IELTS Speaking Test Practice - IELTS Speaking Exam Preparation & Language Practice for the Academic Purposes and General Training Modules by IELTS Success Associates contains 16 IELTS practice speaking tests. This book will help you improve your grammar, language skills, vocabulary

and fluency for the IELTS speaking test. IELTS Speaking Test Practice is designed for upper-intermediate to advanced learners of English. This study guide is conveniently organised into 8 parts: PART 1: How to improve your speaking test score The study guide begins with an overview of the IELTS speaking test format. It also provides you with tips and techniques to improve your speaking test score. PART 2: Grammar and sentence construction on the speaking exam You will learn what aspects of grammar and what types of sentence construction examiners are looking for in each part of your interview. PART 3: Using conditional sentences on the IELTS speaking tasks There are exercises teaching you how to use conditional sentences in order to get a higher score. PART 4: Sample speaking exam 1 Complete speaking exam with the following sections for each of the three IELTS speaking tasks: Overview of each of the tasks, explaining the format and pointing

out what is expected of you Tips for preparing for each of the tasks, with in-depth explanations Sample responses for each task with exercises and explanations PART 5: Useful conversational phrases In the next section of the study guide, we provide useful conversational phrases for you to practise for your speaking test. PART 6: Vocabulary improvement There is also a special section on how to improve your vocabulary for the IELTS speaking text. You will study lists of words for the topics most commonly tested on the IELTS speaking exam. PART 7: Three more complete IELTS speaking practice exams with model responses The book then has teacher's comments on each task. There are also exercises that ask you to analyse how the vocabulary, grammar and phrases are used in the sample responses. Each of the three speaking practice exams has three tasks each, just like the real IELTS speaking test. There are twelve speaking tasks, and texts for twelve model responses are provided. PART 8: Twelve additional speaking practice tests The twelve additional speaking tests are on these topics: Culture and Cultural Events Education Environment Family and Friends Food and Nutrition Free Time, Hobbies and Leisure Newspapers, Media and Technology Role Models Shopping and Consumerism Television Transport Travel and Tourism See a free sample of this book: For a free sample of this book, please click on the "Look Inside" icon on the top left corner of this page. Over a million students have transformed adequate work into academic achievement with this best-selling text. HOW TO STUDY IN COLLEGE sets students on the path to success by helping them build a strong foundation of study skills, and learn how to gain, retain, and explain information. Based on widely tested educational and learning theories, HOW TO STUDY IN COLLEGE teaches study techniques such as visual thinking, active listening, concentration, note taking, and test taking, while also incorporating material on vocabulary building. Questions in the Margin, based on the Cornell Note Taking System, places key questions about content in the margins of the text to provide students with a means for reviewing and reciting the main ideas. Students then use this technique--the Q-System--to formulate their own questions. The Eleventh Edition maintains the straightforward and traditional academic format that has made HOW TO STUDY IN COLLEGE the leading study skills text in the market.
