The fear is that if they really stand on our own two feet, they'll end up stranded - unwomanly, unlovely and unloved. But the prince has vanished: there is no place for a Cinderella today. Colette Dowling believes that only

when women come face to face with this realization can they work towards real independence. The Cinderella Complex: Women's Hidden Fear of ... The Cinderella complex : women's hidden fear of independence. [Colette Dowling] -- Explores why women have a deeply rooted psychological wish to be taken care of by someone else and what they can do to be free from it. The Cinderella complex : women's hidden fear of ... Cinderella Complex is a psychological syndrome that states women are unconsciously driven to be dependent on a dominant figure (preferably male). Relational Theory in relation to Cinderella complex... (PDF) Cinderella Complex: Theoretical Roots to ... The Cinderella complex was first described by Colette Dowling, who wrote a book on women's fear of independence – an unconscious desire to be taken care of by others. The complex is said to become more apparent as a person grows older. The complex is named after the fairy tale character Cinderella. It is based on the idea of femininity portrayed in that story, where a woman is beautiful, graceful, polite, supportive, hardworking, independent, and maligned by the females

of her society, but ... Cinderella complex - Wikipedia The Cinderella Complex is an eye opener for all men. All the more compelling because it is written by a woman with an 'insiders' knowledge. I wish I'd read this book in my teenage. The Cinderella Complex would have saved me from an awful lot of heartache, two divorces, and a load of money.
