P. G. WODEHOUSE : A LIFE IN LETTERS

Random House
The letters of one of the world's greatest composers Wolfgang Amadeus Mozart—seen variously as a child prodigy, musical genius, tragic Romantic artist, and cultural icon—is

among the most written-about of all composers. This fascinating set of his letters offers a new understanding of his life story—his marriage, compositions, performances, occasional money worries, opinions of fellow musicians, and complex relationship with his father—and a revealing portrait of both the man and the musician.

THE LIFE AND LETTERS OF EDWARD DRINKER COPE

Cambridge University Press
Six decades of correspondence sketch the story of a young adult who shouldered enormous domestic responsibilities as daughter, mother, and wife - a sensuous woman who managed to find success as a writer despite a

paucity of money, time, and occasionally, spirit. These letters give voice to the self-doubt that lingered behind her strong public persona and tell of her long struggle to find a place in the world - not only as a writer but as a person.

ALICE HAMILTON, A LIFE IN LETTERS

Penguin
William Sharp
(1855-1905)
conducted one
of the most
audacious
literary
deceptions of

his or any
time. Sharp
was a Scottish
poet, novelist,
biographer
and editor
who in 1893
began to write
critically and
commercially
successful
books under
the name
Fiona
Macleod. This
was far more
than just a
pseudonym:
he
corresponded
as Macleod,
enlisting his
sister to
provide the
handwriting
and address,
and for more
than a decade
"Fiona
Macleod"
duped not
only the

general public
but such
literary
luminaries as
William Butler
Yeats and, in
America, E. C.
Stedman.
Sharp wrote "I
feel another
self within me
now more
than ever; it is
as if I were
possessed by
a spirit who
must speak
out". This
three-volume
collection
brings
together
Sharp's own
correspondenc
e - a
fascinating
trove in its
own right, by
a Victorian
man of letters
who was on
intimate terms

with writers including Dante Gabriel Rossetti, Walter Pater, and George Meredith – and the Fiona Macleod letters, which bring to life Sharp’s intriguing "second self". With an introduction and detailed notes by William F. Halloran, this richly rewarding collection offers a wonderful insight into the literary landscape of the time, while also investigating a strange and

underappreciated phenomenon of late-nineteenth-century English literature. It is essential for scholars of the period, and it is an illuminating read for anyone interested in authorship and identity. **Her Life in Letters** A Life in Letters A social-emotional concept picture book that teaches readers the power of setting intentions and embracing mindfulness in

our everyday. Appreciate art, become brave, and choose compassion. Pairing big ideas like generosity, respect, and joy with the letters of the alphabet, *Letters to Live* By is a beautiful picture book that encourages children to make the most of each day and leave their mark on the world. *Correspondence, 1929-1991* Penguin Selected letters share Fitzgerald's outlook on life,

publishing, writing, and his own works *Jane Austen, Her Life and Letters* Simon and Schuster Based on actual letters Fitzgerald sent to his sister to help her on how to be more attractive for men, "Bernice Bobs Her Hair" is the story of a socially hopeless girl being changed into a socially attractive girl to end up attracting the boy of her helper. The story is a depiction of the changing face of youth during

Fitzgerald's time and has been adapted into several movies as it remains a story that impressed all readers over the years. F. Scott Fitzgerald on Authorship MP Publishing Many of the heralded writers of the 20th century—including Ernest Hemingway, John Dos Passos, F. Scott Fitzgerald, and William Faulkner—first made their mark in the 1920s, while established authors like

Willa Cather and Sinclair Lewis produced some of their most important works during this period. Classic novels such as *The Sun Also Rises*, *The Great Gatsby*, *Elmer Gantry*, and *The Sound and the Fury* not only mark prodigious advances in American fiction, they show us the wonder, the struggle, and the promise of the American dream. In *Beyond Gatsby: How Fitzgerald,*

