Following the heels of the independent smash-hit JESUS HATES ZOMBIES: Those Slack-Jaw Blues, writer/creator Stephen Lindsay is back with the J-Man and a new friend: Abraham Lincoln! Starring in a new four-part ongoing straight-to-trade series, Jesus, along with Laz, his loyal zombie sidekick, must figure out a way to unite the remaining humans to stand up and defeat the zombie menace. But zombies won't be there only problem, werewolves abound - and it's up to another bearded man to defeat these dastardly beasts! Abraham Lincoln to be exact! With a time-traveling Lincoln at their side and a zombified Angel hot on their heels, can this mish-mash of heroes save humanity... and themselves?

THE STORY OF CHRIST AND THE SEVEN ECUMENICAL COUNCILS

FranklinCovey
What do you do when your marriage is so unhappy that you

begin to fantasize about your husband's funeral? That's how bad it got for Alisa Bowman. . . So she launched a last-ditch effort to save her marriage. Project: Happily Ever After is her fearlessly honest and humorous account of how she went from being a "divorce daydreamer" to renewing her wedding vows -- and all of the steps in between. From bikini waxes to erotica, romance instruction manuals to second honeymoons, the silent treatment to power struggles, she goes where many marriage-improvement gurus have feared to tread. Equal parts funny, poignant, and most importantly, useful, Bowman's story will give other miserably-married folks courage and hope. And in addition to telling her own story, she packs straightforward prescriptive guidance, including a "10-Step Marital Improvement Guide." Readers will laugh. They'll cry. And they can start on the road toward their own happy ending!

Medusa InterVarsity Press

In the ten years since its publication, *The 7 Habits of Highly Effective People* has become a worldwide phenomenon, with more than twelve million readers in thirty-two languages. *Living the 7 Habits: Stories of Courage and Inspiration* captures the essence of people's real-life experiences, applying proven principles to help them solve their problems and overcome challenges. In this uplifting and riveting collection of stories, readers will find wonderful examples of hope and encouragement as they are touched by the words of real people and their

experiences of change-change that got them through difficult times; change that solved family crises; change that mended broken relationships; change that turned their businesses around; change that influenced entire communities.

Stan the Plant-eater Alterna Comics Inc.

C. Stephen Evans explains and defends Kierkegaard's account of moral obligations as rooted in God's commands, the fundamental command being 'You shall love your neighbour as yourself'. The work will be of interest not only to those interested in Kierkegaard, but also to those interested in the relation between ethics and religion, especially questions about whether morality can or must have a religious foundation. As well as providing a comprehensive reading of Kierkegaard as an ethical thinker, Evans puts him into conversation with contemporary moral theorists. Kierkegaard's divine command theory is shown to be an account that safeguards human flourishing, as well as protecting the proper relations between religion and state in a pluralistic society.

And Other Questions Christians Ask about Recovery Hachette UK Taking a literary approach to the Old Testament in this New Studies in Biblical Theology volume, Stephen G. Dempster traces the story of Israel through its family lines and locales—and reflects on its meaning for New Testament revelation.

SOLVING THE MYSTERY OF THE GORGON

Amagi

In the 7 Habits series, international bestselling author Stephen R. Covey showed us how to become as effective as it is possible to be. In his long-awaited new book, THE 8th HABIT, he opens up an entirely new dimension of human potential, and shows us how to achieve greatness in any position and any venue. All of us, Covey says, have within us the means for greatness. To tap into it is a matter of finding the right balance of four human attributes: talent, need, conscience and passion. At the nexus of these four attributes is what Covey calls voice - the unique, personal significance we each possess. Covey exhorts us all to move beyond effectiveness into the realm of greatness - and he shows us how to do so, by engaging our strengths and locating our powerful, individual voices. Why do we need this new habit? Because we have entered a new era in human history. The world is a profoundly different place than when THE 7 HABITS OF HIGHLY EFFECTIVE PEOPLE was originally published in 1989. The challenges and complexity we face today are of a different order of magnitude. We enjoy far greater autonomy in all areas of our lives, and along with this freedom comes the expectation that we will manage ourselves, instead of being managed by others. At the same time, we struggle to feel engaged, fulfilled and passionate. Tapping into the higher reaches of human genius and motivation to find our voice requires a new mindset, a new skill-set, a new tool-set - in short, a whole new habit.

