In these three historical mysteries, the widow Claudia proves to
 be a "spunky and independent sleuth" amid the decadent
 mayhem of Ancient Rome (Publishers Weekly). Second Act As
 Saturnalia approaches, widow Claudia Seferius opens her estate
 to a traveling troupe of actors. What she doesn't know is that a
 murderer hides among them. But the Gravedigger isn't the only
 dangerous act in town. Roman investigator Marcus Orbilio needs
 Claudia to help him find the vicious Saturnalia Rapist—a criminal
 he thought he'd put to death years ago . . . Widow's Pique When
 the King of Histria invites Claudia to visit, the widowed wine
 merchant assumes he wants to talk business. But she soon finds
 herself a virtual prisoner in a land where brutality is the norm.
 And where is he? If the king was so desperate to meet, why will
 no one take her to the palace? And why, when she witnesses a

murder, does no one believe her? Stone Cold Claudia was just ten
 when her father went to war and never returned. Now it's time to
 uncover the truth about his disappearance. Her search takes her
 to the forests of Gaul, where Druid Law rules and human sacrifice
 is still practiced in secret. Claudia notices that several young
 women have gone missing, and while suspicion falls on a
 mysterious character who lives in the woods, she isn't convinced.
 Nor has it escaped her that each victim is an unblemished beauty
 . . . just like Claudia.

"I felt as if I had had a cathartic emotional experience not by
 talking but by following Ms. Roxo's coaching to tune into my
 energy and desire." —New York Times What if your deepest fears
 and wounds were the KEY to living a turned on, passionate life,
 sharing your gifts with the world, and having mind-blowing
 orgasms along the way? And what if you could embrace all of
 you—all of your messy, wild, raw, sensual self—exactly as you
 are right now AND still feel good? This is what it means to f*ck
 like a goddess—literally and metaphorically. To let life make love
 to you and enjoy every bit, even the parts that hurt, and to find
 the magic in all of it. And this is your birthright. So why is it so
 damn hard for women to simply feel comfortable in their own
 skin, let alone feel strong and secure enough to freely share their
 gifts with the world? "Because each of us has been conditioned,

programmed, and literally brainwashed into thinking we are not enough," writes Alexandra Roxo, "and it is up to us to rewrite that story." A prominent voice in transformational healing and the divine feminine, Roxo shares tried-and-true methods that have led to both her own healing and that of hundreds of her coaching clients over the years. "We are in need of an uprising of bold, wild women who have reclaimed their bodies and stand in their sacred sexuality for them," she writes. "As women, we need to liberate our voices, step into total security within ourselves, and fully own our raw, sensual power, finally letting go of the shame, guilt, denial, and repression that's been put upon us." The methods in this book will inspire you, challenge you, bring up your resistance, and unleash your gifts. It won't always be easy, but if you do the work, you'll discover what it really feels like to f*ck like a goddess.

How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed buttoned up and battened down. But that changed the following year, when a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated chronicle, Peabody Award-winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At WBCN, creativity and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of *The Daily Show*; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone "Listener Line" fielded questions on any subject, day and night. From 1968 to Watergate, Boston's WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system. A cornucopia of images in color and black and white includes concert posters, news clippings, photographs of performers in action, and scenes of joyousness on Boston Common. Interwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the "news dissector" Danny Schechter, Marsha Steinberg, and Mitchell Kertzman. Lichtenstein's documentary *WBCN and the American Revolution* is available as a DVD sold separately.

Are morals always relative? Are private actions--among consenting adults--always beyond the law? Or are there some behaviors which so weaken a society that common beliefs about right and wrong must be enforced to protect the common good? In opposing the decriminalization of private acts of homosexuality in Britain, Patrick Devlin maintained that not only is it reasonable to allow popular morality to influence lawmaking, it is imperative: ". . . For a society is not something that is kept together physically; it is held by the invisible bonds of common thought." Some sidestep this controversial issue by asserting that the law should not be used to enforce any morality. Others invoke John Stuart Mill's doctrine that the only purpose for laws governing any

member of society is to prevent harm to others, chiefly physical harm. But, Devlin argued, while breaches of shared morality do not cause harm to other individuals in the way that murder and assault do, they do harm society by undermining its moral structure. Patrick Devlin (1905-1992) studied history and law at Cambridge University and became a successful lawyer.

