The Imaginary
Girlfriend is a
candid
memoir of the
writers and
wrestlers who
played a role
in John Irving's
development
as a novelist
and as a
wrestler. It
also portrays
a father's

dedication—Ir
ving coached
his two sons
to
championship
titles. It is an
illuminating,
concise work,
a literary
treasure.
According to
Aggie Random
House
“Irving looks
cunningly
beyond the
eye-catching
gyrations of
the mating
dance to the
morning-after
implications.”
—The
Washington

Post The
darker vision
and sexual
ambiguities of
this sensual,
ironic tale
about a
ménage a
quatre in a
New England
university
town
foreshadow
those of *The
World
According to
Garp*; but this
very trim and
precise novel
is a marked
departure
from the
author's
generally

robust, boisterous style. Though Mr. Irving's cool eye spares none of his foursome, he writes with genuine compassion for the sexual tests and illusions they perpetrate on each other; but the sexual intrigue between them demonstrates how even the kind can be ungenerous, and even the well-intentioned, destructive. "One of the most remarkable things about John Irving's first three

novels, viewed from the vantage of *The World According to Garp*, is that they can be read as one extended fictional enterprise. . . . The 158-Pound Marriage is as lean and concentrated as a mine shaft."—Terrence Des Pres "Deft, hard-hitting . . . What Irving demonstrates beautifully is that a one-to-one relationship is more demanding than a free-for-all."—The New York

Times Book Review *The World According to Garp* A&C Black "Imagine a young man on his way to a less-than-thirty second event — the loss of his left hand, long before he reached middle age." The Fourth Hand asks an interesting question: "How can anyone identify a dream of the future?" The answer: "Destiny is not imaginable, except in dreams or to those in love."

While reporting a story from India, a New York television journalist has his left hand eaten by a lion; millions of TV viewers witness the accident. In Boston, a renowned hand surgeon awaits the opportunity to perform the nation's first hand transplant; meanwhile, in the distracting aftermath of an acrimonious divorce, the surgeon is seduced by his housekeeper. A married

woman in Wisconsin wants to give the one-handed reporter her husband's left hand—that is, after her husband dies. But the husband is alive, relatively young, and healthy. This is how John Irving's tenth novel begins; it seems, at first, to be a comedy, perhaps a satire, almost certainly a sexual farce. Yet, in the end, *The Fourth Hand* is as realistic and emotionally

moving as any of Mr. Irving's previous novels—including *The World According to Garp*, *A Prayer for Owen Meany*, and *A Widow for One Year*—or his Oscar-winning screenplay of *The Cider House Rules*. *The Fourth Hand* is characteristic of John Irving's seamless storytelling and further explores some of the author's recurring themes—loss, grief, love as redemption. But this novel also breaks new ground; it

offers a penetrating look at the power of second chances and the will to change.

Before She Met Me The World According to Garp “Truly remarkable . . . encompasses the longings and agonies of youth . . . a complex and moving novel.”—Time “Astonishing . . . a writer of uncommon imaginative power. Whatever [John Irving] writes, it will be worth reading.”—Sat

urday Review It is 1967. Two Viennese university students, Siggy and Hannes, roam the Austrian countryside on their motorcycles—on a quest: to liberate the bears of the Vienna Zoo. But their good intentions have both comic and gruesome consequences in this first novel from John Irving, already a master storyteller at twenty-five years old. “Imagine a mixture of Till Eulenspiegel

and Ken Kesey . . . and you've got the range of the merry pranksters who hot rod through Mr. Irving's book . . . tossing flowers, stealing salt shakers, and planning the biggest caper of their young lives.”—The New York Times Planeta Publishing Corporation Fred 'Bogus' Trumper is a wayward knight-errant in the battle of the sexes and the pursuit of happiness. He also happens to have a complaint

more serious than Portnoy's. Yet he stubbornly clings to the notion that he'll make something of his life, and is about to commit himself to a second marriage that bears remarkable resemblance to his first. The Water-Method Man is a work of cosummate artistry and comic invention, bizarre imagery and sharp social and psychological observation.