Infinite Travels Tor Books

Compete in the Space Race with Infinite Travels! The Ultimate History Book for Kids! *FUNDRAISER* please help. If you liked Where The Wild Things Are, You'll love Infinite Travels! Explore the FUN facts of history hands-on with Billy, your Infinite Travels guide! In this issue, Billy takes you to the year 1957, when the Space Race began. Infinite Travels actively supports education; donating 10 percent of all proceeds directly to fundraisers WORLDWIDE, pertaining to kids' education! please

help us with your support. About the Author Stephen Palmer is known world-wide for his wild cartoon style and endless imagination. Creator of Burt the Worm(tm) as seen on Adult Swim(tm) Williams Street Stream(tm), JungleVille(tm) on Eugene's PBS(tm), The Escape from Swiss Cheese Island(tm) and Infinite Travels(tm) available on Amazon(tm) and Barnes and Noble(tm) all under SP Productions. Other affiliated projects include cartoon and animation for Anitopia(tm), InTour(tm) and Story Drops(tm) available on the iTunes App Store(tm) and Google Play(tm). Stephen illustrates Buddy the Motocross Bike(tm) available on Amazon(tm) and Barnes and Noble(tm). He works with a wide variety of mediums from graphic and motion design to illustration, animation and VFX. Stephen is well known for his consistent reputation of creating professional, and distinctive products while working within an art style that is unlike any other. At a young age, Stephen enjoyed reading Bill Watterson's 'Calvin and Hobbes' and tracing illustrations out of Shel Silverstein's poem books like 'Light in the Attic' and 'The Giving Tree'. Today whenever he has the spare time, he enjoys watching cartoons and movies, playing lacrosse, gold panning and cooking. Stephen aims to bring happy, sadness joy and laughter to all his viewers, young and old. *For more information on Stephen Palmer visit his IMDB or view Stephen's Demo Reel: IMDB: <http://www.imdb.com/name/nm5057685/> Vimeo: <https://vimeo.com/54503716> Author's Note It all started with an idea, which led to an animation. The idea came from my childhood - I used to dress up as my favorite action-figure and run around the neighborhood pretending I was that toy. I wanted to run with this idea of imagination - a boy with his imagination. However, I had another passion - education. I truly wanted to show young souls how much fun it could be to learn about topics such as History with just a touch of imagination. So I created Billy - a young boy eager to travel not just to different places, but to different time periods. Kids will enjoy flipping each page, seeing the beautiful colors, characters and events that formulated our world. Billy uses his trusty Time Machine to take kids to these places, teaching them everything they need to know. Best part is, the books are interactive, as I have added fun games and trivia in the back of every book, just like I remember ruining the lovely books my mother bought for me, scribbling in them as a young child. With Infinite Travels, you don't need to worry about that. The kids can color and fun as well as learn in the process. To see the animation I've created before Infinite Travels was even an idea yet, please visit this link: <https://vimeo.com/22664441> The overall idea was to have fun with this particular project of SP Productions. We want to make sure every product of ours moves our consumers. Stay tuned for more Infinite Travels issues in the future! *BUY YOUR COPY AND HELP CHILDREN TODAY!*

A Theology of the Hebrew Bible Shadow Mountain

"LAWHEAD KNOWS HOW TO SPIN A TALE." —Booklist A story rich in history and imagination, here is the final volume in Stephen R. Lawhead's magnificent saga of a Scottish noble family and its divine quest during the age of the Great Crusades. A thousand years after its disappearance, the Mystic Rose—the fabled Chalice of the Last Supper—has been found, and the warrior monks of the Knights Templar, led by the ruthless and corrupt Renaud de Bracineaux, will stop at nothing to possess it. One brave, dauntless, noblewoman stands in their way . . . Born among the hills of Scotland, and raised on the Crusader tales of her grandfather, Murdo, and her father, Duncan, young Cait is determined to claim the Holy Cup for her own. Guided by a handful of clues gleaned from a stolen letter, Cait and a small band of knights follow a treacherous trail that leads from the shadowed halls of Saint Sophia into the heart of Moorish Spain and a world long unseen by Christian eyes. A journey whose end

means victory . . . or death. "THOSE LUSTING FOR THE TRUE PATH WILL EAT IT UP." —Kirkus Reviews

