HOOD BENJAMIN

The Gospel According to John Baker Books

As the first volume in the Johannine Monograph Series, The Gospel of John: A Commentary by Rudolf Bultmann well deserves this place of pride. Indeed, this provocative commentary is arguably the most important New Testament monograph in the twentieth century, perhaps second only to The Quest of the Historical Jesus by Albert Schweitzer. In contrasting Bultmann's and Schweitzer's paradigms, however, we find that Bultmann's is far more technically argued and original, commanding hegemony among other early-Christianity paradigms. Ernst Haenchen has described Bultmann's commentary as a giant oak tree in whose shade nothing could grow, and indeed, this reference accurately describes its dominance among Continental Protestant scholarship over the course of several decades.

THE GOSPEL OF JOHN

Baker Academic

From one of today's top-selling commentary series comes volume one of the Gospel of John, the 25th installment to the MacArthur New Testament Commentary series. John MacArthur gives verse-by-verse analysis in context and provides points of application for passages, illuminating the biblical text in practical and relevant ways. The series has been praised for its accessibility to lay leaders, and is a must-have for every pastor's library.

THE FOUR GOSPELS

Tyndale House

This highly accessible 2007 commentary brings readers into the cultural world of the gospel.

Social-Science Commentary on the Gospel of John InterVarsity Press

In this addition to the Catholic Commentary on Sacred Scripture, two well-respected New Testament scholars interpret the Gospel of John in its historical and literary setting as well as in light of the Church's doctrinal, liturgical, and spiritual tradition. They unpack the wisdom of the Fourth Gospel for the intellectual and spiritual

transformation of its readers and connect the Gospel with a range of witnesses throughout the whole history of Catholicism. This volume, like each in the series, is supplemented by features designed to help readers understand the Bible more deeply and use it more effectively in teaching, preaching, evangelization, and other forms of ministry.

Commentary on the Gospel of John: Bible Study Notes and Comments Wm. B. Eerdmans Publishing

This volume inaugurates a series of accessibly written yet substantive commentaries for use in Catholic universities, seminaries, and parishes.

The Gospel of John (Catholic Commentary on Sacred Scripture) Wm. B. Eerdmans Publishing

Preaching's Survey of Bibles and Bible Reference award

InterVarsity Press is proud to present The Lightfoot Legacy, a three-volume set of previously unpublished material from J. B. Lightfoot, one of the great biblical scholars of the modern era. In the spring of 2013, Ben Witherington III discovered hundreds of pages of biblical commentary by Lightfoot in the Durham Cathedral Library. While incomplete, these commentaries represent a goldmine for historians and biblical scholars, as well as for the many people who have found Lightfoot's work both informative and edifying, deeply learned and pastorally sensitive. In addition to the material on the Acts of the Apostles, published in volume one, there were detailed notes on the Fourth Gospel, a text that Lightfoot loved and lectured on frequently. These pages contain his commentary notes for John 1-12. Lightfoot had long wanted to write a commentary on the Gospel of John, but he was unable to do so due to more pressing demands on his time, as

well as his respect for his colleague B. F. Westcott. As a result, though he continued to compile notes on the text, they never saw the light of day until now. Included alongside the commentary are Lightfoot's long out-of-print essays on the historical reliability of the Fourth Gospel. Now on display for all to see, these commentary volumes reveal a scholar well ahead of his time, one of the great minds of his or any generation.

The Gospel of John, 1-3 John Baker Academic

The Gospel of Mark, addressed to an early Christian community perplexed by failure and suffering, presents Jesus as suffering Messiah and Son of God. Recognizing that failure and suffering continue to perplex Christians today, world-renowned New Testament scholar and theologian Francis Moloney marries the rich contributions of traditional historical scholarship with the contemporary approach to the Gospels as narrative. Now in paperback, this commentary combines the highest-level scholarship with pastoral sensitivity. It offers an accessible and thoughtful reading of Mark's narrative to bring the Gospel's story to life for contemporary readers.

Companion God Wm. B. Eerdmans Publishing

This commentary on Matthew offers a unique interpretive approach that focuses on the socio-historical context of the Gospel and the nature of Matthew's exhortation to his first-century Christian audience. / By merging a careful study of Matthew's Gospel in relation to the social context of the ancient Mediterranean world with a detailed look at what we know of first-century Jewish-Christian relations, Craig Keener uncovers significant insights into the Gospel not found in any other Matthew commentary. / In addition, Keener's commentary is a

useful discipleship manual for the church. His approach recaptures the full shock effect of Jesus teachings in their original context and allows Matthew to make his point with greater narrative artistry. Keener also brings home the total impact of Matthew's message, including its clear portrait of Jesus and its call for discipleship, both to the Gospel's ancient readers and to believers today. / Thoroughly researched, the book includes a 150-page bibliography of secondary sources, and more than 150 pages of indexes.

THE GOSPEL OF MARK

CUA Press

New Testament scholar Johannes Beutler brings together a lifetime of study and reflection in this acclaimed commentary, first published in German in 2013 and now available to English-speaking audiences for the first time. Moving through the Gospel of John with a careful and critical eye, Beutler engages the relevant primary and secondary sources; summarizes the existing discussion; and presents syntactic, semantic, and pragmatic analyses of the text. As he meticulously examines the Fourth Gospel, Beutler pays special attention to the influence of Old Testament and Early Jewish traditions, to the overall structure of the Gospel of John, and to evidence suggesting a later stratum of contextualized "re-readings" in the composition of the Gospel. Bold, literary, and theological, this volume represents a landmark work of German biblical scholarship.

