But Miss Pym's cover-up of one crime precipitates another -- a fatal "accident" that only her psychological theories can prove was really murder.

EL FARO (ADAM DALGLIESH 13)

Book Sales Making rounds to homes one wet spring morning, veterinarian Dr. Kate Turner visits an estate whose owners breed champion Cavalier King Charles spaniels. Instead of sharing traditional tea with the couple, she confronts a bloody scene of bodies and twenty-seven blue-ribbon dogs running wild. Police initially suspect a murder-suicide, but when Dr. Kate proves the famous best-in-show champion is missing, a darker reality intrudes. She remembers her grandfather saying that there are two motives for murder—love and money. While treating local pets, Dr. Kate discovers suspects and motives everywhere in this charming town filled

with people who wanted the couple dead. Was the couple murdered for money their champion could bring to another breeder? How is their daughter, anxious to rid herself of the pampered dogs, handling the wealth she inherits? Would the celebrity filmmaker living nearby kill to end a multi-million dollar lawsuit? Did long-buried personal secrets cause the deaths? And what's going on at the office behind her back? Is Dr. Kate now in danger? We are delighted to discover and publish first-time mystery writer Eileen Brady, D.V.M. Her characters, style, and storytelling bring authenticity and atmosphere to this new "pet noir" series.

"There is a twist at the end which unexpectedly gave me the shivers as I contemplated history repeating itself. A well written book with a story which will keep you turning the pages. Halfway Around the World Vintage Canada
Adam Dalgliesh takes on a baffling murder in the rarefied world of London book publishing in this masterful mystery from

one of our finest novelists. Commander Adam Dalgliesh and his team are confronted with a puzzle of impenetrable complexity. A murder has taken place in the offices of the Peverell Press, a venerable London publishing house located in a dramatic mock-Venetian palace on the Thames. The victim is Gerard Etienne, the brilliant but ruthless new managing director, who had vowed to restore the firm's fortunes. Etienne was clearly a man with enemies—a discarded mistress, a rejected and humiliated author, and rebellious colleagues, one of who apparently killed herself a short time earlier. Yet Etienne's death, which occurred under bizarre circumstances, is for Dalgliesh only the beginning of the mystery, as he desperately pursues the search for a killer prepared to strike and strike again.

The Children of Men

Simon and Schuster

Una novela negra escrita por la gran dama del crimen y protagonizado por el detective emblemático Adam Dalgliesh. Combe Island, en la costa de Cornualles, antiguo marco de piraterías y comercio de

esclavos, propiedad de familia Holcombe desde el siglo XVI, se ha convertido en lugar de reposo para personajes de élite. Un paraje idílico al que Adam Dalgliesh, detective-poeta, es reclamado para esclarecer el caso de la muerte de Nathan Oliver. El cadáver del escritor de fama internacional odiado por sus vecinos, aparece colgado del faro de Combe Island. El peligro de más asesinatos se cierne a la amenaza de un virus mortífero que somete a cuarentena a la isla. Como en anteriores novelas de la autora, una de las grandes damas del crimen, ambientación y personajes, creados con extrema sensibilidad y viveza, se insertan con sabia verosimilitud en una trama magníficamente estructurada que arrastra al lector -tanto del género negro como del novelístico en general- desde la primera hasta la última página.

Ignoring Gravity Simon and Schuster

By tramp steamer, ferry, oil tanker, schooner, and Arab dhow, Young makes his way from Piraeus to Canton in this modern-day seafaring adventure [The Maul and the Pear Tree](#) Penguin Hardcover During seventy-five years of colonial rule, New

Zealand sent an assortment of characters to administer the Cook Islands. The author follows the trail of these rulers through the archives of both countries, in their personal letters and in the memory of the people.

The Skull Beneath the Skin Random House

Four previously uncollected stories from one of the great mystery writers of our time--swift, cunning murder mysteries (two of which feature the young Adam Dalgliesh) that together, to borrow the author's own word, add up to a delightful "entertainment." The newly appointed Sgt. Dalgliesh is drawn into a case that is "pure Agatha Christie." . . . A "pedantic, respectable, censorious" clerk's secret taste for pornography is only the first reason he finds for not coming forward as a witness to a murder . . . A best-selling crime novelist describes the crime she herself was involved in fifty years earlier . . . Dalgliesh's godfather implores him to reinvestigate a notorious murder that might ease the godfather's mind about an inheritance, but which will reveal a truth that even the supremely upstanding Adam

Dalgliesh will keep to himself. Each of these stories is as playful as it is ingeniously plotted, the author's sly humor as evident as her hallmark narrative elegance and shrewd understanding of some of the most complex--not to say the most damning--aspects of human nature. A treat for P. D. James's legions of fans and anyone who enjoys the pleasures of a masterfully wrought whodunit.

Our Lady of Birth Control
B DE BOOKS

On 26 December 1900, the vessel *Hesperus* arrived at Eilean Mor in the remote Outer Hebrides with a relief lighthouseman and fresh provisions. The lighthouse had been in operation for a year, but it had been noted that no light had been seen from Eilean Mor for several days. The relief keeper, Joseph Moore, found the lighthouse to be completely deserted, and a subsequent search of the island failed to reveal any sign of what had happened to the three keepers. The last entry in the logbook had been made on 15 December and contained a number of strange and distressing clues as to the mental states of the men. One

was reported to have been crying, while another had become 'very quiet'. When it was revealed that the men's oilskin coats were missing and the clock in the lighthouse had stopped, theories surrounding the keepers' fates inevitably proliferated. These included a giant wave washing them away, murder or suicide. Others favoured more esoteric explanations - Eilean Mor was believed to have mystical properties. In *The Lighthouse*, Keith McCloskey explores this mysterious and chilling

story in depth for the first time and reveals a shocking conclusion.