The Wisdom and Teachings of Stephen R. Covey Simon and Schuster

Traces the story of how Christians came to proclaim Jesus of Nazareth as both 'truly divine' and 'truly human'. This title examines the controversies that led up to the first seven ecumenical councils, the councils themselves, the decisions they made, the key theologians involved and the cities in which the councils were held.

THE SEVEN HABITS OF HIGHLY EFFECTIVE PEOPLE

Vintage Canada

Did Martin Luther wield his hammer on the Wittenberg church door on October 31, 1517? Did he even post the Ninety-five Theses at all? This collection of documents sheds light on the debate surrounding Luther's actions and the timing of his writing and his request for a disputation on the indulgence issue. The primary documents in this book include the theses, their companion sermon ("A Sermon on Indulgence and Grace", 1518), a chronological arrangement of letters pertinent to the theses, and selections from Luther's Table Talk that address the Ninety-five Theses. A final section contains Luther's recollections, which offer today's reader the reformer's own views of the Reformation and the Ninety-five Theses.

Dominion and Dynasty Simon and Schuster

Restoring Prophetic Watchmen imparts apostolic insight concerning the need for "Watchmen" in the Church today. The Spirit of the Lord is stirring intercessors, prophets and seers in these days and causing them to lift their voices like trumpets once again and sound holy alarms as the watchmen of old. May you receive enlightenment as you read this book.

A COMPENDIUM OF STRANGE AND DARK STORIES

Thomas Nelson

Vowing to reclaim the land of his fathers, Zeniff leads a company of Nephites deep into Lamanite territory. But the Lamanites have other plans for them. Can Zeniff defend his city against the Lamanite armies? Will his ambitious son Noah seize the crown? Can the prophet Abinadi save the city from its own wickedness? Adventure, war, betrayal, and redemption await you in iPlates Volume 1, an award-winning comic series based on the Book of Mormon.

Anyone Can Whistle Rizzoli Publications

Do Christians need recovery? Or is recovery something needed by the church itself? Addiction--whether to a substance or to a behavior--is a problem within faith communities, just like it is everywhere else. But because churches are rarely experienced as safe places for dealing with addicting, co-addiction, or the legacy of family dysfunction, Christians tend to seek recovery from these conditions in Twelve-Step fellowships. Once they become accustomed to the ethos of vulnerability, acceptance, and healing that these fellowships provide, however, they are often left feeling that the church has failed them, with many asking: why can't church be more like an AA meeting? Inspired by his own quest to find in church the sort of mutual support and healing he discovered in Twelve-Step fellowships, Stephen Haynes explores the history of Alcoholics Anonymous and its relationship to American Christianity. He shows that, while AA eventually separated from the Christian parachurch movement out of which it emerged, it retained aspects of Christian experience that the church itself has largely lost: comfort with brokenness and vulnerability, an emphasis on honesty and transparency, and suspicion toward claims to piety and respectability. Haynes encourages Christians to reclaim these distinctive elements of

the Twelve-Step movement in the process of "recovering church." He argues that this process must begin with he calls "Step 0," which, as he knows from personal experience, can be the hardest step: the admission that, despite appearances, we are not fine. *The Stephen R. Covey Interactive Reader - 4 Books in 1* Mango Media Inc.

Are morals always relative? Are private actions--among consenting adults--always beyond the law? Or are there some behaviors which so weaken a society that common beliefs about right and wrong must be enforced to protect the common good? In opposing the decriminalization of private acts of homosexuality in Britain, Patrick Devlin maintained that not only is it reasonable to allow popular morality to influence lawmaking, it is imperative: ". . . For a society is not something that is kept together physically; it is held by the invisible bonds of common thought." Some sidestep this controversial issue by asserting that the law should not be used to enforce any morality. Others invoke John Stuart Mill's doctrine that the only purpose for laws governing any member of society is to prevent harm to others, chiefly physical harm. But, Devlin argued, while breaches of shared morality do not cause harm to other individuals in the way that murder and assault do, they do harm society by undermining its moral structure. Patrick Devlin (1905-1992) studied history and law at Cambridge University and became a successful lawyer.

