The Jungle Book is a collection of stories. The tales in the book are fables, using animals in an anthropomorphic manner to give moral lessons. The verses of The Law of the Jungle, for example, lay down rules for the safety of individuals, families and communities. Kipling put in them nearly everything he knew or "heard or

dreamed about the Indian jungle." The best-known of them are the three stories revolving around the adventures of an abandoned "man cub" Mowgli who is raised by wolves in the Indian jungle. The most famous of the other four stories are probably "Rikki-Tikki-Tavi", the story of a heroic mongoose, and "Toomai of the Elephants", the tale of a young elephant-handler. As with much of Kipling's work, each of the stories is preceded by a piece of verse, and succeeded by another.

Joseph Rudyard Kipling (1865-1936) was an English short-story writer, poet, and novelist. He wrote tales and poems of British soldiers in India and stories for children. He is regarded as a major innovator in the art of the short story; his children's books are classics of children's literature; and one critic described his work as exhibiting "a versatile and luminous narrative gift".

 Police officer Megan Luz and her K-9 partner in crime, Brigit, are on all fours as they try to solve

their latest Lone Star mystery. AT THE ZOO The weather is beautiful, work is slow, and her canine colleague could use a walk. What better day for Megan to take Brigit to the Fort Worth Zoo, where they can let loose and witness the law and order of nature unfold? But what begins as a fun field trip turns serious when a pair of rare hyacinth macaws named Fabiana and Fernando goes missing. Is the new custodian, a gentle soul who happens to be an ex-convict, to blame? Or is

something far more sinister afoot? AND ON THE HUNT The birds are worth thousands of dollars, and the list of people on the premises who might have stolen them is long. Soon other animals start disappearing. . .and Megan and Brigit have their hands and paws full of suspects. But when a rare black rhino is taken from the zoo, presumably for its black-market-friendly horn, time is of the essence. Can Megan and Brigit find out who's behind the

mystery—before they too become prey? “Funny and acerbic... perfect for lovers of Janet Evanovich.” —Librarian and Reviewer

 In the small town of Ealing, Iowa, Austin and his best friend, Robby, have accidentally unleashed an unstoppable army. An army of horny, hungry, six-foot-tall praying mantises that

only want to do two things. This is the truth. This is history. It's the end of the world. And nobody knows anything about it. You know what I mean. Funny, intense, complex, and brave, Grasshopper Jungle brilliantly weaves together everything from testicle-dissolving genetically modified corn to the struggles of recession-era, small-town America in this groundbreaking coming-of-age stunner.

Herein are a collection of illustrated children's stories and poems by the English author Rudyard Kipling set in the jungles of India. Originally published as short stories in a magazine, so popular were they, that the author was persuaded to put

them into a book as a single collection. The Jungle Book, and its sequel, are now considered to be a classic of children's literature. The principal character is the boy or "man-cub" Mowgli, who is raised in the jungle by wolves. The stories feature Mowgli the man-cub's adventures with his animal brethren and the lessons they teach him in order to survive. Set in a forest in India; thought to be the "Seonee" (Seoni) forest in the central state of Madhya Pradesh, the

supporting cast of characters are animals such as Akela the wolf, Shere Khan the tiger, Baloo the bear, Kaa the python and Rikki-Tikki-Tavi the mongoose amongst the many which feature. The story traces his growth from man-cub to young man and his eventual re-introduction into human society and the struggles of letting go of old friends and relationships in order to move on. So sit back with a steamy beverage and be prepared to be entertained for many-an-

hour. If and when you come to pick up the story where you left it, don't be surprised if you find a younger reader is now engrossed in the book and is reluctant to let it go. 10% of the net sale will be donated to charities by the publisher.
