Rodale Books
Kata Edgar Allan Poe, sebagian besar penulis takut jika proses berkaryanya diketahui orang lain. Sementara itu, Pablo Picasso kerap membuat orang yang berkomunikasi dengannya justru kehilangan energi dan motivasi berkarya. Ya, keduanya memang maestro legendaris,

tapi sekarang bukan saatnya lagi berkarya ala mereka. Bukan juga zamannya Mozart sang genius musik. Ini eranya kamu, siapa pun kamu, bisa berkarya! Lalu, apa kuncinya? Tunjukkan saja. Di zaman keterbukaan ini, semua orang punya kesempatan sama untuk jadi hebat. Jangan sembunyikan proses kreatifmu. Undang orang-orang untuk melihatnya. Jangan khawatir

kritik, karena itu bahan pelajaran buatmu. Ide yang menurutmu tidak menarik, siapa tahu luar biasa bagi orang lain. Lebih dari itu, karyamu juga bisa menginspirasi orang lain. Jadi, tunggu apa lagi? Tak perlu ragu atau malu. Berbagi karya membuatmu kaya! " ... Semakin banyak kamu memberi, semakin banyak yang kembali kepadamu."- Paul Arden [Mizan, Noura Books, Karya,

THE MEASURE OF SUCCESS

National Academies Press
Why do some people succeed in their careers while others struggle? As a business school professor, Jim Muncy studied that question for years. The answers he found were simple yet profound. What makes people succeed in their careers are the exact

same things that make them succeed in anything else. There are a few keys to all success. Applying these keys will make us more successful in our careers. But that's not all. They will give us better health, more money, and better marriages. They can make us better athletes and better parents. They help us enjoy life more because they can improve every area of our lives. When Dr. Muncy began

teaching these keys to his students, he immediately began to see lives change. In *A Few Keys to All Success*, Dr. Muncy shares the success keys that have impacted countless students. This book is a must-read for anyone with high aspirations. It's a practical, interesting, and easy to read explanation of what it takes to really succeed in life. *The Lost Prosperity Secrets of*

St. Martin's Essentials Award-winning activist, journalist and motivational speaker Jeff Johnson dares the post-Civil Rights generation to stop making excuses, overcome personal challenges, and create lives filled with passion, meaning, and service in *Everything I'm Not Made Me*. *Everything I Am*. This empowering strategic guide for manifesting

and achieving your personal B.E.S.T. highlights Johnson's unique blend of political consciousness and street-smart inspiration. A committed youth advocate, Johnson offers a lifeline to those who feel lost in a sea of choices, distractions, and self-imposed limits. *Everything I'm Not Made Me*. *Everything I Am* offers practical guidance for learning how to unplug from the

programmed expectations of family and society in order to discover and fulfill your unique life's mission. *Make Success Mandatory*. Harper Collins An International Bestseller—Over 3 Million Copies Sold! With translations in more than thirty languages, *Act Like a Lady, Think Like a Man* is the definitive relationship guide for women. Steve Harvey can't count the number of

impressive women he's met over the years—the many incredible women who can run a business, have three kids, maintain a household in tiptop shape, and chair a church group all at the same time. So, when it comes to relationships, why can't these same women figure out what makes men commit? According to Steve, it's because they're asking other women for advice

when they should be going directly to the source. In this expanded edition, Steve includes an added section of all new advice, with tips on dealing with your partner's exes, spicing up your relationship, ensuring you're ready for that walk down the aisle, and much more. Sometimes funny, often unflinchingly direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book

you must read if you want to understand how men think when it comes to relationships, intimacy, and love.

THINK AND
GROW RICH It isn't everyday that an opportunity comes along to read newly discovered advice for success in

tough times in a book by Napoleon Hill, the legendary author of Think & Grow Rich, The Magic Ladder to Success, and The Master Key to Riches. The Lost Prosperity Secrets of Napoleon Hill consists of a series of magazine articles Napoleon Hill wrote between 1919 and 1923 for Success magazine, for which he eventually became an editor. Hill's drive to become

successful led him from the poverty stricken Appalachian Mountains to meetings with rags-to-riches tycoons. These articles focus on Hill's philosophy of success. Drawing upon the thoughts and experiences of a multitude of influential people, Hill explains how those successful people achieved their status. Many of these writings have been the basis of several best-selling books.

Discover principles designed to guide you in putting these steps to success into action. It is in these early articles that Hill honed his theories, refined his arguments, and polished his presentation of the success philosophy for the ordinary person. A necessary handbook for our era, The Lost Prosperity Secrets of Napoleon Hill is filled with time-tested wisdom that resonates as

strongly and is as appropriate today as when it was first written. Chronicle Books “Harvey offers surprising insights into the male mentality and gives women strategies for taming that unruly beast.” —Philadelphia Inquirer “Women should listen to Steve Harvey when it comes to what a good man is about. Steve Harvey dispenses a lot of fabulous information about men.” —Aretha Franklin The

#1 New York Times bestseller from the new guru of relationship advice, Steve Harvey’s *Act Like a Lady, Think Like a Man* is an invaluable self-help book that can empower women everywhere to take control of their relationships. The host of a top-rated radio show listened to by millions daily—and of cable TV’s *The Steve Harvey Project*—Harvey knows what men really think about

love, intimacy, and commitment. In *Act Like a Lady, Think Like a Man*, the author, media personality, and stand-up comedian gets serious, sharing his wealth of knowledge, insight, and no-nonsense advice for every good woman who wants to find a good man or make her current love last.

