**New York Magazine** Hassell Street Press

The Peruvian Heritage Songbook presents four classic children's songs from Peru for young learners all over the world. Each song is fully illustrated with lyrics and sheet music so children of all ages can sing along at home with the included CD. This book contains a very small sample of the rich musical heritage of Peru. Please enjoy these songs and stories as you begin your journey to learn more about Peruvian music and culture. -Read along in your book while listening to the accompanying recordings. Sing along with the karaoke tracks while reading the book -Sing the songs in the book a cappella (voice only) -Play along with shakers, drums, and other instruments -Act out the stories with puppets, props, or costumes -For older children, follow the notes on the sheet music We hope this collection sparks a lifetime of exploration of world music. Stream the audio tracks for all Heritage Series Songbooks at [www.montessorimusiclab.com](http://www.montessorimusiclab.com) Montessori Music Lab is based in Cambridge, MA and produces educational music content for young people worldwide.

Celebrating the spirit of song In *A Song to Sing, a Life to Live*, Don and Emily Saliers help readers see the connections between Saturday night music and Sunday morning music by exploring the spiritual dimensions of music itself. They tell the stories of their own lives in music, and they share what they have learned and observed about the power of music in human life. They help us appreciate the joy of music and also how music carries us into places of sorrow, where we must go if we are to live with honesty about ourselves and compassion for others. This book is for churchgoers and spiritual seekers alike. Music is described in terms of spiritual practice; it has the power to embrace those who are deeply immersed in the life of Christian faith and speak to those who are spiritual but may question formal religion. The book explores a wide variety of musical traditions and offers an invitation to embrace a broader and deeper vision of the power of music and the spiritual dimensions of attentive listening. "This is a beautiful expression of music as many things--healer, gift, symbol of freedom and community, and agent of change" (Mary Chapin Carpenter).

### THE SOUNDTRACK SERIES THE LION KING: I JUST CAN'T WAIT TO BE KING

Hal Leonard

Sue doesn't want to be a kangaroo! She's sure there's something out there much better for her to be, so she goes off to explore. And sure enough,

there are lots and lots of choices out there--but Sue's in for a surprise when she finally realizes that maybe a kangaroo is exactly what she wants to be.

**Life's a Joke** Chronicle Books

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

**The Meaning of Mariah Carey** Lulu.com

Commemorating Bruce Springsteen's twenty-five years as a recording artist, here is a panoramic view of his career in a form never seen before. This is the complete collection of Bruce Springsteen's recorded lyrics, illustrated with hundreds of never-before-published images from some of rock & roll journalism's greatest photographers, including Annie Leibovitz, David Gahr, Lynn Goldsmith, Bruce Weber, and many others. From Jim Marchese's informal backstage shots during the European leg of the 1980 *The River* tour to Neal Preston's amazing documentation of the *Born in the U.S.A.* days to Pam Springsteen's portraits showing a side of the musician rarely seen by the public, this is the most intimate look at Bruce Springsteen ever published. The photos and lyrics are accompanied by original commentary by Springsteen, in which he reflects on the songs, the performances, and the quarter-century career that for many defines the American dream. In words and in pictures, here is the one book no Bruce Springsteen fan can afford to be without.

[The Oxford Handbook of Music and Queerness](#) Oxford University Press

Restless and disillusioned with his life, Aiden McCarstle is ready for a night out at The Moonlight Café with his best friend Penelope: one night to not think about how much he hates grad school, to watch queer people make fools of themselves singing karaoke. A simple, reliable escape. But when it's not Penelope who walks through the door at Moonie's, but the high school nemesis Aiden hasn't seen in five years--well, things get a little more complicated. For Kai Andrews, moving back home after his mother's death has been harder and lonelier than he anticipated. And running into McCarstle again hadn't been in his plans, either. But he deserves a night out, away from responsibilities and grief. Sure, it appears McCarstle still hates his guts, for reasons Kai has never quite understood. But maybe, with a decent dose of pop music and Moonie's magic, Kai can finally, finally make Aiden smile. Just this once. Just for tonight. As a surprising, intimate night at Moonie's brings Aiden and Kai closer together, a winter storm moves in. And what was meant to be a simple night out turns into over 24 hours of being snowed in together. Through confessions, memories, and favorite poems, Aiden and Kai have to figure out if this unexpected second chance at connection was merely a temporary interlude--or if they can each come out better on the other side of the storm.