THE FOURTH HAND

Random House Juan Diego's little sister is a mind reader. As a teenager, he struggles to keep anything secret - Lupe knows all the worst things that go through his mind. And sometimes she knows more. What a terrible burden it is to know - or to think you know - your future, or worse, the future of someone you love. What might a young

girl be driven to do if she thought she had the power to change what lies ahead? Later in life, Juan Diego embarks on a journey to fulfil a promise he made in his youth. It is a long story and it has long awaited an ending, but Juan Diego is unable to write the final chapters. This is the story of what happens when the future collides with the past.

The World According To Garp Random House

This is the life and times of T. S. Garp, the bastard son of Jenny Fields - a feminist leader ahead of her times. It is also the life and death of a famous mother and her almost-famous son; theirs is a world of sexual extremes - even of sexual assassinations . It is a novel rich with 'lunacy and sorrow'; yet the dark, violent events of the story do not undermine a comedy both ribald and robust. It provides

almost cheerful, even hilarious evidence of its famous last line: "In the world according to Garp, we are all terminal cases."

A Sound Like Someone Trying Not to Make a Sound

Random House Winner of the National Book Award "Nothing in contemporary fiction matches it." —The New Republic "Wonderful . . . full of energy and art, at once funny and horrifying

and heartbreaking."

—Washington Post Powerful and political, with unforgettable characters and timeless themes, *The World According to Garp* is John Irving's breakout novel. The precursor of Irving's later protest novels, it is the story of Jenny, an unmarried nurse who becomes a single mom and a feminist leader, beloved but polarizing—an d of her son,

Garp, less beloved but no less polarizing. From the tragicomic tone of its first sentence to its mordantly funny last line—"we are all terminal cases"—*The World According to Garp* maintains a breakneck pace. The subject of sexual hatred and violence—of intolerance of sexual minorities, and sexual differences—runs through the book, as relevant now as ever.

Available in more than forty countries—with more than ten million copies in print—*Garp* is a comedy with forebodings of doom. *The World According to Garp* Harper Collins Winner of the National Book Award "Nothing in contemporary fiction matches it." —The New Republic "Wonderful . . . full of energy and art, at once funny and horrifying and heartbreaking."

A Widow for One Year

Simon and Schuster
An American classic first published in 1985 by William Morrow and adapted into an Academy Award-winning film, *The Cider House Rules* is among John Irving's most beloved novels. Set in rural Maine in the first half of the twentieth century, it tells the story

of Dr. Wilbur Larch—saint and obstetrician, founder and director of the orphanage in the town of St. Cloud's, ether addict and abortionist. It is also the story of Dr. Larch's favorite orphan, Homer Wells, who is never adopted. "A novel as good as one could hope to find from any author, anywhere, anytime. Engrossing, moving, thoroughly satisfying."
—Joseph Heller, author

 abstract: John
 Irving's
 novelThe
 World
 According to
 Garpives the
 reader a view
 on the lives of

its characters
 and, as a part
 of it, their
 attitudes
 towards lust
 and sexuality.
 The
 description of
 these aspects
 is very direct
 and may be
 offensive for
 some more
 conservative
 persons. Even
 for persons
 who tend to
 be liberal-
 minded,
 Irving's way of
 writing about
 sex can be
 uncommon,
 although he
 uses lust and
 sexuality only
 to tell the
 story and not
 for sensational
 reasons. It is
 strange that
 after forty

years of
 sexual
 liberation, or
 the so called
 'sexual
 revolution', so
 little seems to
 have changed
 and people
 still have
 these kinds of
 feelings when
 reading about
 sex being
 described so
 directly.
 Despite the
 fact that
 people
 expected
 more from the
 sexual
 liberation in
 the 1960s and
 1970s, there
 was indeed a
 change in
 attitude
 towards
 certain
 aspects, such
 as premarital

and extramarital sex. Studies in the United States in the 1970s revealed “a gradual decrease over time in the percentage of respondents who said that premarital sex is always wrong”. Another important change which derived from the liberation movement was the new female sexuality, especially concerning the sexual fulfilment of women before and during marriage. This

is also proved by a decreasing support of the ‘double standard’, where men are more or less allowed to be sexual active, including premarital and even extramarital sex, but women are not. You also have to consider the women’s movement, when thinking about female sexual liberation. Both, sexual liberation and feminism, somehow worked together hand

