English Grammar in Use Supplementary Exercises Book with Answers Cambridge English

All the vocabulary you need for IELTS success! Cambridge Vocabulary for IELTS Advanced focuses on moving students to 6.5 and beyond by working on vocabulary-building strategies necessary for success at advanced levels. It includes useful tips on how to approach IELTS exam tasks and covers especially tricky areas such as paraphrase and collocation. It is informed by the Cambridge English Corpus to ensure that the vocabulary is presented in genuine contexts and includes real learner errors. The Audio CD contains the listening and pronunciation exercises from each unit. The material is suitable for self-study or homework tasks, and may also be used in class with the teacher. *Grammar and Vocabulary for First Certificate* Peter Collin Publishing

This reference and practice book contains 60 attractive two-page units featuring approximately 1,000 phrasal verbs. This new level of English Phrasal Verbs in Use is specifically designed for advanced level students looking to improve their knowledge of this often difficult area of the English language. The book includes many phrasal verbs useful to students preparing for the Cambridge CAE, CPE and IELTS examinations.

study Pack (Student's Book with answers and Audio CDs (2))

Dorling Kindersley Ltd

Class-tested and coherent, this textbook teaches classical and web information retrieval, including web search and the related areas of text classification and text clustering from basic concepts. It gives an up-to-date treatment of all aspects of the design and implementation of systems for gathering, indexing, and searching documents; methods for evaluating systems; and an introduction to the use of machine learning methods on text collections. All the important ideas are explained using examples and figures, making it perfect for introductory courses in information retrieval for advanced undergraduates and graduate students in computer science. Based on feedback from extensive classroom experience, the book has been carefully structured in order to make teaching more natural and effective. Slides and additional exercises (with solutions for lecturers) are also available through the book's supporting website to help course instructors prepare their lectures.
