A boy on the run. A girl determined to find him. A

compelling fantasy looks at issues of privilege, protest, and justice. All light in Chattana is created by one man — the Governor, who appeared after the Great Fire to bring peace and order to the city. For Pong, who was born in Namwon Prison, the magical lights represent freedom, and he dreams of the day he will be able to walk among them. But when Pong escapes from prison, he

realizes that the world outside is no fairer than the one behind bars. The wealthy dine and dance under bright orb light, while the poor toil away in darkness. Worst of all, Pong's prison tattoo marks him as a fugitive who can never be truly free. Nok, the prison warden's perfect daughter, is bent on tracking Pong down and restoring her family's good name. But as Nok hunts

Pong through the alleys and canals of Chattana, she uncovers secrets that make her question the truths she has always held dear. Set in a Thai-inspired fantasy world, Christina Soontornvat's twist on Victor Hugo's *Les Misérables* is a dazzling, fast-paced adventure that explores the difference between law and justice — and asks whether one child can shine a light in the dark.

Dragonsdale (Book 1): Skydancer

Houghton Mifflin Harcourt
Meet the princess who rescues herself and the female dragon who would be king in this first fantasy adventure in the Enchanted Forest

Chronicles. The traditional duties of a princess fail to please Cimorene, the daughter of a very proper king. She is quite sure that there's more to the world than curtseying and courting. And what she finds in her chosen career as a dragon's princess is sometimes more than she can handle. But fear not! Our intrepid heroine has just what it takes to keep her dragon, Kazul, safe and happy, while learning

to fireproof herself, organize the treasure trove, and stay free from the clutches of pesky princes. This updated edition features a new introduction by the author. “The story is full of excitement, sly references to the staples of fantasy and fairy tales, and good humor. Cimorene is of a sisterhood that includes Menolly, the dragonsinger of Anne McCaffrey’s *Dragonsong*; and Avi’s

Morwenna of *Bright Shadow*, but Wrede’s delightful voice is all her own.”—*School Library Journal* (starred review). “What a charmer! A decidedly diverting novel with plenty of action and . . . laugh-out-loud reading pleasure.”—*Booklist* (starred review) “Smoothly written and ingenious fantasy. Both Cimorene and her dragon are firmly drawn, tough-minded

females who refuse to conform to stereotypes (being female doesn’t prevent a dragon from becoming king). The touch of feminist persuasion only adds to the story’s charm.”—*Kirkus Reviews* “This was a delightful read, in every sense.”—*SFF Book Reviews* **Opening the Dragon Gate** Candlewick Press Breena doesn’t mean to be jealous, but even though Cara has only been

dragonriding for a short while, she's already a top competitor. To clear her head, Breena takes Moonflight out for a spin--and their safety gear fails. After a horrible crash, the two seek shelter in a seaside cave. And now the tide is rising, threatening to wash them away! With the help of some merfolk, it's Cara and Skydancer to the rescue, riding the storm to save their friends!