Hemingway, and Writers of the 1920s Shaped American Culture, Robert McParland looks at the key contributions of this fertile period in literature. Rather than provide a compendium of details about major American writers, this book explores the culture that created F. Scott Fitzgerald and his contemporaries. The source material ranges from the minutes of

reading circles and critical commentary in periodicals to the archives of writers' works—as well as the diaries, journals, and letters of common readers. This work reveals how the nation's fiction stimulated conversations of shared images and stories among a growing reading public. Signifying a cultural shift in the aftermath of World War I, the collective works by these authors

represent what many consider to be a golden age of American literature. By examining how these authors influenced the reading habits of a generation, *Beyond Gatsby* enables readers to gain a deeper comprehension of how literature shapes culture. [Mozart: A Life in Letters](#) Univ of South Carolina Press John Fitzgerald Kennedy led his nation for little more

than a thousand days, yet his presidency is intensely remembered, not merely as a byproduct of his tragic fate. Kennedy steered the nation away from the brink of nuclear war, initiated the first nuclear test ban treaty, created the Peace Corps, and launched American on its mission to the moon and beyond. JFK inspired a nation, particularly the massive generation of baby boomers,

injecting hope and revitalizing faith in the American project. 2013 will mark the fiftieth anniversary of Kennedy's untimely death, a milestone to be marked by an avalanche of new books on his life and importance. Martin Sandler's *The Letters of John F. Kennedy* will stand out among them, as the only book that draws on letters from and to Kennedy, as collected at the Kennedy

Presidential Library and Museum. Drawn from more than two million letters on file at the library--many never before published--this project presents readers with a portrait of both Kennedy the politician and Kennedy the man, as well as the times he lived in. *Letters to and from the likes of Martin Luther King Jr, Clare Booth Luce, Pearl Buck, John Wayne, Albert Schweitzer, Linus Pauling, Willy Brandt, Eleanor*

Roosevelt, Nikita Khrushchev, Harry Truman, Herbert Hoover, a young John Kerry, and Ngo Dinh Diem are complemented by letters from ordinary citizens, schoolchildren, and concerned Americans. Each letter will be accompanied by lively and informative contextualization. Facsimiles of many letters will appear, along with photographs and other visual ephemera from the Kennedy Library and Museum. *The Life* Independently Published The definitive edition of the letters—many previously unpublished—of England’s greatest comic writer. P. G. Wodehouse wrote some of the greatest comic masterpieces of all time. So, naturally, we find the same humor and wit in his letters. He offers hilarious accounts of living in England and France, the effects of prohibition, and how to deal with publishers. He even recounts cricket matches played while in a Nazi internment camp (Wodehouse wanted to show the stiff upper lip of the British in the toughest situations). Over the years, Wodehouse corresponded with relatives, friends, and some of the greatest figures of the twentieth century: Agatha Christie, Ira

Gershwin, Evelyn Waugh, George Orwell, and Sir Arthur Conan Doyle. The letters are arranged chronologically with intersecting sections of biography written by Sophie Ratcliffe. This is the only book you will need to understand the man behind the characters.

A LIFE IN LETTERS

Greenbooks editore
"Surely his most interesting,

plausibly his most memorable, and . . . arguably his best book" —The New York Times Book Review For John Steinbeck, who hated the telephone, letter-writing was a preparation for work and a natural way for him to communicate his thoughts on people he liked and hated; on marriage, women, and children; on the condition of the world; and on his progress in learning his

craft. Opening with letters written during Steinbeck's early years in California, and closing with a 1968 note written in Sag Harbor, New York, *Steinbeck: A Life in Letters* reveals the inner thoughts and rough character of this American author as nothing else has and as nothing else ever will. "The reader will discover as much about the making of a writer and the creative process, as he will about Steinbeck.

And that's a lot." —Los Angeles Herald-Examiner "A rewarding book of enduring interest, this becomes a major part of the Steinbeck canon." —The Wall Street Journal The Letters of John F. Kennedy Simon and Schuster The monumentality of this biographical work further establishes Joseph Roth—with Kafka, Mann, and Musil—in the twentieth-century

literary canon. Who would have thought that seventy-three years after Joseph Roth's lonely death in Paris, new editions of his translations would be appearing regularly? Roth, a transcendent novelist who also produced some of the most breathtakingly lyrical journalism ever written, is now being discovered by a new generation. Nine years in the making, this life through

letters provides us with our most extensive portrait of Roth's calamitous life—his father's madness, his wife's schizophrenia, his parade of mistresses (each more exotic than the next), and his classic westward journey from a virtual Hapsburg shtetl to Vienna, Berlin, Frankfurt, and finally Paris. Containing 457 newly translated letters, along with eloquent introductions

that richly frame Roth's life, this book brilliantly evokes the crumbling specters of the Weimar Republic and 1930s France. Displaying Roth's ceaselessly inventive powers, it finally charts his descent into despair at a time when "the word had died, [and] men bark like dogs."