in hand to achieve improvement for women’s sexuality. In order to understand the gap between the new achievements and the nevertheless still existing resentments towards them, you need to know the situation prior to the 1960s, when the above-mentioned ‘double standard’ and abstinence were in the focus of sexuality. and astonishing."– Kristen Arnett, author of *Mostly Dead Things* Unfolding over the course of nine days, and written with enormous heart, *All My Mother's Lovers* is a meditation on the universality and particularity of family ties, grief, and generational divides, as well as a tender and biting portrait of sex, gender, and identity. After Maggie Krause's mother dies

suddenly in a car crash, Maggie finds five sealed envelopes with her will, each addressed to a mysterious man she's never heard of. Maggie and her mother, Iris, weren't close, especially since Maggie came out, but she never thought they would run out of time to figure each other out. Now in her late twenties, Maggie is finally in something resembling a serious relationship,

wondering if some of whatever shaped her parents' decades-long love story might exist after all. Overwhelmed by her grief and frustrated with her family, Maggie decides to escape the shiva and hand-deliver her mother's letters. The ensuing road trip takes her over miles of California highways, through strangers' recollections of a second, hidden life (that seems almost

impossible to reconcile with the Iris she knew), and a journey through her own fears as she navigates her new relationship. As she fills in the details of Iris's story, Maggie must confront the possibility that almost everything she knew about her mother — her marriage, her lukewarm relationship to Judaism, her disapproval of her daughter's queerness — is more meaningful than she ever allowed

herself to imagine.
Last Night in Twisted River
 Ballantine Books
 At the start of this fiendishly comic and suspenseful novel, a mild-mannered English academic chuckles as he watches his wife commit adultery. The action takes place before she met him. But lines between film and reality, past and present become terrifyingly blurred in this sad and funny tour de force

from the author of Flaubert's Parrot.
The Pension Grillparzer : das Hörbuch zum Sprachen lernen ; ungekürzte Originalfassung ; Audio-CD, Textbuch, CD-ROM
 SAGE
 Now available in eBook for the first time in America—the New York Times bestselling saga of a most unusual family from the award-winning author of The World According to

Garp. “The first of my father’s illusions was that bears could survive the life lived by human beings, and the second was that human beings could survive a life led in hotels.” So says John Berry, son of a hapless dreamer, brother to a cadre of eccentric siblings, and chronicler of the lives lived, the loves experienced, the deaths met, and the myriad strange and wonderful

times encountered by the family Berry. Hoteliers, pet-bear owners, friends of Freud (the animal trainer and vaudevillian, that is), and playthings of mad fate, they “dream on” in a funny, sad, outrageous, and moving novel by the remarkable author of *A Prayer for Owen Meany* and *Last Night in Twisted River*. *The Way Things Were* Vintage Canada In 1954, in the cookhouse of

a logging and sawmill settlement in northern New Hampshire, an anxious twelve-year-old boy mistakes the local constable’s girlfriend for a bear. Both the twelve-year-old and his father become fugitives, forced to run from Coos County—to Boston, to southern Vermont, to Toronto—pursued by the implacable constable. Their lone protector is a fiercely libertarian logger, once a

river driver, who befriends them. In a story spanning five decades, *Last Night in Twisted River* depicts the recent half-century in the United States as “a living replica of Coos County, where lethal hatreds were generally permitted to run their course.” What further distinguishes *Last Night in Twisted River* is the author’s unmistakable voice—the inimitable voice of an accomplished storyteller. *The World*

According to Garp Sristhi Publishers & Distributors Until I Find You is the story of the actor Jack Burns – his life, loves, celebrity and astonishing search for the truth about his parents. When he is four years old, Jack travels with his mother Alice, a tattoo artist, to several North Sea ports in search of his father, William Burns. From Copenhagen to Amsterdam, William, a brilliant church

organist and profligate womanizer, is always a step ahead – has always just departed in a wave of scandal, with a new tattoo somewhere on his body from a local master or “scratcher.” Alice and Jack abandon their quest, and Jack is educated at schools in Canada and New England – including, tellingly, a girls’ school in Toronto. His real education consists of his relationships with older women – from Emma Oastler,

who initiates him into erotic life, to the girls of St. Hilda's, with whom he first appears on stage, to the abusive Mrs. Machado, whom he first meets when sent to learn wrestling at a local gym. Too much happens in this expansive, eventful novel to possibly summarize it all. Emma and Jack move to Los Angeles, where Emma becomes a successful novelist and Jack a promising actor. A host of eccentric

minor characters memorably come and go, including Jack's hilariously confused teacher the Wurtz; Michelle Maher, the girlfriend he will never forget; and a precocious child Jack finds in the back of an Audi in a restaurant parking lot. We learn about tattoo addiction and movie cross-dressing, "sleeping in the needles" and the cure for cauliflower ears. And John

