**The Enemy** Cambridge  
University Press  
kira-kira (kee' ra kee' ra):  
glittering; shining  
Glittering. That's how  
Katie Takeshima's sister,  
Lynn, makes everything

seem. The sky is kira-kira  
because its color is deep  
but see-through at the  
same time. The sea is  
kira-kira for the same  
reason. And so are  
people's eyes. When Katie  
and her family move from  
a Japanese community in  
Iowa to the Deep South of  
Georgia, it's Lynn who  
explains to her why

people stop them on the  
street to stare. And it's  
Lynn who, with her special  
way of viewing the world,  
teaches Katie to look  
beyond tomorrow. But  
when Lynn becomes  
desperately ill, and the  
whole family begins to fall  
apart, it is up to Katie to  
find a way to remind them  
all that there is always

something glittering --  
kira-kira -- in the future.  
Luminous in its  
persistence of love and  
hope, Kira-Kira is Cynthia  
Kadohata's stunning  
debut in middle-grade  
fiction.

*The Art of Teaching*  
Russian Univ of California  
Press

From the Mixed-Up Files  
of Mrs. Basil E.  
Frankweiler meets  
Chasing Vermeer in this  
clever middle grade debut  
When Theodora Tenpenny  
spills a bottle of rubbing  
alcohol on her late  
grandfather's painting,

she discovers what seems  
to be an old Renaissance  
masterpiece underneath.  
That's great news for  
Theo, who's struggling to  
hang onto her family's  
two-hundred-year-old  
townhouse and support  
her unstable mother on  
her grandfather's legacy  
of \$463. There's just one  
problem: Theo's  
grandfather was a  
security guard at the  
Metropolitan Museum of  
Art, and she worries the  
painting may be stolen.  
With the help of some  
unusual new friends,  
Theo's search for answers

takes her all around  
Manhattan, and  
introduces her to a side of  
the city—and her  
grandfather—that she  
never knew. To solve the  
mystery, she'll have to  
abandon her hard-won  
self-reliance and build a  
community, one  
serendipitous friendship  
at a time. “Uniquely  
readable, entirely  
charming, and a pleasure  
from start to finish.  
Debuts this good are  
meant to be discovered.”  
—SLJ Fuse 8 Blog  
“Riveting from start to  
finish.” —BookPage

## **BUT IS IT ART?**

Simon and Schuster  
Learn Chinese with a new twist! This full-color illustrated handbook introduces and explains Han characters and idioms through the language of emoji. Even though their dates of origin are millennia apart, the languages of Chinese and emoji share similarities that the average smartphone user might find surprising. These “hanmoji” parallels offer an exciting new way to learn Chinese—and a

fascinating window into the evolution of Chinese Han characters. Packed with fun illustrations and engaging descriptions, *The Hanmoji Handbook* brings to life the ongoing dialogue between the visual elements of Chinese characters and the language of emoji. At once entertaining and educational, this unique volume holds sure appeal for readers who use emojis, anyone interested in learning Chinese, and those who love quirky, visual gift books.

### **The Hanmoji Handbook**

Macmillan

The first book in the classic vigilante action series from a “writer who spawned a genre” (The New York Times). Overseas, Mack Bolan was dubbed “Sgt. Mercy” for the compassion he showed the innocent. On the home front, they’re calling him the Executioner for what he’s doing to the guilty. In the jungles of Southeast Asia, American sniper Mack Bolan honed his skills. After twelve years, with ninety-five confirmed hits, he returns home to