The Life and Letters of William Sharp and "Fiona Macleod". Volume 1: 1855-1894
Counterpoint LLC

"Pure and lovely...to read Zelda's letters is to fall in love with her."
—The Washington Post
Edited by renowned Jackson R. Bryer and Cathy W. Barks, with an introduction by Scott and Zelda Fitzgerald's granddaughter, Eleanor Lanahan, this compilation of over three hundred letters tells the couple's epic love story in their own words. Scott and Zelda Fitzgerald's devotion to

each other endured for more than twenty-two years, through the highs and lows of his literary success and alcoholism, and her mental illness. In *Dear Scott, Dearest Zelda*, over 300 of their collected love letters show why theirs has long been heralded as one of the greatest love stories of the 20th century. Edited by renowned Fitzgerald scholars Jackson R. Bryer and Cathy W. Barks, with an

introduction by Scott and Zelda's granddaughter, Eleanor Lanahan, this is a welcome addition to the Fitzgerald literary canon.

A vibrant self-portrait of an artist whose work was his life. In this new collection of F. Scott Fitzgerald's letters, edited by leading Fitzgerald scholar and biographer Matthew J. Bruccoli, we see through his own words the artistic and emotional

maturation of one of America's most enduring and elegant authors. A Life in Letters is the most comprehensive volume of Fitzgerald's letters -- many of them appearing in print for the first time. The fullness of the selection and the chronological arrangement make this collection the closest thing to an autobiography that Fitzgerald ever wrote. While many readers are familiar with Fitzgerald's

legendary "jazz age" social life and his friendships with Ernest Hemingway, Gertrude Stein, Edmund Wilson, and other famous authors, few are aware of his writings about his life and his views on writing. Letters to his editor Maxwell Perkins illustrate the development of Fitzgerald's literary sensibility; those to his friend and competitor Ernest Hemingway reveal their difficult relationship.

The most poignant letters here were written to his wife, Zelda, from the time of their courtship in Montgomery, Alabama, during World War I to her extended convalescence in a sanatorium near Asheville, North Carolina. Fitzgerald is by turns affectionate and proud in his letters to his daughter, Scottie, at college in the East while he was struggling in Hollywood. For readers

who think primarily of Fitzgerald as a hard-drinking playboy for whom writing was effortless, these letters show his serious, painstaking concerns with creating realistic, durable art. [The Life and Letters of John Brown](#) W. W. Norton & Company
What an achievement! It is a major work. The letters taken together with the excellent introductory sections - so balanced and judicious and informative -

what emerges is an amazing picture of William Sharp the man and the writer which explores just how fascinating a figure he is. Clearly a major reassessment is due and this book could make it happen.--
Andrew Hook, Emeritus
Bradley Professor of English and American Literature, Glasgow University
William Sharp (1855-1905) conducted one of the most audacious

Steinbeck
 Thomas Nelson
 "Paul, a servant of Jesus Christ" So goes Paul's typical self-introduction, an

unassuming title for Christianity's most influential figure apart from Christ Himself. Now, for the first time, experience Paul's world-changing writings in the full context of his life story—from Pharisee and persecutor of the church, to broken and humbled convert, to the apostle of the gospel of Jesus Christ. From pastor and teacher Dr. John MacArthur, *One Faithful Life* is the

first-of-its-kind harmony of Paul's message and life, weaving together Paul's letters, the book of Acts, and important background information from the Gospels into a seamless, chronological narrative. Features include: Verse-by-verse explanations and section introductions from one of the most respected pastor-teachers of our time New King James Version of the

It comprises essays written during a difficult time in Twain's life (1904–1909), when he was deeply in debt and had recently lost his wife and one of his

daughters. The content concerns morality and religion and strikes a tone that is sarcastic - Twain's own term throughout the book.

WORDS IN PAIN

Penguin UK

The first exhaustive treatment of the great monarch's letters opens the door to her life through her correspondence--from letters she wrote at ten to barely legible letters scrawled to

her successor when she was on her deathbed. (Biography)