Irving renders his protagonist's unusual rise through Hollywood with the same vivid detail and range of emotions he gives to the organ music Jack hears as a child in European churches. This is an absorbing and moving book about obsession and loss, truth and storytelling, the signs we carry on us and inside us, the traces we can't get rid of. Jack has always lived in the shadow of his absent

father. But as he grows older – and when his mother dies – he starts to doubt the portrait of his father’s character she painted for him when he was a child. This is the cue for a second journey around Europe in search of his father, from Edinburgh to Switzerland, towards a conclusion of great emotional force. A melancholy tale of deception, *Until I Find You* is also a swaggering comic novel, a giant tapestry of life’s hopes. It is a masterpiece to compare with John Irving’s great novels, and restates the author’s claim to be considered the most glorious, comic, moving novelist at work today. *Avenue of Mysteries* Vintage After the success of “Operation Fox-Hunt”, Sanjay Khanna is back in action. And this time the stakes are higher. Hurt and pushed to the back foot by Indian political actions in Kashmir, the Pakistani Military establishment is angry and decides to strike, hard! Their man for the job, Major Mansoor Khan of the Pakistan Army is given a target. A deadly weapon from an old conflict is summoned back from its exile to deliver a crippling blow that will change the history of the subcontinent. Mansoor and his men have their tasks cut

out. With a handpicked team and a well-oiled plan, they are on their way. Can they be stopped in time? Will the Indian security agencies be able to detect and neutralise the attack? Operation Hellfire unfolds across the crystal-clear waters off Thailand to the mountains of Chakrata in India, via the dusty expanse of Afghan countryside through the intrigue filled city of Quetta, right through to the heart of India, Delhi. A

heady mix of thrilling detective work combined with high octane explosive action keeps you turning the pages. *The 158-Pound Marriage* Penguin “Trapped in their cozy catacombs, the couples have made sex by turns their toy, their glue, their trauma, their therapy, their hope, their frustration, their revenge, their narcotic, their main line of communication and their sole and

pitiable shield against the awareness of death.”—Time One of the signature novels of the American 1960s, *Couples* is a book that, when it debuted, scandalized the public with prose pictures of the way people live, and that today provides an engrossing epitaph to the short, happy life of the “post-Pill paradise.” It chronicles the interactions of ten young married couples in a seaside New

England
community
who make a
cult of sex and
of themselves.
The group of
acquaintances
form a
magical circle,
complete with
ritualistic
games,

COUPLES

American Girl
John Irving's
memoir
describes the
author's
involvement
(and lack

thereof) in five
of the films
that have (and
have not)
been made
from his nine
novels. My
Movie
Business
focuses
primarily on
the thirteen
years Mr.
Irving spent
writing and
rewriting his
screenplay of
The Cider
House Rules,
for four
different
directors. A
Miramax
production,
the film was
finally shot in
the fall of
1998 directed
by the
Swedish
director Lasse
Hallström (My

Life as a Dog), with Michael Caine in the role of Dr. Larch. The Cider House Rules is a November 1999 release. Mr. Irving also writes about the failed effort to make his first novel, Setting Free the Bears, into a movie; about two of the films that were made from his novels (but not from his screenplays), The World According to Garp and The Hotel New Hampshire;

and about his ongoing struggle to shepherd his screenplay of A Son of the Circus into production. In addition to its qualities as a memoir - anecdotal, comic, affectionate, and candid - My Movie Business is an insightful essay on the essential differences between writing a novel and writing a screenplay. Never have the two forms of storytelling been so

lucidly compared and contrasted; the details are memorable, the examples clarifying. My Movie Business includes photos by Stephen Vaughan, the still photographer on the film set of The Cider House Rules.
