice of total body orgasm For thousands of years the sexual principles and techniques presented here were taught by Taoist masters in secret only to a small number of people (sworn to silence), in the royal courts and esoteric circles of China. This is the first book to make this ancient knowledge available to the West. The foundation of healing love is the cultivation, transformation, and circulation of sexual energy, known as jing. Jing energy is creative, generative energy that is vital for the development of chi (vital life-force energy) and shen (spiritual energy), which enables higher practices of spiritual development. Jing is produced in the sexual organs, and it is energy women lose continually through

menstruation and child bearing. Mantak Chia teaches powerful techniques developed by Taoist masters for the conservation of jing and how it is used to revitalize women's physical, mental, and spiritual well-being. Among the many benefits conferred by these practices are a reduction in the discomfort caused by menstruation and the ability to attain full-body orgasm.

Tai Chi Wu Style Yoni

MassageAwakening Female Sexual Energy

A revolutionary approach to male sexuality offers the keys to achieving sexual fulfillment • Teaches how to retain semen for increased vitality and longer lovemaking • Explains the relationship-strengthening benefits of deep, sustained penetration • Includes

foreplay approaches and position sequences Fulfilling sex nourishes love, increases vitality, and boosts mental health. Unfortunately, prevailing attitudes about male sexuality and what is good sex work against these innate features by focusing on the excitement of ejaculation as the one and only goal. Using the tantric guidelines they have practiced for more than 25 years, Diana and Michael Richardson show men how to move beyond their preconceptions of sex as a goal-oriented--and often unintentionally stressful--event so they can relax into sex as a meditative union of complementary energies. They explain how retaining semen allows for increased vitality and extended lovemaking sessions and show the relationship-strengthening benefits of

deep, sustained penetration. They also explain how to perform soft penetration and how to avoid premature ejaculation. Tantric Sex for Men includes tried-and-true foreplay approaches, diagrams of sexual position sequences, ways to increase sexual sensitivity through awareness, and how to have ecstatic experiences through reaching a woman's body on a sexually deeper level. The authors also demonstrate how the sexual organs can be used to heal both men and women physically, emotionally, and spiritually.

CHINESE MASSAGE TO AWAKEN BODY AND MIND

Createspace Independent Publishing Platform
A tantric massage practice for

awakening and enhancing women's innate sensual, emotional, and spiritual energies • Provides emotional healing by releasing traumatic memories stored in the yoni • Includes exercises that use sexual energy to cleanse and stimulate the chakras • Empowers women to draw strength and radiant vitality from the restored connection to their innermost core "Yoni" is the Sanskrit word for the female genitalia, describing not only the anatomy but also encompassing the energetic and spiritual dimensions. While a yoni massage offers women the opportunity to enhance their sexuality, Michaela Riedl shows that the effects of this practice are much more profound and have ramifications affecting every area of life. Long held inhibitions in the West about sexuality and the shame and

guilt associated with the sexual zones of the body have created deep-seated barriers that prevent individuals from fully expressing themselves. The practices provided in Yoni Massage are designed to allow women to overcome these barriers and reconnect to their innermost core and deepest feminine nature. Yoni massage is not simply a hands-on technique but involves the conscious direction of energy throughout the body through deep breathing and visualization. It provides women the ability to cleanse and energetically stimulate the chakras as well as achieve emotional healing by releasing the traumatic pain that often becomes seated in the yoni. The author explains that the relegation of this important spiritual and energetic center to a

“private part” hinders the process of enlightenment. Once women are able to be in touch with their yoni energy, their connection to the entire web of life is restored to its rightful place.

Nature, Intimacy, and Sexual Energy
Penguin

- The secret sexual energy practices of Toltec-Mayan shamans revealed at last.
- The author studied with don Juan Matus and the same circle of Nagual sorcerers who taught Carlos Castaneda.
- Offers specific step-by-step instructions for mastering the ancient sexual techniques that lead to spiritual transformation. Readers of Carlos Castaneda have often complained that his work in ancient Meso-american

shamanism never covered sexual practices beyond celibacy. With his death in 1998 it seemed that these practices might never be revealed, but fortunately Marilyn Tunneshende has stepped in. Set against the backdrop of the golden deserts of Sonora, Mexico, Don Juan and the Art of Sexual Energy recounts Tunneshende's initiation into the ancient sexual energy practices of the Toltec-Mayan tradition. Under the tutelage of don Juan Matus, Chon Yakil (whom Castenada referred to as Don Genaro), and dona Celestina de la Soledad, she learns to reclaim her feminine power and balance the masculine and feminine forces within herself. At the heart of the book is the mythical Rainbow Serpent: the phallic energy within women, the creative

power within men. Each chapter focuses on a particular technique for awakening the serpent and connecting with its energy. Twenty-two sequential practices are covered, providing a powerful program for serious spiritual transformation.

Orgasm Unleashed Simon and Schuster Taoist techniques for replenishing our internal energy with universal cosmic energy • Shows how to transform excess sexual energy (Ching Chi) into self-healing energy • Presents advanced Cosmic Healing Chi Kung practices, which gather the limitless resources of Cosmic Chi for healing • Explains how opening of the three tan tiens to the six directions allows personal consciousness to connect directly to higher sources of energy Taoists consider our sexual

energy to be the creative force that we can use to regenerate the body's internal energy, but we must learn how to harness excess sexual energy and transform it into chi, or life-force energy. When we circulate the sexual energy in the Microcosmic Orbit--a continuous energy loop that runs up the spine and down the front of the body--we transform it into self-healing energy that can be stored in the organs and the three tan tiens: energy centers in the brain, the heart center, and the lower abdomen. The Alchemy of Sexual Energy builds upon Microcosmic Orbit practices discussed in *Healing Light of the Tao*. The more we open the flow of our internal energy the more capable we are of connecting to the cosmic energy that exists outside ourselves in the universe.

By learning to open the three tan tiens to the six directions, the Taoist practitioner combines mind power with extension of chi to draw cosmic energy into the body. This energy, too, can be stored in the three tan tiens and used as needed for healing. When we learn to flow in this way with the energy of the Tao, life ceases to be a struggle.