Massachusetts. But it's not to reunite with his family, it's to bury them—victims in a mass murder/suicide. Even though Bolan's own father pulled the trigger, he knows the old man was no killer. He was driven to madness by Mafia thugs who have turned his idyllic hometown into a new kind of war zone. Duty calls . . . Introducing an action hero "who would make Jack Reacher think twice," this is the first book in the iconic series of vigilante justice that has become a

publishing phenomenon (Empireonline.com). With more than two hundred million Executioner books sold since its debut, the series continues to stimulate. Gerry Conway, cocreator of Marvel Comics' The Punisher, credits the Executioner as "my inspiration . . . that's what gave me the idea for the lone, slightly psychotic avenger." The series is also now in development as a major motion picture. War Against the Mafia is the 1st book in the Executioner series, but

you may enjoy reading the series in any order. *The Thing About Luck* Simon and Schuster A magnificently illustrated Chinese folklore tale about a tigress, a seer, a King, and the prince, who must leave his family and learn the ways of the tigers so that the war between man and animal can end. Deep in the Great Forest, a tigress is mourning the death of her tiger babies who have been killed by hunters. Seeking revenge, she attacks the villages, destroying houses and

prompting the king to gather his army. But a seer named Lao Lao warns the king that if he angers the tigress further she will destroy the kingdom. Lao Lao counsels the king to give his own son to the tigress and promises that no harm will come to the boy. The next morning, the king brings the prince to the edge of the Great Forest and tells him, “Now you must go on alone.” To end the war between man and animal, the prince must forget his human ways and begin to learn

what tigers know. The Tiger Prince was inspired by The Tigress, a late Shang dynasty bronze vessel in the Cernuschi Museum in Paris depicting a scene from the Chinese folktale of a baby raised by a tigress.

### **WEEDFLOWER**

Simon and Schuster When eleven-year-old Becca, a quadruplet, finds a sick piglet on the side of the road, her life is changed forever.

**The Archaeology of Colonialism** Kira-Kira Entrenched secrets,

mysterious spirits, and an astonishing friendship weave together in this extraordinary and haunting debut that School Library Journal calls “a powerful story about loss and moving on.” Nothing matters. Only Bird matters. And he flew away. Jewel never knew her brother Bird, but all her life she has lived in his shadow. Her parents blame Grandpa for the tragedy of their family’s past: they say that Grandpa attracted a malevolent spirit—a duppy—into their home.

Grandpa hasn't spoken a word since. Now Jewel is twelve, and she lives in a house full of secrets and impenetrable silence. Jewel is sure that no one will ever love her like they loved Bird, until the night that she meets a mysterious boy in a tree. Grandpa is convinced that the boy is a duppy, but Jewel knows that he is something more. And that maybe—just maybe—the time has come to break through the stagnant silence of the past.

This unique textbook deals with the variations in the causes, presentations and treatment of neurological disease throughout human populations. International Neurology is an indispensable guide to the full range of neurological conditions you will see in your ever-changing patient population. Comprehensive coverage of neurological diseases and disorders with a clinical approach to diagnosis, treatment and management Truly

international authorship distils expert knowledge from around the world Succinct, bite-sized, templated chapters allow for rapid clinical referral Further reading recommendations for each chapter guide readers requiring more depth of information Endorsed by the World Federation of Neurology

The Doom Machine Simon and Schuster

This volume examines human sexuality as an intrinsic element in the interpretation of complex colonial societies. While

archaeological studies of the historic past have explored the dynamics of European colonialism, such work has largely ignored broader issues of sexuality, embodiment, commemoration, reproduction and sensuality. Recently, however, scholars have begun to recognize these issues as essential components of colonization and imperialism. This book explores a variety of case studies, revealing the multifaceted intersections of colonialism and

sexuality. Incorporating work that ranges from Phoenician diasporic communities of the eighth century to Britain's nineteenth-century Australian penal colonies to the contemporary Maroon community of Brazil, this volume changes the way we understand the relationship between sexuality and colonial history.

Some Girls Just Have To Be The Best At Everything. If any two

girls know about being the best, it's Heather Fox and Jasmine King. Just ask them; they'll be happy to tell you. But every girl knows that there can only be one "best." Can Sasha keep the girls from turning the arena into a war zone and still snag a spot on the coveted Youth Equestrian National Team?

