Set in nineteenth-century Australia, a sweeping novel about a secret passion between the explorer Voss and the young orphan Laura. NEVER COMING DOWN

Christie Anderson

previously published under the titles Lucifer's Warrior and The Vampire Narcise "Count on Colleen Gleason for a scorching page-turner!" —Jeaniene Frost "Dark and decadent, sultry and seductive, Colleen Gleason's sexy Dracula series will hold you in its thrall!" —Lara Adrian "In a world where every third title seems to be a vampire story, it's a pleasure to come across a series that's as unique as Colleen Gleason's. Fresh, unique, sassy, and fun, Gleason's Dracula trilogy is one of a kind...A must-have addition to the bookshelves of vamp enthusiasts everywhere." —Maggie Shayne _____ 19th Century London Society: Proper gentlemen, masquerade balls, dance cards...and vampires. The Dracule woman Narcise has been trained as a warrior, enslaved

by her brother Cezar—the most dangerous and evil of all Dracule vampires—to provide entertainment for himself and his cronies. When she loses one of her gladiator-type battles, her opponent's prize is the use of her body for the night. It is no wonder Narcise cannot trust a man...even Giordan Cale, the handsome vampire who vows to free her from her brother's captivity. But his promise is followed by a deep, shocking betrayal—destroying her heart and trust forever. Yet, Narcise finds a new savior in vampire hunter Chas Woodmore. He wants her, he worships her...he will kill for her. But when a soul is in danger, and the only hope is to risk one's heart or lose freedom forever, can someone like Narcise learn to trust again? And when Cezar is determined to move heaven and earth to destroy the men who love her, who will walk away...and who will be forever damned? Most of us think of bowling as a "sport" in quotation marks, and bowling alleys are places with disco balls, matching shirts, and funny shoes. But in the 1960s, New York City was the center of "action bowling", a form of high-stakes gambling in which bowlers—often teenagers—faced off for thousands of dollars every night. When money like that is changing hands, you can bet the pressure is on (and the balls are rigged), and losses come with dire consequences. But for a few kids, the world of action bowling would turn out to be a ticket off the mean streets and onto the Professional Bowlers Association Tour. For Ernie Schlegel, it would be a chance to shed his hustler ways and become a bonafide champion.For the more than 100 million bowlers worldwide and for fans of timeless sports histories, Pin

Action captures the underbelly of 1960s and '70s New York and tells the true story of how the most notorious action bowler of all time became a Hall of Famer. Set in the gritty, flashy, lost world of action bowling, Gianmarc Manzione tells an epic tale filled with seedy characters, uproarious eccentricities, improbable twists of fate, and a rags-to-riches narrative so crazy it has to be true.

Into the Gates of Hell: Stug Command '41 Spectra

The Collective is a gripping thriller from Christopher Golden, author of *Tin Men*, written under the pseudonym Jack Rogan. In a quiet community outside Fort Myers, Florida, a home invasion and murder draw a crowd of Feds. No one is aware that this killing is part of a vast, chilling conspiracy. After all, the victims were just an ordinary family. Former FBI agents Josh Hart and Rachael Voss spearhead the investigation, following a trail of seemingly accidental deaths. Then, in a tranquil Boston suburb, someone comes after the seven-month-old daughter of Gulf War vet Caitlin McCandless. Cait has combat training and knowledge of a shocking secret—and she'll need both to save her daughter's life. Voss and Hart, searching for answers only McCandless can provide, soon find themselves up against far-reaching forces, but what truly startles them is finding enemies inside their own chain of command. In a race against time, power, and secrecy, Voss, Hart, and McCandless are about to come together around an explosive truth: In America, someone is waging war against children—for the most horrifying reason of all. From the Paperback edition.

A former international hostage negotiator for the FBI offers a new, field-tested approach to high-stakes negotiations—whether in the boardroom or at home. After a stint policing the rough streets of Kansas City, Missouri, Chris Voss joined the FBI, where his career as a hostage negotiator brought him face-to-face with a range of criminals, including bank robbers and terrorists. Reaching the pinnacle of his profession, he became the FBI's lead international kidnapping negotiator. *Never Split the Difference* takes you inside the world of high-stakes negotiations and into Voss's head, revealing the skills that helped him and his colleagues succeed where it mattered most: saving lives. In this practical guide, he shares the nine effective principles—counterintuitive tactics and strategies—you too can use to become more persuasive in both your professional and personal life. Life is a series of negotiations you should be prepared for: buying a car, negotiating a salary, buying a home, renegotiating rent, deliberating with your partner. Taking emotional intelligence and intuition to the next level, *Never Split the Difference* gives you the competitive edge in any discussion.