[A Commentary on the Gospel of John](#) Anchor

This revised edition of Companion God is a unique commentary resource that combines contemporary biblical scholarship with

the perspective of a third world culture similar to that of biblical times. Based upon the author's many years of teaching and preaching the Gospel of Matthew, along with his experience of having spent six years living in Nepal and India, the biblical text is accompanied by an engaging and anecdotal presentation drawing upon the practices and customs of the tribal cultures indigenous to that region, such as arranged marriages; animal sacrifices; festivals resembling the Israelite Passover; foot washing; week-long weddings; extended family; smothering hospitality; tribal traditions; and dealing with widespread leprosy. The five narratives and discourses in the Gospel of Matthew leading to the passion, death, resurrection, and the Great Commission are considered, along with the major Matthean themes; the Beatitudes; the Lord's Prayer; Jesus' conflicts in dealing with the Pharisees; and insights with practical application to contemporary life. This commentary is an ideal resource for use in colleges, Bible study programs, Bible study groups, and homily preparation. Book jacket.

[A Commentary on the Gospel of Thomas](#) Wm. B. Eerdmans Publishing

This new commentary — part of Eerdmans's acclaimed NICNT series — gives primary attention to John's gospel in its present form rather than the sources or traditions behind it. J. Ramsey Michaels assumes that the John who authored the book is someone very close to Jesus and, therefore, that the gospel is a testimony to events that actually happened in the life of Jesus. Yet Michaels does not ignore the literary character of the gospel of John or its theological contribution to the larger Christian community from its own time to the present day. Through a

detailed verse-by-verse commentary, Michaels reveals how the gospel of “the disciple whom Jesus loved” is a unified composition, intertwined with the synoptics, yet drawing on material none of them cover.

A COMMENTARY ON THE GOSPEL OF MATTHEW

Wipf and Stock Publishers

'John is a remarkable Gospel, utterly different from the other three. It reflects the unique insights of the man who was closest to Jesus while he was on earth, and is full of concern that we should not just know about what Jesus did, but should also realize who he was. It reflects, too, John's burden the believers in Jesus should not be side-tracked by erroneous teaching, whether concerning Jesus' identity or the veracity of his claims. He wanted believers to be absolutely sure that eyewitnesses, Jesus' own words and his astonishing works all point to one who was truly God come in the flesh, the living Word, the very glory of God among humanity. John's collected evidence and proof all make the most compelling testimony to Jesus' right to demand our on-going trust and obedience.'

A Commentary on the Gospel of John Paulist Press

What Do the Five Points of Calvinism Really Mean? Many have heard of Reformed theology, but may not be certain what it is. Some references to it have been positive, some negative. It appears to be important, and they'd like to know more about it. But they want a full, understandable explanation, not a simplistic one. What Is Reformed Theology? is an accessible introduction to beliefs that have been immensely influential in the evangelical church. In this insightful book, R. C. Sproul walks readers through

the foundations of the Reformed doctrine and explains how the Reformed belief is centered on God, based on God's Word, and committed to faith in Jesus Christ. Sproul explains the five points of Reformed theology and makes plain the reality of God's amazing grace.

Commentary on the Gospel of Luke Baker Books

In 2008, Samuel was asked to teach an adult Bible study on the Gospel of John. He wanted it to be rich in Bible background and as close as possible to what the Apostle John intended. When the study concluded, he then placed it on his website, TrustinginJesus.com. He has continued to work on this commentary; it has been a work in progress for more than eleven years and is now read by thousands of visitors daily. A Commentary on the Gospel of John has been used by pastors, teachers, missionaries, Bible schools, students, and everyday people from perhaps every country. It is clear and easy to understand and taken directly from the scriptures with no concern for denominational teachings. It does not ramble but goes directly to the point the original writer was making. This commentary is for people of all ages, even the young; and those whose first language is not English will find it informative, entertaining, and of great value. Samuel's prayer is that it will be a blessing to you and your family for many years. About the Author Samuel is the writer and webmaster of TrustinginJesus.com, where he does commentaries, writes Christian articles, conducts Bible studies, and answers questions and prayer requests. His visitors come from every part of the

world. He was born again at a very young age. As a teenager, he reaffirmed his salvation and was baptized. He grew up in a Christian family and is forever grateful for his Christian mother and father. In earlier years, he had a regular job, flew airplanes, rode motorcycles, taught Sunday school and Bible studies, and raised three beautiful daughters. In the 1990s, Samuel felt a deep call from the Lord to do a personal in-depth Bible study. Three years later, he closed the Bible and sat quietly with the Holy Spirit welling up within and barely able to contain the tears of joy. Having gotten a foretaste of our awesome God, he simply said, "What a great and wonderful God we have!" He had acquired a life-changing knowledge and love for God's Word that he could have gotten in no other way. It had increased his craving to know more and was the beginning of more Bible research and studies, but more importantly, it had given him a burning desire to share the Lord Jesus with the world. "Our God is unfathomable, His love, knowledge and power are like eternity, it has no limits. No matter your lot in life, with Him every day is a new beginning" (Samuel Mills). Please visit him at www.trustinginjesus.com.

Commentary on the Gospel of Matthew Wm. B. Eerdmans Publishing

This commentary is opened by a study offering information about all aspects of the Gospel of Thomas, especially about its relation

to other texts of early Christian literature, including the canonical Gospels. The successive commentary is based upon the Coptic version and discusses also all fragments of the original Greek text. The volume is divided into two parts: The first discusses the function of each logion (saying) within the frame of piety and theology of the Thomasine group, for which the Gospel is composed; The second part discusses its literary shape and its history, including its relation to the historical Jesus. The result is a portrait of the Gospel as a radical interpretation of Jesus' heritage, still preserving some forgotten features of his teaching.