The Passion Paradox
Macmillan

What is your "Passion" In life? Everyone should have one, so what's yours? To

create a multimillion dollar empire, or to be the next exciting NFL player? Maybe to obtain a marriage that is envied by all, or to purchase the home of your dreams? Whatever your desires may be, there are things that can steal your passion for the goals you have, and may be leaving you broken down on the highway of life. Ask yourself one question, "Are you living your life with real

passion? If not, "why?" You may not believe it, but your life was not meant to be lived in an eternal spiral of frustration and defeat. You were born to soar to the stars! In "DISCOVERING THE PASSION THIEVES OF SUCCESS AND UNLEASHING THE REAL YOU," Life Coach, Blended Family councilor, and author Anthony E. Discovering the Soul of Service

Harper Collins #1 New York Times bestselling author Steve Harvey helps you engage the Divine Spirit within you to find your life’s desire and use your own imagination to make your life’s vision a reality. At the beginning of each broadcast of his morning radio show, Steve Harvey offers his

millions of listeners a few moments of spiritual advice to inspire and guide them. Fans love Steve’s wisdom and often share his insightful messages with friends and family. In this essential book, Steve expands on those daily words of wisdom by providing fans—and anyone in need of spiritual support, comfort, or guidance—this heartfelt collection of spiritual

devotions. Steve beautifully and thoughtfully explains what faith is and how it can work miracles in our daily lives. He also talks in-depth about the power of human imagination and how we can use it to make our dreams come true. Steve believes that no vision enters our minds without our ability to make it a reality. As God inspires us to build and create a larger vision for our

lives, Steve shows us that when we combine our inherent power with God's divine plan, we can each achieve anything. Steve also reveals the power of using imagination, faith, and hard work to make our visions a reality. Written in an engaging storytelling format in Steve's warm, inviting voice, each chapter of this thoughtful book offers invaluable advice and anecdotes that illuminate

the power of imagination and how to use our God-given visions to enrich our lives. *The Secret Door to Success (Condensed Classics)* B&H Publishing Group Prepare your students to lead the future. *Discovering Leadership: Designing Your Success* provides a practical, engaging foundation and easy-to-understand framework for individuals to purposefully design

leadership. This action-oriented text starts with the self and helps students understand their individual strengths, styles, and skills through numerous reflection opportunities. Next, the text explores the relational aspects of leadership and best practices for motivating and inspiring followers. Finally, the text concludes by examining how leaders can transform their communities and create

lasting, positive change. Practical applications and activities in each chapter help students develop their confidence, optimism, resiliency, and engagement. Regardless of your students' background or major, they will gain the knowledge and skills they need to become thoughtful, impactful leaders. *Success: Discovering the Path to Riches* Amistad This wise and

inspiring book by Leonard Berry, moves far beyond his pioneering work in services marketing and service quality to explain how great service companies meet their toughest challenge: sustaining long-term success. In a world where customers regard flawless products as a given, service is the key differentiator between competitors in any field. From Berry's exacting study of fourteen

mature, highly successful, labor-intensive companies comes an astonishing revelation: the single most important factor in building a lasting service business is not a matter of savvy business practice, but of humane values. In all fourteen award-winning companies -- Bergstrom Hotels, The Charles Schwab Corporation, Chick-fil-A, The Container Store, Custom Research Inc.,

Dana Commercial Credit, Dial-A-Mattress, Enterprise Rent-A-Car, Midwest Express Airlines, Miller SQA, Special Expeditions, St. Paul Saints, USAA, and Ukrop's Super Markets -- values-driven leadership connects with strategic focus, executional excellence, control of destiny, trust-based relationships, generosity, investment in employee success, acting small,

and brand cultivation to drive customer satisfaction, innovation, and growth. Dedicating a chapter to each of these nine drivers, this book is the most far-reaching and insightful vision ever presented of the principles and step-by-step actions that continuously bring success to life in a company. Berry's comprehensive model reveals the soul that underlies the strategies and

day-to-day operations of great service companies, guiding the thousands of daily decisions of individual employees. Clear, compelling, pathbreaking, Discovering the Soul of Service is essential reading for managers everywhere. Success with Less Morgan James Publishing The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that

is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant

and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther

King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite

of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY. Show Your Work! Amistad The brain ... There is no other part of the human anatomy that is so intriguing. How does it develop and function and why does it

sometimes, tragically, degenerate? The answers are complex. In Discovering the Brain, science writer Sandra Ackerman cuts through the complexity to bring this vital topic to the public. The 1990s were declared the "Decade of the Brain" by former President Bush, and the neuroscience community responded with a host of new investigations and conferences. Discovering

the Brain is based on the Institute of Medicine conference, Decade of the Brain: Frontiers in Neuroscience and Brain Research. Discovering the Brain is a "field guide" to the brain—an easy-to-read discussion of the brain's physical structure and where functions such as language and music appreciation lie. Ackerman examines: How electrical and chemical signals are conveyed in

the brain. The mechanisms by which we see, hear, think, and pay attention—and how a "gut feeling" actually originates in the brain. Learning and memory retention, including parallels to computer memory and what they might tell us about our own mental capacity. Development of the brain throughout the life span, with a look at the aging brain. Ackerman provides an

enlightening chapter on the connection between the brain's physical condition and various mental disorders and notes what progress can realistically be made toward the prevention and treatment of stroke and other ailments. Finally, she explores the potential for major advances during the "Decade of the Brain," with a look at medical imaging techniques—

what various technologies can and cannot tell us—and how the public and private sectors can contribute to continued advances in neuroscience. This highly readable volume will provide the public and policymakers—and many scientists as well—with a helpful guide to understanding the many discoveries that are sure to be announced throughout the "Decade of the Brain."