**Snuggle Puppy!** HarperEntertainment

(Piano/Vocal/Guitar Songbook). This collection features over 20 popular modern Christmas songs by today's top artists arranged for piano and voice with guitar chord frames. Includes: Christmas Lights (Coldplay) \* Christmas Saves the Year (Twenty One Pilots) \* Christmas Tree Farm (Taylor Swift) \* Cozy Little Christmas (Katy Perry) \* Everyday Is Christmas (Sia) \* Glittery (Kacey Musgraves) \* Hallelujah (Carrie Underwood & John Legend) \* He Shall Reign Forevermore (Chris Tomlin) \* I Need You Christmas (Jonas Brothers) \* Light of the World (Lauren Daigle) \* Mistletoe (Justin Bieber) \* Santa Tell Me (Ariana Grande) \* Underneath the Tree (Kelly Clarkson) \* and more.

*The Worlds of Japanese Popular Culture* IAP

The Microphone Book is the only guide you will ever need to the latest in microphone technology, application and technique. This new edition features, more on microphone arrays and wireless microphones; a new chapter on classic old models; the latest developments in surround; expanded advice on studio set up, recording and mic selection; improved layout for ease of reference; even more illustrations. John Eargle provides detailed analysis of the different types of microphones available. He then addresses their application through practical examples of actual recording sessions and studio operations. Surround sound is covered from both a creative and a technical viewpoint. This classic reference takes the reader into the studio or concert hall to see how performers are positioned and how the best microphone array is determined. Problem areas such as reflections, studio leakage and isolation are analyzed from practical viewpoints. Creative solutions to such matters as stereo sound staging, perspective, and balance are also covered in detail. Recording and sound reinforcement engineers at all levels of expertise will find The Microphone Book an invaluable resource for learning the 'why' as well as the 'how' of choosing a microphone for any situation.

**Thy Name was Once the Magic Spell** Hal Leonard Corporation

(Violin Play-Along). The Violin Play-Along series will help you play your favorite songs quickly and easily. Just follow the music, listen to the online audio to hear how the violin should sound, and then play along using the separate backing tracks. With the melody and lyrics included in the book, you may also choose to sing along. Chord symbols are provided should you wish to elaborate on the melody. The audio includes PLAYBACK+ features that allow you to loop passages, change the tempo, and more. This volume includes: Assassin's Creed III Main Title \* Game of Thrones \* Grenade \* Hallelujah \* Mission: Impossible Theme \* Pure Imagination \* Take Me Home \* Who Wants to Live Forever.

*New York Magazine* Dorrance Publishing

Features an audio read-along! With a simple, witty story and free-spirited illustrations, Peter H. Reynolds entices even the stubbornly uncreative among us to make a mark -- and follow where it takes us. Her teacher smiled. "Just make a mark and see where it takes you." Art class is over, but Vashti is sitting glued to her chair in front of a blank piece of paper. The words of her teacher are a gentle invitation to express herself. But Vashti can't draw - she's no artist. To prove her point, Vashti jabs at a blank sheet of paper to make an unremarkable and angry mark. "There!" she says. That one little dot marks the beginning of Vashti's journey of surprise and self-discovery. That special moment is the core of Peter H. Reynolds's delicate fable about the creative spirit in all of us.

The adventures of a boy and his dragon friend are recounted in this classic song from the 1960s.

## Andy Cohen Books

Music and queerness interact in many different ways. The Oxford Handbook of Music and Queerness brings together many topics and scholarly disciplines, reflecting the diversity of current research and methodology. Each of the book's six sections exemplifies a particular rhetoric of queer music studies. The section "Kinds of Music" explores queer interactions with specific musics such as EDM, hip hop, and country. "Versions" explores queer meanings that emerge in the creation of a version of a pre-existing text, for instance in musical settings of Biblical texts or practices of karaoke. "Voices and Sounds" turns in various ways to the materiality of music and sound. "Lives" focuses on interactions of people's lives with music and queerness. "Histories" addresses moments in the past, beginning with times when present conceptualizations of sexuality had not yet developed and moving to cases studies of more recent history, including the creation of pop songs in response to HIV/AIDS and the Eurovision song contest. The final section, "Cross-cultural Queerness," asks how to understand gender and sexuality in locations where recent Euro-American concepts may not be appropriate.