*The Cambridge Handbook of Bilingual Processing*

Simon and Schuster

In today's art world many strange, even shocking, things qualify as art. In this book, Cynthia

Freeland explains why innovation and controversy are valued in the arts, weaving together philosophy and art theory with many fascinating examples. She discusses blood, beauty, culture, money, museums, sex, and politics, clarifying contemporary and historical accounts of the nature, function, and interpretation of the arts. Freeland also propels us into the future by surveying cutting-edge web sites, along with the latest research on the brain's role in perceiving

art. This clear, provocative book engages with the big debates surrounding our responses to art and is an invaluable introduction to anyone interested in thinking about art. *Pediatric Gender Identity* Random House Books for Young Readers  
A Kirkus Reviews Best Middle Grade Book of 2019 A Japanese-American family, reeling from their ill treatment in the Japanese internment camps, gives up their American citizenship to move back to Hiroshima,

unaware of the devastation wreaked by the atomic bomb in this piercing look at the aftermath of World War II by Newbery Medalist Cynthia Kadohata. World War II has ended, but while America has won the war, twelve-year-old Hanako feels lost. To her, the world, and her world, seems irrevocably broken. America, the only home she's ever known, imprisoned then rejected her and her family—and thousands of other innocent Americans—because of

their Japanese heritage, because Japan had bombed Pearl Harbor, Hawaii. Japan, the country they've been forced to move to, the country they hope will be the family's saving grace, where they were supposed to start new and better lives, is in shambles because America dropped bombs of their own—one on Hiroshima unlike any other in history. And Hanako's grandparents live in a small village just outside the ravaged city. The country is starving, the black markets run

rampant, and countless orphans beg for food on the streets, but how can Hanako help them when there is not even enough food for her own brother? Hanako feels she could crack under the pressure, but just because something is broken doesn't mean it can't be fixed. Cracks can make room for gold, her grandfather explains when he tells her about the tradition of kintsukuroi—fixing broken objects with gold lacquer, making them stronger and more beautiful than

ever. As she struggles to adjust to find her place in a new world, Hanako will find that the gold can come in many forms, and family may be hers.

### **CREATIVE ARTS AND PLAY THERAPY FOR ATTACHMENT PROBLEMS**

Springer Science & Business Media  
CRACKER IS ONE OF THE UNITED STATES ARMY'S MOST VALUABLE WEAPONS: a German shepherd trained to sniff out bombs, traps, and the enemy. The fate of entire

platoons rests on her keen sense of smell. She's a Big Deal, and she likes it that way. Sometimes Cracker remembers when she was younger, and her previous owner would feed her hot dogs and let her sleep in his bed. That was nice, too. Rick Hanski is headed to Vietnam. There, he's going to whip the world and prove to his family and his sergeant -- and everyone else who didn't think he was cut out for war -- wrong. But sometimes Rick can't help but wonder that maybe everyone else is right.

Maybe he should have just stayed at home and worked in his dad's hardware store. When Cracker is paired with Rick, she isn't so sure about this new owner. He's going to have to prove himself to her before she's going to prove herself to him. They need to be friends before they can be a team, and they have to be a team if they want to get home alive. Told in part through the uncanny point of view of a German shepherd, Cracker! is an action-packed glimpse into the

Vietnam War as seen through the eyes of a dog and her handler. It's an utterly unique powerhouse of a book by the Newbery Medal-winning author of Kira-Kira.

Rest in Power Tuttle Publishing

WHEN 12-YEAR-OLD ANGELA Kato arrives in L.A., the last thing she wants to do is spend the entire summer with her grandparents. But in the Kato family, one is never permitted to complain. Grandma Michi and Aunt Janet put Angela to work

in their flower shop, folding origami and creating 1001 crane displays for newlyweds. At first, Angela learns the trade begrudgingly. But when her folding skills improve and her relationships with family and friends grow, Angela is able to cope with her troubles, especially her parents' impending divorce.

Kira-Kira Candlewick Press (MA)

Performing illegal research in a near-future world where embryonic stem cell work is

considered first-degree murder, brilliant doctor Arianna Drake draws the attention of an agent from the Department of Embryo Preservation.