It is widely believed that if you mention anything to an actor that happened more than twenty years ago, he or she will either laugh or cry. The point being that events in the show business tend to attain a larger than life quality, at least to the participants, either sadder or funnier than they would be if normal people were involved. I have earned a precarious living in various facets of the profession for nearly forty years, while observing, with wonder, these often bizarre moments. It seemed a waste to have them all disappear when I do. Therefore, in the interest of preserving a record of the antics of my fellow workers, from Ethel Merman to Bernard Wu, I dedicate this book. If you enjoy reading it half as much as I enjoyed living it, I will consider the effort eminently worth while.

Do you or someone you love suffer from "bad nerves"? •Denise is constantly on edge. She's convinced something bad is going to happen. •Ruth will drive an hour out of her way to avoid driving over a bridge. When she has to do it, her chest thumps, her heart starts racing, and she breaks out in a sweat. She's beginning to think she shouldn't leave her house. •Bernice hasn't slept in two months for fear that the witch is going to ride her again. What do these women have in common? They are struggling with crippling anxiety disorders. Thousands of Black women suffer from anxiety. What's worse is that many of us have been raised to believe we are Strong Black Women and that seeking help shows weakness. So we often turn to dangerous quick fixes that only exacerbate the problem -- like overeating and drug and alcohol abuse -- or we deny that we have problems at all. In *Soothe Your Nerves*, Dr. Angela Neal-Barnett explains which factors can contribute to anxiety, panic, and fear in Black women and offers a range of healing methods that will help you or a loved one reclaim your life. Here finally is a blueprint for understanding and overcoming anxiety from a psychological, spiritual, and Black perspective.

Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations. Reveals how the ancient Celtic text of the Mabinogion was the mythical predecessor to the legends of King Arthur. • Revised edition of *Arthur and the Sovereignty of Britain* (UK) that includes the author's latest research and insights. • A comprehensive reader's companion with synopsis of stories and full commentary. • Written by renowned scholar Caitlín Matthews, author of *The Celtic Wisdom Tarot* (15,000 sold). The ancient Celtic stories of the Mabinogion have received universal recognition from scholars as both sources of the Arthurian legend and keys to insights into the ancient magic of the Celtic Otherworld. Now renowned Celtic scholar Caitlín Matthews, drawing on a full range of medieval texts and ancient Welsh writings, provides a fully revised and updated reader's guide to these rich and far-reaching tales. In *King Arthur and the Goddess of the Land*, Matthews sheds particular light on Sovereignty, the Goddess of the sacred land of Britain, and the spiritual principle of the Divine Feminine. Clearly revealed are the many alternate forms taken by the Goddess of the Land—including her incarnation as Morgan of Avalon, who plays a dominant role in the Arthurian cycle. Also established are links between the legendary characters of the Mabinogion and their counterparts in other living myths of the Western world. Through the marriage of the Celtic kings to the Goddess of the Land, the sacred contract between political rulership and responsibility for the land's well-being is dramatically revealed. In *King Arthur and the Goddess of the Land*, Matthews once again articulates definitively the continuing relevance of ancient Celtic thought and belief as illustrated in the powerful myths and legends of ancient Britain.

The Indo-Iranian Anahita is an ancient Persian Goddess, who became a Zoroastrian Yazata (or Angel) and is still part of contemporary Zoroastrianism. Described as a beautiful maiden, who is strong, tall and pure, she is depicted as wearing a mantle embroidered with gold and as holding the baresma (sacred plant) in her hand. She is the Goddess of all the waters upon the earth, her full title being Aredvi Sura Anahita which means moist, mighty and immaculate (pure), and she travels on her chariot pulled by four horses: Wind, Rain, Cloud and Sleet. Closely associated with the King's investiture she is a Goddess of

Sovereignty, thought by some to be the Persian Aphrodite, who also has some remarkable similarities to numerous other ancient goddesses, including Ishtar, Venus, Nana and Isis. Each in turn share their research and insights leading the reader on a journey of discovery - from the Achaemenid Royal Inscriptions featuring Anahita and Mithra, to the possible relationships between Anahita and the Dame du Lac of Arthurian Legend, representations of her in Sassanian art, William Morris Hunt through to Anahita as the pre-Christian Virgin Mother of Mithra, as well as her role in purification and purity. Studies of the Sassanian rock reliefs, hot mineral springs, and her water ritual in Mah y na Buddhism, in addition to an examination of the Sassanid stucco discovered in the Barz-e-qawela in Lorestan province of Iran and women in ancient Elam are all brought together illustrating the significance of Anahita throughout Persian and Middle Eastern history. This book is the most extensive study of the figure of Anahita in recent years, and includes new and never published before research.