Jesus Hates Zombies 1 Shadow Mountain

New York Times bestselling author Stephen R. Donaldson presents the first novel of the four-volume finale to the series that's become a modern fantasy classic: *The Chronicles of Thomas Covenant*. Thomas Covenant lost everything. Abandoned by his wife and child, sick and alone, he was transported while unconscious to a magical, dreamlike world called the Land. Convinced it was all a delusion, Covenant was christened *The Unbeliever* by the Land's inhabitants—but gave his life to save this new-found world he came to regard as precious. Ten years after Covenant's death, Linden Avery still mourns for her beloved companion. But a violent confrontation with Covenant's son, who is doing the evil Lord Foul's bidding, forces her into the Land, where a dark malevolence is about to unmake the laws of nature—and of life and death itself. It is here that she comes upon Esmer, son of the Dancers of the Sea, a creature of strange powers who draws Linden backwards through time to witness Thomas Covenant's return to life, and to reinvent the mysterious, dangerous, and violent history of the Land.

The Mystic Rose Oxford University Press

Archdiocese of Washington exorcist Msgr. Stephen Rossetti and his team have a very active caseload of demonic possessions. Msgr. Rossetti presents many of these stories here, without varnish or hype. In these ninety-five detailed cases, two vivid lessons consistently emerge: 1. Demons possess or simply harass people in myriad ways and need to be taken seriously, even when they do not enter a soul. 2. Demons are defeated, decisively, by the power of Christ and His Church, employing prayer, sacramentals, rites of exorcism -- and especially, invocations to the Blessed Mother. "Despite all their bluster and arrogance, demons are cowards," Msgr. Rossetti reveals. In fact, in every section of his work, he offers detailed "Theological Reflections" explaining the meaning of these possessions, why he thinks God permitted each, and the spiritual benefits accrued. The devil is no match for the Lord of Heaven and Earth.

The Celtic Crusades: Book III Harper Collins

Medusa, the Gorgon, who turns those who gaze upon her to stone, is one of the most popular and enduring figures of Greek mythology. Long after many other figures from Greek myth have been forgotten, she continues to live in popular culture. In this fascinating study of the legend of Medusa, Stephen R. Wilk

begins by familiarizing readers with the story through ancient authors and classical artwork, then looks at the interpretations that have been given of the meaning of the myth through the years. A new and original interpretation of the myth is offered, based upon astronomical phenomena. The use of the gorgoneion, the Face of the Gorgon, on shields and on roofing tiles is examined in light of parallels from around the world, and a unique interpretation of the reality behind the gorgoneion is suggested. Finally, the history of the Gorgon since classical times is explored, culminating in the modern use of Medusa as a symbol of Female Rage and Female Creativity.

Spiritual Roots of Human Relations Sophia

Is it possible to be a young child and love whole, plant-based foods? It sure is, and Stan of Stan the Plant-eater is a shining example. Stan the Plant-eater is a fun and entertaining book that

is simple and to-the-point for young children. Through the use of rhythmic poetry, children are encouraged to eat whole, plant-based foods and be friends with animals. Stan is a young boy who is a compassionate, kind and loving role-model. He is very excited about healthy food and eating lots of it. But, there are some things that he just won't eat. Young children, as well as the adult reading with them, are provided with ideas for meals and for ways to be kind to animals. Stan the Plant-eater presents the message of health and non-violence in a style that captures the hearts and laughter of children.

Celebrating a Christ-centered Easter SPCK Publishing

Possibly the darkest and most shocking six scary short stories yet ever created from bestselling author Stephen R. King. An instinct of passion and disrespect for decency and humanity fill this volume of life experiences we mostly keep in the back of our conscience, never wanting to bring to the forefront. Its truly sick!