THE WATER KEEPERS 3-BOOK COLLECTION: DEEP BLUE SECRET, ROGUE WAVE, AMBROSIA SHORE

Canelo

Can you imagine *Twilight* with carriages, ballgowns, gloves, and corsets? With prim and proper manners, and the wealthy, powerful dukes and lords of London Society? And then what happens when Voss, the most jaded vampire of them all, falls for a lovely, innocent debutante. She has a sassy wit, a delicious scent...and information he needs desperately. Plus, her brother is a vampire hunter. Enter the world of the Dracula, where in 19th Century London, vampires live alongside the uppercrust members of Society... Even after centuries of lust, hedonism, and women, Voss, the Viscount Dewhurst, rarely finds himself bored. As a member of the Dracule, he is a rogue of the first order, a man who loves nothing more than a warm woman, excellent vintage, and even a puzzling challenge to keep his mind active.

But when one of his seemingly harmless manipulations sets him on the path to seduce the beautiful Miss Angelica Woodmore, things become a little less simple...a lot more passionate...and definitely more complicated. And when the most evil vampire of the Dracule puts Angelica in his sights, Voss will have to risk everything to save her...and possibly his own soul. **Also published under the titles LUCIFER'S ROGUE and THE VAMPIRE VOSS** "Count on Colleen Gleason for a scorching page-turner!" —Jeaniene Frost "Dark and decadent, sultry and seductive, Colleen Gleason's sexy Dracula series will hold you in its thrall!" —Lara Adrian "In a world where every third title seems to be a vampire story, it's a pleasure to come across a series that's as unique as Colleen Gleason's. A Victorian San Francisco Mystery Harlequin

This USA Today bestselling boxed set brings together the first four books in the romantic and suspenseful Victorian San Francisco Mystery series: *Maids of Misfortune*, *Uneasy Spirits*, *Bloody Lessons*, and *Deadly Proof*. *Maids of Misfortune* introduces Annie Fuller, a young widow who runs the O'Farrell Street boardinghouse and supplements her income by giving financial and domestic advice as Madam Sibyl. When one of Madam Sibyl's clients dies in mysterious circumstances, Annie goes undercover as a domestic servant to find out the truth about his death. Against his better judgment, Nate Dawson, the Voss family lawyer, finds himself drawn into helping in her investigations, alternatively fascinated and frustrated by Annie's independent nature. *Uneasy Spirits* finds Annie Fuller and Nate Dawson, assisted by the boardinghouse maid, Kathleen, delving into the world of 19th century Spiritualism in order to expose a fraudulent trance medium. They will soon find there are as many secrets as there are spirits swirling around the séance table and some of those secrets will threaten the foundation of Annie's career as Madam Sibyl and the future of her relationship with Nate Dawson, and, in time, they will threaten her very life itself. In *Bloody Lessons*, Annie Fuller has been asked by her beau, Nate Dawson, to find out who has been sending poison pen letters to tarnish the reputations of San Francisco public school teachers. The case becomes personal when they discover that Nate's sister Laura may be one of the teachers being targeted. In *Deadly Proof*, first place winner of Chanticleer's 2018 Mystery and Mayhem historical mystery award, Annie helps her fiancé, Nate Dawson, with a troubling case—defending a female typesetter who is accused of killing her employer. Complicating matters, Nate's sister Laura decides to take the investigation into her own hands. This collection of four cozy, historical mysteries, set in late nineteenth-century San Francisco, are appropriate for teens to adults, and it is a welcome companion to the fifth book in the series, *Pilfered Promises*, and *Locke's Victorian San Francisco Stories and Victorian San Francisco Novellas*, which feature beloved minor characters.

REIGN OF ASH

K. Leigh

The series opens on a dystopic planet-sized ship in the far future, where a very advanced android receives a personality file from the 90s. He is the only one of his kind. His name is Alex, and in his quest for understanding just how he got to be an android—and on the planet-sized ship known as CONSTELIS VOSS—he finds curiously familiar faces who help him color in the blanks. As the coincidences pile up—friends, objects, scenes, motifs, and tropes—they start to form a pattern. A pattern that's set against the

backdrop of a dystopian, corrupt civilization, with a conveniently very-evil villain. A pattern that seems, in all its madness, to be directly linked to him. Something is pulling the strings, and figuring out the mystery is the only way to save himself, his friends, and the future of the very human race itself. But will he be able solve the mystery without losing himself-and his friends-in the process? The road to hell is paved with good intentions, after all. Welcome to Constelis Voss, the anime-inspired, psychological sci-fi trilogy nobody asked for, but everyone (probably) deserves.
