In *Hear the Word of the Lord: The Lectionary in Catholic Ritual*, Martin Connell offers an in-depth understanding of the Roman Catholic Lectionary for Mass. He presents a theology of the Word of God that is grounded in both ancient and ongoing liturgical practices of hearing and proclaiming the Word in the Church. Steeped in the history and composition of the New Testament, Connell traces the development of the Lectionary from the letters of St. Paul to the current Lectionary, demonstrating the way in which a listening assembly serves as an essential component of both our experience and our understanding of Scripture. In addition, Connell presents a comprehensive look at the structure of the Lectionary and its role in the liturgical year.

2021 Daily and Sunday Mass Readings with Liturgical Prayers and Eucharistic Prayers, January to June Pueblo Books

Dear people of God, please make out the time to be actively part of every rite and ceremony of this gracious season of Lent and holy week. Easter is the most solemn of the feasts of the church. The preparations for Easter begins on Ash Wednesday when all of us begin to reflect on the temptations, suffering and death of our Lord, Jesus Christ. Our Lord's entire life, especially his passion, would have made little or no meaning if there was no resurrection. Let us therefore, thank the Father of our Lord Jesus Christ who raised him from death and made us partakers of the glory of his resurrection. At Lent and especially in the Holy week the Church offers us a very rich and spirit filled ceremony and expects us to participate actively, in the spirit of the Second Vatican Council. The holy week celebration requires that all of us, priests and the faithful alike, immerse ourselves in the paschal mystery that we celebrate. This

we must do through simple acts of prayer, reflection, silence and a deep expression of religious piety. If we use this Holy week and Easter Manual to participate fully in this holy season. We will be in the full spirit of the season. The stations of the Cross, liturgy readings, prayers, Holy week ceremonies and gestures as laid out in the manual will afford every one of us the opportunity to triumphantly enter Jerusalem with Christ on Palm Sunday, partake in the last supper be arrested with Christ on Holy Thursday, scourged, crucified and die with Christ on Good Friday in order to RISE with him on Easter Sunday. The readings are in accordance with the Vatican II and it also contains daily Readings for Easter Octave. May the Risen Lord bless our Lenten observance with an eternal and glorious Easter

Lectio divina is an ancient spiritual practice that can help us to hear God

speaking to us through the words of Scripture. In recent times, Pope Benedict XVI and a Synod of Bishops have recommended that laypeople pray with the Scriptures using this method. In this book, respected biblical scholar Stephen J. Binz chooses the first reading and the Gospel for each Sunday in cycles A, B, and C during the Easter season—all the way up until Pentecost. Then he leads readers through the steps of lectio divina—reading, meditation, prayer, contemplation, and action—by suggesting themes and verses on which to focus.

'Catholic Worship' is a major introduction to today's liturgy by one of the country's most prominent liturgical scholars. It offers a comprehensive survey of the Second

Vatican Council's teaching on the liturgy and its decrees concerning liturgical revision and reform, and it provides a guide to the revised forms of Mass, the office, the sacraments and other rites. Focusing throughout on the meaning and significance of the liturgy, the author also discusses the principles of authentic participation and why we should make the most of the liturgy. The early chapters deal with the origins of the liturgy and with significant developments in medieval and modern times. The main part of the book is devoted to the rites and texts, but there are also chapters dealing with the place of music, art, architecture, speech, and movement in liturgy, and the significance of time and of signs and symbols. The general principles governing music and signing in the various rites receive special attention, and there is a section on the design and re-ordering of churches.