**War Against the Mafia**  
Penguin

"Maks the debut of a luminious new voice in fiction." THE NEW YORK TIMES Olivia, the young narrator of this beautiful novel, and her Japanese-American family are constantly on the road, looking for a home in the 1950s. Then traveling becomes a kind of home, a place for her parents to

work out their difficulties, in towns that barely linger in memory, hanging in the air among them as the part of a family history that reaches further back than they care to recall, but can't help remembering....

Checked Simon and Schuster

Winner, Jane Addams Children's Book Award A young girl navigates family and middle school dramas amid the prejudices and paranoia of the Cold War era in this "excellent example of historical fiction for

middle grade readers” (School Library Journal) World War II is over, but the threat of communism and the Cold War loom over the United States. In Detroit, Michigan, twelve-year-old Marjorie Campbell struggles with the ups and downs of family life, dealing with her veteran father’s unpredictable outbursts, keeping her mother’s stash of banned library books a secret, and getting along with her new older “brother”—the teenager her family took in after his veteran

father’s death. When a new girl from Germany transfers to Marjorie’s class, Marjorie finds herself torn between befriending Inga and pleasing her best friend, Bernadette, by writing in a slam book that spreads rumors about Inga. Marjorie seems to be confronting enemies everywhere—at school, at the library, in her neighborhood, and even in the news. In all this turmoil, Marjorie tries to find her own voice and figure out what is right and who the real enemies

actually are. Includes an author’s note and bibliography.  
*Bird* Random House  
 Twelve-year-old Hanako and her family, reeling from their confinement in an internment camp, renounce their American citizenship to move to Hiroshima, a city devastated by the atomic bomb dropped by Americans.  
*1001 Cranes* Simon and Schuster  
 Trayvon Martin’s parents take readers beyond the news cycle with an account only they could

give: the intimate story of a tragically foreshortened life and the rise of a movement. “A reminder—not only of Trayvon’s life and death but of the vulnerability of black lives in a country that still needs to be reminded they matter.”—USA Today Now a docuseries on the Paramount Network produced by Shawn Carter Years after his tragic death, Trayvon Martin’s name is still evoked every day. He has become a symbol of social justice activism, as has

his hauntingly familiar image: the photo of a child still in the process of becoming a young man, wearing a hoodie and gazing silently at the camera. But who was Trayvon Martin, before he became, in death, an icon? And how did one black child’s death on a dark, rainy street in a small Florida town become the match that lit a civil rights crusade? Rest in Power, told through the compelling alternating narratives of his parents, Sybrina Fulton and Tracy Martin,

answers those questions from the most intimate of sources. The book takes us beyond the news cycle and familiar images to give the account that only his parents can offer: the story of the beautiful and complex child they lost, the cruel unresponsiveness of the police and the hostility of the legal system, and an inspiring journey from grief and pain to power, and from tragedy and senselessness to purpose.

**BIOPSYCHOSOCIAL**

## PERSPECTIVES ON ARAB AMERICANS

Cambridge University  
Press

“Kadohata’s slapshot is the heart-swelling narrative of a father and son...Truly powerful.”

—Jason Reynolds “A deeply poignant story about a boy sorting out his priorities.”

—Publishers Weekly (starred review) “A vivid, memorable portrayal of a boy within his family, his sport, and his gradually broadening world.”

—Booklist (starred review) From Newbery Medalist Cynthia Kadohata comes a brilliantly-realized novel about a hockey player who must discover who he is without the sport that defines him. Hockey is Conor’s life. His whole life. He’ll say it himself, he’s a hockey beast. It’s his dad’s whole life too—and Conor is sure that’s why his stepmom, Jenny, left. There are very few things Conor and his dad love more than the game, and one of those

things is their Doberman, Sinbad. When Sinbad is diagnosed with cancer, Conor chooses to put his hockey lessons and practices on hold so they can pay for Sinbad’s chemotherapy. But without hockey to distract him, Conor begins to notice more. Like his dad’s crying bouts, and his friend’s difficult family life. And then Conor notices one more thing: Without hockey, the one thing that makes him feel special, is he really special at all?
